ISSUANCE OF SECURITIES

Exchange of Common Stock For Preferred Stock.

On December 27, 2006, the Company entered into an Amendment and Exchange Agreement (as amended by Amendment No. 1 on December 29, 2006) (the Common Exchange Agreement) with Prencen Lending LLC (Prencen Lending) and Prencen, LLC (Prencen) pursuant to which Prencen (i) exchanged 2,000,000 shares of our Common Stock for 300 shares of our Series B Preferred Stock and (ii) exchanged 200,000 shares of our Common Stock for 30 shares of our Series B-1 Preferred Stock. The exchanges were made in reliance upon the exemption from registration provided by Section 3(a)(9) of the Securities Act of 1933, as amended. The consideration received by the Company in connection with the issuance of the

Series B Preferred Stock and Series B-1 Preferred Stock consisted of the waiver of certain registration delay payments required to be made by the Company under the prior registration rights agreement among the Company, Prencen and Prencen Lending. To the extent permitted to vote, each share of Series B Preferred Stock and Series B-1 Preferred Stock entitles the holder thereof to 6,666.66 votes per share on all matters to be voted on by the shareholders of the Company. Each share of Series B Preferred Stock and Series B-1 Preferred Stock is convertible only in connection with a Fundamental Transaction (as defined in the Certificate of Designations for each of the Series B Preferred Stock and Series B-1 Preferred Stock) into 6,666.66 shares of our Common Stock, subject to standard anti-dilution provisions, *provided, however*, that the holders of the Series B Preferred Stock and Series B-1 Preferred Stock may not convert any Series B Preferred Stock or Series B-1 Preferred Stock if and to the extent that, following such a conversion, such holder and any of its affiliates would collectively beneficially own more than 9.99 percent of the aggregate number of shares of our Common Stock outstanding following such conversion.

Amendment of Senior Secured Convertible Notes.

On December 30, 2006 the Company entered into an agreement (the Note Amendment Agreement) with Prencen Lending and Prencen, amending certain terms and conditions of the senior secured convertible notes (the Notes) in the principal amount of \$91 million sold by the Company to Prencen Lending on August 2, 2006 pursuant to a Second Amended and Restated Securities Purchase Agreement, dated June 30, 2006, as amended (the Securities Purchase Agreement).

As amended, the Notes (the Amended Notes) have a term of 10 years from the date of the Note Amendment Agreement (subject to certain put and call rights described below), extended from August 2, 2016 under the original Notes. The Amended Notes bear interest at the same rate (9 percent *per annum*) as the original Notes, provided that the interest rate on the Amended Note is subject to increase to up to 13 percent per annum upon the nonoccurrence of certain specified events. Such events include the failure to obtain by June 30, 2007, at a meeting of the Company's stockholders, if required, approval of an amendment to the Company's certificate of incorporation to increase the authorized Common Stock to a number of shares that is no less than such number that would permit the Company to reserve for issuance, as of December 30, 2006, 130 percent of the maximum number of Conversion Shares (as defined below), shares of Common Stock into which the Series B Preferred Stock and the Series B-1 Preferred Stock may be converted and shares of Common Stock that may be issued upon exercise of certain warrants held by Prencen and Prencen Lending. Upon the occurrence and during the continuance of an event of default under the Amended Notes or actions that would constitute an event of default under the Amended Notes following repayment of the senior secured indebtedness, the interest rate on the Amended Notes would increase to 15 percent. Events of default include, without limitation, failure of the registration statement required by the Registration Rights Agreement (as defined below) to be declared effective by the SEC on or prior to 60 days after the applicable effectiveness deadline, the suspension from trading of the Common Stock for a period of five consecutive trading days, the Company's failure to deliver shares of Common Stock within 10 business days after any conversion of the Amended Notes, the Company's failure to pay any amount of principal, interest or other amounts when and as due (or within three business days of the date due under certain circumstances), certain events occur with respect to the Company or its material subsidiaries under bankruptcy laws, a final judgment for the payment of money in excess of \$100,000 is rendered against the Company or any of its material subsidiaries under certain circumstances and material damage to the collateral that secures the indebtedness under the Amended Notes. In addition, as a consequence of the completion by the Company of its February 9, 2007 purchase of certain assets, including the *Calgon*® and *the healing garden*® brands, from Coty Inc. and certain of its affiliates (the Coty Transaction), the Company is required to defer and capitalize interest on the outstanding balance of the Amended Notes indefinitely.

Any portion of the balance due under the Amended Notes is convertible at any time, at the option of the holders(s), into our Common Stock (the Conversion Shares) at a price of \$0.42 per share (subject to certain anti-dilution adjustments), provided that the holders may not convert any amounts due under the Amended Notes if and to the extent that, following such a conversion, the holder and any affiliate would collectively beneficially own more than 9.99 percent of the aggregate number of shares of our Common Stock outstanding following such conversion. Prior to the amendment of the Notes, the conversion price was \$1.75 per share (subject to certain anti-dilution adjustments). The Company may require the exchange of up to \$40 million in principal amount of the Amended Notes, at a premium of 15 percent, payable in cash, if necessary to maintain the Company's stockholders' equity at the level required pursuant to the continued listing standards of the American Stock Exchange (the AMEX), on which our Common Stock is listed.

At any time after the eighth anniversary of the Note Amendment Agreement, the Company or any holder may redeem all or any portion of the balance outstanding under the Amended Notes at a premium of 7 percent. The Amended Notes are redeemable by the holder(s) at any time upon the occurrence of an event of default or a change in control of the Company (as defined in the Amended Notes), at premiums of no less than 25 and 20 percent, respectively. In addition, upon the consummation of an Acquisition, the Company may redeem up to \$10 million in principal amount of the Amended Notes at a premium of 15 percent, and up to an additional \$10 million in principal amount of the Amended Notes at a premium to be mutually agreed between the parties.

The Amended Notes rank as senior secured indebtedness of the Company, are secured by liens on all of the Company's and its subsidiaries' assets (other than Cenuco, Inc.) and are guaranteed by all of the Company's subsidiaries (other than Cenuco, Inc.). The Amended Notes were subject to a first priority lien on the Company's U.S. inventory and accounts receivable to secure a revolving credit facility of \$13 million that was terminated on February 9, 2007 in conjunction with the closing of the Coty Transaction.

In connection with the amendment to the Notes, Prencen Lending agreed to waive certain defaults arising under the Notes relating to the payment of accrued interest due December 31, 2006, waive compliance with certain financial covenants through the end of the Company's current fiscal year, and to defer until June 30, 2007 the requirement to file a registration statement with respect to the Conversion Shares. In addition, the parties agreed to defer until February 28, 2007 the date for determining the number of shares of our Common Stock that may be issued upon the exercise of the Series B Warrants held by Prencen Lending, and the exercise price of such Series B Warrants.

Registration Rights Agreement

In addition, on December 27, 2006, the Company entered into a Second Amended and Restated Registration Rights Agreement in favor of Prencen and Prencen Lending (which was subsequently further amended by the Common Exchange Agreement and further amended by the Note Amendment Agreement referred to above) (the "Registration Rights Agreement") to provide registration rights with respect to the Conversion Shares, the Series B Preferred Stock, the Series B-1 Preferred Stock and our Common Stock into which the Series B Preferred Stock and Series B-1 Preferred Stock may be converted. Under the Registration Rights Agreement, the Company is required to file a registration statement with respect to the registrable securities by June 30, 2007 (which date has been changed to September 30, 2007) and to use its best efforts to have such registration statement declared effective not later than 60 days thereafter (or 90 days after the filing deadline if the registration statement is subject to a review by the United States Securities and Exchange Commission ("SEC")). Holders of shares of our Common Stock that are issued in connection with conversion of either the Amended Notes or shares of the Series B Preferred Stock or the Series B-1 Preferred Stock shall have the right to sell such shares of Common Stock under the registration statement so long as it remains effective.

Reasons for Exchanges and Amendment

The exchanges and the amendment of the Notes were required by Prencen and Prencen Lending as a condition to their consent to the Company's purchase of certain assets in the Coty Transaction, and the financings related thereto, the waiver of certain defaults and events of default under the Notes and the waiver by Prencen Lending and Prencen of their rights to receive registration delay payments pursuant to the prior registration rights agreement. Absent the amendment of the Notes pursuant to the Note Amendment Agreement, on December 31, 2006, the Company would have been required to make an interest payment on the Notes in the amount of \$4,372,077. In addition, pursuant to the original registration rights agreement, the Company was required to file a registration statement with respect to all shares registrable thereunder by no later than October 2, 2006 and to cause such registration statement to be effective by no later than the earlier of 120 days after the filing date or 180 days after the issuance of the original Notes. As of the date of each of the Registration Rights Agreement and the Amendment Agreement, the required registration statement was neither filed nor effective. By December 30, 2006, the Company owed registration delay payments in the amount of \$5.46 million.

Effect of Exchange and Amendment on Stockholders

The Company does not anticipate that the exchange effected by the Common Exchange Agreement will have any material impact or effect on the rights of the Company's existing security holders. The amendments effected by the Note Amendment Agreement and the Amended Note may result in significantly greater dilution of the ownership of the Company's existing holders of our Common Stock in the event that Prencen Lending converts any portion of the Amended Notes. For example, as of the record date, on a fully diluted basis and without regard to the limitations on conversion of the Amended Notes described above, the number of conversion shares represented approximately 76 percent of the outstanding shares (on a fully diluted basis) before such amendments and approximately 93 percent of the outstanding shares (on a fully diluted basis) immediately following such amendment.

The above description does not purport to be a complete statement of the parties' rights and obligations under the Common Exchange Agreement, the Registration Rights Agreement, the Note Amendment Agreement and the Amended Notes and is qualified in its entirety by reference to (i) the Certificate of Designations for the Series B Preferred Stock, (ii) the Certificate of Designations for the Series B-1 Preferred Stock, (iii) the Common Exchange Agreement, (iv) the Registration Rights Agreement, (v) the Note Amendment Agreement and (vi) the Amended Notes, copies of which are attached to the Company's Current Report on Form 8-K filed on January 3, 2007 as Exhibits 3.1, 3.2, 4.4, 4.5, 4.3, 4.1 and 4.2, respectively, and which are attached hereto as Exhibits B through G, respectively.

Except for their status as the contractual documents between the parties with respect to the transactions described therein, none of the above-referenced agreements is intended to provide factual information about the parties and the representations and warranties contained in such documents are made only for purposes of the respective agreements and as of specific dates, are intended solely for the benefit of the parties to the respective agreements, and may be subject to limitations agreed by the parties, including being qualified by disclosures between the parties.

These representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the respective agreements instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the parties that differ from those applicable to investors. Accordingly, they should not be relied on by investors as statements of factual information.

Our Common Stock is listed on the AMEX and we are subject to the rules and requirements set forth in the AMEX Company Guide. Under Section 713(a) of the AMEX Company Guide, we were required to obtain prior stockholder approval of the issuance of securities in any private transaction involving (i) the issuance of shares of our Common Stock (or securities convertible into or exercisable for Common Stock) for less than the greater of book or market value of our Common Stock which together with sales by our officers, directors or principal shareholders equals 20% or more of our Common Stock outstanding before such issuance or (ii) the issuance of shares of our Common Stock (or securities convertible into or exercisable for Common Stock) equal to 20% or more of our Common Stock outstanding before the issuance for less than the greater of book or market value of our Common Stock. We sometimes refer to this rule as the "20% Rule". The securities to be issued in the Transaction may be issued at a discount to the market price of our Common Stock. The Conversion Shares and our Common Stock into which the Series B Preferred Stock and Series B-1 Preferred Stock may be converted would constitute more than 20% of the number of shares of our Common Stock outstanding. In addition, we obtained prior stockholder approval for the securities to be issued in the Transaction in the event that any other rule or requirement of the AMEX Company Guide would require such approval. We have obtained stockholder approval by written consent and the Written Consent will become effective on the twentieth (20th) day following the date on which this Information Statement is first sent or given to our stockholders, or as soon thereafter as is reasonably practicable. A copy of the form of Written Consent executed in connection with the stockholder approval is attached hereto as Exhibit A.

