CHAIRMAN'S LETTER

Dear Fellow Shareholders:

In response to last year's unfavorable vote on executive compensation (Say-on-Pay), the Compensation Committee of your Board of Directors spent a considerable amount of time and effort in 2013 communicating with the largest shareholders of Consolidated Water Co. Ltd. (the Company) in order to obtain feedback on the Say-on-Pay vote. As a result of candid feedback from our shareholders, your Board of Directors, guided by the Compensation Committee, initiated the following actions:

Adopted a clawback policy;

Adopted an anti-hedging/anti-pledging policy;

Adopted minimum stock ownership guidelines for non-employee directors and the Chief Executive Officer; and

Revised and expanded the Company's compensation peer group.

Engaged a new independent executive compensation consultant to review the Company's executive compensation plans and programs.

A description of these actions is set forth in the Compensation Discussion and Analysis section of this year's Proxy Statement.

The Compensation Committee is presently in the process of reviewing and evaluating the Company's executive compensation program, specifically the design of the Company's short-term and long-term incentive plans, for the purpose of more closely aligning the compensation of our executives with the interests of our shareholders.

We have expanded the Compensation Discussion and Analysis section of this year's Proxy Statement to include several tables and graphs, which highlight certain key compensation data. We hope the new format facilitates your review of our executive compensation information.

On behalf of your Board of Directors, I request your support for the proposals to be considered at the 2014 Annual General Meeting of Shareholders.

Sincerely,

Wilmer F. Pergande
Chairman of the Board of Directors

CONSOLIDATED WATER CO. LTD.

Annual General Meeting of Shareholders Wednesday, May 28, 2014 Proxy Statement

This Proxy Statement has been prepared and is distributed and made available by the board of directors (the Board of Directors) of Consolidated Water Co. Ltd. (the Company) in connection with the solicitation of proxies for the Annual General Meeting of Shareholders of the Company (the Annual General Meeting) to be held at The Westin Grand Cayman Seven Mile Beach Resort & Spa, Seven Mile Beach, Grand Cayman, Cayman Islands, at 10:00 a.m., local time, on Wednesday, May 28, 2014, and any adjournment or postponement thereof for the purpose set forth in the accompanying Notice of Annual General Meeting of Shareholders.

This Proxy Statement and the accompanying form of proxy will be distributed to shareholders, and will be made available for viewing, downloading and printing by shareholders at www.proxyvote.com, on or about April 14, 2014. The Company will bear the cost of the solicitation of proxies.

Only holders of record of the Company's Ordinary Shares, par value CI\$0.50 per share (the Ordinary Shares), and the Company's Redeemable Preference Shares, par value CI\$0.50 per share (the Redeemable Preference Shares), on the books of the Company at the close of business on March 25, 2014, are entitled to vote at the Annual General Meeting. On that date, 14,686,197 Ordinary Shares and 37,408 Redeemable Preference Shares were issued and outstanding. Our Ordinary Shares and Redeemable Preference Shares are referred to as common stock and redeemable preferred stock, respectively, in our consolidated financial statements prepared in accordance with United States generally accepted accounting principles. All matters that come before this Annual General Meeting will be decided by a poll that will be demanded in each case by Frederick W. McTaggart or David W. Sasnett, the persons who are appointed proxies in the proxy card which accompanies this Proxy Statement. Each shareholder of record is entitled to one vote for each Ordinary Share or Redeemable Preference Share (collectively, the Shares) held on all polled matters that come before the Annual General Meeting. The holders of 33 1/3% of the issued and outstanding Shares, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual General Meeting.

For Proposal 1, the election of four directors, each of the nominees shall be elected as a director if the number of Shares cast for such nominee's election exceeds the number of Shares voted against such nominee's election. The approval of holders of at least a majority of the Shares cast is required for: (i) Proposal 2, the advisory vote on executive compensation; and (ii) Proposal 3, the ratification of the selection of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014.

Abstentions and broker non-votes (which occur when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner) are not treated as votes cast and, therefore, will not affect the outcome of the vote.

Shares represented by a properly executed proxy must be received not later than 24 hours before the scheduled time of the meeting and, if received in time to permit its use at the meeting or any postponement or adjournment thereof, will be voted in accordance with the instructions indicated therein. If no instructions are indicated, the Shares represented

by the proxy will be voted (i) for the election of the nominees for director; (ii) for the approval of executive compensation; and (iii) for the ratification of the selection of Marcum LLP as the Company's independent registered public accounting firm.

A shareholder of record who has given a proxy may revoke it at any time before it is voted at the meeting by giving written notice of such revocation to the office of the Secretary of the Company, or by executing and delivering to the Company not later than 24 hours before the scheduled time of the meeting a proxy bearing a later date. A proxy automatically will be revoked if a shareholder attends the meeting.

Shareholders may, by electronic means via the Internet or by mail, appoint a proxy to vote Shares as more fully described below:

By Internet: Go to *www.proxyvote.com* and follow the instructions. Shareholders should have their proxy card available when accessing the site.

By Mail: If shareholders have received a proxy card, shareholders should mark their vote, sign their name exactly as it appears on the proxy card, date the card and return it in the envelope provided.

Unless otherwise indicated herein, all references to \$ are to United States dollars and all references to CI\$ are to Cayman Island dollars.

