PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

April 25, 2019

ABOUT THE ANNUAL MEETING

This proxy statement is furnished by our board of directors (the “Board”) in connection with the Board’s solicitation of proxies to be voted at the annual meeting of stockholders of Agree Realty Corporation (the “Company”) to be held at 10:00 a.m. local time on April 25, 2019, at the Embassy Suites, 850 Tower Drive, Troy, Michigan 48098, and at any adjournment or postponement thereof.

On or about March 13, 2019, we are mailing either (i) a copy of the Notice of Annual Meeting, this proxy statement, the accompanying proxy card, our annual report and the Notice of Internet Availability of Proxy Materials (the “Notice”) (if a stockholder previously requested paper delivery of proxy materials), or (ii) the Notice only, to our stockholders of record on February 22, 2019. The Notice and this proxy statement summarize the information you need to know to vote at the annual meeting. You do not need to attend the annual meeting in person in order to vote. What is the purpose of the 2019 annual meeting of stockholders?

At the 2019 annual meeting, holders of our common stock will be voting on the matters set forth below:

- To elect three directors to serve until the annual meeting of stockholders in 2022 and to elect one director to serve until the annual meeting of stockholders in 2020; and
- To ratify the appointment of Grant Thornton LLP (“Grant Thornton”) as our independent registered public accounting firm for 2019; and
- To approve by non-binding vote, executive compensation; and
- To approve an amendment to our Articles of Incorporation, as amended and supplemented (our “Charter”), to increase the number of authorized shares of our common stock.

The Board recommends a vote FOR the director nominees, FOR the ratification of Grant Thornton’s appointment, FOR executive compensation, and FOR the amendment to our Charter.

In addition, management will report on our performance and will respond to appropriate questions from stockholders. A representative of Grant Thornton will be present at the annual meeting and will be available to respond to appropriate questions. Such representative will also have an opportunity to make a statement.

Who is entitled to vote?

All stockholders of record at the close of business on February 22, 2019, the record date, will be entitled to vote. Each share of common stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the record date, 37,576,724 shares of our common stock, \$.0001 par value per share, were outstanding.

TABLE OF CONTENTS

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting will constitute a quorum for all purposes. Proxies marked with abstentions or instructions to withhold votes will be counted as present in determining whether or not there is a quorum.

However, if a quorum is not present at the annual meeting, the stockholders, present in person or represented by proxy, have the power to adjourn the annual meeting until a quorum is present or represented. Regardless of whether a quorum is present, our bylaws provide that the chairman of the meeting may recess or adjourn the meeting.

What is the difference between holding shares as a stockholder of record and a beneficial owner?

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the stockholder of record with respect to those shares, and the Notice and, if applicable, our proxy materials (including the Notice of Annual Meeting, the proxy statement, the accompanying proxy card, our annual report and the Notice) are being sent to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us over the internet or by telephone as described in the Notice, or through an accompanying proxy card or to vote in person at the annual meeting.

Beneficial Owners. Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of those shares, and the Notice and, if applicable, our proxy materials (including the Notice of Annual Meeting, the proxy statement, the accompanying proxy card, our annual report and the Notice) are being forwarded to you by your broker, bank or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you request and obtain a proxy from your broker, bank or nominee. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee on how to vote your shares.

May I vote my shares in person at the annual meeting?

Even if you plan to be present at the meeting, we encourage you to vote your shares prior to the meeting.

Stockholders of Record. If you are a stockholder of record and attend the annual meeting, you may deliver your completed proxy card or vote by ballot.

Beneficial Owners. If you hold your shares through a broker, bank or other nominee and want to vote such shares in person at the annual meeting, you must obtain a proxy from your broker, bank or other nominee giving you the power to vote such shares.

Can I vote my shares without attending the annual meeting?

If you received a paper copy of the proxy card by mail, please complete, date, sign and promptly return the proxy card in the self-addressed stamped envelope provided or vote by telephone or internet as indicated on your proxy card.

Voting your shares over the internet, by mailing a proxy card or by telephone, will not limit your right to attend the annual meeting and vote your shares in person. If you attend the annual meeting, you may revoke your proxy in accordance with the procedures set forth in this proxy statement.

If you have shares held by a broker, you may instruct your broker to vote your shares by following the instructions that the broker provides to you. Most brokers allow you to authorize your proxy by mail, telephone and on the internet.

TABLE OF CONTENTS

Can I change my vote after I have voted?

Yes. Proxies properly submitted over the internet, by mail or by telephone do not preclude a stockholder from voting in person at the meeting. A stockholder may revoke a proxy at any time prior to its exercise by filing with our Secretary a duly executed revocation of proxy, by properly submitting, either by internet, mail or telephone, a proxy to our Secretary bearing a later date or by appearing at the meeting and voting in person. Attendance at the meeting will not by itself constitute revocation of a proxy. If you hold your shares through a bank, broker or other nominee, you should contact such person prior to the time such voting instructions are exercised.

What does it mean if I receive more than one Notice or proxy card or voting instruction card?

If you receive more than one Notice or proxy card or voting instruction card, it means that you have multiple accounts with banks, trustees, brokers, other nominees and/or our transfer agent. If you receive more than one Notice, please submit all of your proxies over the internet, by mail or by telephone, following the instructions provided in the Notice, to ensure that all of your shares are voted. If you receive more than one proxy card or voting instruction card, please sign and deliver each proxy card and voting instruction card that you receive. We recommend that you contact your nominee and/or our transfer agent, as appropriate, to consolidate as many accounts as possible under the same name and address.

How many copies should I receive if I share an address with another stockholder?

The Securities and Exchange Commission ("SEC") has adopted rules that permit companies and intermediaries, such as a broker, bank or other agent, to implement a delivery procedure called "householding." Under this procedure, multiple stockholders who reside at the same address may receive a single copy of the Notice, and, if applicable, our proxy materials, unless the affected stockholder has provided us with contrary instructions. This procedure provides extra convenience for stockholders and cost savings for companies.

The Company and brokers, banks or other agents may be householding the Notice and our proxy materials. A single Notice and, if applicable, a single set of our proxy materials, including the Notice of Annual Meeting, the proxy statement, the accompanying proxy card, our annual report and the Notice, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker, bank or other agent that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. Stockholders may revoke their consent at any time by contacting Broadridge ICS, either by calling toll-free (800) 542-1061 or by writing to Broadridge ICS, Householding Department, 51 Mercedes Way, Edgewood, New York, 11717.

Upon written or oral request, we will promptly deliver a separate copy of the Notice and, if applicable, a set of our proxy materials, to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice or a separate set of our proxy materials, you may contact Agree Realty Corporation, either by calling (248) 737-4190 or by writing to 70 E. Long Lake Road, Bloomfield Hills, MI 48304, Attention: Secretary. In addition, if you are receiving multiple copies of the Notice and, if applicable, our proxy materials, you can request householding by contacting our Secretary in the same manner.

What if I do not vote for some of the items listed on my proxy card or voting instruction card?

Stockholders of Record. Proxies properly submitted via the internet, mail or telephone will be voted at the annual meeting in accordance with your directions. If the properly submitted proxy does not provide voting instructions on a proposal, the proxy will be voted in accordance with the recommendations of the Board on such matters. With respect to any matter not set forth on the proxy card that properly comes before the annual meeting, the proxy holders named therein will vote as the Board recommends or, if the Board gives no recommendation, in their own discretion.

Beneficial Owners. Proxies properly submitted via the internet, mail or telephone or pursuant to your voting instruction card will be voted at the annual meeting in accordance with your directions. If you do not indicate a choice or return the voting instruction card, the broker, bank or other nominee will determine if

TABLE OF CONTENTS

it has the discretionary authority to vote on each matter. Under applicable law and New York Stock Exchange (“NYSE”) rules and regulations, brokers have the discretion to vote on routine matters, including the ratification of the appointment of our independent registered public accounting firm. However, your broker does not have discretionary authority to vote on the election of directors or the advisory vote approving our executive compensation, in which case a “broker non-vote” will occur and your shares will not be voted on these matters.

What vote is required to approve each item?

