Edgar Filing: INTERDIGITAL COMMUNICATIONS CORP - Form 8-K

On July 13, 2005, the U.S. District Judge presiding over the confirmation proceeding initiated by InterDigital Communications Corporation and InterDigital Technology Corporation (collectively "InterDigital") in the U.S. District Court for the Southern District of New York on July 1, 2005 with respect to the Nokia arbitration award entered a scheduling order ("Order") in the proceeding. The Order was entered pursuant to a joint stipulation of the parties. Under the Order, any opposition by Nokia to InterDigital's petition for an order confirming the arbitration award and any petition and motion by Nokia to vacate the arbitration award must be filed and served on InterDigital by August 1, 2005. Nokia has informed InterDigital that it will oppose the arbitration award, including filing a motion to vacate the award and possibly filing a motion to stay the award. InterDigital believes Nokia's planned actions are without merit and intends to continue to vigorously pursue enforcement of the award.
