PROXY STATEMENT

Solicitation of Proxies

The accompanying Proxy is solicited on behalf of the Board of Directors of Clearfield, Inc. (“we,” “Clearfield” or the “Company”) for use at the Annual Meeting of Shareholders to be held on February 21, 2019, at 2:00 p.m. (local time) at the Minneapolis Marriott Northwest, 7025 Northland Drive North, Brooklyn Park, MN 55428, and at any postponements or adjournments thereof (the “Annual Meeting”). The mailing of this proxy statement to our shareholders commenced on or about January 8, 2019.

Cost and Method of Solicitation

This solicitation of proxies to be voted at the Annual Meeting is being made by our Board of Directors. The cost of this solicitation of proxies will be borne by us. In addition to solicitation by mail, our officers, directors and employees may solicit proxies by telephone or in person. We may also request banks, brokers and other nominees to solicit their customers who have a beneficial interest in our common stock registered in the names of nominees and will reimburse such banks, brokers or nominees for their reasonable out-of-pocket expenses.

Voting

The total number of shares outstanding and entitled to vote at the Annual Meeting as of December 26, 2018 consisted of 13,645,144 shares of common stock, \$0.01 par value. Each share of common stock is entitled to one vote. Only shareholders of record at the close of business on December 26, 2018 will be entitled to vote at the Annual Meeting.

All shareholders are cordially invited to attend the Annual Meeting in person. Whether or not you expect to attend the Annual Meeting, please complete, date, sign and return the enclosed proxy as promptly as possible (or follow instructions to grant a proxy to vote by means of telephone or internet) in order to ensure your representation at the Annual Meeting. A return envelope (which is postage prepaid if mailed in the United States) is enclosed for that purpose. Even if you have given your proxy, you may still vote in person if you attend the Annual Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the Annual Meeting, you must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares. Additionally, in order to vote at the Annual Meeting, you must obtain from the record holder a proxy issued in your name.

Differences Between Shareholder of Record and Beneficial Owners

You are a shareholder of record if at the close of business on the record date your shares were registered directly in your name with Wells Fargo Shareowner Services, our transfer agent.

You are a beneficial owner if at the close of business on the record date your shares were held by a bank, brokerage firm or other nominee and not in your name. Being a beneficial owner means that, like many of our shareholders, your shares are held in "street name." As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares by following the voting instructions your broker or other nominee provides. If you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee will not be able to vote your shares with respect to any proposal except for Proposal 3: Appointment of Independent Auditors being presented to shareholders at the Annual Meeting.

Record holders should review the additional information below under “Casting Your Vote as a Record Holder.”

Street name holders should review the additional information below under “Casting Your Vote as a Street Name Holder.”

Quorum and Voting Requirements

A quorum, consisting of a majority of the shares of common stock entitled to vote at the Annual Meeting, must be present, in person or by proxy, before action may be taken at the Annual Meeting.

Proposal 1 relates to the election of directors. Directors are elected by a plurality of the votes cast at the Annual Meeting by holders of common stock voting for the election of directors. This means that since shareholders will be electing six directors, the six nominees receiving the highest number of votes will be elected. You may either vote “FOR” or “WITHHOLD” authority to vote for each nominee for the Board of Directors. If you withhold authority to vote for the election of one of the directors, it has the same effect as a vote against that director.

The affirmative vote of the holders of the majority of the shares present, in person or by proxy, and entitled to vote is required for approval of Proposal 2: Advisory Vote on Named Executive Officer Compensation. You may vote “FOR,” “AGAINST” or “ABSTAIN” on Proposal 2.

The affirmative vote of the holders of the majority of the shares present, in person or by proxy, and entitled to vote is required for approval of Proposal 3: Appointment of Independent Auditors. You may vote “FOR,” “AGAINST” or “ABSTAIN” on Proposal 3.

Abstentions will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but are not counted for the purposes of determining whether shareholders have approved that matter. Therefore, if you abstain from voting on Proposal 2 or Proposal 3, it has the same effect as a vote against that proposal. A “broker non-vote” occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to a particular proposal. Thus, a broker non-vote will not affect the outcome of the vote on Proposal 1: Election of Directors or Proposal 3: Appointment of Independent Auditors.

So far as our management is aware, no matters other than those described in this proxy statement will be acted upon at the Annual Meeting. In the event that any other matters properly come before the Annual Meeting calling for a vote of shareholders, the persons named as proxies in the enclosed form of proxy will vote in accordance with their best judgment on such other matters.

Casting Your Vote as a Record Holder

If you are the shareholder of record of your shares and you do not vote by proxy card, by telephone, via the Internet or in person at the Annual Meeting, your shares will not be voted at the Annual Meeting. If you are a record holder and you vote your shares, the individuals named on the proxy card will vote your shares as you have directed. If you just sign and submit your proxy without voting instructions, your shares will be voted "FOR" each director nominee identified in Proposal 1, "FOR" Proposal 2 and "FOR" Proposal 3.

Casting Your Vote as a Street Name Holder

If you are a street name holder and you do not vote by proxy card, by telephone, via the Internet or in person at the Annual Meeting, your broker or nominee may vote your shares only on those proposals on which it has discretion to vote. Your broker is entitled to vote in its discretion on Proposal 3: Appointment of Independent Auditors.

If you hold your shares in street name and do not vote or do not provide voting instructions to your broker or nominee, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote. This is sometimes called a "broker non-vote." Brokers and nominees do not have discretionary authority to vote on Proposal 1: Election of Directors or Proposal 2: Advisory Vote on Named Executive Officer Compensation.

As a result, if you hold your shares in street name and do not vote or do not provide voting instructions to your broker or nominee, no votes will be cast on your behalf on Proposal 1 or Proposal 2. Because of these broker voting rules, all street name holders are urged to provide instructions to their brokers or nominees on how to vote their shares at the Annual Meeting.

Make your vote count! Instruct your broker how to cast your vote!

If you hold your shares in street name, your broker will continue to have discretion to vote any uninstructed shares on Proposal 3: Appointment of Independent Auditors.

