John Hancock Tax-Advantaged Dividend Income Fund

February 11, 2008

Dear Fellow Shareholder:

As an investor in the fund, you are cordially invited to attend the annual shareholder meeting on Monday, March 31, 2008, at 10:00 A.M., Eastern Time, to be held at John Hancock Funds, 601 Congress Street, Boston, Massachusetts 02210-2805.

Elect your fund's Board of Trustees

For the fund, the proposal asks common shareholders to elect two Trustees to serve until their respective successors are elected and qualified. The proxy statement includes a brief description of each nominee's background. We urge you to vote for these nominees on the GOLD proxy card that accompanies this proxy statement and not to execute a proxy card in favor of any other persons.

Approve revisions to fundamental industry concentration policies

Management of the fund proposes two revisions to the fund's investment policies that are intended to give the fund greater prospective investment flexibility. First, management proposes to eliminate the current policy requiring the fund to concentrate its investments (i.e., invest at least 25% of its net assets) in securities issued by financial services corporations. Second, management proposes to modify the fund's

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

concentration policy with respect to securities issued by corporations in the utilities sector, by permitting the fund to satisfy this policy by investing in both U.S. and foreign utilities corporations, rather than only U.S. utilities, as required under the current policy. Your proxy statement describes each of these proposals. Because these policies are considered fundamental under federal securities laws, revising the policies requires shareholder approval. These items are not considered routine items.

Your vote is important!

Please complete the enclosed GOLD proxy ballot form, sign it and mail it immediately. For your convenience, a postage-paid return envelope has been provided. Your prompt response will help avoid the cost of additional mailings at your fund's expense.

If you have any questions, please call our proxy solicitor, The Altman Group, Inc. toll-free at 1-866-745-0264, Monday through Friday, between 9:00 A.M. and 10:00 P.M., Eastern Time.

YOUR VOTE IS VERY IMPORTANT, NO MATTER HOW MANY SHARES YOU OWN, AND WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING IN PERSON.

Sincerely,

Keith F. Hartstein
Chief Executive Officer

JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND 601 Congress Street, Boston, Massachusetts 02210

To Be Held on March 31, 2008**

PROXY STATEMENT

This proxy statement contains the information you should know before voting on the proposals described in the notice. ***The fund will furnish without charge a copy of its Annual Report and/or Semiannual Report to any shareholder upon request. If you would like a copy of the fund's report, please send a written request to the attention of the fund at 601 Congress Street, Boston, MA 02210 or call John Hancock Funds at 1-800-892-9552.***

This proxy statement is being used by the fund's Trustees to solicit proxies to be voted at the annual meeting of the fund's shareholders. The meeting will be held at 601 Congress Street, Boston, Massachusetts, on Monday March 31, 2008, at 10:00 A.M., Eastern Time.

If you sign the enclosed GOLD proxy card and return it in time to be voted at the meeting, your shares will be voted in accordance with your instructions. Signed GOLD proxies with no instructions will be voted FOR all of the proposals. If you want to revoke your proxy, you may do so before it is exercised at the meeting by filing a written notice of revocation with the fund at 601 Congress Street, Boston, Massachusetts 02210, by returning a signed proxy with a later date before the meeting or, if attending the meeting and voting in person, by notifying the fund's secretary (without complying with any formalities) at any time before your proxy is voted.

This year's meeting is very important to all shareholders of your fund in light of the nomination of a separate slate of nominees for Trustee by a shareholder.

The Trustees unanimously recommend that you vote for the election of the Board's two nominees on the enclosed GOLD proxy card. The Board urges that you not vote for any of the individuals on the slate that has been put forward by the shareholder.

Record Ownership

The Trustees of the fund have fixed the close of business on January 24, 2008 as the record date to determine which shareholders are entitled to vote at the meeting. Common and preferred shareholders of the fund are entitled to one vote per share on all business of the meeting or any postponement of the meeting other than the election of Trustees, as to which only common shareholders are entitled to vote. Fractional shares are entitled to a fractional vote. On the record date, 42,077,487 common shares of beneficial interest of the fund and 15,200 preferred shares of beneficial interest of the fund were outstanding.

The fund's management does not know of anyone who beneficially owned more than 5% of either class of the fund's shares outstanding as of the record date. (Beneficial ownership means voting power and/or investment power, which includes the power to dispose of shares.)

PROPOSAL ONE

**ELECTION OF TRUSTEES
(Common Shares of the Fund)**

General

The fund's Board of Trustees currently consists of seven members. Holders of the common shares are currently entitled to elect five Trustees and holders of the preferred shares are entitled to elect two Trustees. Messrs. Boyle, Carlin, Cunningham, Ladner, and Pruchansky have been designated as subject to election solely by holders of the common shares of the fund. Mr. Moore and Ms. McGill Peterson have been designated as subject to election solely by holders of the preferred shares of the fund.

The Board is divided into three staggered term classes: one class containing three Trustees and two classes containing two Trustees each. The term of one class expires each year, and no term continues for more than three years after the applicable election. Each Trustee in a class will continue in office until his or her successor is duly elected and qualified and may stand for re-election at the conclusion of his or her respective three-year term. Classifying the Trustees in this manner may prevent replacement of a majority of the Trustees for up to a two-year period.

As of the date of this proxy statement, each nominee for election currently serves as a Trustee of the fund. Using the enclosed GOLD proxy card, you may authorize the persons appointed proxies to vote your shares for the nominees representing your shares or you may withhold from the proxies authority to vote your shares for one or more of the nominees representing your shares. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his or her nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or able to serve as a Trustee, the proxies will exercise their voting power in favor of such substitute nominee, if any, as the fund's Trustees may designate. The fund has no reason to believe that it will be necessary to designate a substitute nominee.

Proposal One

For the fund, Messrs. Carlin and Cunningham are the current nominees for election by the common shareholders. We urge you to vote for these nominees on the GOLD proxy card that accompanies this proxy statement and not to execute a proxy card in favor of any other persons. Please do not sign any other proxy card that may be provided by a shareholder.

If you hold your shares directly in your own name, the fund's Agreement and Declaration of Trust requires that you must vote by either executing a proxy card or voting at the meeting in person. If you hold your shares in a brokerage or bank account (commonly referred to as "street name"), your broker or bank may require you to provide written instructions and/or allow you to provide your voting instructions by telephone or Internet. Please consult the materials you receive from your bank or broker in this regard.

If you have questions about voting the proxy or instructing your bank or broker how to vote on your behalf, contact our proxy solicitor, The Altman Group, Inc. toll-free at 1-866-745-0264.

Vote Required For Proposal One

The vote of a plurality of the votes cast by the common shares of the fund is sufficient to elect the common shares' nominees to serve as Trustees of the fund.

