Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

The 627 shares of phantom stock represent the deferral of one quarter of the reporting person's annual payment for Board service for the 2008-2009 Board year and are deferred under CONSOL Energy Inc.'s (the "Company's") 1999 Director Deferred Compensation Plan, as amended (the "Deferred Compensation Plan"). Each share of phantom stock is the economic equivalent of one share of common stock, \$0.01 par value per share, of the Company. The shares of phantom stock are payable in cash and generally only after the reporting person is no longer a member of the Company's board of directors.

The 627 shares of phantom stock are in addition to the shares of phantom stock previously held by the reporting person in the Deferred Compensation Plan. An adjustment of ten additional shares has been made to the total number of shares of phantom stock directly held by the reporting person. The adjustment is being made to reconcile a rounding discrepancy between what was reported previously and the actual number of shares of phantom stock as determined by a recent review of the Company's records.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