Revoking a Proxy

You may change your vote and revoke your proxy at any time before it is voted by:

· Sending a written statement to that effect to the Secretary of Clearfield, Inc.;

· Submitting a properly signed proxy card with a later date;

If you voted by telephone or through the Internet, by voting again either by telephone or through the Internet prior to the close of the voting facility; or

· Voting in person at the Annual Meeting.

All shares represented by valid, unrevoked proxies will be voted at the Annual Meeting and any adjournment(s) or postponement(s) thereof. Our principal offices are located at 7050 Winnetka Avenue North, Suite 100, Brooklyn Park, Minnesota 55428, and our telephone number is (763) 476-6866.

Annual Meeting and Special Meetings; Bylaw Amendments

This 2019 Annual Meeting of Shareholders is a regular meeting of our shareholders and has been called by our Board of Directors in accordance with our bylaws as amended. Under the bylaws, special meetings of our shareholders may be held at any time and for any purpose and may be called by our Chief Executive Officer, Chief Financial Officer, any two directors or by a shareholder or shareholders holding 10% or more of shares entitled to vote, except that a special meeting for the purpose of considering any action to directly or indirectly facilitate or affect a business combination, including any action to change or otherwise affect the composition of the Board of Directors for that purpose, must be called by 25% or more of the shares entitled to vote. We will not accept, and shall consider ineffective, a written demand from a shareholder to call a special meeting that does not meet the requirements of Section 2.04-b of our bylaws.

The bylaws contain advance notice requirements relating to director nominations by shareholders and shareholder proposals. For more information, please review the section of this proxy statement entitled “Shareholder Proposals and Shareholder Nominees for 2020 Annual Meeting.”

The bylaws may be amended or altered by an action of the Board of Directors at any meeting. The authority of the Board is subject to the power of our shareholders, exercisable in the manner provided by Minnesota law, to adopt or amend, repeal bylaws adopted, amended, or repealed by the Board. Additionally, under the bylaws the Board may not make or alter any bylaws fixing a quorum for meetings of shareholders, prescribing procedures for removing directors or filling vacancies in the Board of Directors, or fixing the number of directors or their classifications, qualifications, or terms of office.

PROPOSAL 1:
ELECTION OF DIRECTORS

Six directors will be elected at the Annual Meeting to serve until the next Annual Meeting of Shareholders or until their successors have been elected and shall qualify. Proxies cannot be voted for a greater number of persons than the number of nominees named. Pursuant to our bylaws, the authorized number of directors is set at six and the Board of Directors has nominated for election the six persons named below. Each nominee is currently a director of Clearfield. All nominees were elected by the shareholders at our 2018 Annual Meeting of Shareholders.

The persons named in the accompanying proxy card intend to vote the proxies held by them in favor of the nominees named below as directors, unless otherwise directed. Should any nominee for director become unable to serve as a director for any reason, the proxies have indicated they will vote for such other nominee as the Board of Directors may propose. The Board of Directors has no reason to believe that any candidate will be unable to serve if elected and each has consented to being named a nominee.

We know of no arrangements or understandings between a director or nominee and any other person pursuant to which he or she has been selected as a director or nominee. There is no family relationship between any of the nominees, our directors or our executive officers except that Ms. Beranek and Mr. Hill are related through the marriage of their daughter and son, respectively.

Information Regarding Nominees

Set forth below is biographical and other information with respect to each nominee, as well as a discussion of the specific experience, qualifications, attributes and skills that led to the conclusion that the nominee should serve as a director of Clearfield at this time.

Cheryl Beranek, age 56, has served as our director since 2007. Ms. Beranek has also served as our President and Chief Executive Officer since June 2007. From July 2003 to June 2007, Ms. Beranek served as President of our former subsidiary, APA Cables and Networks. Prior to joining the Company, Ms. Beranek was President of Americable from 2002 until July 2003, when we acquired Americable. She also served as the Chief Operating Officer of Americable in 2001 and 2002. Ms. Beranek holds a Bachelor of Science degree from Southwest Minnesota State University and a Master's of Science degree from North Dakota State University.

Ms. Beranek is qualified to serve on the Clearfield Board of Directors because she brings to the Board a keen understanding of our business and industry developed through her tenure as our President and Chief Executive Officer

and in her previous position as the President of our former subsidiary. Additionally, Ms. Beranek's role as our President and Chief Executive Officer allows her to provide the Board with her unique insight as a member of management on our business and our operations.

Ronald G. Roth, age 73, has served as our director since 2002. Mr. Roth is currently retired. Mr. Roth was Chairman of the Board and Chief Executive Officer of Waste Systems Corp., a privately held waste hauling and disposal company, for 25 years prior to its sale to a national solid waste management company in 1995. From 1995 to 2001, he was Chairman of the Board of Access Cash International L.L.C., a North American provider of ATMs and related processing and financial services until its sale. Since 1990 he has been an owner of, and has served in various capacities, including Chairman of the Board and an officer, with Phillips Recycling Systems. Mr. Roth holds a Bachelor of Arts degree in marketing from Michigan State University.

Mr. Roth is qualified to serve on the Clearfield Board of Directors because he brings to the Board a strong background in executive management through his service for more than 25 years as the Chief Executive Officer or executive officer of several companies.

Roger Harding, age 64, has served as our director since July 14, 2016. From 1972 to 2008, Mr. Harding served in multiple leadership roles with Alcatel-Lucent, including as the Vice President & General Manager, Global Switching from 2001 until his retirement in 2008. Mr. Harding received a Bachelor of Arts degree in business administration and management from the University of Central Oklahoma.

Mr. Harding has a strong background in operations and the execution of operational strategies, as well as a deep understanding of the telecommunications and networking markets. These attributes qualify him to serve as a director of Clearfield. In addition, Mr. Harding qualifies as an audit committee financial expert.

