PROXY STATEMENT

Information Concerning the Solicitation

The Board of Directors of CTI Industries Corporation (the “Company”) is furnishing this Proxy Statement for the solicitation of proxies to be used at the Annual Shareholders Meeting (the “Annual Meeting”) of the Company to be held at 10:00 a.m. Central Time on June 5, 2015, at 22160 N. This proxy statement has been posted on the Internet and may be viewed at www.proxyvote.com.

The cost of preparing, assembling and mailing the proxy material and of reimbursing brokers, nominees and fiduciaries for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company does not intend to solicit proxies other than by use of the mail, but certain officers and employees of the Company or its subsidiaries, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

Your vote is very important. Whether or not you plan to attend our Annual Meeting, please take the time to either (i) vote by completing and mailing the proxy card enclosed with the Proxy Materials as soon as possible, (ii) vote via the Internet in accordance with the instructions on the proxy card or (iii) vote by telephone by using the toll-free number on the proxy card. Quorum and Voting

Only shareholders of record at the close of business on April 10, 2015, are entitled to vote at the Annual Meeting. On that date, there were 3,301,116 shares of Common Stock outstanding. Each share has one vote. A simple majority of the issued and outstanding shares of Common Stock is required to be present in person or by proxy at the meeting for

there to be a quorum for purposes of proceeding with the Annual Meeting. Seven directors will be elected by the Company's Common Shareholders at this meeting. Common Stock does not possess cumulative voting rights. The election of directors will be by the vote of a plurality of shares of Common Stock present in person or by proxy at the Annual Meeting at which a quorum is present. The ratification of auditors will require the vote of a simple majority of the shares of Common Stock present at the Annual Meeting by person or proxy. The approval of each of the proposals to amend the Articles of Incorporation (i) to increase the authorized number of shares of preferred stock, (ii) to increase the authorized number of shares of common stock and (iv) to approve the proposed Restated Articles of Incorporation will each require the vote of a majority of the shares held by shareholders entitled to vote at the meeting. Abstentions and withheld votes have the effect of votes against these matters. Broker non-votes (shares of record held by a broker for which a proxy is not given) will be counted for purposes of determining the presence or absence of a quorum, but will not be counted as present for purposes of determining the vote on any matter considered at the meeting.

If a shareholder specifies how the proxy is to be voted with respect to any of the proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a shareholder fails to so specify with respect to such proposals, the proxy will be voted “FOR” the nominees for directors contained in these proxy materials, “FOR” the appointment of the Company’s independent registered public accounting firm, “FOR” the approval of the increase in authorized number of shares of preferred stock, “FOR” the approval of the increase in authorized number of shares of common stock, and “FOR” the approval of the Restated Articles of Incorporation.

A shareholder submitting a proxy prior to the annual meeting may revoke the proxy at any time before the shares subject to it are voted by (i) sending a written statement to that effect to the Secretary of the Company, (ii) submitting a valid proxy having a later date, or (iii) voting in person at the annual meeting.

Discretionary Voting Power

The Board of Directors knows of no other matters to be presented for shareholder action at the Annual Meeting. On matters which may be raised at the Annual Meeting that are not covered by this Proxy Statement, the persons named in the proxy will have full discretionary authority to vote.

AND SIGNIFICANT SHAREHOLDERS

The following table provides information concerning the beneficial ownership of the Company’s Common Stock by each director and nominee for director, certain executive officers, and by all directors and officers of the Company as a group as of March 1, 2015. In addition, the table provides information concerning the current beneficial owners, if any, known to the Company to hold more than 5 percent of the outstanding Common Stock of the Company.

A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days after April 10, 2015. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities in which he has no economic interest. The percentage of Common Stock beneficially owned is based on 3,301,116 shares of Common Stock outstanding as of March 1, 2015.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the Board of Directors in accordance with the Illinois Business Corporation Act and the Articles of Incorporation and By-laws of the Company, as amended. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chairman of the Board of Directors, the President and other officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

During 2014, the Board of Directors had seven members. The Board met seven times during 2014. During 2014, no director attended less than 75% of the combined Board of Directors and Committee meetings. The Board has determined that each of Stanley M. Brown, Bret Tayne, John I. Collins, Howard C. Eirinberg and John M. Klimek, presently directors of the Company, will be independent based upon the application of the rules and standards of the NASDAQ Stock Market.