Information Concerning Trustees

The following table sets forth certain information regarding the nominees for election to the Board. The table also shows his or her principal occupation or employment and other directorships during the past five years and the number of John Hancock funds overseen by the Trustee. The table also lists the Trustees who are not currently standing for election: the term of Messrs. Ladner and Moore and will expire at the 2009 annual meeting and the term of Messrs. The Board currently has four standing Committees: the Audit and Compliance Committee, the Governance Committee, the Contracts/Operations Committee and the Investment Performance Committee. Each Committee is comprised of Independent Trustees who are not interested persons.

The current membership of each Committee is set forth below.

Audit and Compliance	Governance	Contracts/Operations	Investment Performance
Messrs. Ladner and Moore and Ms. McGill Peterson	All Independent Trustees	Messrs. Carlin, Cunningham, and Pruchansky	All Independent Trustees

All members of the fund's Audit and Compliance Committee are Independent under the Revised Listing Rules of the New York Stock Exchange (the NYSE), and each member is financially literate with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Audit and Compliance Committee, which is included as Attachment 1 to this proxy statement. The Audit and Compliance Committee recommends to the full Board the appointment of the independent registered public accounting firm for the fund, monitors and oversees the audits of the fund, communicates with both the independent registered public accounting firm and the internal auditors on a regular basis and provides a forum for the independent registered public accounting firm to report and discuss any matters it deems appropriate at any time. The Audit and Compliance Committee reports that it has: (1) reviewed and discussed the fund's audited financial statements with management; (2) discussed with the independent registered public accounting firm the matters relating to the quality of the fund's financial reporting as required by SAS 61; (3) received written disclosures and an independence letter from the independent auditors required by Independent Standards Board Standard No. 1 and discussed with the auditors their independence; and (4) based on these discussions, recommended to the Board that the fund's financial statements be included in the fund's annual report for the last fiscal year (see Attachment 2).

All of the Independent Trustees are members of the Governance Committee. The Governance Committee reviews the activities of the other three standing committees and makes the final selection and nomination of candidates to serve as Independent Trustees. All members of the Governance Committee are independent under the NYSE's Revised Listing Rules and are Independent Trustees. The Board has adopted a written charter for the Governance Committee, which is included as Attachment 3 to this proxy. The Governance Committee selects and nominates for elections candidates for Independent Trustees. The Trustees who are not Independent Trustees and the officers of the fund are nominated and selected by the Board.

In reviewing a potential nominee and in evaluating the renomination of current Independent Trustees, the Governance Committee applies the following criteria: (i) the nominee's reputation for integrity, honesty and adherence to high ethical standards; (ii) the nominee's business acumen, experience and ability to exercise sound judgments; (iii) a commitment to understand the fund and the responsibilities of a trustee of an investment company; (iv) a commitment to regularly attend and participate in meetings of the Board and its Committees; (v) the ability to understand potential conflicts of interest involving management of the fund and to act in the interests of all shareholders; and (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee. The Governance Committee does not necessarily place the same emphasis on each criterion and each nominee may not have each of these qualities. The Governance Committee does not discriminate on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law.

As long as an existing Independent Trustee continues, in the opinion of the Governance Committee, to satisfy these criteria, the fund anticipates that the Committee would favor the renomination of an existing Trustee rather than a new candidate. Consequently, while the Governance Committee will consider nominees recommended by shareholders to serve as Trustees, the Governance Committee may act upon such recommendations only if there is a vacancy on the Board or the Governance Committee determines that the selection of a new or additional Independent Trustee is in the best interests of the fund. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Governance Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Governance Committee. While it has not done so in the past, the Governance Committee may retain a consultant to assist the Committee in a search for a qualified candidate.

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

Any shareholder recommendation must be submitted in compliance with all of the pertinent provisions of Regulation 14A under the Securities Exchange Act of 1934, as amended (the Exchange Act), and the Agreement and Declaration of Trust and Bylaws of the Fund, to be considered by the Governance Committee. In evaluating a nominee recommended by a shareholder, the Governance Committee, in addition to the criteria discussed above,

7

may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of nominees, the candidate's name will be placed on the fund's proxy card. If the Governance Committee or the Board determines not to include such candidate among the Board's designated nominees and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the fund's proxy statement. Each of the nominees for election as Trustee listed in this proxy statement was recommended by the Governance Committee. The Governance Committee and the Board have determined not to include either of the two persons that a shareholder presented as its potential nominees and, therefore, such individuals are nominees solely of such shareholder and not of the Board.

Shareholders may communicate with the members of the Board as a group or individually. Any such communication should be sent to the Board or an individual Trustee in care of the secretary of the fund at the address on the notice of this meeting. The Secretary may determine not to forward any letter to the members of the Board that does not relate to the business of the fund.

The Contracts/Operations Committee oversees the initiation, operation, and renewal of the various contracts between the fund and other entities. These contracts include advisory, custodial and transfer agency agreements and arrangements with other service providers.

The Investment Performance Committee monitors and analyzes the performance of the fund generally, consults with the Adviser as necessary if the fund is considered to require special attention, and reviews fund peer groups and other comparative standards as necessary.

The Board and each Committee held five meetings during the fund's fiscal year. With respect to the fund, no Trustee attended fewer than 75% of the aggregate of (1) the total number of Board meetings; and (2) the total number of meetings held by all Committees on which he or she served. The fund holds joint meetings of the Trustees and all Committees.

Trustee Ownership

The following table provides a dollar range indicating each Trustee's ownership of equity securities of the fund as well as aggregate holdings of shares of equity securities of all John Hancock Funds overseen by the Trustee, as of December 31, 2007.

Non-Independent Trustee			
James R. Boyle			

- (1) The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Trustees in the fund and in all John Hancock funds overseen by each Trustee. For each Trustee, the amounts reflected include share equivalents of certain John Hancock funds in which the Trustee is deemed to be invested pursuant to the Deferred Compensation Plan for Independent Trustees, as more fully described under Remuneration of Trustees and Officers. The information as to beneficial ownership is based on statements furnished to the fund by the Trustees. Each of the Trustees has all voting and investment powers with respect to the shares indicated. None of the Trustees beneficially owned individually, and the Trustees and executive officers of the fund as a group did not beneficially own, in excess of one percent of the outstanding shares of the fund.