PROPOSAL 1

Election of Group II Directors

The shareholders of the Company will vote on the election of four Group II directors at the Annual General Meeting. Each of the nominees listed below has consented to being named a nominee in this Proxy Statement and has agreed to serve as a director if elected at the Annual General Meeting. If prior to the Annual General Meeting, any of the nominees should become unavailable to serve, the proxies in such nominee's favor will be void. The Board of Directors knows of no reason to anticipate that this will occur.

In accordance with the Company's Articles of Association, the Board of Directors is divided into three groups, designated Group I, Group II and Group III. At the 2014 Annual General Meeting, shareholders will vote on the election of the Group II directors. Directors in Group III and Group I will be eligible for reelection at the Company's Annual General Meetings in 2015 and 2016, respectively. Each group, upon election, serves for a three-year term.

The affirmative vote of the holders of a majority of the Shares cast at the Annual General Meeting is required to elect each director. The Board of Directors is engaged in the oversight of risk through regular updates from Mr. McTaggart, in his role as our Chief Executive Officer, and other members of our management team, regarding those risks confronting us, the actions and strategies necessary to mitigate those risks and the status and effectiveness of those actions and strategies. Executive Officer (CEO), our Chief Financial Officer (CFO), our Chief Operating Officer (COO) and other members of our management team. Governance of the Company

Pursuant to the Company s Memorandum of Association, Articles of Association and Cayman Islands law, the Company s business, property and affairs are managed under the direction of the Board of Directors. Members of the Board of Directors are kept informed of the Company s business through discussions with the Chief

5

Executive Officer and other senior officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

The Board of Directors has determined that the directors nominated for re-election and all of the directors whose terms will continue after the Meeting, other than Messrs. McTaggart and Sasnett, are independent as such term is defined by the applicable listing standards of The NASDAQ Stock Market LLC (NASDAQ).

The Board of Directors based this determination primarily on a review of the responses of the directors to questions regarding their employment, affiliations, family and other relationships.

The Company schedules meetings of the Board of Directors quarterly, in conjunction with its Annual General Meeting, and as necessary throughout the year. The Company expects that all directors will attend each meeting, absent a valid reason, such as a scheduled conflict. The Board of Directors held five meetings during 2013.

Our Code of Business Conduct and Ethics is posted on the Investors Governance section of the Company's website: <http://www.cwco.com>.

If, in the future, the Board of Directors amends the Code of Business Conduct and Ethics or grants a waiver to our principal executive officer, principal financial officer or principal accounting officer with respect to the Code of Business Conduct and Ethics, the Company will post the amendment or a description of the waiver on the Investors Governance section of the Company's website.

PROPOSAL 2

Advisory Vote on Executive Compensation

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) requires companies that are subject to the SEC's proxy rules and regulations to hold a shareholder vote to approve, on an advisory (non-binding) basis, the compensation of their Named Executive Officers as disclosed in their proxy statements in accordance with the SEC's rules.

As described in detail under the heading Compensation Discussion and Analysis, our executive compensation programs are designed to attract, motivate, and retain our Named Executive Officers, who are critical to our success. Under these programs, our Named Executive Officers are rewarded for the achievement of specific annual, long-term and strategic goals, and corporate goals. Please read the Compensation Discussion and Analysis and Additional Information Regarding Executive Compensation sections included in this Proxy Statement for additional details about our executive compensation programs, including information about the fiscal year 2013 compensation of our Named Executive Officers.

The Compensation Committee continually reviews the compensation programs for our Named Executive Officers to ensure they achieve the desired goals of aligning our executive compensation structure with our shareholders' interests and current market practices. The Compensation Committee believes the Company's executive compensation programs have been effective at incentivizing the achievement of financial performance and returns to shareholders.

We are asking our shareholders to indicate their support for our Named Executive Officers' compensation as described in this Proxy Statement. This proposal, commonly known as a say-on-pay proposal, gives our shareholders the opportunity to express their views on our Named Executive Officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we will ask our shareholders to vote FOR the following resolution at the Annual General Meeting:

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2014 Annual General Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2013 Summary Compensation Table and the other related tables and disclosure.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. Our Board of Directors and our Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the Named Executive Officers' compensation as disclosed in this Proxy Statement, we will consider our shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns. In addition to the advisory vote on executive compensation, we are committed to ongoing engagement with our shareholders on executive compensation and corporate governance issues.

At the 2013 Annual General Meeting of Shareholders, approximately 48% of the votes cast on the advisory vote on the executive compensation proposal were cast in favor of our Named Executive Officers' compensation as disclosed in the proxy statement for last year's meeting. Our Board of Directors and the Compensation Committee reviewed

these final vote results and determined that, given the level of support, the Company should conduct an outreach program to our major shareholders to better understand the reasons for our low vote results. As a result of comments received, the Company took the following actions:

Adopted a clawback policy;
Adopted an anti-hedging/anti-pledging policy;
Adopted stock ownership guidelines for non-employee directors and the Chief Executive Officer;

9

Revised and expanded our compensation peer group; and
Engaged a new independent executive compensation consultant to review the Company's executive compensation plans and programs.

We have determined that our shareholders should vote on a say-on-pay proposal each year, consistent with the preference expressed by our shareholders at the 2011 Annual General Meeting of Shareholders.

The approval of holders of at least a majority of the Shares cast is required to approve this proposal. Abstentions and broker non-votes are not treated as votes cast and, therefore, will not affect the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SECURITIES AND EXCHANGE COMMISSION.

PROPOSAL 3

Ratification of the Selection of Independent Accountants

The Audit Committee has selected Marcum LLP to continue as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014, and to render other professional services as required, at the remuneration to be determined by the Audit Committee of the Board of Directors.