Board Leadership Structure

John H. Schwan, Chief Executive Officer of the Company has been appointed Chairman of the Board of Directors. In his role as Chairman, he presides over the meetings of the Board of Directors, communicates the decisions and directives of the Board to management and also engages in implementation of Board decisions and operations. Stephen M. Merrick, President of the Company, is also a member of the Board of Directors and provides leadership in the operations, finance, financial reporting, compliance and legal affairs of the Company, and in reporting financial and operational matters to the Board of Directors. The Board of Directors believes that this combination and allocation of roles among the two principal executive officers of the Company, each of whom are also members of the Board of Directors, provides the most efficient and effective leadership model for the Company, providing perspective and direction with regard to business strategies and plans to both the Board and management. The Company has no bylaw or policy in place that mandates that an officer serve as Chairman of the Board. The Board of Directors periodically evaluates its leadership structure.

John I. Collins has been designated as the lead independent director. Mr. Collins is responsible for (i) communicating regularly with the Chief Executive Officer, the President and other officers of the Company on behalf of the Board of Directors, and particularly the independent members of the Board of Directors, and (ii) calling separate meetings of the independent directors of the Company. During 2014, there were six separate meetings of the independent

directors. At such meetings, only independent directors are present and the independent directors are free to discuss any aspect of the Company's business and risk management without the influence of interested directors or management.

All members of the Company's Audit, Compensation and Nominating and Governance Committees have been determined to be independent based on application of the rules and standards of the NASDAQ Stock Market.

Board Role in Risk Oversight

The Board of Directors plays an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Audit Committee oversees management of financial risks through regular meetings with the Company's independent registered public accounting firm and the Company's President and its Chief Financial Officer. The Company's Compensation Committee evaluates and addresses risks relating to executive compensation, our incentive compensation plans and other compensatory arrangements. The Nominating and Governance Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of those risks, the entire Board of Directors is regularly informed through management and committee reports to the full Board about these and other operational risks.

Committees of the Board of Directors

The Board of Directors has standing Audit, Compensation and Nominating and Governance Committees.

Audit Committee

Since 2000, the Company has had a standing Audit Committee, which is presently composed of Mr. Tayne (Chairman), Mr. Collins and Mr. Klimek. Each of the members of the Audit Committee is independent based on the application of the rules and standards of The NASDAQ Stock Market and Rule 10a-3(b) under the Securities Exchange Act of 1934. Mr. Collins has been designated as, and is, the Company's "Audit Committee Financial Expert" in accordance with Item 407(d)(5) of Regulation S-K and meets the requirements for an audit committee expert as set forth in that item. The Audit Committee held four meetings during fiscal year 2014, including quarterly meetings with management and independent auditors to discuss the Company's financial statements. The Company's Board of Directors has adopted a written charter, as amended, for the Company's Audit Committee, a copy of which has been posted and can be viewed on the Company's Internet website at <http://www.ctiindustries.com> under the section entitled "Investor Relations." In addition, the Audit Committee has adopted a complaint monitoring procedure to enable confidential and anonymous reporting to the Audit Committee of concerns regarding, among other things, questionable accounting or auditing matters.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management and the Company's independent registered public accounting firm, Plante & Moran, PLLC ("Plante & Moran"), including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and internal controls.

The Audit Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's application of accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including but not limited to those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU §380, as amended). In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and the Company including the matters in the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding its communications with the Audit Committee concerning independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit of the Company's financial statements and the effectiveness of internal controls over financial reporting. The Audit Committee meets with the internal auditor and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have also recommended, subject to shareholder approval, the selection of Plante & Moran as the Company's independent registered public accounting firm.

