GENERAL

This Information Statement is being furnished to the stockholders of Techlabs, Inc., a Florida corporation (the "Company") in connection with the adoption of an Amendment to our Articles of Incorporation by written consent of our Board of Directors and the holders of a majority of our issued and outstanding voting securities in lieu of a special meeting. On June 25, 2007 our Board of Directors approved an amendment to our Articles of Incorporation to increase our authorized common stock to 100,000,000,000 shares, par value \$.001 (the "Amendment"). This action will become effective on the date of filing the Amendment with the Florida Secretary of State (the "Effective Date of the Amendment") in accordance with the written consent of our directors and the holders of a majority of our issued and outstanding common stock and in accordance with the relevant sections of the Florida Business Corporation Act.

Our voting securities are comprised of our common stock, our Class A Special Preferred Stock and our Class C Preferred Stock. The holders of our shares of common stock are entitled to one vote for each outstanding share on all matters submitted to our shareholders. The holders of our Class A Special Preferred Stock are also entitled to vote on matters submitted to our shareholders, with three (3) votes for each share of our Class A Special Preferred Stock held by such shareholder. The holders of our Class C Preferred Stock are also entitled to vote on matters submitted to our shareholders, with one hundred fifty (150) votes for each share of our Class C Preferred Stock held by such shareholder. As of June 25, 2007 there were 189,754,640 shares of our common stock issued and outstanding, 12,500,000 shares of our Special Class A Preferred Stock issued and outstanding, and 132,000 of our Class C Preferred Stock. On June 25, 2007, Yucatan Holding Company, which owns in the aggregate 142,425,300 shares of common stock, 8,330,000 shares of Class A Special Preferred Stock and 132,000 shares of Class C Preferred Stock, representing approximately 75.8% of our outstanding voting securities, approved these actions by written consent. Jayme Dorrough, our sole officer and director, is the sole officer, director and beneficial owner of Yucatan Holding Company.

The increase in the number of authorized shares will not change the number of currently outstanding shares of common stock or the percentage of the Company's common stock that you now own. Only the issuance of additional shares will affect your percentage of ownership. Issuance of additional shares may have the effect of diluting book value per share as well as your percentage of ownership. As of the date of this Information Statement, we have not taken any action and do not have any commitments to issue any of the additional authorized shares.

3

As described hereafter, it is hoped that these actions will enable the Company to respond more quickly to any merger or acquisition opportunities that may become available to us. Our Board believes this Amendment may make our Company more attractive to possible acquisition candidates. We cannot assure you, however, that this Amendment will result in our effecting a merger or acquisition or otherwise make our Company more attractive to acquisition candidates or potential investors.

The elimination of the need for a meeting of stockholders to approve this action is made possible by Section 607.0704 of the Florida Business Corporation Act, which provides that the written consent of the holders of outstanding shares of voting stock, having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a meeting. In order to eliminate the costs involved in holding a special

Edgar Filing: TECHLABS INC - Form PRE 14C

meeting, our Board of Directors voted to utilize the written consent of the holders of a majority in interest of our voting securities.

Pursuant to Section 607.0704 of the Florida Business Corporation Act, we are required to provide prompt notice of the taking of the corporate action without a meeting of stockholders to all stockholders who did not consent in writing to such action. This Information Statement serves as this notice. This Information Statement is first being mailed on or about August 1, 2007 to stockholders of record, and is being delivered to inform you of the corporate actions described herein before they take effect in accordance with Rule 14c-2 of the Securities Exchange Act of 1934.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of our voting securities held of record by them and we will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

THE AMENDMENT

On June 25, 2007, we had 189,754,640 shares of our common stock outstanding. Currently, there are 200,000,000 shares of common stock authorized. There are also 25,000,000 shares of Class A Special Preferred authorized, of which 12,500,000 shares are issued and outstanding; 10,000,000 shares Class B Preferred authorized, of which no shares are issued and outstanding; and 10,000,000 shares of Class C Preferred authorized, of which 92,000 shares are issued and outstanding.

We have realized, in the evaluation of various merger and acquisition candidates that, given our limited amount of cash, we would need additional authorized shares to complete a merger or acquisition utilizing our shares. Therefore, we decided to authorize additional shares at this time to position the Company to take quick advantage of opportunities that may arise and to avoid the delay and expense of authorizing additional shares at a later date in connection with an acquisition. This increase in authorized shares will empower our board of directors under certain circumstances to issue the additional shares without prior notice to our shareholders and without their approval.

The Amendment will not affect your stock ownership in any way. The issuance

Edgar Filing: TECHLABS INC - Form PRE 14C

of additional common stock, however, will decrease your percentage of ownership of the Company.