We are asking our shareholders to ratify the selection of Marcum LLP as our independent registered public accounting firm. Although ratification is not required by our Articles of Association or otherwise, the Board is submitting the selection of Marcum LLP to our shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice. In the event that our shareholders fail to ratify the selection, it will be considered as a direction to the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The affirmative vote of the holders of a majority of the Shares voted at the Annual General Meeting is necessary to ratify the selection of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014.

COMPENSATION DISCUSSION AND ANALYSIS

In this section, we provide an overview and analysis of our compensation program and policies, the material compensation decisions we have made under those programs and policies, and the material factors that we considered in making compensation decisions for our Named Executive Officers, as defined under the heading *Additional Information Regarding Executive Compensation*. Specific information regarding the compensation earned by or paid to our Named Executive Officers in 2013 is set forth in a series of tables under the heading *Additional Information Regarding Executive Compensation*. The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Executive Summary

Say-on-Pay Vote

At our 2013 Annual Meeting of Shareholders, our advisory vote on executive compensation received the approval of 48% of the votes cast for this proposal. In response, the Compensation Committee (the *Committee*) of our Board of Directors spent a considerable amount of time and effort in 2013 communicating with the largest shareholders of the Company in order to obtain feedback on the *Say-on-Pay* vote. As a result of candid feedback from our shareholders, the Board of Directors, guided by the *Committee*, initiated the following actions:

Adopted a clawback policy;

Adopted an anti-hedging/anti-pledging policy;

Adopted minimum stock ownership guidelines for non-employee directors and the Chief Executive Officer;

Revised and expanded the Company's compensation peer group; and

Engaged a new independent executive compensation consultant to review the Company's executive compensation plans and programs.

Clawback Policy. The Board of Directors adopted a clawback policy which provides in the event of a material restatement of the Company's financial results for the recovery of any bonus or incentive compensation, including equity awards, that is in excess of what would have been payable had the financial statements been filed as restated.

Anti-Hedging/Anti-Pledging Policy. The Board of Directors adopted an anti-hedging/anti-pledging policy. Company executive officers and directors cannot, directly or indirectly, purchase any financial instrument that is designed to hedge or offset any decrease in the market value of the Company's Ordinary Shares or other equity securities. Executive officers and directors cannot pledge shares of the Company's Ordinary Shares or other equity securities as collateral for loans.

Minimum Stock Ownership Guidelines. The Board of Directors adopted the following stock ownership guidelines for non-employee directors and the Chief Executive Officer:

Non-employee directors three times annual retainer; and

Chief Executive Officer three times base salary.

Revised Compensation Peer Group. The *Committee* revised and expanded the peer group of companies used to benchmark the Company's performance and executive compensation. The peer group companies are generally similar businesses as the Company. In addition, the companies are comparable in size to the Company taking into account market capitalization and revenues.

Compensation Consultant. The Committee engaged the POE Group, Inc. as its independent compensation consultant to review the Company's peer group and its executive compensation plans and programs.

During 2014, the POE Group, Inc. will work with the Committee and management to consider alternative approaches to the Company's executive compensation plan design. Our intent is to more closely align our plan with the shareholders' interests, ensure a strong link between pay and performance, and link our compensation program to the short and long-term goals of the Company.

Steps have been taken to address the comments we received from our shareholders. The Committee requests a positive affirmation on the Say-on-Pay shareholder vote.

Comparison of CEO Pay to Indexed Total Shareholder Return **(TSR)**

The chart below compares the six-year change in CEO compensation and the change in value of \$100 invested in the Company (indexed TSR). The chart shows that CEO pay and indexed TSR increased over the period. The trend lines show that indexed TSR has increased at a faster rate than CEO pay.

Pay Mix Analysis

The mix of total compensation elements for the Named Executive Officers in 2013, as a percentage of total compensation, is set forth in the table and charts below. The pay component percentages illustrate that variable compensation comprises a small percentage of the total with the exception of pay to our CEO. Our plan is to review and consider alternative approaches to the Company's executive compensation plan design.

Named Executive Officer	Fixed Compensation (as a % of Total Compensation)		Variable Compensation (as a % of Total Compensation)	
	Base Salary	Benefits & Other Compensation	Annual Incentives Cash	
CEO	45 %	2 %	53 %	
CFO	72 %	3 %	25 %	
COO	75 %	4 %	21 %	
VP Overseas Ops.	71 %	7 %	22 %	
VP Eng. & Tech.	71 %	8 %	21 %	

Overview of Compensation Program

The Committee is responsible for establishing, implementing and continually monitoring adherence with our compensation philosophy, maintaining competitive compensation and structuring compensation to achieve our compensation objectives. Generally, the types of compensation and benefits we provide to our Named Executive Officers are similar to those provided to our other executive officers.

Compensation Philosophy and Objectives

The Committee believes that compensation paid to our Named Executive Officers should be directly aligned with our performance, and that compensation should be structured to ensure that a significant portion of our Named Executive Officers' compensation opportunities are directly related to achievement of our financial and operational goals. These goals include meeting profitability targets, operating within the capital expenditures

budget, securing new projects and keeping current on the industry's engineering advances in seawater conversion technology, all of which impact shareholder value. The Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain highly skilled and motivated employees in key positions and that the compensation provided to key employees remains competitive relative to our Peer Companies (identified below).

