The Converted Shares must be held indefinitely unless they are subsequently registered under the Securities Act, or an exemption from such registration is available, which will require an opinion of counsel acceptable to SILVA BAY that registration is not required under the Securities Act or such state securities laws. The Converted Shares will be subject to the lock provisions set forth in this Section 2.09 and shares certificates

understandings (oral or written) between or among the parties with respect to such subject matter. The parties agree that prior drafts of this Agreement shall not be deemed to provide any evidence as to the meaning of any provision hereof or the intent of the parties with respect thereto. The exhibits and schedules constitute a part hereof as though set forth in full above. This Agreement is not intended to confer upon any person, other than the parties hereto, any rights or remedies hereunder.

9.09 BINDING EFFECT; ASSIGNMENT. The rights and obligations of this

Agreement shall bind and inure to the benefit of the parties and their respective successors and assigns. Nothing expressed or implied herein shall be construed to give any other person any legal or equitable rights hereunder. The rights and obligations of this Agreement may not be assigned except by mutual written consent of the parties hereto.

9.10 SEVERABILITY. If any clause or provision of this Agreement is

illegal, invalid or unenforceable under applicable present or future Laws effective during the Term, the remainder of this Agreement shall not be affected. In lieu of each clause or provision of this Agreement that is illegal, invalid or unenforceable, there shall be added as a part of this Agreement a clause or provision as nearly identical as may be possible and as may be legal, valid and enforceable. In the event any clause or provision of this Agreement is illegal, invalid or unenforceable as aforesaid and the effect of such illegality, invalidity or unenforceability is that either party no longer has the substantial benefit of its bargain under this Agreement and a clause or provision as nearly identical as may be possible cannot be added, then, in such event, such party may in its discretion cancel and terminate this Agreement provided such party exercises such right within a reasonable time after such occurrence. The amendment or modification to this Agreement pursuant to this Section 9.10 shall require the consent of all parties hereto prior to

the effectiveness of any such amendment or modification.

9.11 COUNTERPARTS. This Agreement may be executed in any number of

counterparts, each of which shall be an original but all of which together shall constitute one and the same instrument. A telecopy signature of any party shall be considered to have the same binding legal effect as an original signature.

9.12 ATTORNEYS' FEES. Notwithstanding the foregoing, in the event

either party employs an attorney or brings an action against the other arising out of the terms of this Agreement, the prevailing party (whether such prevailing party has been awarded a money judgment or not) shall receive from the other party (and the other party shall be obligated to pay) the prevailing party's reasonable legal fees and expenses (including the fees and expenses of

experts and para-professionals), whether such fees and expenses are incurred before, during or after any trial, re-trial, re-hearing, mediation or arbitration, administrative proceedings, appeals or bankruptcy or insolvency proceedings, and irrespective of whether the prevailing party would have been entitled to such fees and expenses under applicable law in the absence of this Section. Without limiting the generality of the foregoing, the term "EXPENSES"

shall include expert witness fees, bonds, filing fees, administrative fees, transcriptions, depositions or proceedings, costs of discovery and travel costs. The term "PREVAILING PARTY" as used in this Section shall mean that party whose

positions substantially prevail in such action or proceeding, and any action or proceeding brought by either party against the other as contemplated in this Section may include a plea or request for judicial determination of the "prevailing party" within the meaning of this Section. In the event neither party substantially prevails in its positions in such action or proceeding, the court may rule that neither party has so substantially prevailed, in which event each party shall be responsible for its own fees and expenses in connection therewith. In addition, the fees and expenses for the services of "in-house" counsel (if any) shall be included within the prevailing party's fees and expenses as fully as if such in-house legal services were provided by an "outside" attorney or law firm as contemplated within this Section, irrespective of whether "outside" legal services are obtained in connection with such matter. The fees and expenses on the part of in-house counsel as aforesaid shall be determined based upon the prevailing hourly rates, fees and expenses for an attorney(s) of comparable experience in the central, Florida area.

9.13 EXHIBITS AND SCHEDULES. The Exhibits and Schedules referred to

herein are attached hereto and incorporated herein by this reference. Disclosure of a specific item in any one Schedule shall be deemed restricted only to the Section to which such disclosure specifically relates except where (i) there is an explicit cross-reference to another Schedule, and (ii) SILVA BAY could reasonably be expected to ascertain the scope of the modification to a representation intended by such cross-reference.

9.14 CONSTRUCTION. The parties agree and acknowledge that they have

jointly participated in the negotiation and drafting of this Agreement and that this Agreement has been fully reviewed and negotiated by the parties and their respective counsel. In the event of an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties and no presumptions or burdens of proof shall arise favoring any party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any federal, state, local, or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. If any party has breached any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty, or covenant relating to the same subject matter (regardless of the relative levels of specificity) which the party has not breached shall not detract from or mitigate the fact that the party is in breach of the first representation, warranty, or covenant.

9.15 RULES OF INTERPRETATION. Except as otherwise expressly provided

in this Agreement, the following rules shall apply hereto: (i) the singular includes the plural and plural includes the singular; (ii) "or" is not exclusive and "include" and "including" are not limiting; (iii) a reference to any agreement or other contract includes any permitted supplements and amendments; (iv) a reference in this Agreement to a section or exhibit is a reference to a section or exhibit within or attached to this Agreement unless otherwise expressly provided; (v) a reference to a section or paragraph in this Agreement shall, unless the context clearly indicates to the contrary, refer to all sub-parts or sub-components of any said section or paragraph; (vi) words such as "hereunder", "hereto", "hereof", and "herein", and other words of like import shall, unless the context clearly indicates to the contrary, refer to the whole of this Agreement and not to any particular clause hereof; (vii) the headings of the articles or sections and the ordering or position thereof are for convenience only and shall not in any way be deemed to affect the meaning of this Agreement; (viii) a reference in this Agreement to a "person" or "party" (whether in the singular or the plural) shall (unless otherwise indicated herein) include both natural persons and unnatural persons (including, but not

limited to, corporations, partnerships, limited liability companies or partnerships, trusts, etc.); (ix) all accounting terms not otherwise defined herein shall have the meanings assigned to them in accordance with GAAP; and (x) any reference in this Agreement to a "BUSINESS DAY" shall include each Monday,

Tuesday, Wednesday, Thursday and Friday that is not a day on which national banks in Orlando, Florida are closed.

9.16 AMENDMENT; WAIVER. This Agreement may not be modified, amended,

supplemented, canceled or discharged, except by written instrument executed by all parties. No failure to exercise, and no delay in exercising, any right, power or privilege under this Agreement shall operate as a waiver, nor shall any single or partial exercise of any right, power or privilege hereunder preclude the exercise of any other right, power or privilege. No waiver of any breach of any provision shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision, nor shall any waiver be implied from any course of dealing between the parties. No extension of time for performance of any obligations or other acts hereunder or under any other agreement shall be deemed to be an extension of the time for performance of any other obligations or any other acts. The rights and remedies of the parties under this Agreement are in addition to all other rights and remedies, at law or equity, that they may have against each other except as may be specifically limited herein.
