Gilat Satellite Networks Announces Estimated Third Quarter Results

Petah Tikva, Israel, November 3, 2003 Gilat Satellite Networks Ltd. (Nasdaq: GILTF), a worldwide leader in satellite networking technology, today announced its estimated results for the quarter ended September 30, 2003. The Company's regular announcement of third quarter results is scheduled for Thursday, November 13, 2003. The Company historically has not given guidance in advance of its regular announcements of quarterly results, does not expect to do so in the future, and is making this announcement solely due to its outstanding offer to exchange its 4% Convertible Subordinated Notes due 2012 for its Ordinary Shares. The expiration date for the exchange offer is 12:00 midnight, New York City time, on Monday, November 10, 2003, unless extended.

The Company estimates its revenues for the quarter to be between US\$43 to US\$45 million. Operating loss for the quarter, which includes restructuring charges in an amount of approximately US\$2 million, is estimated to be between US\$12 million and US\$14 million. Net loss for the quarter, which includes the restructuring charges, a gain from restructuring of debt in an amount of approximately US\$5 million and other income in an amount of approximately US\$1 million, is estimated to be between US\$3 million to US\$5 million or US\$(0.23) to (0.38) per share.

The Company's cash balances as of September 30, 2003 are expected to be approximately US\$61 million, which reflects a decrease of approximately US\$9 million during the third quarter of 2003. The cash balances are comprised of cash and cash equivalents, short-term bank deposits, short and long term restricted cash less short term bank credits and does not include restricted cash held in trustees.