The Committee believes executives at peer companies typically receive base salary, an annual bonus, and equity-based compensation, with top executives (i.e., Chief Executive Officers and Chief Financial Officers) also receiving severance payments and, at times, payments upon a change of control. Accordingly, the Committee has determined that the compensation packages that we provide to our executives, including our Named Executive Officers, should include a mix of base salary and equity-based and incentive-based compensation, with our Chief Executive Officer and Chief Financial Officer also receiving severance payments, and our Chief Financial Officer also receiving severance payments upon a change of control.

Setting Executive Compensation

Based on the foregoing philosophy and objectives, the Committee has structured our Named Executive Officers' base salary and equity-based and incentive-based compensation to motivate executives to achieve our business goals and reward them for achieving those goals.

In setting the base salaries in the employment agreements of our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, the Committee determined the approximate total average annual cash compensation paid to executives performing similar functions at peer companies.

In determining and considering adjustments to the base salaries in the employment agreements of our Vice Presidents, our Chief Executive Officer reviewed the average annual salaries paid to executives with similar levels of responsibility within our Peer Companies, taking into account the very limited availability of persons possessing the requisite skills and experience in the local labor market, and gave his recommendation to the Committee. The Committee compared the suggested annual base salary for each of our Vice Presidents to the annual base salaries paid to executives performing similar functions at comparable companies. Because the suggested annual base salary for our Vice Presidents was similar to that paid to executives within the Peer Companies, the Committee approved the salaries recommended by our Chief Executive Officer.

A significant amount of the total compensation paid to our Named Executive Officers is allocated to incentive-based compensation, as a result of the philosophy and objectives mentioned above.

In 2013, in furtherance of our compensation philosophy and objectives, the Committee engaged the POE Group, Inc. (POE), an outside executive compensation consulting firm determined to be independent by the Committee, to conduct a review of our total compensation program for our most highly compensated executive officers. A representative of POE attends Committee meetings at the invitation of the Committee Chairman and is also in contact directly with the Committee from time to time. POE provides the Committee with assistance and advice in the review of the Company's salary structure, annual and equity incentive awards, and other related executive pay issues. In addition, POE provides advice regarding marketplace trends and best practices relating to competitive pay levels. POE did not provide any services to the Company in 2013 other than its services as the Committee's independent compensation consultant, and POE did not receive any fees or compensation from the Company other than the fee it received as the independent compensation consultant. The Committee confirmed that POE's work for the Committee did not create any conflicts of interest.

Peer Companies

The Committee, with the assistance of POE, revised and expanded the peer group to include 12 comparably sized companies. Our Peer Companies generally fall within the following parameters:

0.4 times to 2.5 times our revenues; and
0.25 times to 4 times our market capitalization.

20

The assessment provided by POE included comparative compensation information for executive officers at the following companies (our Peer Companies), which are located in the U.S.:

Artesian Resources Corporation	Capstone Turbine Corporation
Connecticut Water Services, Inc.	Delta Natural Gas Company, Inc.
Energy Recovery Inc.	Echelon Corporation
FuelCell Energy, Inc.	Middlesex Water Company
Primo Water Corporation	SJW Corporation
RGC Resources, Inc.	York Water Company

Our Peer Companies will be used for executive compensation benchmarking and performance benchmarking. We believe that this larger peer group provides a valid benchmark comparison to our Company.

Metric	Peer Median*	CWCO*	CWCO Percentile Rank
Revenue	\$ 88,685	\$ 63,822	25.0 %
Market Capitalization	\$ 277,247	\$ 207,075	33.3 %
Net Income	\$ 5,731	\$ 8,595	66.6 %
1 Year TSR	20.5 %	95.3 %	95.9 %
3 Year TSR	33.4 %	69.1 %	100.0 %

* Data is as of December 31, 2013 (\$ in thousands).

The following are the key findings of POE's review and analysis:

Our executive total compensation package is below average when benchmarked against publicly traded U.S. companies in our Peer Companies. The Company has generally used base pay and annual incentives in its compensation package. Long-term incentives play a minimal part of the compensation plan.

Total cash (salary plus short-term bonus) for our CEO is in the top quarter of the Peer Companies. The comparison for our CEO shows consistently high short-term compensation and low long-term pay compared to our Peer Companies. In general, the CEO's total compensation approximates the lower third of the Peer Companies.

Total cash (salary plus short-term bonus) for our CFO is in the top third of the Peer Companies. Total compensation for our CFO is in the lower third of the Peer Companies. Salary for our CFO is in the top quarter compared to the Peer Companies while annual incentive approximates the median of the Peer Companies.

Total cash (salary plus short-term bonus) for the COO is at the median of the Peer Companies. In general, total compensation for our COO approximates the lower third of the Peer Companies. Salary for our COO is in the lower third of the Peer Companies while short-term incentive is in the top quarter of the Peer Companies.

The Committee will take these findings into account during its 2014 review and analysis of executive compensation.

Role of Chief Executive Officer in Compensation Decisions

Our Chief Executive Officer determines the base salary and bonuses for our Chief Financial Officer, our Chief Operating Officer and each of our Vice Presidents. However, our Chief Executive Officer must obtain the approval of the Committee for any bonus amount to be paid to our Vice President of Cayman Operations, our Vice President of

Overseas Operations or our Chief Financial Officer in excess of the maximum bonus amount that can be solely approved by our Chief Executive Officer pursuant to the terms of the employee agreements for these executives. The Committee must approve any compensation components for our Vice Presidents, Chief Operating Officer and Chief Financial Officer other than base salary or bonus. Our Chief Executive Officer is not involved with the setting of compensation for himself.