Bret Tayne, Audit Committee Chair

John I. Collins, Member

John M. Klimek, Member

Compensation Committee

The Compensation Committee is composed of Stanley M. Brown (Chairman), John I. Collins and John M. Klimek. The Board has determined that each of the members of the Compensation Committee is independent as defined in the listing standards for the NASDAQ Stock Market. The Compensation Committee reviews and acts on the Company's executive compensation and employee benefit and retirement plans, including their establishment, modification and administration. It also recommends to the Board of Directors the compensation of the Chief Executive Officer and certain other executive officers. The Compensation Committee has a charter which has been posted and can be viewed on the Company's Internet website at <http://www.ctiindustries.com> under the section entitled "Investor Relations." The Compensation Committee met one time during 2014.

Nominating and Governance Committee

In 2005, the Company established a Nominating and Governance Committee. The Nominating and Governance Committee consists of three directors, Howard Eirinberg (Chairman), Stanley Brown and Bret Tayne. The Nominating and Governance Committee does not have a charter. The Board of Directors has determined that each of the members of the Nominating and Governance Committee is independent as defined in the listing standards for the NASDAQ Stock Market.

The Nominating and Governance Committee has not adopted a formal policy with regard to consideration of director candidates recommended by security holders. The Company believes that continuing service of qualified incumbent members of the Board of Directors promotes stability and continuity at the Board level, contributes to the Board's ability to work as a collective body and provides the benefit of familiarity and insight into the Company's affairs. Accordingly, the process of the Nominating and Governance Committee for identifying nominees reflects the

Company's practice of re-nominating incumbent directors who continue to satisfy the criteria for membership on the Board. For vacancies that are anticipated on the Board of Directors, the Nominating and Governance Committee intends to seek out and evaluate potential candidates from a variety of sources that may include recommendations by security holders, members of management, the Board of Directors, consultants and others. The minimum qualifications for potential candidates for the Board of Directors include demonstrated business experience, decision-making abilities, personal integrity and a good reputation.

While diversity is not a leading factor in the Nominating Committee's evaluation of potential candidates and there is no formal policy for considering diversity when nominating a potential director, it is a consideration that is evaluated along with other qualifications of potential candidates. In light of the foregoing, it is believed that a formal policy and procedure with regard to consideration of director candidates recommended by security holders is not necessary in order for the Nominating and Governance Committee to perform its duties.

The Nominating Committee met one time in 2014. All of the independent directors of the Board of Directors participated in the nominating process and, in separate session, voted in favor of recommending to the Board of Directors the nomination of each of the nominees for election as directors.

The Company does not maintain employment agreements with any of the Named Executive Officers of the Company.

Information Relating to Cash Incentives

Effective April 1, 2007, the Board of Directors, on the recommendation of the Compensation Committee, adopted an Incentive Compensation Plan providing for annual incentive compensation to be paid to executive and managerial employees of the Company. Under the Plan, designated Named Executive Officers and several other executive officers and managers may receive incentive compensation payments, determined on a quarterly and annual basis, based upon the income of the Company before provision for income tax or for incentive compensation if the net income exceeds a threshold amount of profit for any quarter of \$100,000 and, for the year, of \$250,000. The benefits under the Plan are divided into two Pools of compensation. Pool I (representing the largest pool of incentive compensation) covers senior executive officers who participate in the pool of incentive compensation based upon a percentage allocation recommended by the Compensation Committee and determined by the Board of Directors each year. Pool II covers other executives and managers who are selected to participate in proportions determined by management. Under the Plan, the award to each participant in Pool I represents a percent of income and the Pool II award, in the aggregate, represents a percent of income. The Compensation Committee recommends the amount of the incentive compensation awards which, in the aggregate, may not exceed sixteen percent of the net income of the Company (before provision for income tax or incentive compensation under the Plan). Further, the amount of incentive compensation to any participant may not exceed the annual base compensation of the participant. The Compensation Committee believes such incentive compensation motivates participants to achieve strong profitability which is viewed as the most significant element of corporate performance, provides rewards for strong corporate performance and aligns the incentive with the interests of the shareholders. Incentive compensation participation levels are generally determined during the first quarter of each fiscal year.