Charles N. Hayssen, age 67, has served as our director since 2008. Since January 2009, Mr. Hayssen has served as the President of Safeway Driving School, a privately-held provider of driver's education services. From August 2007 to September 2008, Mr. Hayssen was a private investor. From August 2004 until August 2007, Mr. Hayssen was Chief Operating Officer of AllOver Media, Inc., a privately-held out-of-home media company. From September 2002 to April 2004, Mr. Hayssen was the Chief Financial Officer of ThinkEquity Partners LLC, an equity capital markets firm. From March 2004 to May 2009, Mr. Hayssen was a director of Lenox Group Inc., a publicly held designer, distributor, wholesaler and retailer of fine quality tableware, collectible and other giftware products, until it filed petition for reorganization relief in November 2008. Mr. Hayssen holds a Bachelor of Arts degree from Dartmouth and from the University of Chicago Graduate School of Business, a Masters of Business Administration degree.

Mr. Hayssen brings strong executive management and financial management experience to the Board, as well as experience as a director of a publicly traded company, all of which qualify him to serve as a director of Clearfield. In addition, Mr. Hayssen qualifies as an audit committee financial expert.

Donald R. Hayward, age 61, has served as our director since 2007. From 2006 to his retirement in 2017, Mr. Hayward served as the President of Engel Diversified Industries, a privately held manufacturing company. Beginning in 2017, Mr. Hayward has been leading Schaffer Manufacturing, a privately held metal fabrication manufacturing company. From 1997 until joining EDI, Mr. Hayward was Director of Corporate Services at Minnesota Technology, Inc. a publicly funded, private non-profit in support of Minnesota's technology community. Mr. Hayward holds a Bachelor of Science degree in business administration and economics from the University of Wisconsin.

Mr. Hayward's executive leadership experience, his familiarity with the business and operations of a manufacturing company developed through his service at Schaffer Manufacturing and Engel Diversified Industries, and his background in technology qualify him to serve as a director of Clearfield.

Patrick Goepel, age 57, has served as our director since September 1, 2015. Since January 2010, Mr. Goepel has served as the President and Chief Executive Officer of Asure Software, Inc., a publicly-held provider of workplace management software (NasdaqCM: ASUR). He previously served as Asure Software's Interim Chief Executive Officer from September 2009 to January 2010 and has served as its director since August 2009. Previously, he was the President and Chief Executive Officer of Fidelity Investment's Human Resource Services Division from 2006 to 2008 and President and Chief Executive Officer of Advantec from 2005 to 2006. A former board member of iEmployee, Mr. Goepel currently serves on the board of directors of APPD Investments, and SafeGuard World International. He also served on the board of AllOver Media Holdings, Inc. until its sale to a private equity firm in March 2015.

Mr. Goepel's public company executive management and board experience, as well as his background in successful execution of global expansion, operational and M&A initiatives, qualify him to serve as a director of Clearfield. In addition, Mr. Goepel qualifies as an audit committee financial expert.

Vote Required for Proposal 1

Under Minnesota law and our bylaws, directors are elected by a plurality of the votes cast at the Annual Meeting by holders of common stock voting for the election of directors. This means that since shareholders will be electing six directors, the six nominees receiving the highest number of votes will be elected.

**The Board of Directors Recommends
Shareholders Vote FOR the Election of Each Nominee Identified in Proposal 1**

**PROPOSAL 2:
ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION**

Our Board of Directors determined that an advisory vote on named executive officer compensation (commonly referred to as “say-on-pay”) will be held every year and accordingly, we are asking our shareholders to cast an advisory vote on named executive officer compensation at the Annual Meeting.

As described in detail in the Executive Compensation section of this proxy statement, our named executive officers have the opportunity to earn significant portions of their compensation based on the achievement of specific annual goals intended to drive financial performance of our business and the realization of increased shareholder value. The say-on-pay proposal presented at our 2018 Annual Meeting of Shareholders received 96.7% approval by our shareholders. Based upon these voting results, the Compensation Committee believes that shareholders support our executive compensation programs and practices. The Compensation Committee continued to apply the same principles in determining fiscal year 2018 compensation for the named executive officers.

Shareholders are encouraged to read the Executive Compensation section of this proxy statement for more information about fiscal year 2018 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask our shareholder to vote “FOR” the following resolution at the Annual Meeting:

RESOLVED, that the shareholders of Clearfield, Inc. approve, on an advisory basis, the compensation of the named executive officers as disclosed in Clearfield’s proxy statement for the 2019 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

Vote Required for Proposal 2

Approval of this Proposal 2 requires the affirmative vote of the holders of the majority of the shares present, in person or by proxy, and entitled to vote on this Proposal 2.

While this vote is advisory, and not binding on the Compensation Committee or the Board of Directors, it will provide valuable information to us that the Compensation Committee will be able to consider when determining executive compensation philosophy, policies and practices for the remainder of fiscal 2019 and beyond.

**The Board of Directors Recommends
Shareholders Vote FOR
Proposal 2: Advisory Vote on Executive Compensation**

CORPORATE GOVERNANCE

Board Independence

The Board of Directors undertook a review of director independence in November 2018 as to all six directors then serving. As part of that process, the Board reviewed all transactions and relationships between each director (or any member of his or her immediate family) and Clearfield, our executive officers and our auditors, and other matters bearing on the independence of directors. As a result of this review, the Board of Directors affirmatively determined that each of the directors, with the exception of Ms. Beranek, is independent according to the “independence” definition of the Nasdaq Listing Rules. Ms. Beranek is not independent under the Nasdaq Listing Rules because she is employed by Clearfield and serves as our executive officer.

Committees of the Board of Directors and Committee Independence

The Board of Directors has established a Compensation Committee, an Audit Committee and a Nominating and Corporate Governance Committee. The composition and function of these committees are set forth below.

Compensation Committee. The Compensation Committee reviews and approves the compensation and other terms of employment of our Chief Executive Officer and other executive officers of our company. Among its other duties, the Compensation Committee oversees all significant aspects of our compensation plans and benefit programs, including succession plans for executive officers. The Compensation Committee annually reviews and approves corporate goals and objectives for the compensation of the Chief Executive Officer and the other executive officers, as well as the Board of Directors evaluation of the Chief Executive Officer pursuant to the evaluation process established by the Nominating and Corporate Governance Committee. In connection with its review of compensation of executive officers or any form of incentive or performance based compensation, the Committee will also review and discuss risks arising from our compensation policies and practices. The Compensation Committee also administers our 2007 Stock Incentive Plan (the “2007 Plan”).