The Written Consent was signed by persons who, as of the execution date, collectively owned 86.7% of the Company's Series A Preferred Stock, namely Dana Holdings, LLC, MarNan, LLC, Franco S. Pettinato, Edward J. Doyle and Paul Taylor. Edward J. Doyle is a director of the Company, and Franco S. Pettinato is one of its executive officers. Dana Holdings, LLC is an affiliate of Joseph A. Falsetti, a director and executive officer of the Company. As of the date upon which the Written Consent was signed, each share of Series A Preferred Stock was entitled to 10,118.9046 votes, and, to the extent permitted to vote, each share of Series B Preferred Stock and each share of Series B-1 Preferred Stock was entitled to 6,666.66 votes, in each case, on most matters (including the approval of the Transaction), with the consequence that the persons signing the Written Consent collectively accounted for more than 50% of the aggregate votes entitled to be cast. (For further information, please refer to the Table of Beneficial Ownership, *infra*.) No payment was made to any person in consideration of their executing the Written Consent.

Prencen and Prencen Lending have acknowledged and agreed that the Conversion Shares and our Common Stock into which the Series B Preferred Stock and Series B-1 Preferred Stock may be converted will not be issued in an amount in excess of the number of shares that may be permitted under the AMEX rules, until such issuances have been approved by the Company's stockholders and the listing of the Conversion Shares and our Common Stock into which the Series B Preferred Stock and Series B-1 Preferred Stock may be converted on the AMEX has been authorized by the AMEX.

Issuance of the Conversion Shares and our Common Stock into which the Series B Preferred Stock and Series B-1 Preferred Stock may be converted will result in dilution to our existing stockholders, but will not otherwise materially affect our existing common stockholders' rights as stockholders.

NO APPRAISAL OR DISSENTERS' RIGHTS

Under the Delaware General Corporation Law, our stockholders are not entitled to any dissenters' rights or appraisal of their shares of Common Stock in connection with the approval of the actions described in this Information Statement.

NO ACTION IS REQUIRED

No other votes are necessary or required. This Information Statement is first being mailed or given to stockholders on or about July __, 2007. In accordance with the Securities Exchange Act of 1934, as amended (the Exchange Act), the Written Consent and the approval of the matters described in the Written Consent and this Information Statement will become effective twenty (20) calendar days following the mailing of this Information Statement, or as soon thereafter as is reasonably practicable.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of the record date, December 29, 2006, the Company's directors, executive officers and principal stockholders beneficially own, directly or indirectly, in the aggregate, approximately 21.5% of its outstanding Common Stock, 99.6% of its Series A Preferred Stock, 100% of the Series B Preferred Stock and 100% of the Series B-1 Preferred Stock. Each share of Common Stock entitles its holder to one vote, each share of Series A Preferred Stock entitles its holder to 10,118.9046 votes, and, to the extent permitted to vote, each share of Series B Preferred Stock and each share of Series B-1 Preferred Stock entitles its holders to 6,666.66 votes, in each case, on most matters submitted to a vote of holders of the Common Stock. These stockholders have significant influence over the Company's business affairs, with the ability to control matters requiring approval by the Company's stockholders, including the Written Consent set forth in this Information Statement.

The following table sets forth certain information as of December 29, 2006, with respect to the beneficial ownership of shares of our Common Stock, Series A Preferred Stock, Series B Preferred Stock and Series B-1 Preferred Stock by (i) each person known by us to beneficially own more than five percent (5%) of the outstanding shares of our Common Stock, Series A Preferred Stock, Series B Preferred Stock or Series B-1 Preferred Stock, (ii) each of our directors, (iii) each of our named executive officers and (iv) all of our executive officers and directors as a group.

As of December 29, 2006, there were 11,744,056 shares of our Common Stock outstanding, 2,347.7745 shares of our Series A Preferred Stock outstanding, 300 shares of our Series B Preferred Stock outstanding and 30 shares of our Series B-1 Preferred Stock outstanding. Beneficial ownership has been calculated and presented in accordance with Rule 13d-3 of the Exchange Act and, as such, the numbers below are not presented on a fully diluted basis.

* Less than one percent

- (1) The percentages computed in the table are based on 2,347.7746 shares of Series A Preferred Stock outstanding as of December 29, 2006.
- (2) This column reflects the relative voting power of the shares of the Company's Capital Stock listed in the table with respect to matters voted upon by the holders of the Company's Common Stock, Series A Preferred Stock, Series B Preferred Stock and Series B-1 Preferred Stock as a single class. Each share of Series A Preferred Stock is entitled to 10,118.9046 votes on most matters. To the extent permitted to vote, each share of Series B Preferred Stock and Series B-1 Preferred Stock is entitled to 6,666.66 votes on most matters. Accordingly, all voting percentage calculations in this table are based on the assumption that the Series B Preferred Stock and Series B-1 Preferred Stock entitle its holder to an aggregate of 56,382 votes. For purposes of this table, holders of the Amended Notes are deemed to be able to vote the shares of Common Stock that they beneficially own through their ownership of the Amended Notes, even though ownership of the Amended Notes does not entitle the holders of the Amended Notes to vote on matters submitted to the holders of the shares of Common Stock.
- (3) Joseph A. Falsetti, the President and Chief Executive Officer of the Company as of the record date, owns a 50% percentage interest in, and is the sole manager and sole executive officer of, Dana Holdings, LLC. Mr. Falsetti disclaims beneficial ownership of the shares of Common Stock that are beneficially owned by Dana Holdings, LLC.
- (4) Mark I. Massad is the sole manager and sole executive officer of MarNan, LLC. Mr. Massad disclaims beneficial ownership of the shares of Common Stock that are beneficially owned by MarNan, LLC.
- (5) In connection with the Transaction, Prencen Lending acquired the Amended Notes, and Prencen acquired 300 shares of Series B Preferred Stock and 30 shares of Series B-1 Preferred Stock, in each case, that are convertible into or exercisable for shares of the Common Stock of the Company, provided that such securities and the warrants previously acquired by Prencen may not be converted into nor exercised for shares of Common Stock to the extent that after giving effect to such conversion or exercise the holder would beneficially own in excess of 9.99% of the shares outstanding immediately after giving effect to the exercise or conversion. The beneficial ownership set forth in the above table assumes the conversion of such securities corresponding to 56,382 shares of Common Stock, together with the 1,122,482 shares of Common Stock directly owned, equal to 9.99% of the total outstanding shares of Common Stock after such conversion. If the blocker were not in place, the Amended Notes held by Prencen Lending would be initially convertible into 216,666,666 shares of Common Stock, the Series B Preferred Stock held by Prencen would be initially convertible into 2,000,000 shares of Common Stock, the Series B-1 Preferred Stock held by Prencen would be initially convertible into 200,000 shares of Common Stock and the warrants held by Prencen would be exercisable for up to 6,053,358 shares of Common Stock. Prentice Capital Management, L.P. has investment and voting power with respect to the securities held by Prencen and Prencen Lending. Mr. Michael Zimmerman controls Prentice Capital Management, L.P. Each of Prentice Capital Management, L.P. and Mr. Zimmerman disclaims beneficial ownership of any of these securities.
- (6) Excludes 115,000 shares of Common Stock and 4.9456 shares of Series A Preferred Stock owned by the Irrevocable Trust FBO Hailey Mack (the "HM Trust"), and 115,000 shares of Common Stock and 4.9456 shares of Series A Preferred Stock owned by the Irrevocable Trust FBO Jason Mack (the "JM Trust"). Edgar Filing: ASCENDIA BRANDS, INC. - Form PRER14C

(1) On May 20, 2005, Hermes Holding Company, Inc., a wholly owned subsidiary of Cenuco, Inc., merged with Hermes Acquisition Company I, LLC (HACI) (the Merger). As a consequence of the Merger, HACI, together with its wholly owned subsidiaries, became wholly owned subsidiaries of Cenuco, Inc. For financial statement purposes, the Merger was treated as a recapitalization of HACI followed by the reverse acquisition of Cenuco, Inc. by HACI. Accordingly the financial position and results of operations of HACI and its predecessor entities are presented above for periods prior to the Merger and the financial position and results of operations of Cenuco have been included thereafter. The Company s name was subsequently changed to Ascendia Brands, Inc. on May 9, 2006.

(2) On November 16, 2005, the Company acquired certain brands and brand related assets from Playtex, Inc. for approximately \$58.0 million. Sales and expenses of the acquired Playtex products and amortization of related acquired intangible assets are reflected above from that date forward.

(3) In February 2007, the Company committed to the sale of its wireless subsidiary and as a result this operation has been presented as a discontinued operation. Subsequent to year end, the Company made a determination that a sale was no longer likely and decided to liquidate the wireless operation. The total loss from discontinued operations was \$23.3 million and \$37.5 million, respectively, for the years ended February 28, 2007 and 2006. There was no loss from discontinued operations for the year ended February 28, 2005 or for the period from April 25, 2003 (inception) to February 29, 2004. For the year ended February 28, 2007, the loss from discontinued operations consisted of the write-off of goodwill of \$14.6 million, the write-off of the carrying value of net assets of \$5.4 million (primarily software technology) and the loss from operations of \$3.3 million. For the year ended February 28, 2006, loss from discontinued operations consisted of the write-off of goodwill of \$35.1 million and the loss from operations of \$2.4 million.

(4) In August 2006, the Company completed the issuance of secured notes with a beneficial conversion option and other embedded derivatives. As a result of this financing arrangement, a compound derivative was identified and bifurcated and the related liability recorded as required under FASB No. 133 and EITF 00-19. This resulted in a \$6.8 million loss being recorded in interest and other expense on August 2, 2006. The value of the compound derivative liability was adjusted as of August 26, 2006, resulting in a reduction of interest and other expense for the period between August 2 and August 26, 2006 of \$11.2 million.

(5) On February 9, 2007, the Company acquired the Calgon and the healing garden brands and brand related assets from Coty Inc. and certain of its affiliates. Sales and expenses of the acquired Coty products and amortization of related intangible assets are reflected from that date forward.

If the number of Preferred Shares represented by the Preferred Stock Certificate(s) submitted for conversion, as may be required pursuant to Section 2(d)(viii), is greater than the number of Preferred Shares being converted, then the Company shall, as soon as practicable and in no event later than three (3) Business Days after receipt of the Preferred Stock Certificate(s) and at its own expense, issue and deliver to the Holder a new Preferred Stock Certificate representing the number of Preferred Shares not converted.

(iii) Dispute Resolution. In the case of a dispute as to the determination of the Closing Sale Price or the arithmetic calculation of the Conversion Rate, the Company shall instruct the Transfer Agent to issue to the Holder the number of shares of Common Stock that is not disputed and shall transmit an explanation of the disputed determinations or arithmetic calculations to the Holder via facsimile within (a) one (1) Business Day in the case of a dispute as to the arithmetic calculation of the Conversion Rate and (b) three (3) Business Days in the case of a dispute as to the determination of the Closing Sale Price of receipt of such Holder's Conversion Notice or other date of determination. If such Holder and the Company are unable to agree upon the determination of the Closing Sale Price or the arithmetic calculation of the Conversion Rate within two (2) Business Days of such disputed determination or arithmetic calculation being transmitted to the Holder, then the Company shall within three (3) Business Days with respect to the determination of the Closing Sale Price and within one (1) Business Day with respect to the arithmetic calculation of the Conversion Rate, in each case after the end of such two (2) Business Day period, submit via facsimile (A) the disputed determination of the Closing Sale Price to an independent, reputable investment bank selected by the Company and approved by the Required Holders or (B) the disputed arithmetic calculation of the Conversion Rate to the Company's independent, outside accountant. The Company shall

cause, at the Company's expense, the investment bank or the accountant, as the case may be, to perform the determinations or calculations and notify the Company and the Holders of the results no later than five (5) Business Days with respect to the determination of the Closing Sale Price and no later than two (2) Business Days with respect to the calculation of the Conversion Rate, in each case from the time it receives the disputed determinations or calculations. Such investment bank's or accountant's determination or calculation, as the case may be, shall be binding upon all parties absent manifest error.