Advisory Vote on Executive Compensation

We have determined that our shareholders should vote on a Say-on-Pay proposal each year, consistent with the preference expressed by our shareholders at our 2011 Annual General Meeting of Shareholders. Accordingly, we conducted a Say-on-Pay vote at our 2013 Annual General Meeting of Shareholders. While this vote was not binding on the Company, our Board of Directors, or the Committee, we believe that it is important for our shareholders to have an opportunity to vote on executive compensation as a means to express their views regarding our executive compensation philosophy, our compensation policies and programs, and our decisions regarding executive compensation. Our Board of Directors and the Committee value the opinions of our shareholders and, to the extent there is any significant vote against the compensation of our Named Executive Officers, we will consider our shareholders' concerns and the Committee will evaluate whether any actions are necessary to address those concerns. In addition to the advisory vote on executive compensation, we are committed to ongoing engagement with our shareholders on executive compensation and corporate governance issues.

At the 2013 Annual General Meeting of Shareholders, approximately 48% of the votes cast on the advisory vote on executive compensation proposal were cast in favor of our Named Executive Officer compensation as disclosed in the proxy statement. Our Board of Directors and the Committee reviewed these final vote results and determined that, given the level of support, the Company should conduct an outreach program to our major shareholders to better understand the reason for our low vote results.

During 2013, the Company conducted an outreach program with our major shareholders.

Based on comments received, the Company took or will take the following actions:

- Adopted a clawback policy;
- Adopted an anti-hedging/anti-pledging policy;
- Adopted stock ownership guidelines for non-employee directors and the CEO;
- Revised and expanded compensation peer group; and

Engaged a new independent executive compensation consultant to review the Company's executive compensation plans and programs.

2013 Executive Compensation Components

For the fiscal year ended December 31, 2013, the principal components of compensation for our Named Executive Officers were:

- Base salary;
- Incentive-based compensation;
- Retirement and other benefits; and
- Perquisites and other personal benefits.

Base Salary

Base salaries for our executives are established based on the scope of their responsibilities and their prior relevant background, training, and experience, taking into account competitive market compensation paid by the companies represented in the compensation data the Committee reviewed for similar positions, and the overall market demand for such executives at the time of hire or entry into employment agreements. As with total compensation, we believe that executive base salaries should be competitive with the salaries paid to executives at comparable companies. An executive's base salary is also evaluated together with other components of the executive's other compensation to

ensure that the executive's total compensation is in line with our overall compensation philosophy and objectives.

Base salaries are reviewed annually and increased based upon (i) a need to realign base salaries with market levels for the same positions at comparable companies; (ii) an internal review of the executive's compensation, both individually and relative to other executive officers; (iii) the individual performance of the executive and (iv) an assessment of whether significant corporate goals were achieved. Additionally, we may

adjust base salaries as warranted throughout the year for promotions or other changes in the scope or breadth of an executive's role or responsibilities.

Incentive-Based Compensation

Annual Bonus. A significant amount of total compensation for which our Named Executive Officers are entitled is comprised of an annual bonus. The current employment agreements with our Named Executive Officers do not provide quantitative limits on the annual bonus amounts payable. The current employment agreement with our Chief Executive Officer provides that the annual bonus amount paid cannot exceed 100% of the base salary payable under such employment agreement.

As the employment agreements of our Named Executive Officers come up for renewal, the Committee plans to review the information to be provided by POE to determine if our Named Executive Officers' compensation levels are competitive and have the right mix of incentive-based compensation.

Frederick W. McTaggart, Chief Executive Officer

Our Chief Executive Officer's bonus for 2013 was determined at the sole discretion of the Company's Board of Directors. The amount of the 2013 annual bonus was calculated by the Board of Directors based upon their assessment of the performance of Mr. McTaggart in the following areas, which are believed to be moderate to difficult goals, with the correlating value assigned to each factor for each year noted:

Mr. McTaggart's 2013 Goals

1. The Company exceeding budgeted Net Income for 2013. The amount budgeted was considered to be the minimum threshold, but there was no maximum threshold established for this target. The Board of Directors determined that if the net income target was achieved, Mr. McTaggart would be entitled to a bonus in an amount equal to 30% of his base salary. The Company achieved this goal.
2. The Company exceeding Adjusted Revenue defined as budgeted Revenues for 2013 adjusted to exclude Energy Pass-Through Charges for 2013. The amount budgeted was considered to be the minimum threshold, but there was no maximum threshold established for this target. The Board of Directors determined that if the Adjusted Revenue target was achieved, Mr. McTaggart would be entitled to a bonus in an amount equal to 30% of his base salary. The Company achieved this goal.
3. The Company achieving an Operating Margin in 2013 that exceeded the Operating Margin for 2012. Operating Margin is defined as Gross Profit divided by Revenues. The Operating Margin for 2012 was considered to be the minimum threshold, but there was no maximum threshold established for this target. The Board of Directors determined that if the Operating Margin was achieved, Mr. McTaggart would be entitled to a bonus in an amount equal to 30% of his base salary. The Company achieved this goal.
4. The Company completing capital projects under budget and on schedule for 2013, as approved and/or adjusted by the Board of Directors from time to time. The amount budgeted and time schedule were considered to be the minimum thresholds, but there was no maximum thresholds established for this target. The Board of Directors determined that if the Company completed capital projects under budget and on schedule for 2013, Mr. McTaggart would be entitled to a bonus in an amount equal to 5% of his base salary. The Company achieved this goal.
5. The Company obtaining at least one new capital project in 2013 on terms approved by the Board of Directors. The Board of Directors determined that if a capital project was obtained, Mr. McTaggart would be entitled to a bonus in an amount equal to 5% of his base salary. The Company achieved this goal.
6. The Company achieving a Shareholder Return target in 2013. Shareholder Return is defined as the Change in Share Price plus dividends paid in 2013. Change in Share Price is calculated as the average closing price of the Ordinary