The charter of the Compensation Committee requires that this Committee consist of no fewer than two Board members who satisfy the requirements of the Nasdaq Stock Market, the “non-employee director” requirements of Section 16b-3 of the Securities Exchange Act of 1934, and the “outside director” requirements of Section 162(m) of the Internal Revenue Code. Each member of our Compensation Committee meets these requirements. A copy of the current charter of the Compensation Committee is available by following the link to “Corporate Governance” in the “For Investors” section of our website at www.SeeClearfield.com.

The current members of the Compensation Committee are Ronald G. Roth (Chair), Patrick Goepel and Donald R. Hayward. During fiscal year 2018, the Compensation Committee met six times, including in executive session without management present.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is charged with the responsibility of identifying, evaluating and approving qualified candidates to serve as directors of our company, ensuring that our Board and governance policies are appropriately structured, developing and recommending a set of corporate governance guidelines, overseeing Board orientation, training and evaluation, and establishing an evaluation process for the Chief Executive Officer. The Nominating and Corporate Governance Committee is also responsible for the leadership structure of our Board, including the composition of the Board and its committees, and an annual review of the position of Chairman of the Board. As part of its annual review, the Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to serve as Chairman and making recommendation to the Board of Directors for any changes in such position. The Nominating and Corporate Governance Committee also has responsibility for overseeing our annual process of self-evaluation by members of the committees and the Board of Directors as a whole.

The charter of the Nominating and Corporate Governance Committee requires that this Committee consist of no fewer than two Board members who satisfy the “independence” requirements of the Nasdaq Stock Market. Each member of our Nominating and Corporate Governance Committee meets these requirements. A copy of the current charter of the Nominating and Corporate Governance Committee is available by following the link to “Corporate Governance” in the “For Investors” section of our website at www.SeeClearfield.com. A copy of our current Governance Guidelines is also available in the “Corporate Governance” section of our website, found through the link to the “For Investors” section. The current members of the Nominating and Corporate Governance Committee are Donald R. Hayward (Chair), Roger Harding and Ronald G. Roth. During fiscal year 2018, the Nominating and Corporate Governance Committee met three times.

Audit Committee. The Audit Committee assists the Board by reviewing the integrity of our financial reporting processes and controls; the qualifications, independence and performance of the independent auditors; and compliance by us with certain legal and regulatory requirements. The Audit Committee has the sole authority to retain, compensate, oversee and terminate the independent auditors. The Audit Committee reviews our annual audited financial statements, quarterly financial statements and filings with the Securities and Exchange Commission. The Audit Committee reviews reports on various matters, including our critical accounting policies, significant changes in our selection or application of accounting principles and our internal control processes. Under its charter, the Audit Committee exercises oversight of significant risks relating to financial reporting and internal control over financial reporting, including discussing these risks with management and the independent auditor and assessing the steps management has taken to minimize these risks. The Audit Committee also pre-approves all audit and non-audit services performed by the independent auditor.

The Audit Committee operates under a written charter and a copy of the current Audit Committee charter is available by following the link to “Corporate Governance” in the “For Investors” section of our website at www.SeeClearfield.com. Our Audit Committee presently consists of four directors: Charles N. Hayssen (Chair), Patrick Goepel, Roger Harding and Donald R. Hayward. During fiscal year 2018, the Audit Committee met four times, including in executive session without management present.

The Board of Directors has determined that all members of the Audit Committee are “independent” directors under the rules of the Nasdaq Stock Market and the rules of the Securities and Exchange Commission. Our Board of Directors has reviewed the education, experience and other qualifications of each of the members of its Audit Committee. After review, the Board of Directors has determined that Mr. Hayssen, Mr. Goepel and Mr. Harding each meet the Securities and Exchange Commission definition of an “audit committee financial expert.” The members of the Audit Committee also meet the Nasdaq Stock Market requirements regarding the financial sophistication and the financial literacy of members of the audit committee. A report of the Audit Committee is set forth below.

Board Leadership Structure

The Board consists of a non-executive Chairman of the Board and three standing committees that are each led by a chair. The members of each committee are “independent directors” under the Nasdaq Listing Rules and meet the other similar independence requirements applicable to that committee. Our Chief Executive Officer is a director, but she does not serve as chair of the Board and does not serve on any committee.

We believe that the current Board leadership structure is appropriate for Clearfield at this time because it allows the Board and its committees to fulfill their responsibilities, draws upon the experience and talents of all directors, encourages management accountability to the Board, and helps maintain good communication among Board members and with management. In particular, we believe that having our Chief Executive Officer serve as a member of the Board and having a separate individual serve as Chairman of the Board allows the independent directors and the Chief Executive Officer to contribute their different perspectives and roles to our strategy development. Our current Board

leadership structure is part of the policies reflected in our Governance Guidelines and the Nominating and Corporate Governance Committee is empowered through its charter to consider and make changes to the structure if necessary.

Board's Role in Risk Oversight

We face a number of risks, including financial, technological, operational, regulatory, strategic and competitive risks. Management is responsible for the day-to-day management of risks we face, while the Board has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors ensures that the processes for identification, management and mitigation of risk by our management are adequate and functioning as designed.

Our Board exercises its oversight both through the full Board and through the three standing committees of the Board: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The three standing committees exercise oversight of the risks within their areas of responsibility, as disclosed in the descriptions of each of the committees above and in the charters of each of the committees.

The Board and the three committees receive information used in fulfilling their oversight responsibilities through our executive officers and advisors, including our outside legal counsel and our independent registered public accounting firm. At meetings of the Board, management makes presentations to the Board regarding our business strategy, operations, financial performance, fiscal year budgets, technology, quality, regulatory, and other matters. Many of these presentations include information relating to the challenges and risks to our business and the Board and management engage in discussion on these topics. Each of the committees also receives reports from management regarding matters relevant to the work of that committee. These management reports are supplemented by information relating to risk from our advisors. Additionally, following committee meetings, the Board receives reports by each committee chair regarding the committee's considerations and actions. In this way, the Board also receives additional information regarding the risk oversight functions performed by each of these committees.