Proposal 1 — Election of Directors. The four nominees receiving the highest number of “for” votes at the annual meeting will be elected as directors. Any nominee who receives a greater number of votes “withheld” from his or her election than votes “for” such election must tender his or her resignation for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee will recommend to the Board the action to be taken with respect to the resignation. The Board will publicly disclose its decision within 90 days of the certification of the election results. The slate of nominees discussed in this proxy statement consists of four directors, Joel Agree, Craig Erlich, Gregory Lehmkuhl, and William Rubenfaer, whose terms are expiring. Abstentions and broker non-votes will have no effect on the outcome of this proposal. Our stockholders do not have the right to cumulate their votes for directors.

Proposal 2 — Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote of a majority of votes cast at the annual meeting is necessary to ratify the Audit Committee’s appointment of Grant Thornton as our independent registered public accounting firm for 2019. Abstentions are not treated as votes cast under Maryland law and, therefore, they have no effect on the outcome of this proposal. Although stockholder ratification of the appointment is not required and is not binding on us, the Board considers the selection of the independent registered public accounting firm to be an important matter of stockholder concern and the Audit Committee will take your vote on this proposal into consideration when appointing our independent registered public accounting firm in the future. Even if the stockholders ratify the appointment of Grant Thornton, the Audit Committee in its sole discretion may terminate the engagement of Grant Thornton and engage another independent auditor at any time during the year. Abstentions will have no effect on the outcome of this proposal.

Proposal 3 — Advisory (Non-Binding) Vote Approving Executive Compensation. The affirmative vote of a majority of votes cast at the annual meeting is necessary to approve our executive compensation. Abstentions and broker non-votes are not treated as votes cast under Maryland law and, therefore, they have no effect on the outcome of this proposal.

Proposal 4 — Approval of an Amendment to our Charter. The proposed amendment to our Charter must be approved by the affirmative vote of the holders of a majority of the votes entitled to be cast at the annual meeting. Abstentions and broker non-votes will have the same effect as votes “AGAINST” Proposal 4.

Other Matters. If any other matter is properly submitted to the stockholders at the annual meeting, its adoption will require the affirmative vote of a majority of votes cast at the annual meeting. The Board does not propose to conduct any business at the annual meeting other than as stated above.

Will anyone contact me regarding this vote?

No arrangements or contracts have been made with any solicitors as of the date of this proxy statement, although we reserve the right to engage solicitors if we deem them necessary. Such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews. In addition, our directors and officers may solicit proxies by mail, telephone, telecopy or in person.

How do I find out the voting results?

Voting results will be announced at the annual meeting and will be published in a Current Report on Form 8-K to be filed with the SEC within four business days after the close of the meeting.

PROPOSAL 1 — ELECTION OF DIRECTORS

In December 2018, the Board reduced the size of the Board from ten members to nine members. Pursuant to the bylaws, the directors are required to be divided into three classes serving three-year staggered terms. At this annual meeting, three directors will be elected to serve until the annual meeting of stockholders in 2022 and one director will be elected to serve until the annual meeting of stockholders in 2020 or until such director's earlier resignation, retirement or other termination of service, and in the case of a holdover director, until his or her successor is duly elected and qualified. William Rubenfaer was re-nominated for a one-year term in order to evenly distribute directors amongst the three classes.

The Board has re-nominated Joel Agree, Craig Erlich, and Gregory Lehmkuhl, whose terms expire at this annual meeting, to serve until the annual meeting of stockholders in 2022. The Board has re-nominated William Rubenfaer, whose term expires at this annual meeting, to serve until the annual meeting of stockholders in 2020. The Board has affirmatively concluded that Craig Erlich, Gregory Lehmkuhl, and William Rubenfaer are independent under the applicable rules of the NYSE.

Each nominee has consented to serve his term until his successor has been duly elected and qualified, if elected by the stockholders. If any nominee becomes unable or unwilling to serve between the date of this proxy statement and the annual meeting, the Board may designate a new nominee and the persons named as proxies by the Board will vote for that substitute nominee. Alternatively, the Board may reduce the size of the Board.

The Board hereby recommends that you vote FOR the election of its director nominees.

The following table sets forth the director nominees and continuing directors of the Board:

BOARD MATTERS

The Board of Directors

The Board has general oversight responsibility for our affairs, and the directors, in exercising their duties, represent and act on behalf of the stockholders. Although the Board does not have responsibility for our day-to-day management, it stays regularly informed about our business and provides guidance to management through periodic meetings and other informal communications. The Board is significantly involved in, among other things, the strategic and financial planning process, leadership development and succession planning, as well as other functions carried out through the Board committees as described below.

Board Leadership Structure. The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing board leadership and the right board leadership structure may vary as circumstances warrant.

Richard Agree served as our Chairman of the Board and Chief Executive Officer from December 1993 to January 2013 and has served as our Executive Chairman of the Board since January 2013. Joel Agree served as our President and Chief Operating Officer and as a director from June 2009 until his promotion to Chief Executive Officer in January 2013. Subject to the direction of the Board, including the Executive Chairman, Joel Agree has general responsibility and ultimate authority for implementation of our policies. Based on its most recent review, the Board believes our Company's leadership structure is appropriate because it provides us with informed, consistent and efficient decision making.

In considering its leadership structure, the Board has taken a number of factors into account. The Board, which consists of a majority of independent directors, exercises a strong, independent oversight function. This oversight function is enhanced by the fact that the Audit Committee, the Compensation Committee and the Nominating and Governance Committee are comprised entirely of independent directors. Finally, under our Amended and Restated Bylaws (the "Bylaws") and Corporate Governance Guidelines, the Board has the ability to change its structure, should that be deemed appropriate and in the best interest of our Company and our stockholders. The Board believes that these factors provide the appropriate balance between the authority of those who oversee our Company and those who manage it on a day-to-day basis.

Risk Management. The Board takes an active and informed role in our risk management policies and strategies. Our executive officers, who are responsible for our day-to-day risk management practices, present to the Board on the material risks to our Company, including credit risk, liquidity risk and operational risk. At that time, the management team also reviews with the Board our risk mitigation policies and strategies specific to each risk that is identified. Our Compensation Committee reviews and determines whether any of our compensation policies or practices subject the Company to inappropriate risk. Throughout the year, management monitors our risk profile and updates the Board as new material risks are identified or the aspects of a risk previously presented to the Board materially change.

Meetings. The Board and its committees meet throughout the year at regularly scheduled meetings, and also hold special meetings and act by written consent as appropriate. The Board met six times during 2018. During 2018, each director attended 75% or more in aggregate of (i) the number of meetings of the Board and (ii) the number of meetings held by all committees of the Board on which such director served. It has been and is the policy of the Board that directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Chairman of the Board. Each director serving on the Board at the time of the 2018 annual meeting attended our 2018 annual meeting of stockholders.

Our independent directors meet in executive sessions at least twice a year without management. The Board has not designated a lead director or a single director to preside at executive sessions. Instead, the presiding director of executive sessions of independent directors is selected at each meeting by such directors.

Director Independence. The NYSE listing standards set forth objective requirements for a director to satisfy, at a minimum, in order to be determined to be independent by the Board. In addition, in order to

TABLE OF CONTENTS

conclude a director is independent in accordance with the NYSE listing standards, the Board must also consider all relevant facts and circumstances, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships. Pursuant to our Corporate Governance Guidelines and the NYSE listing standards, which require that a majority of our directors be independent within the meaning of the NYSE listing standards, the Board undertook a review of the independence of all non-management directors. The Board has affirmatively determined, assisted by the standards set forth above, that Ms. Frankel, and each of Messrs. Erlich, Kalil, Lehmkuhl, Rakolta, Jr., Rossi, and Rubenfaer are independent directors and that Mr. Schurgin, who served as a director until December 2018, was an independent director in accordance with the NYSE listing standards and our Corporate Governance Guidelines and do not have a relationship with us that would interfere with such person's ability to exercise independent judgment as a member of the Board. In making this determination, the Board has considered the relationships described below under "Related Person Transactions," and determined they do not affect independence. The Board's director independence standards outlined in our Corporate Governance Guidelines can be found on our website at www.agreerealty.com in the Corporate Governance section.

Stock Ownership Requirements. In May 2009, in order to further align the interests of our executive officers and directors with the interest of our stockholders, and to promote our commitment to sound corporate governance, the Board adopted stock ownership guidelines for executive officers and independent directors. A summary of those guidelines is set forth in "Compensation Discussion and Analysis" under the heading "Stock Ownership Guidelines."

