ITEM 2. ACQUISITION OF ASSETS.

On May 30, 2003, Berkshire Income Realty - OP, L.P. (the "OP"), the operating partnership subsidiary of Berkshire Income Realty, Inc. (the "Company"), acquired the partnership interests of McNab KC3 Limited Partnership (the "Partnership"), the fee simple owner of Windward Lakes Apartments a 276-unit multi-family apartment community located in Pompano, Florida. Prior to the transaction the lender on the property, an affiliate of the Company, engaged a third party appraisal firm to determine the value of the property for purposes of determining the total amount payable to the lender under the terms of its participating mortgage. The third party appraisal firm valued the property at \$19 million. Total consideration for the partnership interests included the assumption of approximately \$19.5 million of first mortgage debt and other obligations (payable to affiliates of the Company's advisory company). The partnership interests include the real estate as well as other assets of the Partnership, including cash balances. The appraised value equates to a purchase price of approximately \$68,800 per apartment unit.

The Partnership interests were contributed to the OP by George Krupp, Chairman of the Board of Directors and his brother, Douglas Krupp, subject to certain obligations of the Partnership and its partners including the assumption of \$13.4 million of first mortgage debt, including accrued interest, \$4.8 million of principal, accrued interest, participation interest and interest rebates secured by the Partnership interests (the "Additional Loan") and the assumption of approximately \$1.3 million of liabilities payable to other affiliates of the Company's advisory company. Upon completion of the acquisition the Operating Partnership immediately paid off the first mortgage and Additional Loan debt totaling \$18.2 million using available cash.