Director Nominations

The Nominating and Corporate Governance Committee will consider candidates for Board membership suggested by its members, other Board members, as well as management and shareholders. Shareholders who wish to recommend a prospective nominee should follow the procedures set forth in Section 2.14 of our bylaws as described in the section of this proxy statement entitled "Shareholder Proposals for Nominees." The Nominating and Corporate Governance Committee has not adopted a formal policy for increasing or decreasing the size of the Board of Directors. Our Governance Guidelines provides that the Board should generally have between five and seven directors. The Board of Directors is currently comprised of six directors. The Nominating and Corporate Governance Committee believes that a six person Board of Directors is appropriate. At six directors, the Board of Directors has a diversity of talent and experience to draw upon, is able to appropriately staff the committees of the Board and engage the directors in Board and committee service, all while maintaining efficient function and communication among members. If appropriate, the Board may determine to increase or decrease its size, including in order to accommodate the availability of an outstanding candidate.

Criteria for Nomination to the Board; Diversity Considerations. The Nominating and Corporate Governance Committee is responsible for identifying, evaluating and approving qualified candidates for nomination as directors. The Nominating and Corporate Governance Committee has not adopted minimum qualifications that nominees must meet in order for the Nominating and Corporate Governance Committee to recommend them to the Board of Directors, as the Nominating and Corporate Governance Committee believes that each nominee should be evaluated based on his or her merits as an individual, taking into account the needs of Clearfield and the Board of Directors. The Nominating and Corporate Governance Committee has determined that it will evaluate each prospective nominee against the following standards and qualifications:

- Background, including demonstrated high personal and professional ethics and integrity;
The ability to exercise good business judgment and enhance the Board's ability to manage and direct the affairs and business of Clearfield;
- Commitment, including the willingness to devote adequate time to the work of the Board and its committees;
 - The ability to represent the interests of all shareholders and not a particular interest group;
-

The skills needed by the Board, within the context of the existing composition of the Board, including knowledge of our industry and business or experience in business, finance, law, education, research or government;
The candidate's qualification as "independent" under Nasdaq or other standards and qualification to serve on Board committees; and
Diversity, in terms of knowledge, experience, skills, expertise, and other demographics which contribute to the Board's diversity.

The Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity. However, as part of the nominee selection process for this Annual Meeting, the Nominating and Corporate Governance Committee reviewed the knowledge, experience, skills, expertise, and other characteristics of each director nominee. Based upon that review, the Nominating and Corporate Governance Committee believes that each director contributes to the Board's diversity in terms of knowledge, experience, skills, expertise, and other demographics that particular director brings to the Board.

In reviewing prospective nominees, the Nominating and Corporate Governance Committee reviews the number of public-company boards on which a director nominee serves to determine if the nominee will have the ability to devote adequate time to the work of our Board and its committees. Our Governance Guidelines provide that non-employee directors should serve on no more than four boards of other publicly-held companies, subject to Board waiver with respect to this guideline on a case-by-case basis.

The Nominating and Corporate Governance Committee also considers such other relevant factors as it deems appropriate. The Nominating and Corporate Governance Committee will consider persons recommended by the shareholders using the same standards used for other nominees.

Process for Identifying and Evaluating Nominees. The process for identifying and evaluating nominees to the Board of Directors is initiated by identifying a slate of candidates who meet the criteria for selection as a nominee and have the specific qualities or skills being sought based on input from members of the Board and, if the Nominating and Corporate Governance Committee deems appropriate, a third-party search firm. The Nominating and Corporate Governance Committee evaluates these candidates by reviewing the candidates' biographical information and qualifications and checking the candidates' references. One or more Nominating and Corporate Governance Committee members may interview the prospective nominees in person or by telephone. After completing the evaluation, the Nominating and Corporate Governance Committee makes a recommendation to the full Board of the nominees to be presented for the approval of the shareholders or for election to fill a vacancy.

Board Nominees for the 2019 Annual Meeting. The nominees for the Annual Meeting were selected by the Nominating and Corporate Governance Committee in November 2018. All nominees were elected by shareholders at the 2018 Annual Meeting of Shareholders. We have not engaged a third-party search firm to assist us in identifying potential director candidates, but the Nominating and Corporate Governance Committee may choose to do so in the future.

Shareholder Proposals for Nominees. The Nominating and Corporate Governance Committee will consider written proposals from shareholders for nominees for director. Any such nominations should be submitted to the Nominating and Corporate Governance Committee c/o the Secretary of Clearfield, Inc. To be considered, the written notice must be timely received and in proper form as described in our bylaws and in the section of this proxy statement entitled "Shareholder Proposals and Shareholder Nominees for 2020 Annual Meeting."

Board Attendance at Board, Committee and Annual Shareholder Meetings

During fiscal year 2018, the Board of Directors met eight times. Each nominee for director attended at least 75% of the meetings of the Board and committees on which he or she served during fiscal year 2018. The Board of Directors regularly meets in executive session without the presence of members of management, including the Chief Executive Officer. We do not have a formal policy on attendance at meetings of our shareholders. However, we encourage all Board members to attend all meetings, including the annual meeting of shareholders. All of the directors then serving, with the exception of Mr. Hayward, attended the 2018 Annual Meeting of Shareholders.

Communications with Directors

Shareholders may communicate with the Board of Directors as a group, the chair of any committee of the Board of Directors, or any individual director by sending an e-mail to board@clfd.net or by directing the communication in care of the Secretary of Clearfield, to the address set forth on the front page of this proxy statement. Shareholders making a communication in this manner will receive a confirmation of receipt of the communication if the Secretary is provided with an address for that purpose and the shareholder does not otherwise request that no confirmation be sent.