The Audit Committee, the Compensation Committee and the Nominating and Governance Committee are composed entirely of independent directors. The table below sets forth the current membership of the four standing committees of the Board and the number of meetings in 2018 of such committees:

Audit Committee. The Audit Committee is responsible for providing independent, objective oversight of our auditing, accounting and financial reporting processes, including reviewing the audit results and monitoring the effectiveness of our internal audit function. In addition, the Audit Committee engages the independent registered public accounting firm. See “Report of the Audit Committee”, “Audit Committee Matters” and the Audit Committee’s charter for additional information on the responsibilities and activities of the Audit Committee.

The Board has determined that each Audit Committee member has sufficient knowledge in reading and understanding financial statements to serve thereon and is otherwise financially literate and that Ms. Frankel and Mr. Rubenfaer qualify as “audit committee financial experts” as that term is defined in the Securities Exchange Act of 1934, as amended (the “Securities Exchange Act”). The Board has further determined that Mr. Kalil, Ms. Frankel and Mr. Rubenfaer possess financial management expertise within the meaning of the listing standards of the NYSE.

Compensation Committee. The Compensation Committee is responsible for overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based plans, and reviewing and approving annually all compensation decisions relating to our executive officers. The Compensation Committee also has authority to grant awards under the Company’s 2014 Omnibus Incentive Plan. See “Compensation Discussion and Analysis”, “Compensation Committee Report” and the Compensation Committee’s charter for additional information on the responsibilities and activities of the Compensation Committee.

Role of Management. After consultation with our executive officers, Joel Agree, our President and Chief Executive Officer, makes recommendations to the Compensation Committee with respect to the design and implementation of the compensation program for the named executive officers. See “Compensation Discussion and Analysis — Determining Compensation for named executive officers.”

Role of Compensation Consultant. The Company and the Compensation Committee regularly engage Meridian Compensation Partners, LLC (“Meridian”) to assist the Company with select matters related to the Company’s accounting for and benchmarking of its executive compensation program. The Compensation Committee determined that Meridian meets the criteria for an independent consultant in accordance with SEC guidelines for such services.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for establishing the requisite qualifications for directors, identifying and recommending the nomination of individuals qualified to serve as directors and recommending directors for each Board committee. The Nominating and Governance Committee also establishes corporate governance practices in compliance with applicable regulatory requirements consistent with the highest standards and recommends to the Board the corporate governance guidelines applicable to us. See the Nominating and Governance Committee’s charter for additional information on the responsibilities and activities of the Nominating and Governance Committee.

Director Qualifications. Our Nominating and Governance Committee has established policies for the desired attributes of the Board as a whole, including as set forth in our Corporate Governance Guidelines. The Board seeks to ensure that a majority of its members are independent within the NYSE listing standards. Further, each director generally may not serve as a member of more than six other public company boards. Each director must possess the individual qualities of integrity and accountability, informed judgment, high performance standards and must be committed to representing the long-term interests of our Company and our stockholders. In addition, directors must be committed to devoting the time and effort necessary to be responsible and productive members of the Board. The Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience and endeavors to include women and minority candidates in the qualified pool from which Board candidates are chosen. The Nominating and Governance Committee conducts reviews of current directors in light of the considerations described above and their past contributions to the Board. The Board reviews the effectiveness of its director candidate nominating policies annually.

Identifying and Evaluating Nominees. Generally, the Nominating and Governance Committee will re-nominate incumbent directors who continue to satisfy its criteria for membership on the Board, who it believes will continue to make important contributions to the Board and who consent to continue their service on the Board.

Our Nominating and Governance Committee periodically assesses the appropriate number of directors comprising the Board and whether any vacancies on the Board are expected due to retirement or otherwise. The Nominating and Governance Committee may consider those factors it deems appropriate in evaluating director candidates including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable to our size or scope, experience and skill relative to other Board members and specialized knowledge or experience. Depending on the current needs of the Board, certain factors may be weighted more or less heavily by the Nominating and Governance Committee.

The Nominating and Governance Committee considers candidates for the Board from any responsible source, including current Board members, stockholders, professional search firms or other persons. The Nominating and Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Governance Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

Stockholder Nominees. Our Bylaws permit stockholders to nominate directors for consideration at an annual meeting of stockholders. We did not receive any director nominations by stockholders for the 2019 annual meeting. The Nominating and Governance Committee will consider properly submitted stockholder submissions for nominations to the Board and will apply the same evaluation criteria in considering such nominees as it would to persons nominated under any other circumstances. Such nominations may be made by a stockholder entitled to vote, who delivers written notice along with the additional information and materials to our Secretary in compliance with the requirements set forth in our Bylaws and below in “Additional Information — Proposals for 2020 Annual Meeting.”

TABLE OF CONTENTS

Any stockholder nominations proposed for consideration by the Nominating and Governance Committee should include the nominee's name, sufficient biographical information to demonstrate that the nominee meets the qualification requirements for Board service as set forth under "Director Qualifications," and such other information regarding each nominated person as set forth in our Bylaws and that would be required in a proxy statement filed pursuant to the SEC's proxy rules in the event of an election contest. The nominee's written consent to the nomination should also be included with the nominating submission, which should be addressed to: Agree Realty Corporation, 70 E. Long Lake Road, Bloomfield Hills, MI 48304, Attention: Secretary.

Executive Committee. The Executive Committee has the authority to acquire and dispose of real property and the power to authorize, on behalf of the full Board, the execution of certain contracts and agreements, including those related to our borrowing of money, and generally to exercise all other powers of the Board except for those which require action by a majority of the independent directors or the entire Board.

Compensation Committee Interlocks and Insider Participation

During 2018, the Compensation Committee consisted of William S. Rubenfaer (Chairman), Craig Erlich, Farris G. Kalil, John Rakolta, Jr., and Jerome Rossi. None of the Compensation Committee members has served as an officer or employee of our Company or any of our subsidiaries. In addition, during 2018, none of the Company's executive officers served on the board of directors or compensation committee (or committee performing equivalent functions) of any other company that had one or more executive officers serving on the Board or Compensation Committee. No member of the Compensation Committee has any other business relationship or affiliation with our Company or any of our subsidiaries (other than his service as a director).

Director Compensation

The Compensation Committee establishes and oversees our director compensation program. Director compensation is established with a view to attract highly qualified non-management directors and fairly compensate non-management directors for their time and effort on behalf of stockholders. Each non-management director who is not an employee of, or affiliated with, the Company received an annual fee of \$40,000 in 2018. Effective 2019, the Compensation Committee approved increasing the annual fee for each non-management director to \$50,000. In 2018, each Director elected to receive the annual fee in common stock. Payment of the annual fee is made in February following the fiscal year in which the non-management director served on the Board. The amount of common stock issued was determined by dividing the dollar amount of each Director's fee by the closing price of the common stock on February 22, 2019, which was \$65.66. Directors who are employees or officers of our Company or any of our subsidiaries do not receive any additional compensation for serving on the Board or any committees thereof.

The Chairperson of the Audit Committee receives \$6,000, which is subject to the same cash or common stock election described above. Directors do not receive any additional compensation in any form for their service, including for attendance at meetings of the Board or its committees. The Company reimburses directors for out-of-pocket expenses incurred in connection with their service on the Board.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

The Compensation Committee (referred to as the “Committee” in this section), composed entirely of independent directors, administers our executive compensation program. The Committee’s responsibilities include recommending and overseeing compensation, benefit plans and policies, reviewing and approving equity grants, administering share-based plans, and reviewing and approving, annually, all compensation decisions relating to our executive officers. This section of the proxy statement explains how our compensation programs are designed and operate with respect to our named executive officers, which includes Richard Agree, our Executive Chairman; Joel Agree, our President and Chief Executive Officer; Laith Hermiz, our Executive Vice President and Chief Operating Officer; and Clayton Thelen our Chief Financial Officer and Secretary. The following discussion and analysis should be read together with the tables and related footnote disclosures detailed below.