(iv) Record Holder. The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of Preferred Shares shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

(v) Company's Failure to Timely Convert. If within three (3) Trading Days after the Company's receipt of the facsimile copy of a Conversion Notice, and if required by Section 2(d)(viii), the Preferred Stock Certificates, the Company shall fail to issue and deliver a certificate to a Holder or credit such Holder's balance account with DTC for the number of shares of Common Stock to which there is no dispute, such Holder is entitled upon such Holder's conversion of Preferred Shares, and if on or after such third (3rd) Trading Day the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of the shares of Common Stock issuable upon such conversion that the Holder anticipated receiving from the Company, then the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased (the **Buy-In Price**), at which point the Company's obligation to deliver such certificate (and to issue such Common Stock) shall terminate, or (ii) promptly honor its obligation to deliver to the Holder a certificate or certificates representing such Common Stock and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock, times (B) the Closing Sale Price on the Conversion Date.

(vi) Pro Rata Conversion. In the event the Company receives a Conversion Notice from more than one Holder for the same Conversion Date and the Company can convert some, but not all, of such Preferred Shares, the Company shall convert from each Holder electing to have Preferred Shares converted at such time a pro rata amount of such Holder's Preferred Shares submitted for conversion based on the number of Preferred Shares submitted for conversion on such date by such Holder relative to the number of Preferred Shares submitted for conversion on such date.

(vii) No Redemption. The Preferred Shares may not be redeemed at the option of the Company at any time, in whole or in part, without the prior written consent of, and on terms and conditions satisfactory to, the Required Holders.

(viii) Book-Entry. Notwithstanding anything to the contrary set forth herein, upon conversion of Preferred Shares in accordance with the terms hereof, the Holder thereof shall not be required to physically surrender the certificate representing the Preferred Shares to the Company unless (A) the full or remaining number of Preferred Shares represented by the certificate are being converted or (B) a Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of Preferred Shares upon physical surrender of any Preferred Shares. The Holder and the Company shall maintain records showing the number of Preferred Shares so converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of the certificate representing the Preferred Shares upon each such conversion. In the event of any dispute or discrepancy, such records of the Company establishing the number of Preferred Shares to which the record holder is entitled shall be controlling and determinative in the absence of manifest error. Notwithstanding the foregoing, if Preferred Shares represented by a certificate are converted as aforesaid, the Holder may not transfer the certificate representing the Preferred Shares unless the Holder first physically surrenders the certificate representing the Preferred Shares to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new certificate of like tenor, registered as the Holder may request, representing in the aggregate the remaining number of Preferred Shares represented by such certificate. The Holder and any assignee, by acceptance of a certificate, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion of any Preferred Shares, the number of Preferred Shares represented by such certificate may be less than the number of Preferred Shares stated on the face thereof. Each certificate for Preferred Shares shall bear the following legend:

ANY TRANSFEREE OF THIS CERTIFICATE SHOULD CAREFULLY REVIEW THE TERMS OF THE COMPANY S CERTIFICATE OF DESIGNATIONS RELATING TO THE PREFERRED SHARES REPRESENTED BY THIS CERTIFICATE, INCLUDING SECTION 2(d)(viii) THEREOF. THE NUMBER OF PREFERRED SHARES REPRESENTED BY THIS CERTIFICATE MAY BE LESS THAN THE NUMBER OF PREFERRED SHARES STATED ON THE FACE HEREOF PURSUANT TO

SECTION 2(d)(viii) OF THE CERTIFICATE OF DESIGNATIONS RELATING TO THE PREFERRED SHARES REPRESENTED BY THIS CERTIFICATE.

(e) Taxes. The Company shall pay any and all documentary, stamp, transfer (but only in respect of the registered holder thereof) and other similar taxes that may be payable with respect to the issuance and delivery of Common Stock upon the conversion of Preferred Shares.

(f) Adjustment of Conversion Price upon Subdivision or Combination of Common Stock. If the Company at any time subdivides (by any stock split, stock dividend, recapitalization or otherwise) its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced. If the Company at any time combines (by combination, reverse stock split or otherwise) its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased.

(g) Notices.

(i) As promptly as practicable after any adjustment of the Conversion Price pursuant to Section 2(f), the Company will give written notice thereof to each Holder, setting forth in reasonable detail, and certifying, the calculation of such adjustment. In the case of a dispute as to the determination of such adjustment, then such dispute shall be resolved in accordance with the procedures set forth in Section 2(d)(iii).

(ii) The Company will give written notice to each Holder at least ten (10) Business Days prior to the date on which the Company closes its books or takes a record for determining rights to vote with respect to any Fundamental Transaction or Liquidation Event, provided that such information shall have been made known to the public prior to or in conjunction with such notice being provided to such Holder.

(iii) The Company will also give written notice to each Holder at least ten (10) Business Days prior to the date on which any Fundamental Transaction or Liquidation Event will take place, provided that such information shall have been made known to the public prior to or in conjunction with such notice being provided to such Holder.

(3) Purchase Rights. If at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro-rata to the record holders of any class of Common Stock (the **Purchase Rights**), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of the Preferred

Shares (without taking into account any limitations or restrictions on the convertibility of the Preferred Shares) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

(4) Reservation of Shares.

(a) The Company shall, so long as any of the Preferred Shares are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of effecting the conversions of the Preferred Shares, such number of shares of Common Stock as shall from time to time be sufficient to effect the conversion of all of the Preferred Shares then outstanding; provided that the number of shares of Common Stock so reserved shall at no time be less than 100% of the number of shares of Common Stock for which the Preferred Shares are at any time convertible (without regard to any limitations on conversions (the **Required Reserve Amount**)). The initial number of shares of Common Stock reserved for conversions of the Preferred Shares and each increase in the number of shares so reserved shall be allocated pro rata among the Holders based on the number of Preferred Shares held by each Holder at the time of issuance of the Preferred Shares or increase in the number of reserved shares, as the case may be (the **Authorized Share Allocation**). In the event a Holder shall sell or otherwise transfer any of such Holder's Preferred Shares, each transferee shall be allocated a pro rata portion of such Holder's Authorized Share Allocation. Any shares of Common Stock reserved and allocated to any Person which ceases to hold any Preferred Shares (other than pursuant to a transfer of Preferred Shares in accordance with the immediately preceding sentence) shall be allocated to the remaining Holders of Preferred Shares, pro rata based on the number of Preferred Shares then held by such Holders.

(b) Insufficient Authorized Shares. If at any time while any of the Preferred Shares remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon conversion of the Preferred Shares at least a number of shares of Common Stock equal to the Required Reserve Amount (an **Authorized Share Failure**), then the Company shall immediately take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for the Preferred Shares then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal.

(5) Voting Rights. Subject to Sections 6 and 8, each Holder shall be entitled to the whole number of votes equal to the number of shares of Common Stock into which such Holder's Preferred Shares would be convertible on the record date for the vote or consent of stockholders, and shall otherwise have voting rights and powers equal to the voting rights and powers of the Common Stock. Each Holder shall be entitled to receive the same prior notice of any stockholders' meeting as is provided to the holders of Common Stock in accordance with the bylaws of the Company, as well as prior notice of all stockholder actions to be taken by legally available means in lieu of a meeting, and shall vote with holders of the Common Stock as if they were a single class of securities upon any matter submitted to a vote of stockholders, except those matters required by law or by the terms hereof to be submitted to a class vote of the Holders of Preferred Shares, in which case the Holders of Preferred Shares only shall vote as a separate class.

(6) Limitation on Beneficial Ownership. Other than in connection with a Fundamental Transaction, the Company shall not effect any conversion of Preferred Shares, and no Holder shall have the right to convert any Preferred Shares, to the extent that after giving effect to such conversion, a Holder (together with such Holder's affiliates) would beneficially own in excess of 9.99% (**Maximum Percentage**) of the number of shares of Common Stock outstanding immediately after giving effect to such conversion. The Company shall not give effect to any voting rights of the Preferred Shares, and any Holder shall not have the right to exercise voting rights with respect to any Preferred Shares pursuant hereto, to the extent that giving effect to such voting rights would result in such Holder (together with its affiliates) being deemed to beneficially own in excess of the Maximum Percentage of the number of shares of Common Stock outstanding immediately after giving effect to such exercise, assuming such exercise as being equivalent to conversion. For purposes of the foregoing sentences, the number of shares of Common Stock beneficially owned by a Holder and its affiliates shall include the number of shares of Common Stock issuable upon conversion of the Preferred Shares with respect to which the determination of such sentences is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (A) conversion of the remaining, nonconverted Preferred Shares beneficially owned by such Holder or any of its affiliates and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including, without limitation, any notes or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained in this Section beneficially owned by such Holder or any of its affiliates. Except as set forth in the preceding sentence, for purposes of this Section 6, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act. For purposes of this Section 6, in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (1) the Company's most recent Form 10-K, Form 10-Q or Form 8-K, as the case may be, (2) a more recent public announcement by the Company, or (3) any other notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. For any reason at any time, upon the written or oral request of any Holder, the Company shall within one (1) Business Day following the receipt of such notice, confirm orally and in writing to any such Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including the Preferred Shares, by such Holder and its affiliates since the date as of which such number of outstanding shares of Common Stock was reported. By written notice to the Company, the Holder may from time to

time increase or decrease the Maximum Percentage to any other percentage specified in such notice not in excess of 9.99%; provided that (i) any such increase will not be effective until the sixty-first (61st) day after such notice is delivered to the Company, and (ii) any such increase or decrease will apply only to the Holder providing such written notice and not to any other Holder.

(7) Liquidation Events. In the event of a Liquidation Event, the Holders shall be entitled, on a *pari passu* basis with the holders of Common Stock and treating for the purpose thereof all of the Preferred Shares as having been converted into Common Stock pursuant to Section 2 (without regard to any limitations in conversion set forth herein or elsewhere), to participate in the distribution of any assets of the Company to the holders of the outstanding Common Stock. To the extent necessary, the Company shall cause such actions to be taken by any of its Subsidiaries so as to enable, to the maximum extent permitted by law, the proceeds of a Liquidation Event to be distributed to the Holders in accordance with this Section. The purchase or redemption by the Company of stock of any class, in any manner permitted by law, shall not, for the purposes hereof, be regarded as a Liquidation Event.