All communications that are not excluded for the reasons stated below will be forwarded unaltered to the director(s) to which the communication is addressed or to the other appropriate director(s). Communications received from shareholders will be forwarded as part of the materials sent before the next regularly scheduled Board or committee meeting, although the Board has authorized the Secretary, in his or her discretion, to forward communications on a more expedited basis if circumstances warrant.

The Board of Directors has authorized the Secretary to exclude a communication on matters that are unrelated to the duties and responsibilities of the Board, such as:

- Product inquiries, complaints or suggestions
- New product suggestions
- Resumes and other forms of job inquiries

Surveys
Business solicitations or advertisements

In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded. Any excluded communication will be made available to the Board of Directors upon request of any director.

If shareholders have a communication that is a proposal for a nominee for director or is a proposal for shareholder action to be included in our proxy statement, the communication must be directed to Secretary and must conform to the requirements of Clearfield's bylaws. For more information, please review our bylaws and the sections of this proxy statement entitled "Director Nominations – Shareholder Proposals for Nominees" and "Shareholder Proposals and Shareholder Nominees for 2020 Annual Meeting."

Code of Ethics

We have adopted a code of ethics that applies to all directors, officers and employees, including our principal executive officer, principal financial officer and controller. This code of ethics is included in our Code of Ethics and Business Conduct which is publicly available by following the link to under "About Clearfield" to the "For Investors" section of our website at www.clearfieldconnection.com. To the extent permitted, we intend to disclose any amendments to, or waivers from, the code of ethics applicable to our principal executive officer, principal financial officer, principal accounting officer or persons performing similar functions or with respect to the required elements of the code of ethics on our website at www.SeeClearfield.com under the "Corporate Policies" page of the "For Investors" section.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that we specifically incorporate it by reference in such filing.

In accordance with its charter, the Audit Committee reviewed and discussed the audited financial statements with management and Baker Tilly Virchow Krause, LLP, our independent registered public accounting firm. The discussions with Baker Tilly Virchow Krause, LLP also included the matters required by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

Baker Tilly Virchow Krause, LLP provided to the Audit Committee the written disclosures and the letter regarding its independence as required by the Public Company Accounting Oversight Board. This information was discussed with Baker Tilly Virchow Krause, LLP.

Based on the review and discussions referred to above, the Audit Committee recommended to our Board that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ending September 30, 2018.

EXECUTIVE COMPENSATION

Explanation of Compensation

The following is an explanation of compensation during fiscal year 2018 to the persons who are referred to in this proxy statement as our “named executive officers”:

Cheryl Beranek, our President and Chief Executive Officer

Daniel R. Herzog, our Chief Financial Officer

John P. Hill, our Chief Operating Officer

This section is intended to provide a framework within which to understand the actual compensation awarded to, earned or held by each named executive officer during fiscal year 2018, as reported in the compensation tables and accompanying narrative sections appearing on pages 13 to 21 of this proxy statement.

Our Compensation Philosophy

Our philosophy with respect to the compensation of executive officers is based upon the following principles, which are also applicable to compensation of all employees:

Base salaries should be set at levels that recognize the significant potential compensation opportunities available through performance based compensation; and

Performance-based compensation should constitute a significant portion of the executive's overall compensation and be available to the executive when they individually deliver, and we as a company deliver, high performance.

The Compensation Committee reviews our compensation philosophy and our compensation programs regularly (no less than annually). The Compensation Committee's review is two-fold: first, to ensure our philosophy and programs meet our objectives of providing compensation that attracts and retains superior executive talent and encourages our executive officers to achieve our business goals and second, to identify changes and trends in executive compensation policies and practices.

Overview of Compensation Process – Use of Compensation Consultant and Role of Management

The responsibility of the Compensation Committee is to review and approve the compensation and other terms of employment of our Chief Executive Officer and our other executive officers. The Compensation Committee has also been appointed by the Board of Directors to administer our equity compensation plans, which for fiscal year 2018 consisted of the 2007 Plan.

In carrying out its duties, the Compensation Committee participates in the design and implementation and ultimately reviews and approves specific compensation programs. On November 16, 2017, the Compensation Committee recommended and the Board of Directors approved the establishment of a cash incentive compensation program for fiscal year 2018 (the "2018 Bonus Plan") for certain of our employees including executive officers. The 2018 Bonus Plan is summarized below.

Under the Compensation Committee's charter, the Compensation Committee has the authority to retain, at our expense, such independent counsel or other advisers as it deems necessary to carry out its responsibilities. The compensation consultant and any other adviser retained by the Compensation Committee report to the Compensation Committee. For fiscal year 2018, the Compensation Committee did not retain a compensation consultant. Instead, the Compensation Committee reviewed certain aspects of our historical compensation practices and other information against which it measured the competitiveness of our compensation of the named executive officers in fiscal year 2018.

In determining compensation for named executive officers, other than the Chief Executive Officer, the Compensation Committee solicits input from the Chief Executive Officer regarding the duties and responsibilities of the other executive officers and the results of performance reviews. The Chief Executive Officer also recommends to the Compensation Committee the base salary for all named executive officers, the awards under the cash incentive compensation program such as the 2018 Bonus Plan, discretionary bonuses, and equity awards. The Chief Executive Officer also recommended to the Compensation Committee the financial performance goals under the 2018 Bonus Plan. No named executive officer, other than the Chief Executive Officer, has a role in establishing executive compensation. From time to time, the named executive officers are invited to attend meetings of the Compensation Committee. However, no named executive officer attends any executive session of the Compensation Committee or is present during deliberations or determination of such named executive officer's compensation.

2018 Compensation for Named Executive Officers

For the named executive officers, the Compensation Committee considers the appropriate mix of components of compensation consisting of base salary, an annual cash bonus based on achievement of goals determined by the Compensation Committee, and long-term equity compensation. Ms. Beranek, who is both a director and a named executive officer, receives no compensation for her service as a Board member.

Base Salaries

In November 2016, the Committee recommended and Board of Directors set the annual base salaries of our executive officers and these amounts remained unchanged in fiscal year 2018. The annual base salaries of our named executive officers for fiscal year 2018 were: Cheryl Beranek, President and Chief Executive Officer, \$322,317; John P. Hill, Chief Operating Officer, \$322,317; and Daniel R. Herzog, Chief Financial Officer, \$200,193.