Compensation Objectives and Philosophy

Our compensation program for the named executive officers generally consists of base salary, annual incentive awards, long-term share-based incentive awards and certain other benefits. We also provide certain severance arrangements for certain of our named executive officers. The following summarizes the key principles and objectives of our approach to executive compensation:

- Provide total compensation that is both fair and competitive. To attract and reduce the risk of losing the services of valuable officers but avoid the expense of excessive pay, compensation should be competitive. The Committee assesses the competitiveness of our compensation for our executive officers by comparing our compensation to executive officer compensation at other public companies.
- Attract, retain and motivate key executives who are critical to our operations. The primary purpose of our executive compensation program has been, and is, to achieve our business objectives by attracting, retaining and motivating talented executive officers by providing incentives and economic security.
- Reward superior individual and Company performance on both a short-term and long-term basis. Performance-based pay aligns the interests of management with the interests of our stockholders. Performance-based compensation motivates and rewards individual efforts and company success.
- Align executives’ long-term interests with those of our stockholders. The Company seeks to align these interests by providing a significant portion of executive officer compensation in the form of common stock. Through share ownership guidelines for named executive officers and grants of restricted common stock that vest over a period of five years and performance share awards, the amount of which are based on total shareholder return, the value of the executive officers’ total compensation should increase as total returns to stockholders increase. The Company expects the value of these elements as a percentage of each executive officer’s annual base salary to motivate executive officers to continually improve their performance and create value for the Company over the long-term. In 2019, the Company’s executive compensation program is designed to reward favorable execution of specific Company performance goals.

The Committee seeks to ensure the foregoing objectives are achieved by considering individual performance reviews, Company performance, hiring and retention needs, internal pay equity, market data and other external market pressures in finalizing its compensation determinations.

TABLE OF CONTENTS

Determining Compensation for Named Executive Officers

The Committee meets without management present to determine the compensation of the named executive officers. Prior to such meeting, the Committee receives compensation recommendations from Joel Agree, our President and Chief Executive Officer. We believe that because of his experience with our Company and his involvement in setting and executing the Company’s business goals, strategies, and performance, he is able to provide valuable input regarding the overall effectiveness of the management team and each individual’s contribution to our performance. Joel Agree’s recommendations are supported by formal performance reviews for each named executive officer which include an evaluation of the individual’s performance against pre-determined performance metrics. The Committee retains the discretion to modify his recommendations and reviews such recommendations for their reasonableness based on Company performance, market information, and the Committee’s compensation philosophy and related considerations. Joel Agree does not provide input with respect to his own compensation.

In 2018, the Committee did not utilize a compensation consultant to establish or administer its executive compensation program. However, the Company engaged Meridian to assist the Company with select matters related to the Company’s accounting for and benchmarking of its executive compensation program.

Compensation Committee Consideration of the 2018 Vote on Executive Compensation

In determining our executive compensation program for the remainder of 2018 and for 2019 the Committee generally considered the results of the 2018 advisory vote of our stockholders on executive compensation presented in our 2018 proxy statement. The Committee noted that more than 97% of the votes cast approved the compensation of our named executive officers as described in our 2018 proxy statement. The Committee considered these voting results supportive of the Committee’s general executive compensation practices.

Elements and Criteria of Compensation in 2018 for Named Executive Officers

Our compensation program for named executive officers generally consists of base salary, annual cash incentive awards, long-term share-based incentive awards and certain other benefits. The Committee believes that incentive awards and long-term share-based incentive awards should relate to objectives established by the Board and management to achieve the Company’s financial and other objectives. We also provide certain severance arrangements for certain of our named executive officers.

The Committee assessed the competitiveness of the Company’s current compensation levels for the Chief Executive Officer, the Chief Financial Officer and the Chief Operating Officer. This assessment compared the Company’s compensation of certain named executive officers to the same officer levels of a peer group of 12 publicly-traded REITs that were selected either because their enterprise value, market capitalization or total assets were generally comparable to ours. The members of the peer group are:

Cedar Realty Trust	Monmouth Real Estate Investment Corporation
Chatham Lodging Trust	RPT Realty
Chesapeake Lodging Trust	Rexford Industrial Realty, Inc.
Four Corners Property Trust, Inc.	Summit Hotel Properties
Getty Realty Corporation	Terreno Realty Corporation
Lexington Realty Trust	Urstadt Biddle Properties, Inc.

According to the materials provided to the Committee, which members of management prepared and Meridian reviewed: (i) enterprise values of the peer group ranged from approximately \$1.1 billion to approximately \$3.9 billion, and the Company’s enterprise value was in the 84th percentile of the peer group; (ii) market capitalizations of the peer group ranged from approximately \$300 million to approximately \$2.9 billion, and the Company’s market capitalization was in the 92nd percentile of the peer group.

The materials provided to the Committee and reviewed by Meridian included the tenure of the executive officers of the peer group companies in their current positions, as well as the following compensation components for the executive officers of the peer group companies: (i) base salary (data primarily from 2018), (ii) target annual incentives (data primarily from 2017), (iii) target total cash compensation (sum of (i) and (ii)), (iv) long-term incentives (data primarily from 2017) and (v) total direct compensation (sum of (iii) and (iv)).

TABLE OF CONTENTS

The materials showed that the 2018 base salary level for certain named executive officers was below the peer group's 25th percentile. The following table provides a summary of the base salary, the cash incentive awards, the long-term incentive grant date fair value and the total direct compensation of certain named executive officers compared to the mean of those of the peer group:

	Company versus Peer Group Mean			
	Base Salary	Cash Incentive Award	Long-Term Incentive Grant Date Fair Value	Total Direct Compensation
Chief Executive Officer	-5%	25%	99%	63%
Chief Financial Officer	-33%	-48%	-64%	-51%
Chief Operating Officer	-19%	-42%	-28%	-29%

The Company sets annual base salaries at a level it believes necessary to attract and retain the named executive officers, commensurate with the officers' responsibilities, reputations and experience. The Company sets annual cash target incentive awards at levels it believes necessary to attract and retain the named executive officers, the amount of which ultimately is approved by the Committee and depends on management's achievement of certain Company and individual objectives. The Company has also determined to pay time-based long-term equity incentive compensation to encourage the named executive officers to pursue strategies that will create long-term value for our shareholders, to align with our shareholders by tying a significant portion of compensation to the value of common stock with time-based vesting and to promote continuity of management by retaining the named executive officers.

For fiscal year 2018, the Committee determined that executive compensation would consist of: (i) annual cash base salaries; (ii) annual cash incentive awards; and (iii) two forms of long-term equity-based compensation — 50% as restricted share awards subject to time-based vesting provisions over a five-year period and 50% as performance-based equity awards subject to a performance-based measurement period of three years and vesting provisions over a three-year period. The annual cash incentive awards and long-term equity awards are based on the achievement of performance goals established by the Committee pursuant to the Annual Executive Incentive Plan, approved and adopted by the Committee on February 16, 2017.

The following narrative discusses the components of fiscal year 2018 compensation.

Base Salary. The Committee believes that base salary is a primary factor in retaining and attracting key employees in a competitive marketplace, as well as preserving an employee's commitment during downturns in the REIT industry and/or equity markets. When determining the base salary for each of the named executive officers, the Committee considers the individual's experience, current performance, potential for advancement, internal pay equity and market data.

The base salaries paid to the named executive officers in 2018 are set forth below in the "Executive Compensation Tables — Summary Compensation Table." From 2017 to 2018 and from 2018 to 2019, Richard Agree's base salary did not increase and remained at \$150,000, which he elected, and the Committee approved, to receive in the form of restricted stock. Mr. Richard Agree was awarded 2,284 shares with a grant date fair value per share of \$65.66 based on the closing sales price of our common stock on February 22, 2019. Joel Agree's base salary was \$550,000 in 2017 and \$625,000 in 2018, an increase of 14%. Mr. Thelen's base salary for 2018 was \$250,000, due to his employment commencing in December 2017, Mr. Thelen's base salary earned in 2017 was \$9,615. Laith Hermiz's base salary was \$285,000 in 2017 and \$300,000 in 2018, an increase of 5%.

Effective March 1, 2019, the Committee approved annual base salaries for Joel Agree, Clay Thelen, and Laith Hermiz at a rate of \$675,000, \$285,000 and \$315,000, respectively.

TABLE OF CONTENTSThe Annual Executive Incentive Plan

The Company maintains an Annual Executive Incentive Plan under which annual cash and equity incentive awards for 2018 were granted to our participating named executive officers by our Compensation Committee. For purposes of the Annual Executive Incentive Plan, participating named officers include the Company's Chief Executive Officer, Chief Operating Officer, and Chief Financial Officer. All equity awarded under the Annual Executive Incentive Plan is granted pursuant to the Company's 2014 Omnibus Incentive Plan.