In determining the executives who participate in the incentive compensation awards in Pool I each year, and the relative amount of the award to each participant, the Compensation Committee considers and takes into account (i) the position of the executive, (ii) the level of responsibility and authority of the executive, (iii) the performance of the executive, and (iv) the extent to which the executive is in a position to affect the financial results and profitability of the Company.

Long-Term Equity Incentives

From time to time, upon the recommendation and action of the Compensation Committee and Board of Directors, stock options or grants under the 2009 Incentive Stock Plan, may be awarded to officers, directors, or management personnel of the Company. At the Company's Annual Meeting of Shareholders held in May 2009, the Company's 2009 Incentive Stock Plan was approved by the shareholders.

Stock and option grants are determined from time to time by the Compensation Committee in consultation with management. The actual grant for each executive is determined by taking into consideration (i) individual performance, (ii) corporate performance and (iii) prior grants to, or stock ownership, of the Company by the executive or director. Generally, stock options are granted with an exercise price equal to or greater than the closing price of the Company's common stock on the NASDAQ Stock Market on the date of the grant.

The policy of the Compensation Committee with respect to the timing of stock option awards is as follows: (i) all awards shall be dated and issued as of the date they are approved by the Compensation Committee and (ii) generally, the Compensation Committee will expect to make awards annually during May of each year after the release of financial information for the first quarter.

No stock options or grants were awarded or issued during 2014.

Retirement Benefits

The Company maintains a 401(k) employee savings plan in which all salaried employees are eligible to participate. The plan is a tax qualified retirement plan.

Under the 401(k) Plan, employees may contribute up to 15% of their eligible compensation to the Plan and the Company will contribute a matching amount to the Plan each year. The federal statutory limit for eligible compensation in 2014 was \$260,000. Participating employees may direct the investment of individual and company contributions into one or more of the investment options offered by the Plan. Under the terms of the Plan, the Company makes a matching contribution equal to 100% of employee contributions that do not exceed 1% of eligible compensation plus 50% of employee contributions between 1% and 5% of eligible compensation. The Company's contributions to the 401(k) plan totaled approximately \$98,000 in 2014, which is allocated to participants subject to the vesting requirements of the Plan.

The Chairman of the Audit Committee receives \$750 for each meeting of the Audit Committee in lieu of the \$500 meeting fee.

In November 2013, the Company issued awards to two new independent Directors of the Company (John M. Klimek and Howard C. Eirinberg) to purchase up to 5,000 shares of common stock each at the exercise price of \$5.75 per share.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and with the NASDAQ Stock Market. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of such forms furnished to the Company, the Company believes that during calendar year 2014, all Section 16(a) filing requirements applicable to the officers, directors and ten-percent beneficial shareholders were satisfied.

Pepper Road, Lake Barrington, Illinois 60010 and providing a return address.

John H. Schwan, Chief Executive Officer of the Company, is the brother of Gary Schwan, one of the owners of Schwan Incorporated, which provides building maintenance and remodeling services to the Company. The Company made payments to Schwan Incorporated of approximately \$22,000 during the year ended December 31, 2014. During the year ended December 31, 2013, there was no payment made to Schwan Incorporated.

During the period from January 2003 to the present, John H. During 2010, two entities owned by officers and principal shareholders of the Company (John H. Schwan and Stephen M. Merrick) provided financing for Flexo Universal, the Company's Mexico subsidiary, for the acquisition and construction of latex balloon production and related equipment. The entities included Venture Leasing L.L.C., ("VLUS"), an Illinois limited liability company which is 100% owned by an entity owned by Mr. Schwan and Mr. Merrick, and Venture Leasing Mexico S. A. de R. L ("VLM"), a Mexico company which is also owned 100% by entities owned by Mr. Schwan and Mr. Merrick. Title to the equipment remains in the name of VLM. VLM leases the equipment to Flexo Universal under a lease under which Flexo Universal pays to VLM rental payments at the rate of approximately \$9,000 per month and will have the right to purchase the equipment from VLM at the expiration of the lease at fair market value. The Company has not provided any guarantees related to VLUS or VLM and no creditors of the variable interest entities have recourse to the general credit of the Company as a result of including VLUS & VLM in the consolidated financial statements. The accounts of VLM and VLUS have been consolidated with the accounts of the Company for 2014 and 2013 and going forward.