Design of and Payouts under the 2018 Bonus Plan

Consistent with its compensation philosophy and the objectives of annual cash incentive programs generally, the Compensation Committee adopted the 2018 Bonus Plan as our performance based compensation program.

Under the 2018 Bonus Plan, the Committee determined minimum, target and maximum performance goals relating to our revenue for fiscal year 2018, as well as the cash bonus that each executive officer could earn as a percentage of her or his base salary at the minimum, target and maximum level.

The following table shows the cash bonus as a percentage of salary that would be earned by each of the executive officer officers under the 2018 Bonus Plan upon our achievement of the minimum, target and maximum fiscal year 2018 revenue.

<u>Executive Officer and Title</u>	<u>Bonus Opportunity As a Percentage of Base Salary</u>		
	<u>Minimum Goal Achieved</u>	<u>Target Goal Achieved</u>	<u>Maximum Goal Achieved</u>
Cheryl Beranek			
President and Chief	30%	100%	150%
Executive Officer John P. Hill			
Chief Operating Officer	30%	100%	150%
Daniel R. Herzog			
Chief Financial Officer	10%	35%	50%

Under the 2018 Bonus Plan, the maximum cash bonus that could be earned by an executive officer will not exceed the maximum percentage of base salary stated above, even if our actual performance exceeds the maximum revenue performance goal.

On November 6, 2018, the Compensation Committee determined our achievement of the revenue for 2018 did not meet the minimum performance goal. Accordingly, the Compensation Committee determined that none of the named executive officers earned any bonus under the 2018 Bonus Plan.

Long-Term Equity Compensation

The Compensation Committee may from time to time grant equity awards to executive officers for their performance during a fiscal year or on a case-by-case basis to reward particular aspects of performance during a fiscal year. The Compensation Committee's policy is to grant all equity awards under shareholder approved equity compensation plans, such as the 2007 Plan, except in limited and special circumstances.

In fiscal year 2018, the Compensation Committee did not grant equity awards to the named executive officers.

Employment Agreements and Change in Control Provisions

For fiscal year 2018, Ms. Beranek and Mr. Hill were parties to the same form of employment agreement with us. For fiscal year 2018, Ms. Beranek and Mr. Hill were also participants in a Code 280G Tax Gross Up Payment Plan (the “Tax Gross Up Plan”). In fiscal year 2018, we also entered into an employment agreement with Mr. Herzog.

See “Executive Compensation – Employment Arrangements with Named Executive Officers” for summaries of the employment agreements and the Tax Gross Up Plan.

In addition, the employment of Ms. Beranek and Mr. Hill will terminate automatically upon death or "disability" of such executive as defined in the agreement.

We may terminate the employment of the employment of Ms. Beranek or Mr. Hill for "cause" (as defined in the employment agreement) or without cause. We must provide the executive with a notice of termination for cause specifying the facts providing a basis for the termination and the date of termination, which may not be less than thirty days from the date notice is provided. The executive may terminate her or his respective employment for "good reason" (as defined in the employment agreement) or without good reason, provided that in the case of a termination for good reason, the executive must terminate her or his employment within 180 days following the lapse of the period for our cure of the event constituting good reason unless we have fully corrected the event constituting good reason prior to the date of termination. A reduction in the executive's annual base salary or target annual bonus or our material breach of its obligations under the agreement will constitute a good reason only if the executive provides us with a written notice of the event within ninety days of its occurrence and we fail to remedy the event within thirty days of our receipt of the notice. Further, in the case of the executive's termination for good reason, the executive must provide us with a notice of termination specifying the facts providing a basis for the termination and the date of termination, which may not be less than thirty days from the date notice is provided.

If the employment of Ms. Beranek or Mr. Hill is terminated by us for cause or by the executive without good reason, we will have no further obligations to the executive under the employment agreement other than the obligation to pay to the executive the earned but unpaid base salary, any pro-rated annual bonus required to be paid to the executive, and to provide the other welfare plan or fringe benefits in accordance with the provisions of the applicable plan.

In the event of death or disability of Ms. Beranek or Mr. Hill, we will be obligated to pay to the executive's estate or beneficiaries or the executive, the earned but unpaid base salary and other accrued obligations when due under Minnesota law, a payment equal to the executive's base salary in a lump sum within twenty days following the termination date (but if the termination is due to disability, no later than March 15 of the calendar year following the calendar year in which the executive suffers the disability), any pro-rated annual bonus required to be paid to the executive at the time when annual bonuses are paid to our other senior executives, and if any of the executive's qualified beneficiaries makes an election to continue in our group health plans, we will pay the premium for the coverage for the earlier of one year from the date of termination or the date on which the qualified beneficiary is no longer eligible for such coverage.

If the employment of Ms. Beranek and Mr. Hill is terminated by us without cause or by the executive for good reason, or if we elect not to renew the term of the employment agreement, the executive will be entitled to the following severance payments and benefits:

The executive will be paid in two lump sum payments:

the executive's earned but unpaid base salary and accrued but unpaid vacation through the date of termination and any prorated annual bonus required to be paid for the fiscal year that ends on or before the date of termination to the extent not previously paid, and

a severance amount equal to two times the sum of the executive's annual base salary in effect of the date of termination plus average bonus over the prior three years;

The executive will receive the executive's prorated annual bonus for the year in which the termination occurs, payable at the time bonuses are paid to the other senior executives;

We will pay premiums for the executive's continuing coverage group health plans (medical, dental, and vision) until the earlier of one year from the date of termination or the date on which the executive is no longer eligible for such coverage;

Any unvested stock options shall become vested in full; and

We will timely pay or provide any vested benefits or other amounts or benefits required to be paid or provided that the executive is eligible to receive on the date of termination under any plan, contract or agreement.