Compliance with Section 16(a) Reporting Requirements

Section 16(a) of the Exchange Act requires a fund's executive officers, Trustees and persons who own more than 10% of a fund's shares (10% Shareholders) to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the SEC). Executive officers, Trustees and 10% Shareholders are also required by SEC regulations to furnish the fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the fund and representations that no other reports were required to be filed, the fund believes that during the past fiscal year its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

Remuneration of Trustees and Officers

The following table provides information regarding the compensation paid by the fund and the other investment companies in the John Hancock fund complex to the Independent Trustees for their services for the fund's most recently completed fiscal year. Material Relationships of the Independent Trustees

As of December 31, 2007, none of the Independent Trustees, nor any immediate family member, own shares of the Adviser or is a principal underwriter of the fund, nor does any such person own shares of a company controlling, controlled by or under common control with the Adviser or a principal underwriter of the fund.

There have been no transactions by the fund since the beginning of the fund's last two fiscal years, nor are there any transactions currently proposed in which the amount exceeds \$120,000, and in which any trustee of the fund or any immediate family members has or will have a direct or indirect material interest, nor have any of the foregoing persons been indebted to the fund in an amount in excess of \$120,000 at any time since that date.

No Independent Trustee, nor any immediate family member, has had in the past five years, any direct or indirect interest, the value of which exceeds \$120,000, in the Adviser, a principal underwriter of the fund or in a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with the Adviser or principal underwriter of the fund. Moreover, no Independent Trustee or his or her immediate family member has, or has had in the last two fiscal years of the fund, any direct or indirect relationships or material interest in any transaction or in any currently proposed transaction, in which the amount involved exceeds \$120,000, in which the following persons were or are a party: the fund, an officer of the fund, any investment company sharing the same investment adviser or principal underwriter as the fund or any officer of such a company, any investment adviser or principal underwriter of the fund or any officer of such a party, any person directly or indirectly controlling, controlled by or under common control with the investment adviser or principal underwriter of the fund, or any officer of such a person.

Within the last two completed fiscal years of the fund, no officer of any investment adviser or principal underwriter of the fund or of any person directly or indirectly controlling, controlled by or under common control with, the investment adviser or principal underwriter of the fund, has served as a director on a board of a company where any of the Independent Trustees or nominees of the fund, or immediate family members of such persons, has served as an officer.

Legal Proceedings

There are no material pending legal proceedings to which any Trustee or affiliated person is a party adverse to the fund or any of its affiliated persons or has a material interest adverse to the fund or any of its affiliated persons. In addition, there have been no legal proceedings that are material to an evaluation of the ability or integrity of any trustee or executive officer of the fund within the past five years.

Independent Registered Public Accounting Firm

The Trustees of the fund, including a majority of the fund's Independent Trustees, have selected PricewaterhouseCoopers LLC (PricewaterhouseCoopers) to act as independent registered public accounting firm for the fund's fiscal year ending December 31, 2008.

Representatives from PricewaterhouseCoopers are expected to be present at the shareholders' meeting and will have the opportunity to make a statement if they desire to do so. The PricewaterhouseCoopers representatives will also be available to respond to appropriate questions at the meeting.

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

The following table sets forth the aggregate fees billed by fiscal year and by PricewaterhouseCoopers for the fund's 2006 and 2007 fiscal year for professional services rendered for: (i) the audit of the fund's annual financial statements and the review of financial statements included in the fund's reports to stockholders, (ii) assurance and related services that are reasonably related to the audit of the fund's financial statements, (iii) tax compliance, tax advice or tax planning, and (iv) all services other than (i), (ii) and (iii). The table also discloses the aggregate fees paid during the 2006 and 2007 calendar years to PricewaterhouseCoopers, respectively, by the Adviser and any entity controlling, controlled by or under common control with, the Adviser (Adviser Affiliates) that provides ongoing services to the fund.

	Audit Fees		Audit-Related Fees		Tax Fees		All Other Fees	
	2006	2007	2006	2007	2006	2007	2006	2007
Tax-Advantaged Dividend	\$25,800	\$25,800	\$0	\$0	\$3,700	\$3,700	\$ 3,700	\$ 3,000
Adviser and Adviser Affiliates	\$ 0	\$ 0	\$0	\$0	\$ 0	\$ 0	\$872,192	\$1,655,823

The fund's Audit and Compliance Committee has adopted procedures to pre-approve audit and non-audit services for the fund and the Adviser and Adviser Affiliates. These procedures identify certain types of audit and non-audit services that are anticipated to be provided by PricewaterhouseCoopers during a calendar year and,

10

provided the services are within the scope and value standards set forth in the procedures, pre-approve those engagements. The scope and value criteria are reviewed annually. These procedures require both audit and non-audit sources to be approved by the Audit and Compliance Committee prior to engaging PricewaterhouseCoopers.

In recommending PricewaterhouseCoopers as the fund's independent registered public accounting firm, the Audit and Compliance Committee has considered the compensation provided to PricewaterhouseCoopers for audit and non-audit services to the Adviser and Adviser Affiliates and has determined that such compensation is not incompatible with maintaining PricewaterhouseCoopers' independence. The aggregate amount of non-audit fees paid by the fund, the Adviser and Adviser Affiliates that provide services to the fund, which includes amounts described above, were 878,892 and 1,662,523 for the fiscal years ended December 31, 2006 and 2007, respectively. All such non-audit services were pre-approved in accordance with the fund's policy.

Other Nominees

The fund has received written notice from a shareholder stating an intention to nominate a slate of two individuals for election as Trustees at the meeting. As set forth above, the Board of Trustees has nominated Mr. Carlin and Mr. Cunningham to stand for re-election as Trustees.

There can be no assurance as to whether the shareholder will prepare and mail its own proxy materials to solicit your vote in favor of its nominees. On January 31, 2008, the shareholder filed preliminary proxy materials with the SEC.

The Governance Committee of the Board of Trustees reviewed the notice and information about the two persons presented by the the shareholder in its written notice consistent with the provisions of the Governance Committee Charter and unanimously determined not to recommend to the Board of Trustees that those persons be nominated for election as Trustees at the meeting. The Board of Trustees subsequently reviewed the notice, received the recommendation of the Governance Committee with respect to the shareholder's nominees and unanimously determined not to nominate those persons for election as Trustees at the meeting.

Recommendation

For the reasons set forth above, the Trustees of your fund unanimously recommend that shareholders vote FOR each of Mr. Carlin and Mr. Cunningham on the enclosed GOLD proxy card.

PROPOSAL TWO**Eliminating the Fund's Financial Services Corporations Concentration Policy
(Common Shares and Preferred Shares of the Fund)****General**

The fund currently concentrates (i.e., invests at least 25% of its net assets) in securities issued by U.S. corporations in the financial services sector. Fund management proposes that this concentration policy be eliminated, which, in the Adviser's view, would increase the fund's investment flexibility. Management believes that this proposed change will not affect the fund's investment objective of providing a high level of after-tax total return from dividend income and capital appreciation.

