## **EXPLANATORY NOTE**

This Registration Statement on Form S-3 (Registration No. 333-206411) of Lexington Realty Trust (the “Company”) and the Company’s subsidiary guarantor registrant (the “Registration Statement”) is being amended to remove Lepercq Corporate Income Fund L.P. (“LCIF”) as a co-registrant. LCIF previously was a guarantor of certain of the debt securities with respect to which offers and sales were registered under this Registration Statement. Pursuant to the Company’s indentures that govern the Company’s outstanding 4.25% Senior Notes and 4.40% Senior Notes, LCIF has been released as a guarantor of such notes and it is not currently contemplated that it will in the future guarantee any of the Company’s registered debt. This Post-Effective Amendment No. 1 is being filed to deregister the guarantees covered by this Registration Statement and remove LCIF as a co-registrant under this Registration Statement. No changes or additions are being made hereby to the base prospectus that already forms a part of the Registration Statement. Accordingly, such base prospectus is being omitted from this filing.

**Item 15. Indemnification of Directors and Officers.**

The Maryland REIT law and Section 2-418 of the Maryland General Corporation Law generally permits indemnification of any trustee or officer made a party to any proceedings by reason of service as a trustee or officer unless it is established that (i) the act or omission of such person was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty; or (ii) such person actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, such person had reasonable cause to believe that the act or omission was unlawful. The indemnity may

Edgar Filing: LEXINGTON REALTY TRUST - Form POS AM

include judgments, penalties, fines, settlements and reasonable expenses actually incurred by the trustee or officer in connection with the proceeding; but, if the proceeding is one by or in the right of the company, indemnification is not permitted with respect to any proceeding in which the trustee or officer has been adjudged to be liable to the company, or if the proceeding is one charging improper personal benefit to the trustee or officer, whether or not involving action in the trustee's or officer's official capacity, indemnification of the trustee or officer is not permitted if the trustee or officer was adjudged to be liable on the basis that personal benefit was improperly received. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or any entry of an order of probation prior to judgment creates a rebuttable presumption that the trustee or officer did not meet the requisite standard of conduct required for permitted indemnification. The termination of any proceeding by judgment, order or settlement, however, does not create a presumption that the trustee or officer failed to meet the requisite standard of conduct for permitted indemnification.

LXP's Declaration of Trust limits the liability of its trustees and officers for money damages, except for liability resulting from:

- actual receipt of an improper benefit or profit in money, property or services; or

- a final judgment based upon a finding of active and deliberate dishonesty by the trustees or officers that was material to the cause of action adjudicated.

LXP's Declaration of Trust obligates LXP to the maximum extent permitted by Maryland law, to indemnify, and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to, any trustees or officers, whether serving LXP or at its request any other entity, who is made a party to a proceeding by reason of his or her service in that capacity. LXP's Declaration of Trust permits LXP to indemnify and advance expenses to any employee or agent of LXP, whether serving LXP or at its request any other entity.

Maryland law requires LXP, as a condition to advancing expenses, to obtain:

a written affirmation by the trustee or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification; and

a written undertaking to repay the amount reimbursed if the standard of conduct is not met.

The foregoing reference is necessarily subject to the complete text of LXP's Declaration of Trust, and partnership agreements and the statutes referred to above and is qualified in its entirety by reference thereto.

LXP has also purchased liability insurance for our trustees and officers. LXP has also entered into indemnification agreements with certain officers and trustees for the purpose of indemnifying such persons from certain claims and actions in their capacities as such.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to trustees, directors, officers or persons controlling the registrants pursuant to the foregoing provisions, the registrants have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, will be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to

Section 15(d) of the Securities Exchange Act) that is incorporated by reference in the registration statement will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

(e) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.

(f) That:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act will be deemed to be part of this registration statement as of the time it was declared effective; and

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.