John H. Schwan, Chief Executive Officer of the Company, through an investment entity, and Stephen M. Merrick, President of the Company, also through an investment entity own, in aggregate, a 50% interest in Clever Container Company L.L.C., an Illinois limited liability company. The Company believes that each of the transactions set forth above were entered into, and any future related party transactions will be entered into, on terms as fair as those obtainable from independent third parties.

PROPOSAL TWO - SELECTION OF AUDITORS

PLANTE & MORAN, PLLC

The Audit Committee and Board of Directors has selected and approved Plante & Moran, PLLC as the independent registered public accounting firm to audit our financial statements for 2014, subject to ratification by the shareholders at the annual meeting. It is expected that a representative of the Firm of Plante & Moran will be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

During the Company's fiscal years ended December 31, 2014 and December 31, 2013, there were no disagreements with Plante & Moran, on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Plante & Moran would have caused them to make reference to the subject matter of the disagreements in connection with their reports on the financial statements for such periods.

During the Company's fiscal years ended December 31, 2014 and December 31, 2013, Plante & Moran has not informed the Company of any reportable events.

Fees Billed By Independent Public Accountants

The following table sets forth the amount of fees billed by Plante & Moran for the years ended December 31, 2014 and 2013:

	Dec. 31, 2014	Dec. 31, 2013
Audit Fees ⁽¹⁾	\$ 255,046	\$ 268,169
Other Audit Related Fees ⁽²⁾	15,253	3,736
All Other Fees ⁽³⁾	74,016	27,219
Total Fees	\$ 344,315	\$ 299,124

⁽¹⁾Includes the annual financial statement audit and limited quarterly reviews and expenses.

(2) Includes fees and expenses for other audit related activity provided by Plante & Moran.

(3) Primarily represents tax services, which include preparation of tax returns and other tax consulting services.

All audits, tax and other services to be performed by Plante & Moran for the Company must be pre-approved by the Audit Committee. The Audit Committee reviews the description of services and an estimate of the anticipated costs to perform those services. Services not previously approved cannot commence until such approval has been granted. Pre-approval is granted usually at regularly scheduled meetings. If unanticipated items arise between meetings of the Audit Committee, the Audit Committee has delegated approval authority to the Chairman of the Audit Committee, in which case the Chairman communicates such pre-approvals to the full Committee at its next meeting.

The Audit Committee of the Board of Directors reviews all relationships with its independent auditors, including the provision of non-audit services, which may relate to the independent registered public accounting firm's independence. The Audit Committee of the Board of Directors considered the effect of Plante & Moran's tax services in assessing the independence of the independent registered public accounting firm and concluded that the provision of such services by Plante & Moran was compatible with the maintenance of that firm's independence in the conduct of its auditing function.

THE BOARD OF DIRECTORS RECOMMENDS SHAREHOLDERS VOTE "FOR" SUCH RATIFICATION.

PROPOSAL THREE- APPROVAL OF INCREASE IN AUTHORIZED NUMBER OF SHARES OF PREFERRED STOCK

The Board of Directors recommends that shareholders consider and vote to approve amending the Company's articles of incorporation to provide in Restated Articles of Incorporation that the authorized number of shares of preferred stock shall be increased from 2,000,000 (as presently authorized) to 3,000,000 shares. The Board of Directors unanimously voted to approve the increase and to recommend that shareholders approve it.

The Board believes that the availability of additional authorized preferred shares will provide the Company with additional flexibility to issue stock for a variety of general corporate purposes as the Board may determine to be desirable including, without limitation, raising capital, future financings, investment opportunities, acquisitions, stock splits (including splits effected through the declaration of stock dividends) or other distributions. The Board has not authorized the Company to take any action with respect to the shares that would be authorized under this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF PREFERRED STOCK IN THE RESTATED ARTICLES OF INCORPORATION.

