Commenting on the results for the three months and twelve months ended December 31, 2007, Mr. Baronner said, "The three significant factors that negatively impacted results for 2007 as compared with 2006 were a modest reduction in Net Interest Income, an increase in the Provision for Loan Losses and a charge for fraud, which charge is nonrecurring. If the economy stabilizes during 2008, we do not anticipate these issues will have a significant impact on earnings going forward. Accordingly, we are cautiously optimistic in regard to 2008."

The Board of Directors has approved a dividend of \$0.11 per share to be paid on March 1, 2008 to shareholders of record on February 15, 2008. This increased dividend represents the twentieth consecutive increase in the dividend since the company began paying them on a quarterly basis in 2003. Commenting on the dividend, Mr. Baronner

stated, "The increased dividend to be paid on March 1, 2008 reflects the confidence that the Board of Directors has in regard to the ongoing earnings capability of Potomac Bancshares, Inc. even during a difficult economic period."

During January 2008, Potomac Bancshares, Inc. made a common equity investment of approximately \$835,000 for an ownership interest of approximately 4.6% in a new bank, BlueRidge Bank (In Organization) in Frederick, Maryland. Commenting on the investment, Mr. Baronner said, "We have been considering various opportunities for growth. The Frederick, Maryland market is growing rapidly and we considered expanding our operations in that market. We met Brian Gaeng, President and Chief Executive Officer of BlueRidge Bank (In Organization), and are impressed with his proven experience and success in the market. He has put together a substantive group of investors and directors. We are pleased to join that group and expect that we can positively impact both the growth of BlueRidge Bank (In Organization) and our investment through joint loan participations."

Under an existing share repurchase program approved by the Board of Directors, Potomac Bancshares, Inc. continues to repurchase common stock, as appropriate. Commenting on the program, Mr. Baronner said, "Now that we have funded our investment in BlueRidge Bank (In Organization), we believe that the repurchase of Potomac Bancshares, Inc. common stock reflects the value that is inherent in our company versus currently available external investment opportunities."

Mr. Baronner stated, "2007 has been a challenging year. Our results of operations declined modestly; however, the continuing strength of the company permitted an increase in the common dividend, an investment in BlueRidge Bank (In Organization), and continuing common stock repurchases. We are optimistic about 2008 and the future; however, future results will be impacted by the economy and, more specifically, the residential housing market."

In closing, Mr. Baronner also announced the recent passing of Director Dr. E. William Johnson on Tuesday February 12, 2008. Baronner stated, "Bill Johnson was a highly dedicated director who had keen intellect, superior objectivity, and unquestionable integrity. Bill will be sadly missed by all who had the privilege to work with and know him." At this time, the Board elected not to fill the vacancy caused by his death and accordingly, the number of directors was reduced by one.

Potomac Bancshares Inc. is a public company trading under the ticker symbol PTBS.OB. PTBS is the one bank holding company for Bank of Charles Town (BCT) located in Charles Town, West Virginia.