Shares on the NASDAQ Global Select Market over the last twenty-one trading days of 2013, less the average closing price of the Ordinary Shares on the NASDAQ Global Select Market over the first twenty-one trading days of 2013. The Shareholder Return targets were considered to be the minimum thresholds, but there was no maximum thresholds

23

established for these targets. The Board of Directors determined that if a Shareholder Return exceeding 20%, 30% or 40% was achieved in 2013, Mr. McTaggart would be entitled to 5,000 Ordinary Shares, 10,000 Ordinary Shares or 20,000 Ordinary Share, respectively. Although the Company achieved a Shareholder Return in excess of 40%, the Company and Mr. McTaggart agreed that Mr. McTaggart would be granted 5,000 Ordinary Shares, instead of 20,000 Ordinary Shares.

For 2013, our Vice President of Overseas Operations was entitled to an annual bonus in an amount not less than 25% of his then current base salary based on meeting the performance goals set forth below that were agreed to with our Chief Executive Officer. Mr. Jerrybandan s 2013 performance goals were not directly tied to the financial performance of the Company. The COO determined that Mr. Jerrybandan had achieved all of the objectives associated with his 2013 performance goals. Based upon his performance, our COO recommended, and our Board approved, a \$50,000 incentive bonus for Mr. Jerrybandan for 2013.

Gerard J. Pereira, Vice President of Engineering & Technology

Our Vice President of Engineering & Technology's annual bonuses, if any, are paid in cash.

Mr. Pereira's 2013 Goals

Mr. Pereira's 2013 performance goals were not directly tied to the financial performance of the Company. They included such matters as enhancing the capabilities and responsiveness of the project management, engineering and technology departments, continuing research and development programs with strategic partners and developing testing programs for new technology which could enhance the Company's product offerings and performance. The COO determined that Mr. Pereira had achieved all of the objectives associated with his 2013 performance goals. Based upon his performance, Mr. Pereira was paid an incentive bonus of \$45,815.

In its discretion, the Committee may award bonus payments to our Vice Presidents and our Chief Financial Officer above or below the amounts specified in their respective employment agreements. These bonus provisions are intended, in accord with our compensation philosophies and objectives, to align executive interests with shareholder interests.

Unless the provisions in our employment agreements relating to incentive compensation are amended, our Named Executive Officers will continue to receive incentive-based compensation as set forth above. As the employment agreements come up for renewal, the Committee plans to review compensation paid to our Named Executive Officers to ensure that their compensation levels are competitive and have the right mix of incentive-based compensation.

Equity Incentives. We believe that equity ownership is one of the more effective means of aligning the interests of our Named Executive Officers with those of our shareholders.

Under their employment agreements, our Chief Financial Officer, Chief Operating Officer and Vice Presidents, may receive options to purchase Ordinary Shares under our 2008 Equity Incentive Plan, which was approved by our shareholders in May 2008. Under the 2008 Equity Incentive Plan, we may grant directors, executives and key employees, including our Chief Financial Officer, Chief Operating Officer and Vice Presidents, stock options, restricted stock, restricted stock units, stock equivalents and awards of Ordinary Shares. The Committee selects participants to receive awards and determines the terms and conditions of each award, including the number of Ordinary Shares subject to awards, the price, if any, a participant pays to receive or exercise an award, the time or times when awards vest or may be exercised, settled or forfeited, any performance goals, restrictions or other conditions to vest in, exercise, or settle awards, and the effect on awards of the disability, death, or termination of service of participants.

In determining the number of options to be granted to our Vice Presidents, we take into account the individual's ability to affect profits and shareholder value, the individual's historic and recent performance and the value of stock options in relation to other elements of total compensation.

All stock options granted to our Named Executive Officers in previous years incorporated the following features:

the options vest one-third per year over three years beginning on the first anniversary of the date of grant; and the options expire with regard to vested shares three years from the applicable vesting date.

We decided to use stock options as a long-term incentive vehicle for our Chief Executive Officer, Chief Financial Officer and our Vice Presidents because:

stock options align the interests of executives with those of our shareholders, support a pay-for-performance culture, foster employee stock ownership, and focus our management team on increasing value for our shareholders; stock options are performance based (i.e., all of the value received by the recipient from a stock option is based on the growth of the stock price above the option price); and

25

the vesting terms for stock options create incentive for increases in shareholder value over a longer term and encourages executive retention.

We did not grant any stock options to our executives in 2013.

Pension Plan

As with every employer in the Cayman Islands, we are required by the National Pension Law to provide a pension plan for our employees in the Cayman Islands. We belong to the Cayman Islands Chamber Pension Plan, the Ocean Conversion Staff Pension Plan and the Fidelity Pension Plan in the Cayman Islands. The Chamber Pension Plan is a non-profit entity, which is administered by the Bank of Butterfield, the Ocean Conversion Staff Pension Plan has as its trustee Colonial Private Trustee Limited and is administered by the British Caymanian Insurance Company Ltd, and the Fidelity Pension Plan is administered by Fidelity Pension Services (Cayman) Limited who are also the trustees of the plan.