Fund management believes, and the Board agrees, that the elimination of the financial sector concentration policy will benefit the fund and its shareholders. Elimination of this requirement will give the fund's portfolio management team additional flexibility to buy and sell securities for the fund that the team feels will benefit the fund, rather than to meet minimum thresholds. The Adviser maintains that this restriction inhibits the team's ability to pursue investment opportunities with strong yield potential in more favorable sectors. The Adviser believes that the recommended change will provide an opportunity to enhance the yield and overall performance of the fund. To the extent that the fund's distribution rate and investment performance improve, market demand for the fund's Common shares may increase, which may help reduce the trading discount in these shares.

By eliminating the concentration policy with respect to investing in financial services corporations, the fund would reduce its exposure to this market sector, thereby reducing its risk of loss attributable to a general decline in the value of securities issued by these corporations. Conversely, the fund would also reduce its ability to gain from a general increase in the value of such securities.

In arriving at these conclusions, the Board considered information from fund management, as well as a memorandum from the Adviser.

Proposal Two

To eliminate the fund's policy of investing at least 25% of its net assets in securities issued by financial services corporations.

Vote Required for Proposal Two

Under Section 8(b) of the 1940 Act, any change to a fundamental policy of the fund must be approved by the fund's shareholders. Accordingly, the elimination of the fund's concentration policy with respect to investment in securities issued by financial services corporations requires the approval of a majority of the fund's outstanding voting securities, which, as used in the proxy statement, means the approval by the lesser of: (1) 67% or more of the fund's Common and Preferred shares (voting together) represented at a meeting if more than 50% of the fund's outstanding shares are present in person or by proxy at that meeting; or (2) more than 50% of the fund's outstanding shares.

The fund's current financial services concentration policy is combined with the fund's U.S. utilities corporations concentration policy (addressed in Proposal Three), and is stated as follows:

The fund intends to concentrate its investments in securities issued by U.S. corporations in the related groups of industries comprising each of the utilities sector and the financial services sector and will be subject to certain risks due to such emphasis.

If shareholders approve both Proposal Two and Proposal Three, the fund's overall industry concentration policy will be revised as follows:

The fund intends to concentrate its investments in securities issued by corporations in the related group of industries comprising the utilities sector and will be subject to certain risks due to such emphasis.

If shareholders approve Proposal Two but not Proposal Three, the fund's concentration policy will be revised as follows:

The fund intends to concentrate its investments in securities issued by U.S. corporations in the related groups of industries comprising the utilities sector and will be subject to certain risks due to such emphasis.

If shareholders do not approve Proposal Two but approve Proposal Three, the fund's concentration policy will be revised as follows:

The fund intends to concentrate its investments in securities issued by corporations in the related groups of industries comprising each of the utilities sector (all corporations) and the financial services sector (U.S. corporations only) and will be subject to certain risks due to such emphasis.

If shareholders approve neither Proposal Two nor Proposal Three, the fund's overall industry concentration policy will remain the same.

PROPOSAL THREE

Modify the Fund's Utilities Sector Concentration Policy to Permit Investment in Foreign Corporations (Common Shares and Preferred Shares of the Fund)

General

The fund currently concentrates its investments in securities issued by U.S. corporations in the utilities sector. Fund management proposes that this concentration policy be revised to remove the reference to U.S., thereby permitting the fund to satisfy the policy by investing in both U.S. and foreign utilities corporations, rather than only U.S. corporations. In the Adviser's view, this would increase the fund's investment flexibility.

Although modifying the utilities sector concentration policy as proposed would permit greater investment in foreign utilities corporations, the fund would not be required to do so. Investment in foreign securities is subject to particular risk factors, including the following:

Less information about non-U.S. issuers or markets may be available due to less rigorous disclosure, accounting standards or regulatory practices;

Many non-U.S. markets are smaller, less liquid and more volatile, and in a changing market, the Adviser may not be able to sell the fund's portfolio securities at times, in amounts and at prices it considers reasonable;

Currency exchange rates or controls may adversely affect the value of the fund's investments

The economies of non-U.S. countries may grow at slower rates than expected or may experience a downturn or recession;

Economic, political and social developments may adversely affect foreign securities markets; and

Withholdings and other non-U.S. taxes may decrease the fund's returns.

To the extent that the fund increases its investment in foreign utilities corporations, the fund would benefit from a general increase in the value of securities issued by these companies. Conversely, greater investment in foreign utilities could cause the fund to incur greater losses during periods of declining values in the securities issued by these companies than would be the case if the current utilities sector concentration policy remained limited to U.S. corporations.

Fund management believes, and the Board agrees, that the proposed modification of the utilities sector concentration policy will benefit the fund and its shareholders. Management believes that this proposed change will not affect the fund's investment objective of providing a high level of after-tax total return from dividend income and capital appreciation. Under the fund's current policy, investments in foreign securities do not count toward the fund's required minimum concentration in utilities corporations. The Adviser maintains that this restriction inhibits the team's ability to pursue investment opportunities with strong yield potential in more favorable foreign markets. In the Adviser's view, removing the reference to U.S. corporations will give the fund's portfolio management team additional flexibility, allowing foreign investments to qualify for the fund's concentration policy with respect to utilities.

In arriving at these conclusions, the Board considered information from fund management, as well as various written materials, including a memorandum from the Adviser.

Proposal Three

To modify the fund's concentration policy with respect to investing in the utilities sector by permitting the fund to invest in foreign corporations, as well as U.S. corporations.

13

Vote Required for Proposal Three

Under Section 8(b) of the 1940 Act, any change to a fundamental policy of the fund must be approved by the fund's shareholders. Accordingly, modifying the fund's concentration policy with respect to investment in securities issued by utilities corporations requires the approval of a majority of the fund's outstanding voting securities, which, as used in the proxy statement, means the approval by the lesser of: (1) 67% or more of the fund's Common and Preferred shares (voting together) represented at a meeting if more than 50% of the fund's outstanding shares are present in person or by proxy at that meeting; or (2) more than 50% of the fund's outstanding shares.

The fund's current U.S. utilities corporations concentration policy is combined with the fund's financial services corporations concentration policy (addressed in Proposal Two), and is stated as follows:

The fund intends to concentrate its investments in securities issued by U.S. corporations in the related groups of industries comprising each of the utilities sector and the financial services sector and will be subject to certain risks due to such emphasis.

The consequences if shareholders: (a) approve both Proposal Two and Proposal Three; (b) approve Proposal Two but not Proposal Three; (c) do not approve Proposal Two but approve Proposal Three; or (d) approve neither Proposal Two nor Proposal Three, are detailed above in the discussion of Proposal Two, under "Vote Required for Proposal Two."