(8) Limitation on Number of Conversion Shares. The Company shall not be obligated to issue any shares of Common Stock upon conversion of the Preferred Shares, and no Holder shall have the right to receive upon conversion of Preferred Shares any shares of Common Stock, if the issuance of such shares of Common Stock would exceed the aggregate number of shares of Common Stock which the Company may issue upon conversion of the Preferred Shares without breaching the Company's obligations under the rules or regulations of the Principal Market and the market or exchange where the Common Stock is then traded (the **Exchange Cap**), except that such limitation shall not apply in the event that the Company (a) obtains the approval of its stockholders as required by the applicable rules of the Principal Market (or any successor rule or regulation) for issuances of Common Stock in excess of such amount, or (b) obtains a written opinion from outside counsel to the Company that such approval is not required, which opinion shall be reasonably satisfactory to the Required Holders. The Company shall not give effect to any voting rights of the Preferred Shares to the extent that giving effect to such voting rights would result in the Holder having such voting rights in excess of the Exchange Cap. Until such approval or written opinion is obtained, the investor in Preferred Shares pursuant to the Exchange Agreement (the **Investor**) shall not be issued, in the aggregate, upon conversion of Preferred Shares, shares of Common Stock in an amount greater than the Exchange Cap amount (the **Exchange Cap Allocation**). In the event that the Investor shall sell or otherwise transfer any of its Preferred Shares, the transferee shall be allocated a pro rata portion of the Investor's Exchange Cap Allocation and the restrictions of the prior sentence shall apply to such transferee with respect to the Exchange Cap Allocation allocated to such transferee. In the event that any Holder shall convert all of such Holder's Preferred Shares into a number of shares of Common Stock which, in the aggregate, is less than such Holder's Exchange Cap Allocation, then the difference between such Holder's Exchange Cap Allocation and the number of shares of Common Stock actually issued to such Holder shall be allocated to the respective Exchange Cap Allocations of the remaining Holders on a pro-rata basis in proportion to the number of Preferred Shares then held by each such Holder.

(9) Participation. Subject to the rights of the holders, if any, of shares of other classes or series that are of equal rank with the Preferred Shares as to liquidation preference, the Holders shall, as holders of Preferred Stock, be entitled to such dividends paid and distributions

made to the holders of Common Stock to the same extent as if such Holders had converted the Preferred Shares into Common Stock (without regard to any limitations on conversion herein or elsewhere) and had held such shares of Common Stock on the record date for such dividends and distributions. Payments under the preceding sentence shall be made concurrently with the dividend or distribution to the holders of Common Stock.

(10) Vote to Change the Terms of the Preferred Shares. Except where the vote or written consent of the holders of a greater number of shares is required by law or by another provision of the Certificate of Incorporation, the affirmative vote at a meeting duly called for such purpose or the written consent without a meeting of the Required Holders, voting together as a single class, shall be required before the Company may: (a) amend or repeal any provision of, or add any provision to, the Certificate of Incorporation, or file any certificate of designations, preferences, limitations and relative rights of any series of preferred stock (including any amendment to the Certificate of Designations for the Series A Preferred Stock), if such action would adversely alter or change the preferences, rights privileges or powers of, or restrictions provided for the benefit of the Preferred Shares, regardless of whether any such action shall be by means of amendment to the Certificate of Incorporation or by merger, consolidation or otherwise; (b) increase or decrease (other than by conversion) the authorized number of Preferred Shares; or (c) whether or not prohibited by the terms of the Preferred Shares, circumvent a right of the Preferred Shares.

(11) Lost or Stolen Certificates. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Preferred Stock Certificates representing the Preferred Shares, and, in the case of loss, theft or destruction, of an indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of the Preferred Stock Certificate(s), the Company shall execute and deliver new Preferred Stock Certificate(s) of like tenor and date; provided, however, the Company shall not be obligated to re-issue Preferred Stock Certificates if the Holder contemporaneously requests the Company to convert such Preferred Shares into Common Stock.

(12) Remedies, Characterizations, Other Obligations, Breaches and Injunctive Relief. The remedies provided in this Certificate of Designations shall be cumulative and in addition to all other remedies available under this Certificate of Designations, at law or in equity (including a decree of specific performance and/or other injunctive relief). No remedy contained herein shall be deemed a waiver of compliance with the provisions giving rise to such remedy. Nothing herein shall limit a Holder's right to pursue actual damages for any failure by the Company to comply with the terms of this Certificate of Designations. The Company covenants to each Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. Amounts set forth or provided for herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by the Holder thereof and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof).

(13) Construction. This Certificate of Designations shall be deemed to be jointly drafted by the Company and the Investors and shall not be construed against any person as the drafter hereof.

(14) Failure or Indulgence Not Waiver. No failure or delay on the part of a Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

(15) Notice. Whenever notice or other communication is required to be given under this Certificate of Designations, unless otherwise provided herein, such notice shall be given in accordance with Section 7(j) of the Exchange Agreement (provided that if the Preferred Shares are not held by the Investor then to the Holder at such address as shall have been provided to the Company in writing).

(16) Transfer of Preferred Shares. A Holder may assign some or all of the Preferred Shares and the accompanying rights hereunder held by such Holder without the consent of the Company; provided that such assignment is in compliance with applicable securities laws.

(17) Preferred Share Register. The Company shall maintain at its principal executive offices (or such other office or agency of the Company as it may designate by notice to the Holders), a register for the Preferred Shares, in which the Company shall record the name and address of the persons in whose name the Preferred Shares have been issued, as well as the name and address of each transferee. The Company may treat the person in whose name any Preferred Share is registered on the register as the owner and holder thereof for all purposes, notwithstanding any notice to the contrary, but in all events recognizing any properly made transfers.

(18) Stockholder Matters. Any stockholder action, approval or consent required, desired or otherwise sought by the Company pursuant to the rules and regulations of the Principal Market, the DGCL, this Certificate of Designations or otherwise with respect to the issuance of the Preferred Shares or the Common Stock issuable upon conversion thereof may be effected by written consent of the Company's stockholders or at a duly called meeting of the Company's stockholders to the extent permitted by and all in accordance with the applicable rules and regulations of the Principal Market and the DGCL. This provision is intended to comply with the applicable sections of the DGCL permitting stockholder action, approval and consent affected by written consent in lieu of a meeting.

(xxiii) **Successor Entity** means the Person, which may be the Company, formed by, resulting from or surviving any Fundamental Transaction or the Person with which such Fundamental Transaction shall have been made, provided that if such Person is not a publicly traded entity whose common stock or equivalent equity security is quoted or listed for trading on an Eligible Market, Successor Entity shall mean such Person's Parent Entity.

(xxiv) **Trading Day** means any day on which the Common Stock is traded on the Principal Market, or, if the Principal Market is not the principal trading market for the Common Stock, then on the principal securities exchange or securities market on which the shares of Common Stock are then traded; provided that Trading Day shall not include any day on which the shares of Common Stock are scheduled to trade on such exchange or market for less than 4.5 hours or any day that the shares of Common Stock are suspended from trading during the final hour of trading on such exchange or market (or if such exchange or market does not designate in advance the closing time of trading on such exchange or market, then during the hour ending at 4:00:00 p.m., New York Time).

(xxv) **Voting Stock** of a Person means capital stock of such Person of the class or classes pursuant to which the holders thereof have the general voting power to elect, or the general power to appoint, at least a majority of the board of directors, managers or trustees of such Person (irrespective of whether or not at the time capital stock of any other class or classes shall have or might have voting power by reason of the happening of any contingency).

(xxvi) **Weighted Average Price** means, for any security as of any date, the dollar volume-weighted average price for such security on the Principal Market during the period beginning at 9:30:01 a.m., New York City Time, and ending at 4:00:00 p.m., New York City Time, as reported by Bloomberg through its Volume at Price function or, if the foregoing does not apply, the dollar volume-weighted average price of such security in the over-the-counter market on the electronic bulletin board for such security during the period beginning at 9:30:01 a.m., New York City Time, and ending at 4:00:00 p.m., New York City Time, as

reported by Bloomberg, or, if no dollar volume-weighted average price is reported for such security by Bloomberg for such hours, the average of the highest closing bid price and the lowest closing ask price of any of the market makers for such security as reported in the pink sheets by Pink Sheets LLC (formerly the National Quotation Bureau, Inc.). If the Weighted Average Price cannot be calculated for such security on such date on any of the foregoing bases, the Weighted Average Price of such security on such date shall be the fair market value as mutually determined by the Company and the Required Holders. If the Company and the Required Holders are unable to agree upon the fair market value of the Common Stock, then such dispute shall be resolved pursuant to Section 2(d)(iii) below with the term Weighted Average Price being substituted for the term Closing Sale Price. All such determinations shall be appropriately adjusted for any stock dividend, stock split or other similar transaction during such period.

(b) Holder's Conversion Right. Subject to Section 6 hereof, at any time or times on or after the Initial Issuance Date, any Holder shall be entitled to convert any whole number of Preferred Shares into fully paid and nonassessable shares of Common Stock in accordance with Section 2(d) at the Conversion Rate (as defined below).

(c) Conversion. The number of shares of Common Stock issuable upon conversion of each Preferred Share pursuant to Section 2(b) shall be determined according to the following formula (the **Conversion Rate**):

$$\frac{\text{Stated Value}}{\text{Conversion Price}}$$

(d) Mechanics of Conversion. The conversion of Preferred Shares shall be conducted in the following manner:

(i) Holder's Delivery Requirements. To convert Preferred Shares into shares of Common Stock on any date (the **Conversion Date**), the Holder shall (A) transmit by facsimile (or otherwise deliver), for receipt on or prior to 11:59 p.m., New York City Time, on such date, a copy of a properly completed notice of conversion executed by the registered Holder of the Preferred Shares subject to such conversion in the form attached hereto as Exhibit I (the **Conversion Notice**) to the Company and the Company's designated transfer agent (the **Transfer Agent**) and (B) if required by Section 2(d)(viii), deliver to the Company as soon as practicable following such date the original certificates representing the Preferred Shares being converted (or comply with the procedures set forth in Section 11) (the **Preferred Stock Certificates**).

(ii) Company's Response. Upon receipt by the Company of a copy of a Conversion Notice, and if so required by Section 2(d)(viii), the

Preferred Stock Certificates, the Company shall (I) as soon as practicable, but in any event within one (1) Trading Day, send, via facsimile, a confirmation of receipt of such Conversion Notice to such Holder and the Transfer Agent, which confirmation shall constitute an instruction to the Transfer Agent to process such Conversion Notice in accordance with the terms hereof and (II) on or before the third (3rd) Trading Day following the date of receipt by the Company of such Conversion Notice, (A) provided the Transfer Agent is participating in the DTC Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled to the Holder's or its designee's balance account with DTC through its Deposit Withdrawal Agent Commission system, or (B) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled. If the number of Preferred Shares represented by the Preferred Stock Certificate(s) submitted for conversion, as may be required pursuant to Section 2(d)(viii), is greater than the number of Preferred Shares being converted, then the Company shall, as soon as practicable and in no event later than three (3) Business Days after receipt of the Preferred Stock Certificate(s) and at its own expense, issue and deliver to the Holder a new Preferred Stock Certificate representing the number of Preferred Shares not converted.

(iii) Dispute Resolution. In the case of a dispute as to the determination of the Closing Sale Price or the arithmetic calculation of the Conversion Rate, the Company shall instruct the Transfer Agent to issue to the Holder the number of shares of Common Stock that is not disputed and shall transmit an explanation of the disputed determinations or arithmetic calculations to the Holder via facsimile within (a) one (1) Business Day in the case of a dispute as to the arithmetic calculation of the Conversion Rate and (b) three (3) Business Days in the case of a dispute as to the determination of the Closing Sale Price of receipt of such Holder's Conversion Notice or other date of determination. If such Holder and the Company are unable to agree upon the determination of the Closing Sale Price or the arithmetic calculation of the Conversion Rate within two (2) Business Days of such disputed determination or arithmetic calculation being transmitted to the Holder, then the Company shall within three (3) Business Days with respect to the determination of the Closing Sale Price and within one (1) Business Day with respect to the arithmetic calculation of the Conversion Rate, in each case after the end of such two (2) Business Day period, submit via facsimile (A) the disputed determination of the Closing Sale Price to an independent, reputable investment bank selected by the Company and approved by the Required Holders or (B) the disputed arithmetic calculation of the Conversion Rate to the Company's independent, outside accountant. The Company shall

cause, at the Company's expense, the investment bank or the accountant, as the case may be, to perform the determinations or calculations and notify the Company and the Holders of the results no later than five (5) Business Days with respect to the determination of the Closing Sale Price and no later than two (2) Business Days with respect to the calculation of the Conversion Rate, in each case from the time it receives the disputed determinations or calculations. Such investment bank's or accountant's determination or calculation, as the case may be, shall be binding upon all parties absent manifest error.

