**Full Year 2011 Highlights include:**

Roni Al Dor, CEO of Sapiens International, commented, “As expected, 2011 was a good year of performance for Sapiens, setting the stage for us to capitalize on growth trends in the insurance industry. Our revenue grew organically and non-organically by 34%. Our 2011 net income GAAP reach \$5.9 million, compared to \$6.2 million last year. This mainly due to the one-time restructuring and related transaction expenses following the merger that we have

completed during the third quarter of 2011; on a non-GAAP basis we showed growth of 22% on our net profit.”

“With our operations worldwide, over 70 top-tier insurance customers in multiple geographic markets, a proven track record, and regulation-compliant solutions to handle domestic and overseas expansion, I firmly believe Sapiens will grow to be recognized as a leader in the industry.” Mr. Al-Dor continued. “Sapiens products and customers have been recognized for their business, technology and functionality excellence, winning excellent awards by industry analysts.”

Mr. Al Dor concluded, “Looking ahead to 2012, we expect to cross the \$100 million revenue bar.”
