### **STK Miami Delays Opening Due to Serious Flood**

NEW YORK-- The ONE Group Hospitality, Inc. (“The ONE Group”) (OTCQB:STKS), today provided an update on an event that occurred on the afternoon of Wednesday December 10, 2014 at STK Miami. A hotel subcontractor working on an unrelated job above the restaurant mistakenly broke a sprinkler head resulting in a high-pressure flow of water that caused extensive damage and flooding within the venue.

As a result, The ONE Group is revising its projected reopening timeline for STK Miami from the fourth quarter 2014, to the first quarter of 2015. The full extent and cost of the damage is still being assessed, however repairs are already underway.

“We are very upset this incident occurred, particularly since our entire staff had been hired and trained for our opening later this month – In fact, we were at the final stage of putting cosmetic touches on the space before opening STK’s doors.” stated Jonathan Segal, CEO of The ONE Group. “Although this is a temporary setback, we remain very excited and proud of the venue’s design. STK Miami’s renovation perfectly captures the original STK’s vibe and we’re confident that our guests will love the space as well.”

The ONE Group will provide additional information as it becomes available.