Annual Cash Incentive Awards. The Committee believes that annual cash incentive awards provide a meaningful incentive for the achievement of short-term Company and individual goals, while assisting us in retaining, attracting and motivating employees in the near term. The threshold, target, and maximum cash incentive award opportunity as well as the 2018 Actual award as a percentage of base salary is included below:

2018 Annual Cash Incentive Bonus

Opportunity

(as % of Base Salary)

Position	Threshold	Target	Maximum	2018 Actual
Chief Executive Officer	50%	100%	150%	140%
Chief Operating Officer	20%	40%	60%	52%
Chief Financial Officer	20%	40%	60%	60%

Long-Term Equity Incentive Compensation. The Committee believes that share-based incentive awards, with multiple-year vesting, provide a strong incentive for employees to focus on our long-term fundamentals and thereby create long-term stockholder value. These awards also assist us in maintaining a stable, continuous management team in a competitive market. The Committee historically has issued restricted stock for purposes of long-term incentive compensation, which provides significant upside incentive and aligns our officers' interests with our stockholders, while also maintaining some down-market protection. For 2018, the Company's Compensation Committee determined to grant long-term equity grants consisting of 50% restricted shares and 50% performance shares. For the Chief Executive Officer the long-term incentive award is valued in total at 538% of base salary; for the Chief Operating officer the long-term incentive award is valued in total at 129% of base salary; and for the Chief Financial Officer the long-term incentive award is valued in total at 90% of base salary.

Awards of Restricted Common Stock. The restricted shares awarded to the individuals vest ratably over a five-year period with one-fifth (1/5) of the shares vesting on February 23 in each of 2020 through 2024. The Committee awarded an aggregate of 30,259 shares of restricted common stock for a total value of \$1,986,806 to our named executive officers. The grant date fair value of each share was \$65.66 based on the closing sales price of our common stock on February 22, 2019. The grants were as follows: Joel Agree, 25,609 shares; Laith Hermiz, 2,944 shares; and Clay Thelen, 1,706 shares.

Awards of Performance Shares. The Committee awarded a total value of \$1,986,806 in performance shares to the participating named executive officers on February 23, 2019. The awards were as follows: Joel Agree, 25,609 shares; Laith Hermiz, 2,944 shares; and Clay Thelen, 1,706 shares. The awards are subject to forfeiture in the event that the performance level is below threshold, as defined in the table below. The performance shares awarded to the individuals will be calculated based on a three-year performance period beginning on January 1, 2019 and will be based on the achievement of the following performance goals:

- Position within the MSCI US REIT Index: 50% of the award is based upon the total shareholder return ("TSR") percentile rank versus the MSCI US REIT index for the three-year performance period; and

- Position within the Company-defined Peer Group: 50% of the award is based upon TSR percentile rank versus a specified net lease peer group for the three-year performance period.

TABLE OF CONTENTS

Following the three-year performance period, performance shares will be issued 50% at threshold, 100% at target, and 150% at maximum. Achievement percentages between the threshold and target and between the target and maximum levels will be interpolated based on actual results in each category. Following the performance period, one-third of the shares earned will vest each year for three years. Performance levels and corresponding award funding levels for 2018 performance shares are summarized in the below table:

Performance Level	3-Year Relative TSR Positioning	% of Target Award Funded
Below Threshold	Below 25th Percentile	0%
Threshold	25th Percentile	50%
Target	50th Percentile	100%
Maximum	75th Percentile	150%

Determination of Annual Cash and Long-Term Equity Incentive Awards. The annual cash and equity incentive opportunities were awarded to the extent the Company attained certain threshold, target, or maximum-level achievements for the following performance goals as certified by the Company's Compensation Committee:

AFFO Growth Goal: 50% of the award was based upon year-over-year percentage growth of the Company's adjusted funds from operations ("AFFO") per share. The threshold, target, and maximum-level achievements for 2018 were 5.0%, 7.0% and 8.0%, respectively. In 2018, the Company achieved AFFO per share growth of 4.9%. Since the actual performance for 2018 was below the threshold-level achievement, no compensation was awarded in connection with the Company's AFFO growth goal for 2018.

As noted above, the 2018 awards included the use of adjusted funds from operation growth, defined as the year-over-year percentage growth of the Company's AFFO per share. In reviewing the Company's performance, the Committee concluded that AFFO growth per share was not an appropriate measure, because (i) it does not take into account the fact that the Company's performance exceeded that of its peers and of the overall REIT industry; and (ii) it is impacted by provisions of generally accepted accounting principles, including the requirement that dilutive shares be recognized under the treasury stock method, that caused the Company to report lower AFFO growth per share as a result of the Company's conducting a forward equity offering and the subsequent increase in the market value of the Company's shares, two occurrences that the Committee viewed as significant management accomplishments rather than detriments. As a result, on February 7, 2019, the Committee determined to augment the 2018 awards with discretionary awards equal to 150% of the target AFFO growth goal award potential, in recognition of the fact that the Company's total shareholder return for 2018 exceeded that of the Company's major peers and in recognition of the following accomplishments of the Company in 2018:

- a Company record for total invested or committed capital of \$681.5 million;
- reaching approximately \$3.0 billion in enterprise value;
- maintaining balance sheet strength and flexibility through the issuance of common equity for gross proceeds of \$540.0 million;
- maintaining a year-end Net Debt/EBITDA ratio of 4.7x;
- year-over-year dividend per share growth of 6.7%;

- the receipt of an investment grade credit rating from Moody's Investors Service; and
- the improvement in the quality of the Company's real estate portfolio as evidenced by the increased diversity of its assets and credit quality.

Management Business Objectives: 35% of the award was based upon the achievement of specific operating and management business objectives, including: balance sheet criteria, asset management and portfolio characteristic goals, acquisition goals, development goals, and Partner Capital Solutions ("PCS") goals. The following performance metrics and achievement thereof were used to determine award amounts related to management business objectives, which was as follows; (1) 2018 year-end net debt to recurring

23

TABLE OF CONTENTS

EBITDA of approximately 4.7x and fixed charge coverage of 4.0x; (2) 2018 year-end occupancy of 99.8%, rental income generated by investment grade tenants of 51.4% and a weighted-average remaining lease term of 10.2 years; (3) the acquisition of 225 properties net leased to industry-leading retailers for an aggregate investment of \$607.0 million; (4) the commencement of nine development and PCS projects with anticipated aggregate costs of \$34.2 million.

The threshold, target, and maximum-level achievements and 2018 actual performance is included below:

Chief Financial Officer	26,250	52,500	78,750	75,008	143%

Subjective Achievements: 15% of the award was based upon the Committee's subjective review of activities or objectives determined at the discretion of the Committee. The Committee awarded a \$140,625 cash bonus to Joel Agree, a \$18,000 cash bonus to Laith Hermiz and a \$22,500 bonus to Clayton Thelen for their performance and achievements in relation to the Committee's assessment of Subjective Achievements for 2018.

Other Awards. The Committee also awarded compensation separate from the Annual Executive Incentive Plan to certain of the Company's named executive officers. The Committee awarded Richard Agree \$286,500 in the form of restricted stock on February 7, 2019, which is consistent with historical grants and reflects his continued contributions in his role as Executive Chairman.

Perquisites and Other Personal Benefits. We have historically maintained a conservative approach to providing perquisites to executive officers. We provide certain named executive officers with perquisites and other personal benefits that the Committee believes are reasonable and consistent with the overall executive compensation program and will better enable us to attract and retain superior employees for key positions. These perquisites have been carefully selected to ensure that the value provided to employees is not at the expense of stockholder concern. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers. In 2018 the Company paid for the health insurance premiums of our named executive officers and certain of our officers were provided with an annual car allowance, associated car maintenance, fuel allowance and/or access to a dedicated Company car. Additionally, in 2018, the Company paid relocation expenses for Mr. Thelen. The Committee may revise, amend or add to each named executive officer's benefits and perquisites if it deems it advisable.