(iv) Record Holder. The Person or Persons entitled to receive the shares of Common Stock issuable upon a conversion of Preferred Shares shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

(v) Company's Failure to Timely Convert. If within three (3) Trading Days after the Company's receipt of the facsimile copy of a Conversion Notice, and if required by Section 2(d)(viii), the Preferred Stock Certificates, the Company shall fail to issue and deliver a certificate to a Holder or credit such Holder's balance account with DTC for the number of shares of Common Stock to which there is no dispute, such Holder is entitled upon such Holder's conversion of Preferred Shares, and if on or after such third (3rd) Trading Day the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of the shares of Common Stock issuable upon such conversion that the Holder anticipated receiving from the Company, then the Company shall, within three (3) Business Days after the Holder's request and in the Holder's discretion, either (i) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased (the **Buy-In Price**), at which point the Company's obligation to deliver such certificate (and to issue such Common Stock) shall terminate, or (ii) promptly honor its obligation to deliver to the Holder a certificate or certificates representing such Common Stock and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock, times (B) the Closing Sale Price on the Conversion Date.

(vi) Pro Rata Conversion. In the event the Company receives a Conversion Notice from more than one Holder for the same Conversion Date and the Company can convert some, but not all, of such Preferred Shares, the Company shall convert from each Holder electing to have Preferred Shares converted at such time a pro rata amount of such Holder's Preferred Shares submitted for conversion based on the number of Preferred Shares submitted for conversion on such date by such Holder relative to the number of Preferred Shares submitted for conversion on such date.

(vii) No Redemption. The Preferred Shares may not be redeemed at the option of the Company at any time, in whole or in part, without the prior written consent of, and on terms and conditions satisfactory to, the Required Holders.

(viii) Book-Entry. Notwithstanding anything to the contrary set forth herein, upon conversion of Preferred Shares in accordance with the terms hereof, the Holder thereof shall not be required to physically surrender the certificate representing the Preferred Shares to the Company unless (A) the full or remaining number of Preferred Shares represented by the certificate are being converted or (B) a Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of Preferred Shares upon physical surrender of any Preferred Shares. The Holder and the Company shall maintain records showing the number of Preferred Shares so converted and the dates of such conversions or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of the certificate representing the Preferred Shares upon each such conversion. In the event of any dispute or discrepancy, such records of the Company establishing the number of Preferred Shares to which the record holder is entitled shall be controlling and determinative in the absence of manifest error. Notwithstanding the foregoing, if Preferred Shares represented by a certificate are converted as aforesaid, the Holder may not transfer the certificate representing the Preferred Shares unless the Holder first physically surrenders the certificate representing the Preferred Shares to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new certificate of like tenor, registered as the Holder may request, representing in the aggregate the remaining number of Preferred Shares represented by such certificate. The Holder and any assignee, by acceptance of a certificate, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion of any Preferred Shares, the number of Preferred Shares represented by such certificate may be less than the number of Preferred Shares stated on the face thereof. Each certificate for Preferred Shares shall bear the following legend:

ANY TRANSFEREE OF THIS CERTIFICATE SHOULD CAREFULLY REVIEW THE TERMS OF THE COMPANY'S CERTIFICATE OF DESIGNATIONS RELATING TO THE PREFERRED SHARES REPRESENTED BY THIS CERTIFICATE, INCLUDING SECTION 2(d)(viii) THEREOF. THE NUMBER OF PREFERRED SHARES REPRESENTED BY THIS CERTIFICATE MAY BE LESS THAN THE NUMBER OF PREFERRED SHARES STATED ON THE FACE HEREOF PURSUANT TO

SECTION 2(d)(viii) OF THE CERTIFICATE OF DESIGNATIONS RELATING TO THE PREFERRED SHARES REPRESENTED BY THIS CERTIFICATE.

(e) Taxes. The Company shall pay any and all documentary, stamp, transfer (but only in respect of the registered holder thereof) and other similar taxes that may be payable with respect to the issuance and delivery of Common Stock upon the conversion of Preferred Shares.

(f) Adjustment of Conversion Price upon Subdivision or Combination of Common Stock. If the Company at any time subdivides (by any stock split, stock dividend, recapitalization or otherwise) its outstanding shares of Common Stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced. If the Company at any time combines (by combination, reverse stock split or otherwise) its outstanding shares of Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased.

(g) Notices.

(i) As promptly as practicable after any adjustment of the Conversion Price pursuant to Section 2(f), the Company will give written notice thereof to each Holder, setting forth in reasonable detail, and certifying, the calculation of such adjustment. In the case of a dispute as to the determination of such adjustment, then such dispute shall be resolved in accordance with the procedures set forth in Section 2(d)(iii).

(ii) The Company will give written notice to each Holder at least ten (10) Business Days prior to the date on which the Company closes its books or takes a record for determining rights to vote with respect to any Fundamental Transaction or Liquidation Event, provided that such information shall have been made known to the public prior to or in conjunction with such notice being provided to such Holder.

(iii) The Company will also give written notice to each Holder at least ten (10) Business Days prior to the date on which any Fundamental Transaction or Liquidation Event will take place, provided that such information shall have been made known to the public prior to or in conjunction with such notice being provided to such Holder.

(3) Purchase Rights. If at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro-rata to the record holders of any class of Common Stock (the **Purchase Rights**), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of the Preferred

Shares (without taking into account any limitations or restrictions on the convertibility of the Preferred Shares) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

(4) Reservation of Shares.

(a) The Company shall, so long as any of the Preferred Shares are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of effecting the conversions of the Preferred Shares, such number of shares of Common Stock as shall from time to time be sufficient to effect the conversion of all of the Preferred Shares then outstanding; provided that the number of shares of Common Stock so reserved shall at no time be less than 100% of the number of shares of Common Stock for which the Preferred Shares are at any time convertible (without regard to any limitations on conversions (the **Required Reserve Amount**). The initial number of shares of Common Stock reserved for conversions of the Preferred Shares and each increase in the number of shares so reserved shall be allocated pro rata among the Holders based on the number of Preferred Shares held by each Holder at the time of issuance of the Preferred Shares or increase in the number of reserved shares, as the case may be (the **Authorized Share Allocation**). In the event a Holder shall sell or otherwise transfer any of such Holder's Preferred Shares, each transferee shall be allocated a pro rata portion of such Holder's Authorized Share Allocation. Any shares of Common Stock reserved and allocated to any Person which ceases to hold any Preferred Shares (other than pursuant to a transfer of Preferred Shares in accordance with the immediately preceding sentence) shall be allocated to the remaining Holders of Preferred Shares, pro rata based on the number of Preferred Shares then held by such Holders.

(b) Insufficient Authorized Shares. If at any time while any of the Preferred Shares remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon conversion of the Preferred Shares at least a number of shares of Common Stock equal to the Required Reserve Amount (an **Authorized Share Failure**), then the Company shall immediately take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for the Preferred Shares then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal.

(5) Voting Rights. Subject to Sections 6 and 8, each Holder shall be entitled to the whole number of votes equal to the number of shares of Common Stock into which such Holder's Preferred Shares would be convertible on the record date for the vote or consent of stockholders, and shall otherwise have voting rights and powers equal to the voting rights and powers of the Common Stock. Each Holder shall be entitled to receive the same prior notice of any stockholders' meeting as is provided to the holders of Common Stock in accordance with the bylaws of the Company, as well as prior notice of all stockholder actions to be taken by legally available means in lieu of a meeting, and shall vote with holders of the Common Stock as if they were a single class of securities upon any matter submitted to a vote of stockholders, except those matters required by law or by the terms hereof to be submitted to a class vote of the Holders of Preferred Shares, in which case the Holders of Preferred Shares only shall vote as a separate class.

(6) Limitation on Beneficial Ownership. Other than in connection with a Fundamental Transaction, the Company shall not effect any conversion of Preferred Shares, and no Holder shall have the right to convert any Preferred Shares, to the extent that after giving effect to such conversion, a Holder (together with such Holder's affiliates) would beneficially own in excess of 9.99% (**Maximum Percentage**) of the number of shares of Common Stock outstanding immediately after giving effect to such conversion. The Company shall not give effect to any voting rights of the Preferred Shares, and any Holder shall not have the right to exercise voting rights with respect to any Preferred Shares pursuant hereto, to the extent that giving effect to such voting rights would result in such Holder (together with its affiliates) being deemed to beneficially own in excess of the Maximum Percentage of the number of shares of Common Stock outstanding immediately after giving effect to such exercise, assuming such exercise as being equivalent to conversion. For purposes of the foregoing sentences, the number of shares of Common Stock beneficially owned by a Holder and its affiliates shall include the number of shares of Common Stock issuable upon conversion of the Preferred Shares with respect to which the determination of such sentences is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (A) conversion of the remaining, nonconverted Preferred Shares beneficially owned by such Holder or any of its affiliates and (B) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company (including, without limitation, any notes or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained in this Section beneficially owned by such Holder or any of its affiliates. Except as set forth in the preceding sentence, for purposes of this Section 6, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act. For purposes of this Section 6, in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (1) the Company's most recent Form 10-K, Form 10-Q or Form 8-K, as the case may be, (2) a more recent public announcement by the Company, or (3) any other notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. For any reason at any time, upon the written or oral request of any Holder, the Company shall within one (1) Business Day following the receipt of such notice, confirm orally and in writing to any such Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including the Preferred Shares, by such Holder and its affiliates since the date as of which such number of outstanding shares of Common Stock was reported. By written notice to the Company, the Holder may from time to

time increase or decrease the Maximum Percentage to any other percentage specified in such notice not in excess of 9.99%; provided that (i) any such increase will not be effective until the sixty-first (61st) day after such notice is delivered to the Company, and (ii) any such increase or decrease will apply only to the Holder providing such written notice and not to any other Holder.

(7) Liquidation Events. In the event of a Liquidation Event, the Holders shall be entitled, on a *pari passu* basis with the holders of Common Stock and treating for the purpose thereof all of the Preferred Shares as having been converted into Common Stock pursuant to Section 2 (without regard to any limitations in conversion set forth herein or elsewhere), to participate in the distribution of any assets of the Company to the holders of the outstanding Common Stock. To the extent necessary, the Company shall cause such actions to be taken by any of its Subsidiaries so as to enable, to the maximum extent permitted by law, the proceeds of a Liquidation Event to be distributed to the Holders in accordance with this Section. The purchase or redemption by the Company of stock of any class, in any manner permitted by law, shall not, for the purposes hereof, be regarded as a Liquidation Event.

