Item 2. Acquisition or Disposition of Assets.

On December 6, 2002, Koger Equity, Inc. (the "Company") acquired The Lakes on Post Oak (the "Property") in Houston, Texas for approximately \$102 million. The Property is comprised of three office buildings adjacent to the Galleria Mall, which contain approximately 1.2 million square feet of rentable space. The funds required for this acquisition were drawn from a \$77 million mortgage secured by the Property and from the Company's secured revolving credit facility. The

Edgar Filing: KOGER EQUITY INC - Form 8-K

Property was acquired from 4849 Greenville I, Ltd. and West Oak/Nissei Associates, unrelated third parties.

The Company considered various factors in determining the price to be paid for this acquisition. Factors considered included the nature of the tenants and terms of leases in place, opportunities for alternative and new tenancies, historical and expected cash flows, occupancy rates, current operating costs on the Property and anticipated changes therein under Company ownership, the physical condition and location of the Property, the need for capital improvements, the anticipated effect on the Company's financial results, and other factors. The Company took into consideration capitalization rates at which it believed other comparable properties had recently sold. However, the Company determined the price it was willing to pay primarily on the factors discussed above relating to the Property itself and its fit into the Company's existing operations. No separate independent appraisal was obtained in connection with this acquisition. The Company, after investigation, is not aware of any material factors, other than those discussed above, that would cause the financial information reported not to be necessarily indicative of future operating results. The Company intends to lease office space in the Property to tenants as it does the other office buildings contained in its portfolio. The Property will be managed by a third party management company.