MISCELLANEOUS

Proposal	Vote Required
One Election of Trustees	For the Common Share class, a plurality of all votes cast, assuming a quorum exists.* A plurality means that the two nominees up for election by the Common Shares receiving the greatest number of votes of the Common Shares will be elected as Trustees, regardless of the number of votes cast. Common Class votes separately on this proposal.
Two Elimination of Financial Services Concentration Policy	The lesser of: (1) 67% or more of the fund's Common and Preferred shares (voting together) represented at a meeting if more than 50% of the fund's outstanding shares are present in person or by proxy at that meeting; or (2) more than 50% of the fund's outstanding shares, assuming a quorum exists.* Common and Preferred Classes vote together on this proposal.
Three Revision of Utilities Concentration Policy	The lesser of: (1) 67% or more of the fund's Common and Preferred shares (voting together) represented at a meeting if more than 50% of the fund's outstanding shares are present in person or by proxy at that meeting; or (2) more than 50% of the fund's outstanding shares, assuming a quorum exists.* Common and Preferred Classes vote together on this proposal.

* In order for a quorum to exist, a majority of the shares outstanding and entitled to vote must be present at the meeting, either in person or by proxy, determined in accordance with the table below.

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

Proposal One is currently considered a routine matter on which brokers holding shares in street name may vote without instruction under the rules of the NYSE. If, however, the shareholder referenced on the first page of this proxy statement issues a proxy statement in connection with such shareholders' nomination of two trustees for election to the fund Board, Proposal One will not be considered routine. For Proposals Two and Three (which are non-routine proposals), brokers that are member organizations of the NYSE may vote Preferred Shares for which they have not received instructions in proportion to the shares for which they have received instructions. Proportionate voting of Preferred Shares may occur on a non-routine proposal only if: (i) at least 30% of the Preferred Shares of the fund outstanding and entitled to vote have been voted; (ii) less than 10% of such Preferred Shares voted against the proposal; (iii) the shareholders of the Common Shares of the fund have approved the proposal (except with respect to plurality votes); and (iv) a majority of the Independent Trustees have approved the proposal.

14

The following table summarizes how the quorum and voting requirements are determined.

Shares	Quorum	Voting
In General	All shares present in person or by proxy are counted in determining whether a quorum exists.	Shares present in person will be voted in person by the shareholder at the meeting. Shares present by proxy will be voted by the proxyholder in accordance with instructions specified in the proxy.
Broker Non-Vote	Considered present at meeting.	Not voted. Same effect as a vote against a proposal.
Proxy with No Voting Instruction (other than Broker Non-Vote)	Considered present for determining whether a quorum exists.	Will be voted for the proposal by the proxyholder.
Vote to Abstain	Considered present for determining whether a quorum exists.	Same effect as a vote against a proposal.
Proportionately Voted preferred shares with No Voting Instruction	Considered present for determining whether a quorum exists.	Voted in proportion to preferred shares for which the broker received instructions.

If a quorum is not present, the persons named as proxies may vote their proxies to adjourn the meeting to a later date. If a quorum is present, but there are insufficient votes to approve any proposal, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation. Shareholder action may be taken on one or more proposals prior to such adjournment. Proxies instructing a vote for a proposal will be voted in favor of an adjournment with respect to that proposal and proxies instructing a vote against a proposal will be voted against an adjournment with respect to that proposal.

Expenses and Methods of Solicitation

The costs of the meeting, including the solicitation of proxies, will be paid by the fund, except that the Adviser is bearing costs related to the inclusion of proposals Two and Three in this proxy statement. Persons holding shares as nominees will be reimbursed by the fund, upon request,

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

for their reasonable expenses in sending soliciting material to the principals of the accounts. In addition to the solicitation of proxies by mail, Trustees, officers and employees of the fund or of the Adviser may solicit proxies in person or by telephone. John Hancock Advisers, LLC, 601 Congress Street, Boston, Massachusetts 02210-2805, serves as the fund's investment adviser and administrator. The Altman Group, Inc. has been retained to assist in the solicitation of proxies at a cost of up to approximately \$230,000 plus reasonable expenses. The proxy solicitor expects to employ approximately 25 people to solicit the fund's shareholders.

Telephone and Internet Voting

If you hold your shares in a brokerage or bank account, your broker or bank may allow you to provide your voting instructions by telephone or Internet. Please consult the GOLD proxy card and the materials you receive from your broker or bank to vote by telephone or Internet.

Other Matters

The management of the fund knows of no business to be brought before the annual meeting except as mentioned above. ATTACHMENT 1

JOHN HANCOCK FUNDS AUDIT AND COMPLIANCE COMMITTEE CHARTER

A. *Membership.* The Audit and Compliance Committee shall be composed exclusively of Trustees who are not interested persons as defined in the Investment Company Act of 1940 of any of the funds, or of any fund's investment adviser or principal underwriter (the Independent Trustees) and who satisfy the independence and financial literacy requirements in this charter. The Audit and Compliance Committee shall be composed of at least three Independent Trustees who are designated for membership from time to time by the Board of Trustees. In selecting Independent Trustees to serve on the Audit and Compliance Committee, the Board should select members who are free of any relationship that, in the opinion of the Board, may interfere or give the appearance of interfering with such member's individual exercise of independent judgment. Unless otherwise determined by the Board, no member of the Audit and Compliance Committee may serve on the audit committee of more than two other public companies (other than another John Hancock Fund). Except as otherwise permitted by the applicable rules of the New York Stock Exchange, each member of the Audit and Compliance Committee shall be independent as defined by such rules and Rule 10A-3(b)(1) of the

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

Exchange Act. Each member of the Audit and Compliance Committee must be financially literate, as such qualification is interpreted by the Board of Trustees in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit and Compliance Committee. At least one member of the Audit and Compliance Committee must have accounting or related financial management expertise, as the Board of Trustees interprets such qualification in its business judgment.

B. *Overview.* The Audit and Compliance Committee's purpose is to:

1. assist the Board of Trustees' oversight of (1) the integrity of the funds' financial statements, (2) the funds' compliance with legal and regulatory requirements (except to the extent such responsibility is delegated to another committee), (3) the independent auditor's qualifications and independence and (4) the performance of the funds' internal audit function and independent auditors;
2. act as a liaison between the funds' independent accountants and the Board of Trustees;
3. prepare an Audit and Compliance Committee Report as required by the Securities and Exchange Commission (the SEC) to the extent required to be included in the funds' annual proxy statement or other filings;

The Audit and Compliance Committee shall discharge its responsibilities and shall access the information provided by the funds' management and independent auditors, in accordance with its business judgment. Management is responsible for the preparation of the fund's financial statements and the independent auditors are responsible for auditing those financial statements. The Audit and Compliance Committee and the Board of Trustees recognize that management (including the internal audit staff) and the independent auditors have more experience, expertise, resources and time, and more detailed knowledge and information regarding a fund's accounting, auditing, internal control and financial reporting practices than the Audit and Compliance Committee does. Accordingly, the Audit and Compliance Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by a fund to its shareholders and others. The independent auditors are responsible for auditing the funds' annual financial statements. The authority and responsibilities set forth in this charter do not reflect or create any duty or obligation of the Audit and Compliance Committee to plan or conduct any audit, to determine or certify that any fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee any independent auditor's report.