(8) Limitation on Number of Conversion Shares. The Company shall not be obligated to issue any shares of Common Stock upon conversion of the Preferred Shares, and no Holder shall have the right to receive upon conversion of Preferred Shares any shares of Common Stock, if the issuance of such shares of Common Stock would exceed the aggregate number of shares of Common Stock which the Company may issue upon conversion of the Preferred Shares without breaching the Company's obligations under the rules or regulations of the Principal Market and the market or exchange where the Common Stock is then traded (the **Exchange Cap**), except that such limitation shall not apply in the event that the Company (a) obtains the approval of its stockholders as required by the applicable rules of the Principal Market (or any successor rule or regulation) for issuances of Common Stock in excess of such amount, or (b) obtains a written opinion from outside counsel to the Company that such approval is not required, which opinion shall be reasonably satisfactory to the Required Holders. The Company shall not give effect to any voting rights of the Preferred Shares to the extent that giving effect to such voting rights would result in the Holder having such voting rights in excess of the Exchange Cap. Until such approval or written opinion is obtained, the investor in Preferred Shares pursuant to the Exchange Agreement (the **Investor**) shall not be issued, in the aggregate, upon conversion of Preferred Shares, shares of Common Stock in an amount greater than the Exchange Cap amount (the **Exchange Cap Allocation**). In the event that the Investor shall sell or otherwise transfer any of its Preferred Shares, the transferee shall be allocated a pro rata portion of the Investor's Exchange Cap Allocation and the restrictions of the prior sentence shall apply to such transferee with respect to the Exchange Cap Allocation allocated to such transferee. In the event that any Holder shall convert all of such Holder's Preferred Shares into a number of shares of Common Stock which, in the aggregate, is less than such Holder's Exchange Cap Allocation, then the difference between such Holder's Exchange Cap Allocation and the number of shares of Common Stock actually issued to such Holder shall be allocated to the respective Exchange Cap Allocations of the remaining Holders on a pro-rata basis in proportion to the number of Preferred Shares then held by each such Holder.

(9) Participation. Subject to the rights of the holders, if any, of shares of other classes or series that are of equal rank with the Preferred Shares as to liquidation preference, the Holders shall, as holders of Preferred Stock, be entitled to such dividends paid and distributions

made to the holders of Common Stock to the same extent as if such Holders had converted the Preferred Shares into Common Stock (without regard to any limitations on conversion herein or elsewhere) and had held such shares of Common Stock on the record date for such dividends and distributions. Payments under the preceding sentence shall be made concurrently with the dividend or distribution to the holders of Common Stock.

(10) Vote to Change the Terms of the Preferred Shares. Except where the vote or written consent of the holders of a greater number of shares is required by law or by another provision of the Certificate of Incorporation, the affirmative vote at a meeting duly called for such purpose or the written consent without a meeting of the Required Holders, voting together as a single class, shall be required before the Company may: (a) amend or repeal any provision of, or add any provision to, the Certificate of Incorporation, or file any certificate of designations, preferences, limitations and relative rights of any series of preferred stock (including any amendment to the Certificate of Designations for the Series A Preferred Stock), if such action would adversely alter or change the preferences, rights privileges or powers of, or restrictions provided for the benefit of the Preferred Shares, regardless of whether any such action shall be by means of amendment to the Certificate of Incorporation or by merger, consolidation or otherwise; (b) increase or decrease (other than by conversion) the authorized number of Preferred Shares; or (c) whether or not prohibited by the terms of the Preferred Shares, circumvent a right of the Preferred Shares.

(11) Lost or Stolen Certificates. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Preferred Stock Certificates representing the Preferred Shares, and, in the case of loss, theft or destruction, of an indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of the Preferred Stock Certificate(s), the Company shall execute and deliver new Preferred Stock Certificate(s) of like tenor and date; provided, however, the Company shall not be obligated to re-issue Preferred Stock Certificates if the Holder contemporaneously requests the Company to convert such Preferred Shares into Common Stock.

(12) Remedies, Characterizations, Other Obligations, Breaches and Injunctive Relief. The remedies provided in this Certificate of Designations shall be cumulative and in addition to all other remedies available under this Certificate of Designations, at law or in equity (including a decree of specific performance and/or other injunctive relief). No remedy contained herein shall be deemed a waiver of compliance with the provisions giving rise to such remedy. Nothing herein shall limit a Holder's right to pursue actual damages for any failure by the Company to comply with the terms of this Certificate of Designations. The Company covenants to each Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. Amounts set forth or provided for herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by the Holder thereof and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof).

(13) Construction. This Certificate of Designations shall be deemed to be jointly drafted by the Company and the Investors and shall not be construed against any person as the drafter hereof.

(14) Failure or Indulgence Not Waiver. No failure or delay on the part of a Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

(15) Notice. Whenever notice or other communication is required to be given under this Certificate of Designations, unless otherwise provided herein, such notice shall be given in accordance with Section 7(j) of the Exchange Agreement (provided that if the Preferred Shares are not held by the Investor then to the Holder at such address as shall have been provided to the Company in writing).

(16) Transfer of Preferred Shares. A Holder may assign some or all of the Preferred Shares and the accompanying rights hereunder held by such Holder without the consent of the Company; provided that such assignment is in compliance with applicable securities laws.

(17) Preferred Share Register. The Company shall maintain at its principal executive offices (or such other office or agency of the Company as it may designate by notice to the Holders), a register for the Preferred Shares, in which the Company shall record the name and address of the persons in whose name the Preferred Shares have been issued, as well as the name and address of each transferee. The Company may treat the person in whose name any Preferred Share is registered on the register as the owner and holder thereof for all purposes, notwithstanding any notice to the contrary, but in all events recognizing any properly made transfers.

(18) Stockholder Matters. Any stockholder action, approval or consent required, desired or otherwise sought by the Company pursuant to the rules and regulations of the Principal Market, the DGCL, this Certificate of Designations or otherwise with respect to the issuance of the Preferred Shares or the Common Stock issuable upon conversion thereof may be effected by written consent of the Company's stockholders or at a duly called meeting of the Company's stockholders to the extent permitted by and all in accordance with the applicable rules and regulations of the Principal Market and the DGCL. This provision is intended to comply with the applicable sections of the DGCL permitting stockholder action, approval and consent affected by written consent in lieu of a meeting.

The Company shall, within five (5) Trading Days of receipt of such notice, make public disclosure of such material, nonpublic information. In the event of a breach of the foregoing covenant by the Company, any of its Subsidiaries, or any of its or their respective officers, directors, employees and agents, in addition to any other remedy provided herein or in the Transaction Documents, an Investor shall have the right to make a public disclosure, in the form of a press release, public advertisement or otherwise, of such material, nonpublic information without the prior approval by the Company, its Subsidiaries, or any of its or their respective officers, directors, employees or agents. No Investor shall have any liability to the Company, its Subsidiaries, or any of its or their respective officers, directors, employees, stockholders or agents for any such disclosure. The Company and the Investors shall work together to adopt procedures designed to ensure that material non-public information is not disclosed to the Investors without its consent. Subject to the foregoing, neither the Company, its Subsidiaries nor any Investor shall issue any press releases or any other public statements with respect to the transactions contemplated hereby; provided, however, that the Company shall be entitled, without the prior approval of any Investor, to make any press release or other public disclosure with respect to such transactions (x) in substantial conformity with the 8-K Filing and contemporaneously therewith and (y) as is required by applicable law and regulations (provided that in the case of clause (y) each Investor shall be consulted by the Company in connection with any such press release or other public disclosure prior to its release). Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original, not a facsimile signature.

(d) Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

(e) Severability. (g) Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such

other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(h) No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

(i) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the holders of at least a majority of the aggregate number of Registrable Securities issued and issuable hereunder, including by way of a Fundamental Transaction (as defined in the Notes) (unless the Company is in compliance with the applicable provisions governing Fundamental Transactions set forth in the Notes, Warrants and Certificate of Designations). Each Investor may assign some or all of its rights hereunder without the consent of the Company in connection with a transfer by such Investor of any of the Securities, in which event such assignee shall be deemed to be an Investor hereunder with respect to such assigned rights.

2. **Registration.**

a. **Mandatory Registration.** The Company shall prepare, and, as soon as practicable, but in no event later than the Filing Deadline, file with the SEC the Registration Statement on Form S-3 covering the resale of all of the Registrable Securities (the date of such filing, the **Filing Date**). In the event that Form S-3 is unavailable for such a registration, the Company shall use such other form as is available for such a registration and reasonably acceptable to the Required Holders, subject to the provisions of Section 2(d). The Registration Statement prepared pursuant hereto shall register for resale at least the number of shares of Common Stock equal to the Required Registration Amount as of the Filing Date. The Registration Statement filed on the Filing Date shall contain (except if otherwise directed by the Required Holders) the Selling Stockholders and Plan of Distribution sections in substantially the form attached hereto as Exhibit B. The Company shall use its best efforts to have the Registration Statement declared effective by the SEC as soon as practicable, but in no event later than the Effectiveness Deadline. By 9:30 a.m. on the Business Day following the Effective Date, the Company shall file with the SEC in accordance with Rule 424 under the 1933 Act the final prospectus to be used in connection with sales pursuant to such Registration Statement.

b. Allocation of Registrable Securities. The initial number of Registrable Securities included in any Registration Statement and any increase in the number of Registrable Securities included therein shall be allocated pro rata among the Investors based on the number of Registrable Securities held by each Investor at the time the Registration Statement covering such initial number of Registrable Securities or increase thereof is declared effective by the SEC. In the event that an Investor sells or otherwise transfers any of such Investor's Registrable Securities, each transferee that becomes an Investor shall be allocated a pro rata portion of the then remaining number of Registrable Securities included in such Registration Statement for such transferor. Any shares of Common Stock included in a Registration Statement and which remain allocated to any Person which ceases to hold any Registrable Securities covered by such Registration Statement shall be allocated to the remaining Investors, pro rata based on the number of Registrable Securities then held by such Investors which are covered by such Registration Statement. In no event shall the Company include any securities other than Registrable Securities on any Registration Statement without the prior written consent of the Required Holders.

c. Legal Counsel. Subject to Section 5 hereof, the Required Holders shall have the right to select one legal counsel to review any registration pursuant to this Section 2 (**Legal Counsel**), which shall be Schulte Roth & Zabel LLP or such other counsel as thereafter designated by the Required Holders. The Company and Legal Counsel shall reasonably cooperate with each other in regards to the performance of the Company's obligations under this Agreement.

d. Ineligibility for Form S-3. In the event that Form S-3 is not available for the registration of the resale of Registrable Securities hereunder, the Company shall (i) register the resale of the Registrable Securities on another appropriate form reasonably acceptable to the Required Holders and (ii) undertake to register the Registrable Securities on Form S-3 as soon as such form is available, provided that the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement on Form S-3 covering the Registrable Securities has been declared effective by the SEC.

e. Sufficient Number of Shares Registered. In the event the number of shares available under a Registration Statement filed pursuant to Section 2(a) is insufficient to cover all of the Registrable Securities required to be covered by such Registration Statement or an Investor's allocated portion of the Registrable Securities pursuant to Section 2(b), the Company shall amend the applicable Registration Statement, or file a new Registration Statement (on the short form available therefor, if applicable), or both, so as to cover at least the Required Registration Amount as of the trading day immediately preceding the date of the filing of such amendment or new Registration Statement, in each case, as soon as practicable, but in any event not later than fifteen (15) days after the necessity therefor arises. The Company shall use its best efforts to cause such amendment and/or new Registration Statement to become effective as soon as practicable following the filing thereof. For purposes of the foregoing provision, the number of shares available under a Registration Statement shall be deemed insufficient to cover all of the Registrable Securities if at any time the number of shares of Common Stock available for resale under the Registration Statement is less than the product determined by multiplying (i) the Required Registration Amount as of such time by (ii) 0.90. The calculation set forth in the foregoing sentence shall be made without regard to any

limitations on the conversion of the Notes or the Preferred Shares or the exercise of the Warrants and such calculation shall assume that the Notes are then convertible into shares of Common Stock at the then prevailing Conversion Rate (as defined in the Notes), that the Preferred Shares are then convertible into shares of Common Stock at the then prevailing Conversion Rate (as defined in the Certificate of Designations (as defined in the Common Exchange Agreement)) and that the Warrants are then exercisable for shares of Common Stock at the then prevailing Exercise Price (as defined in the applicable Warrant).

f. Effect of Failure to File and Obtain and Maintain Effectiveness of Registration Statement. If (i) a Registration Statement covering all of the Registrable Securities required to be covered thereby and required to be filed by the Company pursuant to this Agreement is (A) not filed with the SEC on or before the Filing Deadline (a **Filing Failure**) or (B) filed with the SEC but not declared effective by the SEC on or before the Effectiveness Deadline (an

Effectiveness Failure) or (ii) on any day after the Effective Date sales of all of the Registrable Securities required to be included on such Registration Statement cannot be made (other than during an Allowable Grace Period (as defined in Section 3(r)) pursuant to such Registration Statement (including, without limitation, because of a failure to keep such Registration Statement effective, to disclose such information as is necessary for sales to be made pursuant to such Registration Statement, a suspension or delisting of the Common Stock on its principal trading market or exchange, or to register a sufficient number of shares of Common Stock) (a **Maintenance Failure**) then, as partial relief for the damages to any Investor by reason of any such delay in or reduction of its ability to sell the underlying shares of Common Stock (which remedy shall not be exclusive of any other remedies available at law or in equity), the Company shall pay to each Investor which holds Registrable Securities relating to such Registration Statement an amount in cash equal to two percent (2.0%) of the aggregate Purchase Price (as such term is defined in the Securities Purchase Agreement) of such Investor's Registrable Securities included in such Registration Statement on each of the following dates: (i) the day of a Filing Failure and on every thirtieth day (pro rated for periods totaling less than thirty days) after a Filing Failure until such Filing Failure is cured; (ii) the day of an Effectiveness Failure and on every thirtieth day (pro rated for periods totaling less than thirty days) after an Effectiveness Failure until such Effectiveness Failure is cured; and (iii) the initial day of a Maintenance Failure and on every thirtieth day (pro rated for periods totaling less than thirty days) after a Maintenance Failure until such Maintenance Failure is cured. The payments to which an Investor shall be entitled pursuant to this Section 2(f) are referred to herein as **Registration Delay Payments**. Registration Delay Payments shall be paid on the day of the Filing Failure, Effectiveness Failure and the initial day of a Maintenance Failure, as applicable, and thereafter on the earlier of (I) the thirtieth day after the event or failure giving rise to the Registration Delay Payments has occurred and (II) the third Business Day after the event or failure giving rise to the Registration Delay Payments is cured. In the event the Company fails to make Registration Delay Payments in a timely manner, such Registration Delay Payments shall bear interest at the rate of two percent (2.0%) per month (prorated for partial months) until paid in full. Notwithstanding anything herein or in the Securities Purchase Agreement to the contrary, (i) no Registration Delay Payments shall be due and payable with respect to the Warrants or the Warrant Shares and (ii) in no event shall the aggregate amount of Registration Delay Payments (other than Registration Delay Payments payable pursuant to events that are within the control of the Company) exceed, in the aggregate, 10% of the aggregate Purchase Price of the Notes.

3. Related Obligations.

At such time as the Company is obligated to file a Registration Statement with the SEC pursuant to Section 2(a), 2(d) or 2(e), the Company will use its best efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, pursuant thereto, the Company shall have the following obligations:

a. The Company shall promptly prepare and file with the SEC a Registration Statement with respect to the Registrable Securities and use its best efforts to cause such Registration Statement relating to the Registrable Securities to become effective as soon as practicable after such filing (but in no event later than the Effectiveness Deadline). Subject to allowable Grace Periods (as defined below), the Company shall keep each Registration Statement effective pursuant to Rule 415 at all times until the earlier of (i) the date as of which all of the Investors may sell all of the Registrable Securities covered by such Registration Statement without restriction pursuant to Rule 144(k) (or any successor thereto) promulgated under the 1933 Act or (ii) the date on which the Investors shall have sold all of the Registrable Securities covered by such Registration Statement (the **Registration Period**). The Company shall ensure that each Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein (in the case of prospectuses, in the light of the circumstances in which they were made) not misleading. The Company shall submit to the SEC, within two (2) Business Days after the later of the date that (i) the Company learns that no review of a particular Registration Statement will be made by the staff of the SEC or that the staff has no further comments on a particular Registration Statement, as the case may be, and (ii) the approval of Legal Counsel pursuant to Section 3(c) (which approval shall be sought within one day), a request for acceleration of effectiveness of such Registration Statement to a time and date not later than two (2) Business Days after the submission of such request.

b. The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to a Registration Statement and the prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the 1933 Act, as may be necessary to keep such Registration Statement effective at all times during the Registration Period, and, during such period, comply with the provisions of the 1933 Act with respect to the disposition of all Registrable Securities of the Company covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such Registration Statement. In the case of amendments and supplements to a Registration Statement which are required to be filed pursuant to this Agreement (including pursuant to this Section 3(b)) by reason of the Company filing a report on Form 10-Q, or Form 10-QSB, Form 10-K, or Form 10-KSB or any analogous report under the Securities Exchange Act of 1934, as amended (the **1934 Act**), the Company shall have incorporated such report by reference into such Registration Statement, if applicable, or shall file such amendments or supplements with the SEC on the same day on which the 1934 Act report is filed which created the requirement for the Company to amend or supplement such Registration Statement.

c. The Company shall (A) permit Legal Counsel to review and comment upon (i) a Registration Statement at least seven (7) Business Days prior to its filing with the SEC and (ii) all amendments and supplements to all Registration Statements (except for Annual Reports on Form 10-K or Form 10-KSB, Quarterly Reports on Form 10-Q or Form 10-QSB, Current Reports on Form 8-K, and any similar or successor reports) within a reasonable number of days prior to their filing with the SEC, and (B) incorporate any reasonable comments (such comments to be reasonably drafted by Legal Counsel) of Legal Counsel that are received by the Company by no later than 5:00 p.m. New York City time, two (2) Business Days prior to their filing with the SEC into any Registration Statement or amendment or supplement thereto. In the event that Legal Counsel does not provide its comments within the time provided, the Company shall not be obligated to incorporate any such comments. The Company shall not submit a request for acceleration of the effectiveness of a Registration Statement without the prior approval of Legal Counsel, which consent shall not be unreasonably withheld and shall be provided within two (2) Business Days of the Company's written request for such approval; provided, that, if such approval is not provided within such two (2) Business Day period, the Effectiveness Deadline shall be extended until such time as such approval is provided by Legal Counsel. The Company shall furnish to Legal Counsel, without charge, (i) copies of any correspondence from the SEC or the staff of the SEC to the Company or its representatives relating to any Registration Statement, (ii) promptly after the same is prepared and filed with the SEC, one copy of any Registration Statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference, if requested by an Investor, and all exhibits and (iii) upon the effectiveness of any Registration Statement, one copy of the prospectus included in such Registration Statement and all amendments and supplements thereto. The Company shall reasonably cooperate with Legal Counsel in performing the Company's obligations pursuant to this Section 3.

d. The Company shall furnish to each Investor whose Registrable Securities are included in any Registration Statement, without charge, (i) promptly after the same is prepared and filed with the SEC, at least one copy of such Registration Statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference, if requested by an Investor, all exhibits and each preliminary prospectus, (ii) upon the effectiveness of any Registration Statement, ten (10) copies of the prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as such Investor may reasonably request) and (iii) such other documents, including copies of any preliminary or final prospectus, as such Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by such Investor.

e. The Company shall use its best efforts to (i) register and qualify, unless an exemption from registration and qualification applies, the resale by Investors of the Registrable Securities covered by a Registration Statement under such other securities or blue sky laws of all applicable jurisdictions in the United States, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for

sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(e), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify Legal Counsel and each Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or blue sky laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

f. The Company shall notify Legal Counsel and each Investor in writing of the happening of any event, as promptly as practicable after becoming aware of such event, as a result of which the prospectus included in a Registration Statement, as then in effect, includes an untrue statement of a material fact or omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (provided that in no event shall such notice contain any material, nonpublic information), and, subject to Section 3(r), promptly prepare a supplement or amendment to such Registration Statement to correct such untrue statement or omission and deliver ten (10) copies of such supplement or amendment to Legal Counsel and each Investor (or such other number of copies as Legal Counsel or such Investor may reasonably request). The Company shall also promptly notify Legal Counsel and each Investor in writing (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when a Registration Statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to Legal Counsel and each Investor by facsimile or e-mail on the same day of such effectiveness and by overnight mail), (ii) of any request by the SEC for amendments or supplements to a Registration Statement or related prospectus or related information, and (iii) of the Company's reasonable determination that a post-effective amendment to a Registration Statement is appropriate.

g. The Company shall use its best efforts to prevent the issuance of any stop order or other suspension of effectiveness of a Registration Statement, or the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify Legal Counsel and each Investor who holds Registrable Securities being sold of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

h. If any Investor may be required under applicable securities law to be described in the Registration Statement as an underwriter, at the reasonable request of such Investor, the Company shall furnish to such Investor, on the date of the effectiveness of the Registration Statement and thereafter from time to time on such dates as an Investor may reasonably request (i) a letter, dated such date, from the Company's independent certified public accountants in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to such Investor, and (ii) an opinion, dated as of such date, of counsel representing the Company for purposes of such Registration Statement, in form, scope and substance as is customarily given in an underwritten public offering, addressed to the Investors.

i. If any Investor may be required under applicable securities law to be described in the Registration Statement as an underwriter, the Company shall make available for inspection by (i) any such Investor, (ii) Legal Counsel and (iii) one firm of accountants or other agents retained by the Investors (collectively, the **Inspectors**), all pertinent financial and other records, and pertinent corporate documents and properties of the Company (collectively, the **Records**), as shall be reasonably deemed necessary by each Inspector, and cause the Company's officers, directors and employees to supply all information which any Inspector may reasonably request; provided, however, that each Inspector shall agree in writing to hold in strict confidence and not to make any disclosure (except to such Investor) or use of any Record or other information which the Company determines in good faith to be confidential, and of which determination the Inspectors are so notified, unless (a) the disclosure of such Records is necessary to avoid or correct a misstatement or omission in any Registration Statement or is otherwise required under the 1933 Act, (b) the release of such Records is ordered pursuant to a final, non-appealable subpoena or order from a court or government body of competent jurisdiction, or (c) the information in such Records has been made generally available to the public other than by disclosure in violation of this or any other Transaction Document or any confidentiality agreement entered into among the parties hereto. Each Investor agrees that it shall, upon learning that disclosure of such Records is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt notice to the Company and allow the Company, at its expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, the Records deemed confidential. Nothing herein (or in any other confidentiality agreement between the Company and any Investor) shall be deemed to limit the Investors' ability to sell Registrable Securities in a manner which is otherwise consistent with applicable laws and regulations.

j. The Company shall hold in confidence and not make any disclosure of information concerning an Investor provided to the Company unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement, (iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or (iv) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other Transaction Document. The Company agrees that it shall, upon learning that disclosure of such information concerning an Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to such Investor and allow such Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, such information.

k. The Company shall use its best efforts either to (i) cause all of the Registrable Securities covered by a Registration Statement to be listed on each securities exchange on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange, or (ii) secure designation and quotation of all of the Registrable Securities covered by a Registration Statement on The NASDAQ Global Market, or (iii) if, despite the Company's best efforts to satisfy the preceding clauses (i) and (ii) the Company is unsuccessful in satisfying the preceding clauses (i) and (ii), to secure the inclusion for quotation on The

NASDAQ Capital Market for such Registrable Securities and, without limiting the generality of the foregoing, to use its best efforts to arrange for at least two market makers to register with the National Association of Securities Dealers, Inc. (**NASD**) as such with respect to such Registrable Securities. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3(k).