Under the Cayman Islands National Pensions Law, all employees between the ages of 18 and 60 must contribute a specified minimum percentage of their earnings to a pension plan. Since June 1, 2002, all employees must contribute 5% of their earnings to a pension plan. An employee also has the option of contributing more than the prescribed minimum. We are required to match the contribution of the first 5% of each participating employee's salary to a maximum of \$72,000. Employees earning more than \$72,000 are not required to make contributions on amounts over \$72,000. All contributions by our employees are collected by us and paid into the various pension plans on a monthly basis.

All three plans are defined contribution plans, and as such the amount that an employee receives upon retirement is directly related to the amount contributed to the plan by the employee while working. Once an employee retires (employees become eligible for retirement at age 60 in the Cayman Islands), an employee has the following options for receiving benefits:

Receive a cash payout if the employee's retirement savings is less than \$6,000;

Transfer the retirement savings to a life annuity for investment by a life insurance company and payment of a regular income stream to the employee for the remainder of the employee's life (and the employee's spouse's life if the employee is married at the time of retirement); or

Transfer the retirement savings to a Retirement Savings Arrangement account with an approved provider or bank and receive regular income payments until the account is depleted.

Perquisites and Other Personal Benefits

Pursuant to our Chief Executive Officer's employment agreement, we provided him with an automobile expense allowance of \$1,100 per month in 2013. Pursuant to our Chief Financial Officer's employment agreement, we provided him with an automobile expense allowance of \$1,100 per month in 2013. Pursuant to the employment agreement with our Vice President of Overseas Operations and Vice President of Engineering & Product Technology, we provided each of them with an automobile expense allowance of \$1,100 per month in 2013. Pursuant to the employment agreement with our Executive Vice President and Chief Operating Officer, we provided him with an automobile expense allowance of \$950 per month in 2013.

Termination-Based Compensation

Termination

Our Named Executive Officers' employment agreements may be terminated upon the occurrence of the following:

- i. the death of the Named Executive Officer;
- ii. the Named Executive Officer being adjudicated bankrupt;
- iii. the Named Executive Officer giving six months' notice of termination; and
- iv. the Named Executive Officer being unable to discharge his duties due to physical or mental illness for a period of more than 60 days.

Additionally, our Chief Financial Officer's employment agreement may be terminated due to his conviction of a felony or his commission of an act or omission that could result in material harm to us or conduct justifying

dismissal under Cayman Island law. Our other Named Executive Officers' employment agreements may be terminated due to conduct by such Named Executive Officer justifying dismissal under Cayman Island law.

Upon termination due to the Named Executive Officer's inability to discharge his duties due to physical or mental illness for a period of more than 60 days, the Named Executive Officer will be relieved of his duties. In the case of all Named Executive Officers other than our Chief Financial Officer, we will pay such Named Executive Officer \$1,000 per year, provide medical insurance for him and his family, and contribute to a pension fund for the Named Executive Officer for a period of two years. In the case of our Chief Financial Officer, we will pay him \$1,000 per year and provide medical insurance for him and his family for a period of one year.

If our Chief Financial Officer's employment agreement is terminated by our Chief Financial Officer upon six months notice or due to his commission of an act or omission that could result in material harm to us, he will forfeit all unvested shares issued pursuant to his employment agreement. If his employment agreement is otherwise terminated or upon a Change in Control, as defined below, all unvested shares issued pursuant to his employment agreement will vest immediately.

Severance

Upon termination of employment, our Chief Executive Officer and Chief Financial Officer are entitled to receive severance payments under their employment agreements. In determining whether to approve and setting the terms of such severance arrangements, the Committee recognizes that executives, especially highly ranked executives, often face challenges securing new employment following termination. Our Chief Executive Officer's employment agreement provides for a lump sum severance payment equal to 24 months and our Chief Financial Officer's employment agreement provides for a lump sum severance payment of 12 months, of their then current respective base salary if their employment is terminated without cause or if their employment agreements are not renewed. The Committee negotiated our Chief Executive Officer's severance package to provide him an amount equal to his base salary for the length of his non-competition arrangement with us. Based upon the data reviewed by the Committee, we believe that our Chief Executive Officer's and Chief Financial Officer's severance packages are generally in line with severance packages offered to chief executive officers and chief financial officers of comparable companies.

Change in Control

Upon a Change in Control, as defined below, our Chief Financial Officer may elect to terminate his employment and receive a lump sum payment equal to three times his then current base salary. In determining whether to approve and setting the terms of such Change in Control arrangement, the Committee recognizes the importance to the Company and our shareholders of avoiding the distraction and loss of key management personnel that may occur in connection with rumored or actual fundamental corporate changes. A properly arranged Change in Control provision protects shareholder interests by enhancing employee focus during rumored or actual Change in Control activity through:

Incentives to remain with us despite uncertainties while a transaction is under consideration or pending; and
Assurance of compensation for terminated employees after a Change in Control.

Our Chief Financial Officer's employment agreement provides that, at his election, he may terminate his employment upon a Change in Control and receive a payment of 36 months of his then current base salary. After reviewing the practices of companies represented in the compensation data we obtained, the Committee negotiated our Chief Financial Officer's Change in Control arrangement to provide him an amount equal to three times his base salary. We believe that our Chief Financial Officer's Change in Control arrangement is generally in line with such arrangements offered to chief financial officers of comparable companies.