PROPOSAL FOUR – APPROVAL OF INCREASE IN AUTHORIZED NUMBER OF SHARES OF COMMON STOCK

The Board of Directors recommends that shareholders consider and vote to approve amending the Company's articles of incorporation to provide in Restated Articles of Incorporation that the authorized number of shares of common stock shall be increased from 5,000,000 (as presently authorized) to 15,000,000 shares. The Board of Directors unanimously voted to approve the increase and to recommend the shareholders approve it.

The Board believes that the availability of additional authorized common shares will provide the Company with additional flexibility to issue stock for a variety of general corporate purposes as the Board may determine to be desirable including, without limitation, raising capital, future financings, investment opportunities, acquisitions, stock splits (including splits effected through the declaration of stock dividends) or other distributions. The Board has not authorized the Company to take any action with respect to the shares that would be authorized under this proposal.

An increase in the amount of common stock authorized by the Company's Restated Articles of Incorporation is necessary for the Company to have flexibility to declare a stock split. Without approval of the increase in authorized shares of common stock, the Company would not have sufficient authorized capital stock to declare a stock split. Increasing the number of shares of common stock that the Company is authorized to issue would give the Company the flexibility to maintain a reasonable stock price utilizing a stock split.

The proposed amendment to increase the authorized number of shares of common stock could, under certain circumstances, have an anti-takeover effect or delay or prevent a change in control of the Company by providing the Company the capability to engage in actions that would be dilutive to a potential acquirer, to pursue alternative transactions, or to otherwise increase the potential cost to acquire control of the Company. Thus, the proposed amendment may have the effect of discouraging unsolicited takeover attempts. The Board is not aware of any attempt to take control of the Company, and would act in the best interest of shareholders if any attempt was made. The proposed amendment has been prompted by business and financial considerations.

Once the proposed increase in authorized shares of common stock in the Restated Articles of Incorporation are approved, no further action by the shareholders would be necessary prior to the issuance of additional shares of stock unless required by law or the rules of the stock exchange on which the stock is then listed or quoted. Under the proposed amendment, each of the newly authorized shares of common stock will have the same rights and privileges as currently authorized common stock. Adoption of the Restated Articles of Incorporation will not affect the rights of the holders of currently outstanding common stock of the Company nor will it change the par value of the common stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK IN THE RESTATED ARTICLES OF

INCORPORATION.

23

PROPOSAL FIVE – APPROVAL OF RESTATED ARTICLES OF INCORPORATION

The Board of Directors recommends that shareholders consider and vote to approve Restated Articles of Incorporation. The Restated Articles, in addition to increasing the authorized number of shares of preferred stock and common stock as stated in Proposals Three and Four, eliminate Class B common stock. The original Articles of Incorporation authorized issuance of Class B common stock. Class B common stock had certain specific rights and privileges, only a limited number of shares of such stock was issued and all such issued shares were converted to common stock. The original Articles of Incorporation further provided that after the initial issuance of Class B common stock, no additional Class B common stock could be issued.

There is no Class B common stock issued or outstanding and no additional shares of Class B can be issued in the future. Accordingly, the Board believes that it is appropriate to amend the Articles of Incorporation to eliminate authorization to issue Class B common stock as well as provisions relating to rights and preferences of Class B common stock

Other than the changes in authorized shares and elimination of Class B common stock, the Restated Articles of Incorporation maintain all other existing provisions of the original Articles of Incorporation and amendments with respect to all matters.

The affirmative vote of the majority of the outstanding shares of the Company's common stock entitled to notice of and to vote at the Annual Meeting is required to adopt the Restated Articles of Incorporation. If the Restated Articles of Incorporation are adopted, they will become effective upon filing with the Illinois Secretary of State. A COPY OF THE PROPOSED RESTATED ARTICLES OF INCORPORATION IS ATTACHED AS EXHIBIT A.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE RESTATED ARTICLES OF INCORPORATION.

