**Item 8.01 Other Events**

***Delay in Filing of Form 10-K and Open Accounting Matters***

On May 26, 2006, we filed a Form NT 10 with the Securities and Exchange Commission (the Commission) indicating that we would not file our Annual Report on Form 10-K for the fiscal year ended February 28, 2006 by the due date of May 26, 2006, but anticipated completing such filing not later than the statutory extension date of June 13, 2006. For the reasons explained further below, we have not yet finalized our financial statements for the fiscal year ended February 28, 2006 and our independent auditors, BDO Seidman, LLP have not yet completed their audit of those financial statements. We are working diligently to complete the Form 10-K and we now anticipate filing the Form 10-K not later than June 30, 2006.

In connection with the preparation of our financial statements for the year ended February 28, 2006, we are reviewing our accounting treatment for certain items related to the merger of a wholly owned subsidiary of the Registrant, formerly known as Cenuco, Inc. (Cenuco), with and into Hermes Acquisition Company I LLC (HACI), which for accounting purposes was treated as a reverse acquisition by HACI of Cenuco. In this respect, we are examining (i) whether it is appropriate to consider a merger date fair market value for Cenuco that is different from the traded market value of Cenuco stock at the time, and (ii) the allocation of the purchase price under the reverse acquisition to the fair market value of the assets acquired and the liabilities assumed. Depending upon the outcome of the above considerations, we are also continuing to examine whether it is appropriate to record an impairment charge related to the goodwill established in the Cenuco merger.

Because this analysis is not yet complete, we are unable to present our results of operations for the period ended February 28, 2006, or the balance sheet as of such date. In addition, we are unable, pending the results of this analysis, to estimate the full effect of these possible adjustments, but we believe that any impairment and/or reduction in valuation of the assets acquired will be in the region of \$14.5 million.

We anticipate completing our analysis of these matters, and filing our Annual Report on Form 10-K for the fiscal year ended February 28, 2006, not later than June 30, 2006.
