CALCULATION OF FILING FEE

Transaction valuation*	Amount of filing fee**
\$2,395,341	\$94.14

- \* Calculated solely for purposes of determining the filing fee. This amount assumes that eligible options to purchase 1,741,275 ordinary shares of RADVISION Ltd. will be exchanged pursuant to this offer. The aggregate value of such options was calculated as of November 24, 2008 based on the Black-Scholes option pricing model.
- \*\* The amount of the filing fee, calculated in accordance with Rule 0-11(b) of the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory No. 6 for fiscal year 2008, equals \$39.30 per \$1,000,000 (prorated for amounts less than US\$1 million) of the transaction value. Accordingly, the filing fee is calculated by multiplying the aggregate transaction valuation by 0.00003930.

Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Amount Previously Paid: \$94.14	Filing party: RADVISION Ltd.
Form or Registration No.: 005-58761	Date filed: November 25, 2008

- 
- (b) any action is threatened (orally or in writing), pending or taken, or any approval is withheld, by any court or any authority, agency or tribunal that, in our reasonable judgment, would or potentially would:

    - (ii) delay or restrict our ability, or render us unable, to accept the surrendered options for exchange or to issue new options for some or all of the surrendered options;

- (g) any significant and adverse change in the market price of our ordinary shares or any change in the general political, market, economic or financial conditions in the United States, Israel or elsewhere that could, in our reasonable judgment, have a material and adverse effect on the business condition (financial or otherwise), operation or prospects of our company or our subsidiaries or on the trading in our ordinary shares;
- (h) any change in the general political, market, economic or financial conditions in the United States, Israel or elsewhere that could, in our reasonable judgment, have a material and adverse effect on the business condition (financial or otherwise), operation or prospects of our company or our subsidiaries that, in our reasonable judgment, makes it inadvisable to proceed with this offer; or
- (i) in the case of any of the foregoing at the time of the commencement of the offer, a material acceleration or worsening thereof;
- (j) another person publicly makes or proposes a tender or exchange offer for some or all of our ordinary shares, or an offer to merge with or acquire us, or we learn that:

If a condition is triggered, we will notify optionholders and shareholders as soon as practicable whether we have waived an offer condition. Our failure to exercise any of these rights is not a waiver of any of these rights, and the waiver of any of these rights with respect to particular facts and circumstances is not a waiver with respect to any other facts and circumstances. Security holders may challenge any determination we make concerning the events described in this section. Only a court of competent jurisdiction can make a decision concerning the events described in this section that will be final and binding upon all persons.