For the purposes of this discussion, a **Change of Control** means where: (i) any person, including a **group** as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, publicly announces that such person or group has become the beneficial owner of more than 30% of the combined voting power (**Controlling Voting Power**) of our then outstanding securities that may be cast for the election of directors and (ii) the persons who were our directors before such event shall cease to constitute a majority of our Board of Directors, or any successor, as the direct or indirect result of any person or group acquiring **Controlling Voting Power**.

Potential Payments Upon Termination or Change of Control

The section below describes the payments that may be made to the Named Executive Officers upon termination or Change in Control, as defined below, pursuant to individual agreements. For payments made to a participant upon a retirement other than in connection with termination or a Change in Control, see Pension Benefits above.

Termination

Our Named Executive Officers' employment agreements may be terminated upon the occurrence of the following:

- i. the death of the Named Executive Officer;
- ii. the Named Executive Officer being adjudicated bankrupt;
- iii. the Named Executive Officer giving six months' notice of termination; and
- iv. the Named Executive Officer being unable to discharge his duties due to physical or mental illness for a period of more than 60 days.

Additionally, our Chief Financial Officer's employment agreement may be terminated due to his conviction of a felony or his commission of an act or omission that could result in material harm to us or conduct justifying dismissal under Cayman Island law. Our other Named Executive Officers' employment agreements may be terminated due to conduct by such Named Executive Officer justifying dismissal under Cayman Island law.

Upon termination due to the Named Executive Officer's inability to discharge his duties due to physical or mental illness for a period of more than 60 days, the Named Executive Officer will be terminated. In the case of all Named Executive Officers other than our Chief Financial Officer and Chief Operating Officer, we will pay such Named Executive Officer \$1,000 per year, provide medical insurance for him and his family, and contribute to a pension fund for the Named Executive Officer for a period of two years. In the case of our Chief Financial Officer, we will pay him \$1,000 per year and provide medical insurance for him and his family for a period of one year. In the case of our Chief Operating Officer, we will pay him \$1,000 per year and provide medical insurance for him and his family for a period of two years.

Assuming our Named Executive Officers' employment were terminated on December 31, 2013 due to the Named Executive Officer's inability to discharge his duties due to physical or mental illness for a period of more than 60 days, the compensation due to our Named Executive Officers would be as set forth in the following table.

Name	Salary (\$)	Medical Insurance (\$)	Pension Fund Contribution (\$)	Total Compensation (\$)
Frederick W. McTaggart	2,000	46,638	7,200	55,838
David W. Sasnett	1,000	22,275		23,275
John Tonner	2,000	47,621		49,621
Ramjeet Jerrybandan	2,000	22,772	7,200	31,972
Gerard J. Pereira	2,000	25,761	7,200	34,961

If our Chief Financial Officer terminates his employment agreement or if we terminate his employment agreement due to his commission of an act or omission that could result in material harm to us or conduct justifying dismissal under Cayman Island law, he will forfeit all unvested shares issued pursuant to his employment agreement. If his employment agreement is otherwise terminated or upon a Change in Control, as defined below, all unvested shares issued pursuant to his employment agreement will vest immediately.

Severance

Upon termination of employment, our Chief Executive Officer and Chief Financial Officer are entitled to receive severance payments under their employment agreements. Our Chief Executive Officer's and Chief Financial Officer's employment agreements provide for a lump sum severance payment equal to 24 months and 12 months, respectively, of their then current respective base salary if their employment is terminated without cause or if their employment agreements are not renewed. The Committee negotiated these severance packages to provide them with an amount equal to their base salary for the length of their non-competition arrangements with us. The following table sets forth the total amount of severance payments that would be made to Messrs. McTaggart and Sasnett if their employment agreements were terminated without cause as of December 31, 2013:

Name	Severance (\$)
Frederick W. McTaggart	823,682
David W. Sasnett	285,525

Change in Control

Upon a Change in Control, as defined below, our Chief Financial Officer may elect to terminate his employment and receive a lump sum payment equal to three times his then current base salary. In determining whether to approve and setting the terms of such Change in Control arrangement, the Committee recognizes the importance to us and our shareholders of avoiding the distraction and loss of key management personnel that may occur in connection with rumored or actual fundamental corporate changes. A properly arranged Change in Control provision protects shareholder interests by enhancing employee focus during rumored or actual Change in Control activity through:

- Incentives to remain with us despite uncertainties while a transaction is under consideration or pending; and
- Assurance of compensation for terminated employees after a Change in Control.

Our Chief Financial Officer's employment agreement provides that, at his election, he may terminate his employment upon a Change in Control and receive a payment of 36 months of his then current base salary. After reviewing the practices of companies represented in the compensation data we obtained, the Committee negotiated our Chief Financial Officer's Change in Control arrangement to provide him an amount equal to three times his base salary. We believe that our Chief Financial Officer's Change in Control arrangement is generally in line with such arrangements offered to chief financial officers of comparable companies.

For the purposes of this discussion, a Change of Control means where: (i) any person, including a group as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, publicly announces that such person or group has become the beneficial owner of more than 50% of the combined voting power (Controlling Voting Power) of our then outstanding securities that may be cast for the election of directors and (ii) the persons who were our directors before such event shall cease to constitute a majority of our Board of Directors, or any successor, as the direct or indirect result of any person or group acquiring Controlling Voting Power.

The following table sets forth the total amount of change in control payments that would be made to Mr. Sasnett if his employment agreement was terminated upon a Change in Control as of December 31, 2013:
