To Be Held on September 29, 2005

GENERAL INFORMATION

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors of The Stephan Co. (the

Edgar Filing: STEPHAN CO - Form DEF 14A

"Company"), a Florida corporation, for use at its Annual Meeting of Stockholders to be held on September 29, 2005 and at any adjournment(s) thereof (the "Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Meeting is to be held at the Courtyard Marriott Hotel, 2440 W. Cypress Creek Rd., Ft. Lauderdale, FL 33309 at 10:00 A.M., local time.

The principal executive offices of the Company are located at 1850 West McNab Road, Fort Lauderdale, Florida 33309 (telephone no. 954-971-0600). The enclosed proxy card and this proxy statement are being first sent to stockholders of the Company on or about September 9, 2005. You should review this information in conjunction with our Annual Report to shareholders which accompanies this proxy statement.

Quorum; Required Votes; Solicitation and Revocation.

Proxies in the form enclosed are being solicited by, and on behalf of, the Company's Board of Directors. The persons named in the accompanying proxy have been designated as proxies by the Board of Directors. If a quorum, consisting of the presence (in person or by proxy) of holders of a majority of the outstanding shares of common stock, \$.01 par value, of the Company (the "Common Stock"), exists at the Meeting, (i) the one Class I director, the four Class II directors and the two Class III directors shall be elected by the plurality vote of the shares of Common Stock cast at the Meeting; and (ii) approval of any other matters that may properly come before the Meeting shall, subject to applicable Florida law, be approved if the number of votes cast in favor of the matter at the Meeting exceeds the number of votes cast opposing such matter at the Meeting. With regard to the election of the Class I, the Class II directors and Class III directors, votes may be cast in favor of, or withheld from, any or all nominees. Votes that are withheld with respect to this matter will be excluded entirely from, and will have no effect on the outcome of, the vote.

If less than a majority of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

-2-

Shares represented by properly executed proxies received by the Company will be voted at the Meeting in the manner specified thereon or, if no specification is so made, will be voted "FOR" the election of the one Class I, four Class II and two Class III nominees for director named herein. Proxies solicited by the Board of Directors will be voted for the election of the one Class I, four Class II and two Class III nominees named herein, each to serve until the expiration of his term, or until his successor has been duly elected and qualified. Abstentions and Broker Shares that are voted on any matter will be included in determining the existence of a quorum. Neither abstentions nor non-voted Broker Shares will have any effect on the election of nominees for director.

Edgar Filing: STEPHAN CO - Form DEF 14A

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The recommendation of the board of directors is set forth with the description of each proposal in this proxy statement. In summary, the board of directors recommends a vote for the election of the nominated slate of directors. In the event that any other matters are properly presented for action at the Meeting, the persons named in the enclosed proxy will vote the proxies (which confer authority upon them to vote on any such matters) in accordance with the recommendations of our Board of Directors. Any proxy given pursuant to this solicitation may be revoked by the record stockholder at any time before it is exercised by written notification delivered to the Secretary of the Company, by voting in person at the Meeting, or by duly executing and delivering another proxy bearing a later date. Attendance by a stockholder at the Meeting does not alone serve to revoke his or her proxy.

The solicitation of proxies will be made primarily by mail but, in addition, may be made by directors, officers and employees of the Company personally or by telephone or telegraph, without extra compensation therefor. Brokers, nominees and fiduciaries will be reimbursed for their out-of-pocket and clerical expenses in transmitting proxies and any related material to beneficial owners. The costs of soliciting proxies will be borne by the Company. It is estimated that these costs will be nominal.

The Company's Annual Report to Stockholders for the fiscal year ended December 31, 2004, which contains audited financial statements, is being mailed with this proxy statement to all stockholders of record as of the close of business on August 25, 2005. Additional copies of the Annual Report will be provided, free of charge, upon written request to the Company, at 1850 West McNab Road, Fort Lauderdale, Florida 33309, Attn.: Secretary.

PROPOSAL I: ELECTION OF DIRECTORS

Edgar Filing: STEPHAN CO - Form DEF 14A

Directors are elected on a staggered basis, with each class generally standing for election for a three-year term. As a result of the Company's failure to hold an annual meeting of stockholders since September 2000, Class I, Class II and Class III directors are being elected at the Meeting. The Class I directors elected at the Meeting will have terms that expire in 2006, Class II directors elected at the Meeting will have terms that expire in 2007 and the Class III directors elected at the Meeting will have terms that expire in 2008. The Company's By-Laws provide that the number of directors shall be set from time to time by resolution of the Board of Directors and must be a minimum of one. The Board of Directors has set the size of the Board at seven members.

Each of the nominees listed below has consented to being named in this proxy statement and to serving as a director if elected. In the event that any nominee becomes unable to or will not serve, it is intended that proxies will be voted for substitute Class I, Class II and/or Class III nominee(s), as applicable, designated by the current Board of Directors. The Company has no reason to believe that any of the named nominees will be unable or unwilling to stand for election. Messrs. Frank Ferola, Curtis Carlson and Shouky Shaheen were elected at the Company's 2000 annual meeting. Messrs. William Gross and Richard Barone were appointed by the Board as vacancies occurred. Messrs. Elliot Ross and David Pawl were nominated by the Nominating Committee pursuant to recommendations received from a shareholder of the Company.

At the Meeting, shares of Common Stock represented by proxies will, unless otherwise specified thereon, be voted FOR the election of each of the Class I, Class II and Class III nominees listed herein. Proxies may not be voted for a greater number of persons than the one Class I, four Class II and two Class III nominees named herein. Directors will be elected by a plurality of the votes cast, in person or by proxy, by the holders of shares of Common Stock at the Meeting (assuming a quorum exists).

The Audit Committee is governed by the Company's Audit Committee Charter, a copy of which is attached to this proxy statement as Appendix "A". The Board of Directors of the Company has determined that the current composition of the Audit Committee satisfies the American Stock Exchange's requirements regarding the independence, financial literacy and experience. Further, Mr. Ferola's employment agreement provides that he will receive stock options with five year terms, under the 1990 Key Employee Stock Incentive Plan or under a substitute plan, on each anniversary date of the agreement of not less than 50,000 shares based on the closing price of the stock on the last business day before the anniversary date.

Compensation Committee Interlocks and Insider Participation

Shouky Shaheen, John DePinto, and Leonard Genovese served on the Compensation Committee in 2004. In fiscal year 2004 the Company paid \$273,000 in rent to Shaheen & Co., Inc., a corporation in which Shouky A. Shaheen is a majority owner, for a building the Company leases in Danville, Illinois. On May 4, 2005, the Company entered into a Second Amendment of Lease Agreement for the Danville, IL facility which, among other things, increases the annual rental to \$302,780.

Report of the Compensation Committee on Executive Compensation

The following Report on Executive Compensation does not constitute soliciting material and should not be deemed filed or incorporated by reference in any other filing by us under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this report or the performance graph by reference therein.

The Compensation Committee is composed entirely of independent directors. The Compensation Committee reviews the base salaries of our employees (as well as our executive officers) on an annual basis, considering factors such as corporate progress toward achieving objectives (without reference to any specific performance-related targets) and individual performance experience and expertise. The Compensation Committee has primary responsibility for the administration of the Company's 1990 Key Employee Stock Incentive Plan (the "Incentive Plan"), including principal responsibility for the granting of

options thereunder. The Compensation Committee is also responsible for establishing the overall philosophy of the Company's executive compensation program and overseeing the executive compensation plan developed to execute the Company's compensation strategy.

Compensation Strategy

The Company's executive compensation program has been designed to (i) align executive compensation with stockholder interests, (ii) attract, retain and motivate a highly competent executive team, (iii) link compensation to individual and Company performance and (iv) achieve a balance between incentives for short-term and long-term performance and results. The Company's executive compensation package consists of the payment of base salary, potential annual bonus and stock options awarded through participation in the Incentive Plan. The Compensation Committee reviews annually the compensation to be paid to the Company's executive officers. In making such review, the Compensation Committee evaluates information supplied by management. The Compensation Committee also participates in the negotiation of employment contracts, including provisions for salary and bonuses, with the Company's executive officers. Currently, pursuant to the Company's employment agreements with certain of its executive officers, each such executive officer receives a fixed annual base salary and certain of such executive officers are entitled to receive a bonus amount determined by a formula based on certain increases in the Company's earnings per share for each fiscal year during the term of the agreement.

Base Salary

Base salary for executive officers is determined by the terms of written employment agreements between the Company and such officers. The Compensation Committee's policy is to negotiate salaries in relation to industry norms, the principal job duties and responsibilities undertaken by such executives, individual performance and other relevant criteria. A base salary comparison for the Company's Chief Executive Officer was made to a group of public companies that the Compensation Committee believes provides a meaningful comparison to the Company. Several of these companies are included in the custom composite of companies in the Standard & Poor's Midcap Consumer Products Index. The base salary paid to the Company's Chief Executive Officer for fiscal year 2004 was in the middle of the range of base salary paid by such companies.

Annual Bonus

Annual bonuses for the Chief Executive Officer and other executive officers may be determined by specific bonus formulae set forth in written employment agreements between the Company and such officers. Currently, only the Chief Executive Officer is eligible to receive such a bonus (see EXECUTIVE COMPENSATION section of this Proxy Statement). Other executives are paid bonuses at the discretion of the Compensation Committee.

Stock Options

Long-term incentive compensation of executives is granted through participation in the Incentive Plan. The Incentive Plan permits the Company to grant stock options to executive officers at a price not less than 100% of the fair market value of the Common Stock on the date of the grant. In addition to

Edgar Filing: STEPHAN CO - Form DEF 14A

any obligations pursuant to executive officers' employment agreements, stock options may be granted, in the Compensation Committee's discretion, to executive officers based upon its appraisal of the ability of such executive officers to influence the long-term growth and profitability of the Company. The Compensation Committee believes that providing a portion of the executive's annual incentive compensation in the form of stock options encourages the officers to share with the Company's stockholders the goals of increasing the value of the Company's stock and contributing to the success of the Company.

Compensation Committee's Actions for Fiscal Year 2004

After various informal meetings during 2004, the Compensation Committee did not award any discretionary stock options to any key employees and did not grant any discretionary salary increases or award any bonuses. Options and bonus were granted only pursuant to Mr. Ferola's employment agreement.

The Chief Executive Officer Compensation

As set forth in more detail herein, the Compensation Committee approved an employment agreement on January 1, 1997 for Mr. Frank F. Ferola that was renewed for successive terms until December 31, 2008. Based on the earnings formula described therein, Mr. Ferola received annual bonus(es) and stock options as shown in the EXECUTIVE COMPENSATION section of this Proxy Statement.

Section 162(m) Compliance

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a tax deduction to a public company for compensation over \$1 million annually paid to its chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met. The Compensation Committee's current policy is to structure the performance-based portion of the compensation of the Company's executive officers (currently consisting of stock option grants and cash bonuses) in a manner that complies with Section 162(m) of the Code whenever practicable and appropriate in the judgment of the Compensation Committee.