C. *Oversight.* The independent auditors shall report directly to the Audit and Compliance Committee and the Audit and Compliance Committee shall be responsible for oversight of the work of the independent auditors, including resolution of any disagreements between any fund's management and the independent auditors regarding financial reporting. In connection with its oversight role, the Audit and Compliance Committee should also review with the independent auditors, from time to time as appropriate: significant risks and uncertainties with respect to the quality, accuracy or fairness of presentation of a fund's financial statements; recently disclosed problems with respect to the quality, accuracy or fairness of presentation of the financial statements of companies similarly situated to the funds and recommended actions which might be taken to prevent or mitigate the risk of problems at the funds arising from such matters; accounting for unusual transactions; adjustments arising from audits that could have a significant impact on the funds' financial reporting process; and any recent SEC comments on the funds' SEC reports, including, in particular, any compliance comments. The Audit and Compliance Committee should inquire

17

of the independent auditor concerning the quality, not just the acceptability, of the funds' accounting determinations and other judgmental areas and question whether management's choices of accounting principles are, as a whole, conservative, moderate or aggressive.

D. *Specific Responsibilities.* The Audit and Compliance Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. To oversee the funds' auditing and accounting process.
2. To approve and recommend to the Board of Trustees for its ratification and approval in accord with applicable law the selection, appointment and retention of an independent auditor for each fund prior to the engagement of such independent auditor and, at an appropriate time, its compensation. The Committee should meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit. The Committee should periodically consider whether, in order to assure continuing auditor independence, there should be regular rotation of the independent audit firm and obtain and review a copy of the most recent report on the independent auditor issued by the Public Company Accounting Oversight Board pursuant to Section 104 of the Sarbanes-Oxley Act.

3. To periodically review and evaluate the lead partner and other senior members of the independent auditor's team and confirm the regular rotation of the lead audit partner and reviewing partner as required by Section 203 of the Sarbanes-Oxley Act.
4. To confirm that the officers of the funds were not employed by the independent auditor, or if employed, did not participate in any capacity in the audit of the funds, in each case, during the one-audit-year period preceding the date of initiation of the audit, as required by Section 206 of the Sarbanes-Oxley Act.
5. To pre-approve all non-audit services provided by the independent auditor to the fund or to the fund's investment adviser and any entity controlling, controlled by or under common control with the investment adviser that provides ongoing services to the fund, if the engagement relates directly to the operations and financial reporting of the fund.
6. The Committee is authorized to delegate, to the extent permitted by law, pre-approval responsibilities to one or more members of the Committee who shall report to the Committee regarding approved services at the Committee's next regularly scheduled meeting. The Committee is also authorized to adopt policies and procedures which govern the pre-approval of audit, audit-related, tax and other services provided by the independent accountants to the funds or to a service provider as referenced in Paragraph 5 provided, however, that any such policies and procedures are detailed as to particular services, the Audit and Compliance Committee is informed of each service, and any such policies and procedures do not include the delegation of the Audit and Compliance Committee's responsibilities under the Securities Exchange Act of 1934 or applicable rules or listing requirements.
7. To monitor the independent auditor of each fund throughout the engagement to attempt to identify: conflicts of interest between management and the independent auditor as a result of employment relationships; the provision of prohibited non-audit services to a fund by its independent auditor; violations of audit partner rotation requirements; and prohibited independent auditor compensation arrangements whereby individuals employed by the auditor are compensated based on selling non-audit services to the fund. The independent auditors should promptly contact the Audit and Compliance Committee or its Chair about any significant issue or disagreement concerning a fund's accounting practices or financial statements that is not resolved to their satisfaction or if Section 10A(b) of the Exchange Act has been implicated.
8. To meet with independent auditors, including private meetings as necessary, management's internal auditors and the funds' senior management (i) to review the arrangements for and scope of the annual audit and any special audits; (ii) to review the form and substance of the funds' financial statements and reports, including each fund's disclosures under Management's Discussion of Fund Performance and to discuss any matters of concern relating to the funds' financial statements, including any adjustments to such statements recommended by the independent accountants, or other results of an audit; (iii) to consider the independent accountants' comments with respect to the funds' financial policies, procedures and internal accounting controls and management's responses thereto; (iv) to review the resolution of any disagreements between the independent accountants and management regarding the funds' financial reporting; and (v) to review the form of opinion the independent accountants propose to render to the Board and shareholders. The Audit and Compliance Committee should request from the independent auditors a frank assessment of management.

18

9. With respect to any listed fund, to consider whether it will recommend to the Board of Trustees that the audited financial statements be included in a fund's annual report. The Board delegates to the Audit and Compliance Committee the authority to release the funds' financial statements for publication in the annual and semi-annual report, subject to the Board's right to review and ratify such financial statements following publication. With respect to each fund, to review and discuss with each fund's management and independent auditor the funds' audited financial statements and the matters about which Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU §380) requires discussion. The Audit and Compliance Committee shall prepare an annual committee report for inclusion where necessary in the proxy statement of a fund relating to its annual meeting of security holders or in any other filing required by the SEC's rules.
10. To receive and consider reports on the audit functions of the independent auditors and the extent and quality of their auditing programs.
11. To assist the Board of Trustees in monitoring the Office of the Chief Compliance Officer (the "CCO") by:

Reviewing, no less frequently than annually, the CCO's report on the operation of the compliance programs of the funds and compliance programs of the funds' adviser, sub-advisers, principal underwriter, administrator and transfer agent (collectively, "service providers").

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

Reviewing matters relating to the compliance programs of the funds and the compliance programs of their service providers and compliance matters relating to the funds and their service providers as may be presented to the Committee by the CCO.

F. *Additional Responsibilities.* The Committee shall serve as the qualified legal compliance committee (as such term is defined in 17 CFR Part 205) (QLCC), the duties of which are listed on *Exhibit B* to this charter, shall also perform other tasks assigned to it from time to time by the Board of Trustees and will report findings and recommendations to the Board of Trustees, as appropriate.

G. *Funding.* Each fund shall provide for appropriate funding, as determined by the Audit and Compliance Committee, in its capacity as a committee of the Board of Trustees, for payment of:

2. Compensation to any counsel, advisers, experts or consultants engaged by the Audit and Compliance Committee under Paragraph J of this charter.
3. Ordinary administrative expenses of the Audit and Compliance Committee that are necessary or appropriate in carrying out its duties.