Shareholder Proposals for 2016 Proxy Statement

Proposals by shareholders for inclusion in the Company's Proxy Statement and form of proxy relating to the 2016 Annual Meeting of Shareholders, which is tentatively scheduled to be held on June 3, 2016, should be addressed to the Secretary, CTI Industries Corporation, 22160 North Pepper Road, Lake Barrington, Illinois 60010, and must be received at such address no later than December 31, 2015. Upon receipt of any such proposal, the Company will determine whether or not to include such proposal in the Proxy Statement and proxy in accordance with applicable

law. It is suggested that such proposal be forwarded by certified mail return receipt requested.

Proxy Statement and Annual Report Delivery

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more shareholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or the Company that your broker or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report and/or proxy statement in the future, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. If, at any time, you and another shareholder sharing the same address wish to participate in householding and prefer to receive a single copy of the Company’s annual report and/or proxy statement, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares.

You may request to receive at any time a separate copy of our annual report or proxy statement, or notify the Company that you do or do not wish to participate in householding by sending a written request to the Corporate Secretary at 22160 N. Pepper Road, Lake Barrington, Illinois 60010 or by telephoning (847) 382-1000.

Shareholder Communications

The Nominating and Governance Committee of our Board has established the following process for shareholders to communicate with the Board. Shareholders wishing to communicate with our Board should send correspondence to the attention of the Nominating and Corporate Governance Committee, c/o CTI Industries Corporation, 22160 N. Pepper Road, Lake Barrington, Illinois 60010, and should include with the correspondence evidence that the sender of the communication is one of our shareholders. Satisfactory evidence would include, for example, contemporaneous correspondence from a brokerage firm indicating the identity of the shareholders and the number of shares held. The Chairperson of the Nominating and Corporate Governance Committee will review all correspondence confirmed to be from shareholders and decide whether or not to forward the correspondence or a summary of the correspondence to the Board or a committee of the Board. The Chairperson of the Nominating and Corporate Governance Committee will review all shareholders correspondence, but the decision to relay that correspondence to the Board or a committee will rest entirely within his or her discretion.

Indemnification:

(a) The Corporation shall have power to indemnify any person who was or is party or is threatened to be made a party of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by the reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(b) The Corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if said person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

(c) To the extent that a present or former director, officer or employee of the Corporation has been successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in sections 6B(a) and (b), or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, if the person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation.

(d) Any indemnification under sections 6B(a), (b) or (c) (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case, upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Sections 6B(a), (b) or (c). Such determination shall be made with respect to a person who is a director or officer of the Corporation at the time of the determination: (1) by the majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, (2) by a committee of such directors, even though less than a quorum, designated by a majority vote of such directors, (3) if there are no such directors, or if

such directors so direct, by independent legal counsel in a written opinion, or (4) by the shareholders.

(e) Expenses (including attorneys' fees) incurred by an officer or director of the Corporation in defending a civil or criminal action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that such person is entitled to be indemnified by the Corporation as authorized in this Section. Such expenses (including attorneys' fees) incurred by directors, officers or other employees and agents of the Corporation or by persons serving at the request of the Corporation as directors, officers, employees or agents of another corporation, partnership, joint venture, trust or other enterprise may be so paid on such terms and conditions, if any, as the Corporation deems appropriate.

(f) The indemnification and advancement of expenses provided by or granted under the other subsections of this Section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any by-law, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office. A right to indemnification or to advancement of expenses arising under a provision of the articles of incorporation or a by-law shall not be eliminated or impaired by an amendment to such provision after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or omission explicitly authorizes such elimination or impairment after such act or omission has occurred.

(g) The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or who is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person against liability under the provisions of this Section.

(h) If the Corporation indemnifies or advances expenses to a director or officer under Section 6B(b), the Corporation shall report the indemnification or advance in writing to the shareholders with or before the notice of the next shareholders meeting.

(i) The indemnification and advancement of expenses provided by or granted under this Section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of that person.