Severance Payments. We currently have employment agreements with Richard Agree, Joel Agree and Clayton Thelen that provide severance payments under specified conditions. The Committee believes these agreements help to retain executives who are essential to our long-term success. See "Potential Payments Upon Termination or Change-in-Control" for a description of potential payments and benefits received by our named executive officers under our compensation plans and arrangements upon termination of employment or a change in control of our Company.

TABLE OF CONTENTS

Timing and Pricing of Share-Based Grants

We do not coordinate the timing of share-based grants with the release of material non-public information. The Committee approves its annual grants of restricted stock to the named executive officers at its regularly scheduled executive compensation meeting which occurs at the beginning of the following fiscal year. The effective date for annual grants of restricted stock is determined at each meeting and is generally the date of such meeting or shortly thereafter. The Committee generally establishes the date for its regularly scheduled meeting at least a year in advance. The Committee has not granted stock options in recent years.

Stock Ownership Guidelines

In May 2009, to further align the interests of our executive officers and directors with the interest of our stockholders, and to promote our commitment to sound corporate governance, the Committee implemented stock ownership guidelines for executive officers, including the named executive officers, and non-employee directors.

The stock ownership guidelines provide that, within three years of the later date of adoption of the guidelines or the date an individual first becomes subject to the guidelines upon becoming a director or executive officer:

- our Chief Executive Officer is encouraged to own shares of our common stock, including restricted stock, valued at a minimum of five times annual base compensation;

- all other executive officers are encouraged to own shares of our common stock, including restricted stock, valued at a minimum of three times annual base compensation; and

- non-employee directors are encouraged to own shares of our common stock valued at a minimum of two times their annual director compensation.

As of December 31, 2018, all of our directors and executive officers were in compliance with our stock ownership guidelines or on track to be compliant within the three-year period specified by the guidelines.

Policy Prohibiting Hedging and Pledging of Company Stock

The Board believes that ownership of shares of the Company's common stock by the Company's executive officers and members of the Board promotes alignment of the interests of the Company's stockholders with those of its leadership. The Board recognizes that transactions that are designed to hedge or offset declines in the market value of the Company's shares of common stock can disrupt this alignment, interfere with the Company's compensation programs and philosophies, and undermine policies regarding share ownership.

The Board also recognizes that officer and director pledging of the Company's common stock as collateral for indebtedness can be adverse to the interests of the Company's stockholders because it creates the risk of forced sales that depress the value of the Company's common stock, creates risk of legal violations, and may encourage excessive risk-taking by executives and directors.

The Board has adopted an anti-hedging and pledging policy that applies to transactions in shares of the Company's common stock and other equity securities by members of the Board and officers of the Company designated by the Board as "executive officers" for the purposes of federal securities laws.

Under the policy, executive officers and directors of the Company shall not, directly or indirectly:

- Purchase any financial instrument or enter into any transaction that is designed to hedge or offset any decrease in the market value of the Company's common stock or other equity securities (including, but not limited to, prepaid variable forward contracts, equity swaps, collars, or exchange funds); or

- Pledge, hypothecate, or otherwise encumber the Company's common stock or other equity securities as collateral for indebtedness, including holding such shares in a margin account.

Tax and Accounting Implications

Deductibility of Executive Compensation. Section 162(m) (“Section 162(m)”) of the Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”), provides that subject to certain exceptions, a publicly-held corporation may not deduct compensation for federal income tax purposes exceeding \$1 million in any one year paid to any of its “covered employees”. For this purpose, a “covered employee” is any individual who (i) is or acts in the capacity as the principal executive officer or the principal financial officer of the publicly-held corporation at any time during the year, (ii) is one of the three other most highly compensated officers of the publicly-held corporation for the year, or (iii) was an individual listed in either of the foregoing clauses (i) or (ii) in respect of the publicly-held corporation or any predecessor in any prior year beginning after 2016. We must distribute a specified minimum percentage of our taxable income to maintain our qualification as a REIT under the Internal Revenue Code, and we are not subject to federal income tax on our REIT taxable income if and to the extent we distribute the income to our stockholders.

Accordingly, to the extent we pay compensation to any of our covered employees in excess of \$1 million in any year, we may have to increase the amount of our distributions to stockholders to avoid tax liability and the loss of our REIT status. This in turn may result in a larger portion of distributions being taxable to stockholders as dividend income, instead of being treated as a nontaxable return of capital to stockholders.

Nonqualified Deferred Compensation. Section 409A of the Internal Revenue Code provides that amounts deferred under nonqualified deferred compensation arrangements will be included in an employee’s income when vested unless certain conditions are met. If the certain conditions are not satisfied, amounts subject to such arrangements will upon vesting be taxable and employees will be subject to additional income tax, penalties and a further additional income tax calculated as interest on income taxes deferred under the arrangement.

On an annual basis, Mr. Hermiz is entitled to 2,500 shares of restricted stock provided he is still employed by the Company at each year end.

Company Share-Based Plans

2014 Omnibus Incentive Plan

Richard Agree, Joel Agree, Clayton Thelen and Laith Hermiz participate in the 2014 Omnibus Incentive Plan. During the 120 days following the termination of the participant’s employment for any reason, we have the right to require the forfeiture of any unvested shares of restricted stock, as well as any dividends paid on such shares. Under the 2014 Omnibus Incentive Plan, the unvested shares of restricted stock immediately vest in the event our stockholders approve an agreement to merge, consolidate, liquidate or sell all, or substantially all, of our assets. The Compensation Committee is authorized to accelerate the vesting of restricted stock at any time. In addition, in the event of a change of control (as defined therein) or a dissolution or liquidation of our Company, all unvested shares of restricted stock will become immediately vested. The Board has the discretion to determine whether any leave of absence should constitute a termination of employment.

Employment Agreement — Richard Agree

Richard Agree’s employment agreement, pursuant to which he serves as Executive Chairman of the Board is effective through June 30, 2019 and will automatically renew for additional one-year terms unless either Richard Agree or the Company gives the other notice of non-renewal at least 120 days prior to the expiration of any term. Richard Agree is entitled to an annual base salary of \$150,000, subject to annual review by the Compensation Committee and is also entitled to participate in all benefit programs generally available to our executive officers, including any equity incentive plan or bonus plan.

Upon any termination, he shall receive any accrued and unpaid salary and bonus for a completed year in one lump sum payment.

The employment agreement may be terminated if he dies or becomes disabled (as defined therein). In the event of termination of the agreement because of death or disability, he (or the estate) shall receive (i) any accrued and unpaid salary through the date of termination, (ii) any accrued and unpaid cash bonus with respect to the fiscal year preceding the termination, but not less than the average bonus paid to Richard Agree during the prior three years (the “average three-year bonus”) (iii) a pro rata portion of the cash bonus with respect to the fiscal year in which the termination occurs, but not less than a pro-rata portion of the average three-year bonus, and (iv) any reimbursable expenses that have not been reimbursed as of the date of termination. In addition, all unvested shares of our common stock will become fully vested.

If Richard Agree’s employment is terminated by us for any reason other than death, disability, or cause, or his employment is terminated by Richard Agree for good reason as defined in the agreement, we shall pay to Richard Agree in cash (i) any accrued and unpaid salary through the date of termination, (ii) any accrued and unpaid cash bonus with respect to the fiscal year preceding the termination, but not less than the average three-year bonus, (iii) a pro-rata portion of the cash bonus with respect to the fiscal year in which the termination occurs, but not less than a pro-rata portion of the average three-year bonus, (iv) an amount equal to two (2) times his compensation as defined in the agreement, and (v) any reimbursable expenses that have not been reimbursed as of the date of termination. Richard Agree shall also continue to participate in all benefit plans made generally available to our executives for the remaining portion of the employment period. In addition, all unvested securities of our Company issued to Richard Agree under our 2005 Equity Incentive Plan, 2014 Omnibus Incentive Plan or any similar plan shall become fully vested as of the date of such termination.