H. *Governance.* One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, presiding over meetings and making reports to the Board of Trustees, as appropriate. The designation of a person as an audit committee financial expert, within the meaning of the rules under Section 407 of the Sarbanes-Oxley Act of 2002, shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor shall it decrease the duties and obligations of other Committee members or the Board of Trustees. Any additional compensation of Audit and Compliance Committee members shall be as determined by the Board of Trustees. No member of the Audit and Compliance Committee may receive, directly or indirectly, any consulting, advisory or other compensatory fee from a fund, other than fees paid in his or her capacity as a member of the Board of Trustees or a committee of the Board of Trustees. The members of the Audit and Compliance Committee should confirm that the minutes of the Audit and Compliance Committee's meetings accurately describe the issues considered by the Committee, the process the Committee used to discuss and evaluate such issues and the Committee's final determination of how to proceed. The minutes should document the Committee's consideration of issues in a manner that demonstrates that the Committee acted with due care.

The Committee shall have direct access to such officers of and service providers to the funds as it deems desirable.

K. *Review.* The Committee shall review this charter at least annually and shall recommend such changes to the Board of Trustees as it deems desirable.

EXHIBIT A

Policy for Raising and Investigating Complaints or Concerns About Accounting or Auditing Matters

As contemplated by the Audit and Compliance Committee Charter, the Committee has established the following procedures for:

the receipt, retention and treatment of complaints received by a fund regarding accounting, internal accounting controls or auditing matters;
and

the confidential, anonymous submission by employees of the investment adviser, administrator, principal underwriter or any other provider of accounting-related services for a listed fund, as well as employees of the fund (covered persons) of concerns regarding questionable accounting or auditing matters.

A. Policy Objectives

The objective of this policy is to provide a mechanism by which complaints and concerns regarding accounting, internal accounting controls or auditing matters may be raised and addressed without the fear or threat of retaliation. The funds desire and expect that covered persons will report any complaints or concerns they may have regarding accounting, internal accounting controls or auditing matters.

B. Procedures for Raising Complaints and Concerns

The funds' Secretary shall be responsible for communicating these procedures to covered persons. Covered persons with complaints regarding accounting, internal accounting controls or auditing matters or concerns regarding questionable accounting or auditing matters may submit such complaints or concerns to the attention of the funds' Secretary by sending a letter or other writing to the funds' principal executive offices. Complaints and concerns may be made anonymously. Alternatively, any complaints or concerns may also be communicated anonymously directly to any member of the Audit and Compliance Committee.

C. Procedures for Investigating and Resolving Complaints and Concerns

If any complaints or concerns regarding internal accounting controls or auditing matters that could affect the funds are received through the Ethics Line or any other similar facility maintained by John Hancock Financial Services, they shall be communicated promptly to the funds' Secretary and shall be reported by the funds' Secretary to the Audit and Compliance Committee, promptly or quarterly according to the guidelines set forth below.

The funds' Secretary shall report to the Audit and Compliance Committee as to whether those responsible for the Ethics Line or similar facility have a procedure in place to communicate promptly any such complaints or concerns to the funds' Secretary and whether any such communication would violate the terms thereof.

All complaints and concerns received will be promptly forwarded to the Audit and Compliance Committee or the chair of the Audit and Compliance Committee, unless they are determined to be without merit by Secretary of the funds. If sent only to the chair, the chair may determine the appropriate response or may refer the issues to the entire Audit and Compliance Committee. In any event, the funds' Secretary will provide a record of all complaints and concerns received (whether or not determined to have merit) to the Audit and Compliance Committee quarterly.

The Audit and Compliance Committee will evaluate any complaints or concerns received (including those reported to the committee on a quarterly basis and which the funds' Secretary has previously determined to be without merit). If the Audit and Compliance Committee requires additional information to evaluate any complaint or concern, it may conduct an investigation, including interviews of persons believed to have relevant information. The Audit and Compliance Committee may, in its discretion, assume responsibility for directing or conducting any investigation or may delegate such responsibility to another person or entity.

After its evaluation of the complaint or concern, the Audit and Compliance Committee will authorize such follow-up actions, if any, as deemed necessary and appropriate to address the substance of the complaint or concern. The funds reserve the right to take whatever action the Audit and Compliance Committee believes appropriate, up to and including discharge of any employee deemed to have engaged in improper conduct.

Regardless of whether a complaint or concern is submitted anonymously, the Audit and Compliance Committee will strive to keep all complaints and concerns and the identity of those who submit them and participate in any investigation as confidential as possible, limiting disclosure to those with a business need to know or as required by law or recommended by legal counsel.

No covered person shall penalize or retaliate against any other covered person for reporting a complaint or concern, unless it is determined that the complaint or concern was made with knowledge that it was false. The funds will not tolerate retaliation against any covered person for submitting, or for cooperating in the investigation of, a complaint or concern. Moreover, any such retaliation is unlawful and may result in criminal action. Any retaliation will warrant disciplinary action against the offending party, up to and including termination of employment.

John Hancock Advisers, LLC shall include this policy in its employee manual and shall distribute, at least annually, the policy to all of its employees.

The funds' Secretary shall retain records of all complaints and concerns received, and the disposition thereof, for five years.

D. Notification of Others

At any time during an evaluation or investigation of a complaint or concern, the chair of the Audit and Compliance Committee may notify the funds' CCO, the QLCC or any other party with a need to know of the receipt of a complaint or concern and/or the progress or results of any review and/or investigation of a complaint or concern. The chair of the Audit and Compliance Committee may provide such level of detail as may be necessary to allow the appropriate consideration by such parties in light of the funds' ongoing obligations, including, but not limited to, disclosure obligations or any required officer certifications.

EXHIBIT B QUALIFIED LEGAL COMPLIANCE COMMITTEE (QLCC) DUTIES AND RESPONSIBILITIES

The QLCC shall adopt written procedures for the confidential receipt, retention and consideration of any report of evidence of a material violation.

The QLCC has the authority and responsibility, once a report of evidence of a material violation by a fund, its officers, directors, employees or agents has been received by the QLCC:

1. to inform the CLO and CEO of such report (except in the case where the reporting attorney reasonably believes that it would be futile to report evidence of a material violation to the CLO and CEO and has informed the QLCC of such belief); and
2. to determine whether an investigation is necessary or appropriate and, if it determines an investigation is necessary or appropriate, to:
 - (A) notify the Board of Trustees;
 - (B) notify the funds' CCO;
 - (C) initiate an investigation, which may be conducted either by the CLO or by outside attorneys; and
 - (D) retain such additional expert personnel as the QLCC deems necessary;

and, at the conclusion of such investigation, to:

- (A) recommend, by majority vote, that the fund implement an appropriate response to evidence of a material violation; and
- (B) inform the CLO, CEO the funds' CCO and the Board of Trustees of the results of any such investigation and the appropriate remedial measures.
3. by majority vote, to take all other appropriate action, including notifying the U.S. Securities and Exchange Commission in the event that the fund fails in any material respect to implement an appropriate response that the QLCC has recommended.