If a change in control occurs during the employment period of Ms. Beranek or Mr. Hill, we will pay the executive a lump sum amount equal to the executive's base salary in effect on the date of the change in control. If the executive's employment is terminated by us without cause or by the executive for good reason or without good reason within one year after the effective date of the change in control, then Ms. Beranek or Mr. Hill will also be entitled to receive the payments and benefits outlined in the five bullet points above, except that for the purposes of calculating the executive's average bonus over the prior three years, the amount will be the greater of (a) the average annual bonus received by the executive for the three complete fiscal years as our chief executive officer/chief operating officer (or such lesser number of years as the executive has been employed in that position) immediately prior to the date of the change in control, and (b) the amount representing the executive's base salary in effect on the date of the change in control.

Under the terms of the 2007 Plan and related award agreements, all outstanding options will become fully exercisable upon and vested and all restrictions on restricted stock will lapse upon a “change in control.” In addition, our employment agreements with Ms. Beranek and Mr. Hill provide that in the event of such a termination of the executive’s employment, all outstanding stock options, restricted stock and other equity awards granted to the executive under any of our equity compensation plans (or substitute awards covering the securities of the successor company) will become immediately vested and exercisable in full.

Further, in the event it is determined that any payment to Ms. Beranek or Mr. Hill under the employment agreement would be subject to an excise tax, then the executive may be entitled to receive an additional payment under the excise tax gross-up payment plan provided to our senior executives. To the extent any payment or commencement of a payment under the employment agreement and other payment or benefits would result in accelerated or additional tax under Section 409A of the Internal Revenue Code, as amended, we will defer such payments until the earlier of the first day of the seventh month following the date of termination of the executive’s employment or the executive’s death and such deferred payments will be paid in one lump sum, without interest, at such time.

Effective on November 16, 2017, we entered into an employment agreement with Daniel R. Herzog, our Chief Financial Officer. The employment agreement and the compensation to be paid to Mr. Herzog on the terms and conditions provided therein was approved by our Compensation Committee and the Board of Directors.

Under the employment agreement, Mr. Herzog will continue to serve as our Chief Financial Officer for a three-year term, with the term automatically renewing for successive one-year periods, subject to earlier termination and non-renewal upon 60 days’ notice. In addition, Mr. Herzog’s employment will terminate automatically upon death or “disability” as defined in his employment agreement.

Under the employment agreement with Mr. Herzog, Mr. Herzog’s base salary will continue at \$200,193, subject to increase (or decrease, but not below the initial base salary of \$200,193) pursuant to our normal practices for our executives. In addition to the base salary, Mr. Herzog is eligible to earn an annual cash performance bonus with the target annual bonus set at 20% of his base salary each year and the maximum annual bonus set at 50% of base salary each year. Mr. Herzog is also entitled to participate in our welfare benefit plans, fringe benefit plans and is entitled to receive paid vacation in accordance with the policies applicable to our senior executives.

We may terminate Mr. Herzog’s employment for “cause” (as defined in his employment agreement) or without cause. Mr. Herzog may terminate his employment for “good reason” (as defined in his employment agreement) or without good reason. In the case of termination by us for cause or by Mr. Herzog for good reason, his employment agreement provides for notice obligations and opportunities to cure.

If Mr. Herzog's employment is terminated by us for cause or by Mr. Herzog without good reason, we will have no further obligations to Mr. Herzog under his employment agreement other than the obligation to pay to Mr. Herzog the earned but unpaid base salary, any unpaid annual bonus required to be paid to Mr. Herzog for any completed fiscal year, and to provide the other welfare plan or fringe benefits in accordance with the provisions of the applicable plan.

In the event of death or disability, we will be obligated to pay Mr. Herzog's earned but unpaid base salary and any other accrued but unpaid obligations in a lump sum, a pro-rated annual bonus at the time when annual bonuses are paid to our other senior executives, and the employer portion of premiums for COBRA coverage for the earlier of one year from the date of termination or the date on which a qualified beneficiary is no longer eligible for such coverage.

If Mr. Herzog's employment is terminated by us without cause or by Mr. Herzog for good reason, or if we elect not to renew the term of his employment agreement, Mr. Herzog will be entitled to earned but unpaid base salary, vacation and annual bonus, a severance amount equal to Mr. Herzog's annual base salary, and a prorated annual bonus for the year in which the termination occurs. We also will pay the employer portion of premiums for COBRA coverage until the earlier of one year from the date of termination or the date on which Mr. Herzog is no longer eligible for such coverage. Further, any unvested stock options or other unvested grants will become vested in full.

If a change in control occurs during the employment period, we will pay Mr. Herzog a lump sum amount equal to Mr. Herzog's base salary in effect on the date of the change in control. If Mr. Herzog's employment is terminated by us without cause or by Mr. Herzog for good reason or without good reason within one year after the effective date of the change in control, then Mr. Herzog will also be entitled to receive the payments and benefits described above as applicable to terminations under those circumstances.

Description of Tax Gross Up Plan

On November 18, 2010, the Compensation Committee recommended, and the Board of Directors approved, the Tax Gross Up Plan in order to fulfill our obligation under the employment agreements with Ms. Beranek and Mr. Hill relating to an excise tax gross-up payment plan. Ms. Beranek and Mr. Hill are the only persons participating in the Tax Gross Up Plan. The Tax Gross Up Plan requires us to reimburse the executive, on an after-tax basis, for any excise taxes payable by the executive pursuant to Section 4999 of the Internal Revenue Code with respect to any payments under the employment agreements or any other agreement or plan between us and the executive officer that is triggered upon a change in control. The Tax Gross Up Plan also sets out procedures for determining the amount of the tax gross-up payment and resolving any disputes relating to the payment or payment obligation, as well the process and timing for any payments required by the Tax Gross Up Plan.

The Tax Gross Up Plan may be amended from time to time by the Board of Directors. However, no amendment that adversely affects any executive whose employment agreement provides for a tax gross-up payment governed by the Tax Gross Up Plan will be effective unless each such executive consents in writing to such amendment. The Tax Gross Up Plan will terminate at such time as all employment agreements between us and any executive that provides for a tax gross-up payment governed by the Tax Gross Up Plan terminate or expire in accordance with their respective terms without further liability for the tax gross-up payment.