If a change in control (as defined therein) occurs prior to the expiration of Richard Agree’s employment agreement and Richard Agree is terminated by us for reasons other than death, disability or cause, or Richard Agree terminates employment for good reason, in each case within 18 months after such change in control, we will pay to Richard Agree in cash, (i) any accrued and unpaid salary through the date of termination, (ii) any accrued and unpaid cash bonus with respect to the fiscal year preceding the termination, but not less than the average three-year bonus, (iii) a pro-rata portion of the cash bonus with respect to the fiscal year in which the termination occurs, but not less than a pro-rata portion of the average three-year bonus, (iv) an amount equal to three (3) times his compensation as defined in the agreement, and

any reimbursable expenses that have not been reimbursed as of the date of termination. He will also continue to participate in all benefit plans made generally available to our executives for the remaining portion of the employment term. In addition, all unvested securities of our Company issued to Richard Agree under our 2005 Equity Incentive Plan, 2014 Omnibus Incentive Plan or any similar plan shall become fully vested as of the date of such termination. If Richard Agree is terminated by us for cause, then he shall forfeit any and all benefits under the employment agreement other than vested benefits. If he is terminated for cause or voluntarily terminates such employment, he is subject to a non-compete with us for a specified period of time. In addition, the employment agreement contains confidentiality provisions.

Employment Agreement — Joel Agree

Joel Agree's employment agreement, pursuant to which he serves as our President and Chief Executive Officer, is substantially identical to Richard Agree's employment agreement. Joel Agree is entitled to an annual base salary of \$375,000, subject to annual review by the Compensation Committee, and is also entitled to participate in all benefit programs generally available to our executive officers, including any equity incentive plan or bonus plan.

Employment Agreement — Clayton Thelen

Under the terms of a letter agreement dated October 20, 2017, Clayton Thelen was employed as our Chief Financial Officer and Secretary. The letter agreement provided for a base salary of \$250,000, subject to increase as recommended by the Chief Executive Officer and approved by the Compensation Committee, and provided him with eligibility to receive an annual cash incentive award of 60% – 90% of his base salary, subject to performance hurdles determined by the Board of Directors, and a restricted stock grant valued at \$200,000 based on the grant date fair value of \$49.22. The restricted stock will vest on the five-year anniversary of December 4, 2017.

Under the letter agreement, if Mr. Thelen is terminated without Cause (as defined therein) due to or within one year following a change in control (as defined therein), he will receive either (1) a cash amount equal to the sum of (i) 200% of his current annual base salary, (ii) 200% of his annual cash incentive award for the previous fiscal year and (iii) any long-term incentive compensation for the year in which the termination occurs will be considered earned at the target level and immediately vested, or (2) in the event his employment is terminated due to a change in control which occurs during the first fiscal year of employment, a cash amount equal to the sum of (i) 200% of his current annual base salary plus \$200,000, (ii) 200% of his projected threshold annual cash incentive award, and (iii) his threshold long-term incentive compensation will be considered earned at the target level and immediately vested. The values for items (1) (i) and (ii) and (2) (i) and (ii) shall be automatically adjusted down from 200% to 100% after the two-year anniversary of Mr. Thelen's start date. Mr. Thelen will not receive any severance following a change in control in the event he is retained by a successor organization for one year substantially on the same terms as set forth under the letter agreement.

If Mr. Thelen's employment is terminated by the Company for Cause, he will not be entitled to any severance payments, and he will forfeit any unvested securities of the Company. If Mr. Thelen's employment is terminated by the Company without Cause or by him with Good Reason (as defined therein), he will (i) receive a severance amount equal to 100% of his annual base salary, (ii) be deemed to have vested in a pro rata portion of the restricted stock set forth in the letter agreement, based on the number of completed years of service since the start date, and (ii) be released from his post-employment non-competition covenant.

The letter agreement conditions the receipt of severance payments on Mr. Thelen's compliance with his post-employment obligations, which include confidentiality obligations, non-solicitation obligations, and non-compete obligations.

Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of Mr. Joel Agree, our President and Chief Executive Officer. The Company's chief executive officer to median employee pay ratio was calculated in accordance with SEC requirements. However, due to the flexibility afforded in calculating the pay ratio, the ratio presented herein is a reasonable estimate and may not be comparable to the pay ratio presented by other companies.

33

TABLE OF CONTENTS

The Company identified the median employee by examining 2018 compensation for all employees of the Company excluding the President and Chief Executive Officer. We determined our median employee compensation, based on total compensation including base salary, bonuses earned, incentive stock earned, and health care premiums for each of our 35 employees, excluding Mr. Joel Agree, as of December 31, 2018, to be \$122,543. As disclosed in the Summary Compensation Table, our current Chief Executive Officer's annual total compensation for 2018 was \$4,882,765. Based on the foregoing, our estimate of the ratio of the annual total compensation of our Chief Executive Officer and President to the median of the annual total compensation of all other employees was 40 to 1.

The compensation measure described above was consistently applied to this entire employee population. The Company did not make any assumptions, adjustments, or estimates with respect to the employee population or the compensation measure and did not annualize the compensation for any employees that were not employed by the Company for all of 2018.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for the Company’s financial statements, internal controls, accounting and financial reporting processes and compliance with applicable laws and regulations. The independent registered public accounting firm is responsible for performing an independent audit of the Company’s consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (“PCOAB”) and an independent audit of the effectiveness of the Company’s internal control over financial reporting in accordance with the standards of the PCAOB, and for expressing their opinions thereon. The Audit Committee’s responsibility is to provide general oversight of the foregoing matters, as well as engaging the Company’s independent registered public accounting firm and establishing the terms of retention. The Audit Committee is governed by a charter, a copy of which is available on our website at www.agreerealty.com.

Review and Discussions with Management and Independent Accountants. In this context, the Committee has met and held discussions with management and Grant Thornton, the Company’s independent registered public accounting firm. Management represented to the Committee that the Company’s consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Committee has reviewed and discussed the audited consolidated financial statements with management and Grant Thornton. The Committee discussed with Grant Thornton the matters required to be discussed by the Statement on Auditing Standards No. 1301, as amended, issues regarding accounting and auditing principles and practices, and the adequacy of internal controls that could significantly affect the Company’s financial statements.

Grant Thornton also provided to the Committee the written disclosures and letter from Grant Thornton required by the applicable requirements of the PCAOB regarding Grant Thornton’s communications with the Committee concerning independence, and the Committee has discussed with Grant Thornton its independence with respect to the Company. The Committee has reviewed the original proposed scope of the annual audit of the Company’s financial statements and the associated fees and any significant variations in the actual scope of the audit and fees. See “Audit Committee Matters” for additional information regarding the Committee’s pre-approval policies and procedures for audit and non-audit services provided by Grant Thornton.

Conclusion. Based on the review and discussions referred to above, the Committee recommended to the Board that the Company’s audited consolidated financial statements be included in the Company’s annual report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

AUDIT COMMITTEE MATTERS

Pre-Approval Policies and Procedures for Audit and Non-Audit Services

In accordance with Audit Committee policies and procedures and applicable law, the Audit Committee must pre-approve all services to be provided by its independent registered public accounting firm. In determining whether to pre-approve such services, the Audit Committee must consider whether the provision of such services is consistent with the independence of such accountants. The Audit Committee generally provides pre-approvals at its regularly scheduled meetings. The Audit Committee has delegated to its chairman, Farris G. Kalil, the authority to grant pre-approvals of non-audit services between regularly scheduled meetings of the Audit Committee, provided that any such pre-approval by Mr. Kalil shall be reported to the Audit Committee at its next scheduled meeting. However, pre-approval of non-audit services is not required if (1) the aggregate amount of non-audit services is less than 5% of the total amount paid by us to the auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by us as non-audit services at the time of the engagement; and (3) such services are promptly brought to the attention of the Audit Committee and, prior to completion of the audit, are approved by the Audit Committee or by one or more Audit Committee members who have been delegated authority to grant approvals.

Fees Paid to Independent Registered Public Accounting Firms

Grant Thornton audited and reported on the Company's financial statements for the years ended December 31, 2018 and December 31, 2017. The following table sets forth the fees that we were billed for audit and other services provided by Grant Thornton in 2018 and 2017. All such fees paid to Grant Thornton were approved in conformity with the pre-approval policies and procedures noted above.

	2018	2017
Audit Fees	\$ 610,130	\$ 478,473
Audit-Related Fees	—	—
Tax Fees	—	—
Other Fees	—	—
	\$ 610,130	\$ 478,473

Audit Fees. Audit Fees consist of fees and expenses billed for professional services rendered to audit financial statements, assess effectiveness of internal control over financial reporting, review interim consolidated financial statements, review registration statements and prepare comfort letters, services that are normally provided in connection with statutory and regulatory filings or engagements.