l. The Company shall cooperate with the Investors who hold Registrable Securities being offered and, to the extent applicable, facilitate the timely preparation and delivery of certificates (not bearing any restrictive legend after such time as a Registration Statement covering such Registrable Securities is effective) representing the Registrable Securities to be offered pursuant to a Registration Statement and enable such certificates to be in such denominations or amounts, as the case may be, as the Investors may reasonably request and registered in such names as the Investors may request.

m. If requested by an Investor, the Company shall as soon as practicable (i) incorporate in a prospectus supplement or post-effective amendment such information as an Investor reasonably requests to be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being offered or sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities to be sold in such offering; (ii) make all required filings of such prospectus supplement or post-effective amendment after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make appropriate and reasonable amendments to any Registration Statement if reasonably requested by an Investor holding any Registrable Securities.

n. The Company shall use its best efforts to cause the Registrable Securities covered by a Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

o. The Company shall make generally available to its security holders as soon as practical, but not later than ninety (90) days after the close of the period covered thereby, an earnings statement (in form complying with, and in the manner provided by, the provisions of Rule 158 under the 1933 Act) covering a twelve-month period beginning not later than the first day of the Company's fiscal quarter next following the Effective Date of the Registration Statement.

p. The Company shall otherwise use its best efforts to comply with all applicable rules and regulations of the SEC in connection with any registration hereunder.

q. Within two (2) Business Days after a Registration Statement which covers Registrable Securities is declared effective by the SEC, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investors whose Registrable Securities are included in such Registration Statement) confirmation that such Registration Statement has been declared effective by the SEC substantially in the form attached hereto as Exhibit A.

r. Notwithstanding anything to the contrary herein, at any time after the Effective Date, the Company may delay the disclosure of material, non-public information concerning the Company the disclosure of which at the time is not, in the good faith opinion of the Board of Directors of the Company, in the best interest of the Company and, in the opinion of counsel to the Company, otherwise required (a **Grace Period**); provided, that the Company shall promptly (i) notify the Investors in writing of the existence of material, non-public information giving rise to a Grace Period (provided that in each notice the Company will not disclose the content of such material, non-public information to the Investors) and the date on which the Grace Period will begin, and (ii) notify the Investors in writing of the date on which the Grace Period ends; and, provided further, that no Grace Period shall exceed five (5) consecutive Business Days and during any three hundred sixty five (365) day period such Grace Periods shall not exceed an aggregate of twenty (20) Business Days and the first day of any Grace Period must be at least five (5) trading days after the last day of any prior Grace Period (each, an **Allowable Grace Period**). For purposes of determining the length of a Grace Period above, the Grace Period shall begin on and include the date the Investors receive the notice referred to in clause (i) and shall end on and include the later of the date the Investors receive the notice referred to in clause (ii) and the date referred to in such notice. The provisions of Section 3(f) hereof shall not be applicable during the period of any Allowable Grace Period. Upon expiration of the Grace Period, the Company shall again be bound by the first sentence of Section 3(f) with respect to the information giving rise thereto unless such material, non-public information is no longer applicable. Notwithstanding anything to the contrary, the Company shall cause its transfer agent to deliver unlegended shares of Common Stock to a transferee of an Investor in accordance with the terms of the Securities Purchase Agreement in connection with any sale of Registrable Securities with respect to which an Investor has entered into a contract for sale, and delivered a copy of the prospectus included as part of the applicable Registration Statement (unless an exemption from such prospectus delivery requirement exists), prior to the Investor's receipt of the notice of a Grace Period and for which the Investor has not yet settled.

4. Obligations of the Investors.

a. At least seven (7) Business Days prior to the first anticipated filing date of a Registration Statement, the Company shall notify each Investor in writing of the information the Company requires from each such Investor if such Investor elects to have any of such Investor's Registrable Securities included in such Registration Statement and such Investor shall furnish such information by no later than 5:00 p.m. New York City time at least three (3) Business Days prior to the intended filing date. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities of a particular Investor that such Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect and maintain the effectiveness of the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

b. Each Investor, by such Investor's acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection

with the preparation and filing of any Registration Statement hereunder, unless such Investor has notified the Company in writing of such Investor's election to exclude all of such Investor's Registrable Securities from such Registration Statement.

c. Each Investor agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(g) or the first sentence of 3(f), such Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until such Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(g) or the first sentence of 3(f) or receipt of notice that no supplement or amendment is required. Notwithstanding anything to the contrary, the Company shall cause its transfer agent to deliver unlegended shares of Common Stock to a transferee of an Investor in accordance with the terms of the Securities Purchase Agreement in connection with any sale of Registrable Securities with respect to which an Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(g) or the first sentence of 3(f) and for which the Investor has not yet settled.

d. Each Investor covenants and agrees that it will comply with the prospectus delivery requirements of the 1933 Act as applicable to it in connection with sales of Registrable Securities pursuant to the Registration Statement.

5. Expenses of Registration.

All reasonable expenses, other than underwriting discounts and commissions, incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, and fees and disbursements of counsel for the Company shall be paid by the Company. The Company shall also reimburse the Investors for the fees and disbursements of Legal Counsel in connection with registration, filing or qualification pursuant to Sections 2 and 3 of this Agreement which amount shall be limited to \$15,000.

6. Indemnification.

In the event any Registrable Securities are included in a Registration Statement under this Agreement:

a. To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend each Investor, the directors, officers, members, partners, employees, agents, representatives of, and each Person, if any, who controls, any Investor within the meaning of the 1933 Act or the 1934 Act (each, an **Indemnified Person**), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, reasonable attorneys' fees, amounts paid in settlement or expenses, joint or several, (collectively, **Claims**) incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or

threatened, whether or not an indemnified party is or may be a party thereto (**Indemnified Damages**), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in a Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other blue sky laws of any jurisdiction in which Registrable Securities are offered (**Blue Sky Filing**), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus if used prior to the effective date of such Registration Statement, or contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, (iii) any violation or alleged violation by the Company of the 1933 Act, the 1934 Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to a Registration Statement or (iv) any violation of this Agreement (the matters in the foregoing clauses (i) through (iv) being, collectively, **Violations**). Subject to Section 6(c), the Company shall reimburse the Indemnified Persons, promptly as such expenses are incurred and are due and payable, for any legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by such Indemnified Person for such Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto if such prospectus was timely made available by the Company pursuant to section 3(a) and (ii) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of the Registrable Securities by the Investors pursuant to Section 9.

b. In connection with any Registration Statement in which an Investor is participating, each such Investor agrees to severally and not jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of the Company's directors, each of the Company's officers who signs the Registration Statement and each Person, if any, who controls the Company within the meaning of the 1933 Act or the 1934 Act (each, an **Indemnified Party**), against any Claim or Indemnified Damages to which any of them may become subject, under the 1933 Act, the 1934 Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information furnished to the Company by such Investor expressly for use in connection with such Registration Statement; and, subject to Section 6(c), such Investor will reimburse any legal or other expenses reasonably incurred by an Indemnified Party in connection with investigating or defending any such Claim; provided,

however, that the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of such Investor, which consent shall not be unreasonably withheld or delayed; provided, further, however, that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of the Registrable Securities by the Investors pursuant to Section 9.

c. Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses of not more than one counsel for such Indemnified Person or Indemnified Party to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. In the case of an Indemnified Person, legal counsel referred to in the immediately preceding sentence shall be selected by the Investors holding at least a majority in interest of the Registrable Securities included in the Registration Statement to which the Claim relates. The Indemnified Party or Indemnified Person shall cooperate reasonably with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, Claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such Claim or litigation, and such settlement shall not include any admission as to fault on the part of the Indemnified Party. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made.

The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

d. No Person involved in the sale of Registrable Securities who is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such sale shall be entitled to indemnification from any Person involved in such sale of Registrable Securities who is not guilty of fraudulent misrepresentation.

e. The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

f. The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

7. Contribution.

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no contribution shall be made under circumstances where the indemnifying party would not have been liable for indemnification under the fault standards set forth in Section 6 of this Agreement, (ii) no Person involved in the sale of Registrable Securities which Person is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) in connection with such sale shall be entitled to contribution from any Person involved in such sale of Registrable Securities who was not guilty of fraudulent misrepresentation; and (iii) contribution by any Investor which sells Registrable Securities shall be limited in amount to the net amount of proceeds received by such Investor from the sale of such Registrable Securities pursuant to such Registration Statement.

8. Reports Under the 1934 Act.

With a view to making available to the Investors the benefits of Rule 144 promulgated under the 1933 Act or any other similar rule or regulation of the SEC that may at any time permit the Investors to sell securities of the Company to the public without registration (**Rule 144**), the Company agrees to:

- a. make and keep public information available, as those terms are understood and defined in Rule 144;
- b. file with the SEC in a timely manner all reports and other documents required of the Company under the 1933 Act and the 1934 Act so long as the Company remains subject to such requirements (it being understood that nothing herein shall limit the

Company's obligations under Section 4(c) of the Securities Purchase Agreement) and the filing of such reports and other documents is required for the applicable provisions of Rule 144; and

c. furnish to each Investor so long as such Investor owns Registrable Securities, promptly upon request, (i) a written statement by the Company, if true, that it has complied with the reporting requirements of Rule 144, the 1933 Act and the 1934 Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company if such reports are not publicly available via EDGAR, and (iii) such other information as may be reasonably requested to permit the Investors to sell such securities pursuant to Rule 144 without registration.

9. Assignment of Registration Rights.

The rights under this Agreement shall be automatically assignable by the Investors to any transferee of all or any portion of such Investor's Registrable Securities if: (i) the Investor agrees in writing with the transferee or assignee to assign such rights, and a copy of such agreement is furnished to the Company within a reasonable time after such assignment; (ii) the Company is, within a reasonable time after such transfer or assignment, furnished with written notice of (a) the name and address of such transferee or assignee, and (b) the securities with respect to which such registration rights are being transferred or assigned; (iii) immediately following such transfer or assignment the further disposition of such securities by the transferee or assignee is restricted under the 1933 Act or applicable state securities laws; (iv) at or before the time the Company receives the written notice contemplated by clause (ii) of this sentence the transferee or assignee agrees in writing with the Company to be bound by all of the provisions contained herein; and (v) such transfer shall have been made in accordance with the applicable requirements of the Securities Purchase Agreement.

10. Amendment of Registration Rights.

Provisions of this Agreement may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the written consent of the Company and the Required Holders. Any amendment or waiver effected in accordance with this Section 10 shall be binding upon each Investor and the Company. No such amendment shall be effective to the extent that it applies to less than all of the holders of the Registrable Securities. No consideration shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of any of this Agreement unless the same consideration also is offered to all of the parties to this Agreement.

11. Miscellaneous.

a. A Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the record owner of such Registrable Securities.

b. Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing and will be deemed

to have been delivered: (i) upon receipt, when delivered personally; (ii) upon receipt, when sent by facsimile or email (provided confirmation of transmission is mechanically or electronically generated and kept on file by the sending party); or (iii) one Business Day after deposit with a nationally recognized overnight delivery service, in each case properly addressed to the party to receive the same. c. Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof.

d. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

e. This Agreement, the other Transaction Documents (as defined in the Securities Purchase Agreement) and the instruments referenced herein and therein constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein and therein. This Agreement, the other Transaction Documents and

the instruments referenced herein and therein supersede all prior agreements and understandings among the parties hereto with respect to the subject matter hereof and thereof.

f. Subject to the requirements of Section 9, this Agreement shall inure to the benefit of and be binding upon the permitted successors and assigns of each of the parties hereto.

g. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

h. This Agreement may be executed in identical counterparts, each of which shall be deemed an original but all of which shall constitute one and the same agreement. This Agreement, once executed by a party, may be delivered to the other party hereto by facsimile transmission of a copy of this Agreement bearing the signature of the party so delivering this Agreement.

i. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.