Edgar Filing: JOHN HANCOCK TAX-ADVANTAGED DIVIDEND INCOME FUND - Form DEF 14A

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit and Compliance Committee has reviewed and discussed with the Funds' management and PricewaterhouseCoopers the audited financial statements of the Funds contained in the Annual Report on Form N-CSR for the 2007 fiscal year. The Audit and Compliance Committee has also discussed with PricewaterhouseCoopers the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other items, matters related to the conduct of the audit of the Funds' financial statements.

The Audit and Compliance Committee has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit and Compliance Committees) and has discussed with PricewaterhouseCoopers its independence from the Funds.

Based on the review and discussions referred to above, the Audit and Compliance Committee recommended to the Board of Trustees that the audited financial statements be included in each Funds' Annual Report on Form N-CSR for filing with the Securities and Exchange Commission.

JOHN HANCOCK FUNDS GOVERNANCE COMMITTEE CHARTER

A. Composition. The Governance Committee shall be composed entirely of Trustees who are independent as defined in the rules of the New York Stock Exchange (NYSE) and the NASDAQ Stock Market, Inc. (NASDAQ) or any other exchange, as applicable, and are not interested persons as defined in the Investment Company Act of 1940 of any of the funds, or of any fund's investment adviser or principal underwriter (the Independent Trustees) who are designated for membership from time to time by the Board of Trustees. The Chairman of the Board shall be a member of the Governance Committee.

B. Overview. The overall charter of the Governance Committee is to make recommendations to the Board on issues related to corporate governance applicable to the Independent Trustees and to the composition and operation of the Board, and to assume duties, responsibilities and functions to recommend nominees to the Board, together with such additional duties, responsibilities and functions as are delegated to it from time to time.

C. Specific Responsibilities. The Governance Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. Except where the funds are legally required to nominate individuals recommended by others, to recommend to the Board of Trustees individuals for nomination to serve as Trustees.
2. To consider, as it deems necessary or appropriate, the criteria for persons to fill existing or newly created Trustee vacancies. The Governance Committee shall use the criteria and principles set forth in Annex A to guide its Trustee selection process.
3. To consider and recommend the amount of compensation to be paid by the funds to the Independent Trustees, including incremental amounts, if any, payable to Committee Chairmen, and to address compensation-related matters.
4. To consider and recommend the duties and compensation of the Chairman of the Board.
5. To consider and recommend changes to the Board regarding the size, structure and composition of the Board.

6. To evaluate, from time to time, the retirement policies for the Independent Trustees.
7. To develop and recommend to the Board guidelines for corporate governance (Corporate Governance Guidelines) for the funds that take into account the rules of the NYSE and any applicable law or regulation, and to periodically review and assess the Corporate Governance Guidelines and recommend any proposed changes to the Board for approval.
8. To monitor all expenditures of the Board or the Committees or the Independent Trustees not otherwise incurred and/or monitored by a particular Committee, including, but not limited to: legal, consulting and D&O insurance costs; association dues, including Investment Company Institute membership dues; meeting expenditures and policies relating to reimbursement of travel expenses and expenses associated with offsite meetings; expenses associated with Trustee attendance at educational or informational conferences; and publication expenses.
9. To consider, evaluate and make recommendations and necessary findings regarding independent legal counsel and any other advisers, experts or consultants, that may be engaged by the Board of Trustees, by the Trustees who are not interested persons as defined in the Investment Company Act of 1940 of any of the funds or any fund's investment adviser or principal underwriter, or by the Governance Committee, from time to time, other than as may be engaged directly by another committee.
10. To periodically review the Board's committee structure and the charters of the Board's committees, and recommend to the Board of Trustees changes to the committee structure and charters as it deems appropriate.
11. To coordinate and administer an annual self-evaluation of the Board, which will include, at a minimum, a review of its effectiveness in overseeing the number of funds in the fund complex and the effectiveness of its committee structure.
12. To report its activities to Board of Trustees and to make such recommendations with respect to the matters described above and other matters as the Governance Committee may deem necessary or appropriate.

D. *Additional Responsibilities.* The Committee will also perform other tasks assigned to it from time to time by the Chairman of the Board or by the Board of Trustees, and will report findings and recommendations to the Board of Trustees, as appropriate.

E. *Governance.* One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, and making reports to the Board of Trustees, as appropriate.

F. *Miscellaneous.* The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the funds' expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the funds as it deems desirable.

G. *Review.* The Committee shall review this Charter periodically and recommend such changes to the Board of Trustees as it deems desirable.

ANNEX A

General Criteria

1. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards.

2. Nominees should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the funds and should be willing and able to contribute positively to the decision-making process of the funds.
3. Nominees should have a commitment to understand the funds, and the responsibilities of a trustee/director of an investment company and to regularly attend and participate in meetings of the Board and its committees.
4. Nominees should have the ability to understand the sometimes conflicting interests of the various constituencies of the funds, including shareholders and the management company, and to act in the interests of all shareholders.
5. Nominees should not have, nor appear to have, a conflict of interest that would impair their ability to represent the interests of all the shareholders and to fulfill the responsibilities of a director/trustee.

Application of Criteria to Existing Trustees

The renomination of existing Trustees should not be viewed as automatic, but should be based on continuing qualification under the criteria set forth above. In addition, the Governance Committee shall consider the existing Trustee's performance on the Board and any committee.

Review of Shareholder Nominations

Any shareholder nomination must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934 in order to be considered by the Governance Committee. In evaluating a nominee recommended by a shareholder, the Governance Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of its designated nominees, the candidate's name will be placed on the funds' proxy card. If the Board determines not to include such candidate among its designated nominees, and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the funds' proxy statement.

As long as an existing Independent Trustee continues, in the opinion of the Governance Committee, to satisfy the criteria listed above, the Committee generally would favor the re-nomination of an existing Trustee rather than a new candidate. Consequently, while the Governance Committee will consider nominees recommended by shareholders to serve as trustees, the Governance Committee may only act upon such recommendations if there is a vacancy on the Board, or the Governance Committee determines that the selection of a new or additional Trustee is in the best interests of the fund. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Governance Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Governance Committee. The Governance Committee may retain a consultant to assist the Committee in a search for a qualified candidate.