Audit-related Fees. Audit-Related Fees consist of fees and expenses for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements that are not Audit Fees.

PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2019

The Audit Committee currently believes that we should continue our relationship with Grant Thornton LLP and has appointed Grant Thornton to continue as our independent accountants for 2019. See “Report of the Audit Committee” and “Audit Committee Matters” for additional information on matters related to Grant Thornton’s provision of services to us.

Although stockholder ratification of the appointment is not required by current law, rules and regulations and is not binding on us, the Board considers the selection of the independent registered public accounting firm to be an important matter of stockholder concern and the Audit Committee will take your vote into consideration when appointing our independent registered public accounting firm in the future. Even if the stockholders ratify the appointment of Grant Thornton, the Audit Committee in its sole discretion may terminate the engagement of Grant Thornton and engage another independent auditor at any time during the year, although it has no current intention to do so.

A representative of Grant Thornton will be present at the annual meeting and will be provided with the opportunity to make a statement if desired. Such representative will also be available to respond to appropriate questions.

The Board recommends that you vote “FOR” the ratification of the appointment of Grant Thornton as our independent registered public accounting firm for 2019.

PROPOSAL 3 — ADVISORY (NON-BINDING) VOTE
APPROVING EXECUTIVE COMPENSATION

We are presenting the following proposal, which gives you as a stockholder the opportunity to endorse or not endorse our executive compensation program for named executive officers by voting for or against the following resolution.

“RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for the 2019 annual meeting of stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the other related disclosure.”

While this vote is advisory and not binding on us, it will provide information to us and the Compensation Committee regarding stockholder sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation for the remainder of 2019 and beyond. We recognize the interest our stockholders have in the compensation of our executive officers, and we are providing this advisory vote in recognition of that interest as required by Section 14A of the Securities Exchange Act. In a non-binding advisory vote on the frequency of advisory votes on executive compensation held at our 2017 annual meeting of stockholders, stockholders voted in favor of holding such votes annually. In light of this result and other factors considered by the Board, the Board determined that the Company would hold advisory votes on executive compensation on an annual basis until the next required advisory vote. The next required advisory vote will occur at our 2023 annual meeting of stockholders.

As described in detail under the heading “Compensation Discussion and Analysis” above, we seek to closely align the interests of our executive officers with the interests of our stockholders. Our compensation programs are designed to reward the executive officers for the achievement of short-term and long-term strategic and operational goals, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. Following is a summary of some of the primary components and rationale of our compensation philosophy.

- Provide total compensation that is both fair and competitive. To attract and reduce the risk of losing the services of valuable officers but avoid the expense of excessive pay, compensation should be competitive. The Compensation Committee assesses the competitiveness of our compensation to our executive officers by comparing it to the compensation of executive officers at other public companies. The Compensation Committee assesses the competitiveness of the Company’s compensation to its executive officers through review of materials provided or reviewed by Meridian and by reviewing the 2018 NAREIT Compensation and Benefits Survey to provide it with relevant market data.

- Attract, retain and motivate key executives who are critical to our operations. The primary purpose of our executive compensation program has been and is to achieve our business objectives by attracting, retaining and motivating talented executive officers by providing incentives and economic security.

- Reward superior individual and company performance on both a short-term and long-term basis. Performance-based pay aligns the interests of management with the interests of our stockholders. Performance-based compensation motivates and rewards individual efforts and company success.

- Align executives’ long-term interests with those of our stockholders. The Compensation Committee believes that requiring the executive officers to maintain a meaningful ownership interest in the Company relative to their annual base salaries may encourage the executive officers to act in a manner that creates value for our stockholders.

The Board recommends a vote “FOR” the approval of the compensation of our named executive officers as disclosed in this proxy statement.

PROPOSAL 4 — APPROVAL OF AN AMENDMENT TO OUR CHARTER

Introduction

On February 26, 2019 the Board declared an amendment to the Charter (the “Amendment”), as set forth in the form of Articles of Amendment attached hereto as Appendix A, to be advisable and directed that the proposed Amendment be submitted for consideration by our stockholders at the 2019 Annual Meeting. The description set forth below summarizes the proposed Amendment to our Charter and is qualified in its entirety by the form of Articles of Amendment attached hereto as Appendix A, which you should read in their entirety.

Amendment to Revise the Provisions Regarding Authorized Shares

The Charter currently authorizes the Company to issue 45,000,000 shares of common stock. The Amendment would increase the number of shares of common stock that the Company is authorized to issue from 45,000,000 shares of common stock to 90,000,000 shares of common stock, representing an increase of 45,000,000 shares of authorized common stock.

The following table describes the allocation of our currently authorized common stock among issued, reserved, and unreserved shares of common stock as of February 23, 2019:

Common Stock

Authorized	Issued and Outstanding	Available for Issuance	Reserved for Future Issuance(1)	Unissued, Unreserved Shares of Common Stock
45,000,000	37,576,724	7,423,276	7,047,873	375,403

(1)

Includes reserves for future issuance related to the Company’s equity incentive plan, the conversion of limited partnership units, the Company’s forward equity agreement and the Company’s at-the-market equity program.

As indicated in the table above, only 375,403 shares of common stock are unreserved and available for issuance.

Reasons for the Increase in Authorized Shares of Common Stock

The Board believes that it is advisable and in the best interests of our Company to amend the Charter to increase the number of authorized shares of common stock in order to provide our Company with greater flexibility in planning for future corporate needs including, but not limited to, transactions to raise capital, property acquisitions, stock dividends or stock splits, grants under equity compensation plans, potential strategic transactions, including mergers, acquisitions and business combinations, as well as other corporate purposes. If this Amendment is not approved, our growth and business strategies and our ability to raise additional capital may be limited by the lack of availability of unissued and unreserved shares of common stock.

Effects of the Increase in Authorized Shares of Common Stock

The additional shares of common stock proposed to be authorized pursuant to the Amendment would have rights identical to the currently outstanding shares of our common stock. Approval of this Proposal No. 4 would not affect the rights of the holders of currently outstanding shares of our common stock, except for effects incidental to increasing the number of shares of our common stock outstanding if such additional authorized shares of common stock are issued, such as dilution of any earnings per share and voting rights of current holders of common stock. Under the Charter, stockholders do not have preemptive rights to subscribe for additional securities that may be issued by us unless the Board in its sole discretion determines to grant such rights, which means that current stockholders do not have a prior right thereunder to purchase any new issue of common stock in order to maintain their proportionate ownership interests in the Company.

The Board recommends a vote FOR Proposal 4 to amend our Charter to increase the number of authorized shares of our common stock.

RELATED PERSON TRANSACTIONS

Policies and Procedures

Under SEC rules, a related person transaction is any transaction or any series of transactions in which our Company was or is to be a participant, the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest. A “related person” is a director, officer, nominee for director or a more than 5% stockholder since the beginning of our last completed fiscal year, and their immediate family members.

The non-interested directors of the Board review and oversee any proposed or ongoing related person transactions to ensure there are no conflicts of interest. Our written Code of Conduct expressly prohibits any actions that would cause a conflict of interest except under guidelines approved by the Board. Our Code of Conduct requires officers and directors along with other employees to provide full disclosure of any such transaction to appropriate persons. Persons are encouraged to speak with specified persons if there is any doubt as to whether a transaction could comprise a related person transaction or otherwise constitute a conflict of interest.

If a related person transaction is proposed, the non-interested directors of the Board review such transaction to ensure that our involvement in such transaction is on terms comparable to those that could be obtained in arm’s length dealings with an unrelated third party and is in the best interests of us and our stockholders. If necessary or appropriate, we will engage third party consultants and special counsel, and the Board may create a special committee, to review such transactions. There were no related person transactions in 2018, except for the Reimbursement Agreement described below.

The Company and Richard Agree, the Executive Chairman of the Company, are parties to a Reimbursement Agreement dated November 18, 2014. Pursuant to the Reimbursement Agreement, Mr. Agree has agreed to reimburse the Company for any loss incurred under the unsecured revolving credit facility of our majority owned partnership, Agree Limited Partnership (the “Operating Partnership”) in an amount not to exceed \$14 million to the extent that the value of the Operating Partnership’s assets available to satisfy the Operating Partnership’s obligations under the revolving credit facility is less than \$14 million.
