You should read the entire prospectus and any documents incorporated by reference carefully before purchasing Aceto Corporation common stock. In this prospectus, "Aceto Corporation," "we," "us" and "our" refer to the business that is owned and conducted by Aceto Corporation and its subsidiaries, and not to the selling shareholders.

OUR BUSINESS

We are primarily engaged in the marketing, sale and distribution of pharmaceutical, fine and industrial chemicals used principally in the agricultural, color producing, pharmaceutical, nutraceutical and surface coating industries. We sell approximately 1,000 chemicals used in these and other related industries.

On March 26, 2001, we acquired the distribution business of the Schweizerhall Pharma division of Schweizerhall Holding AG, a Switzerland corporation, and certain assets relating to the pharmaceutical ingredients business of Schweizerhall, Inc., a New Jersey corporation and wholly owned subsidiary of Schweizerhall Holding AG.

Schweizerhall Pharma's distribution business is an international pharmaceutical distribution business with offices located in Hamburg, Germany; Wormerveer, The Netherlands; Paris, France; Piscataway, New Jersey; Singapore; Mumbai, India; and Hong Kong.

RISK FACTORS

Before you buy shares of our common stock, you should be aware that there are various risks associated with the purchase of our common stock. You should consider carefully these risk factors, together with all of the other information in this prospectus and all documents incorporated by reference, before you decide to purchase shares of our common stock. The trading price of our common stock could decline due to any of these risks, and you may lose all or part of your investment. You should also refer to the other information contained in this prospectus, including the documents we incorporate by reference under "Where You Can Find More Information About Us".

IF WE ARE UNABLE TO MANAGE THE INTEGRATION OF OUR ACQUIRED BUSINESSES, OUR FINANCIAL CONDITION AND OPERATING RESULTS MAY BE ADVERSELY AFFECTED

A failure to effectively manage the integration of the four acquisitions we have made since November 1998, and any additional acquisitions we may decide to make, may adversely affect our business and financial condition. Our acquisitions have placed, and will continue to place, significant demands on our management, technical and other resources. Additionally, the successful expansion of our operations will depend on our ability to secure adequate sources of specialty chemicals on commercially reasonable terms and attract and retain skilled management.

IF WE ARE UNABLE TO COMPETE EFFECTIVELY WITH OUR COMPETITORS, MANY OF WHOM HAVE A GREATER MARKET PRESENCE AND GREATER RESOURCES THAN US, THE FINANCIAL CONDITION AND OPERATING RESULTS OF THE COMPANY MAY BE ADVERSELY AFFECTED.

Edgar Filing: ACETO CORP - Form S-3

Our financial condition and operating results are directly related to our ability to compete in the intensely competitive worldwide chemical market. We face competition from global and regional distributors of chemical products, many of who are large chemical manufacturers as well as distributors. Many of these companies have substantially greater resources than us, including greater financial, marketing and distribution resources.

UNFORESEEN ENVIRONMENTAL LIABILITIES AND/OR COSTS ASSOCIATED WITH COMPLIANCE WITH ENVIRONMENTAL LAWS WOULD HAVE A NEGATIVE EFFECT ON OUR FINANCIAL PERFORMANCE

If existing environmental regulations are changed, or additional laws or regulations are passed, the cost of complying with those laws may be substantial. No assurance can be given that we will not incur material environmental liabilities or that compliance with such laws will not require material capital expenditures by us, negatively affecting our financial performance. Our operations, the distribution of chemical products, are subject to various federal, state, local and foreign environmental laws and regulations.

3

Many of these laws and regulations provide for substantial remediation costs in the event of discharges of contaminants and fines and criminal sanctions for violations. We believe that we are currently in substantial compliance with all current environmental laws and regulations.

THE UNCERTAIN MILITARY, TERRORIST, POLITICAL AND ECONOMIC CONDITIONS IN THE WORLD COULD MATERIALLY DISRUPT OUR OPERATIONS CONDUCTED ABROAD AND EXPORT SALES.

Military, terrorist, political and economic actions in other countries could materially disrupt our overseas operations and export sales. In fiscal year 2002, approximately 36% of our revenues were attributable to operations conducted abroad and to export sales. In addition, in certain countries where we currently operate, export, intend to operate or intend to expand our operations, we could be subject to other political, military and economic uncertainties including labor unrest, restrictions on transfers of funds and unexpected changes in regulatory environments.

WE MAY FACE UNINSURED LIABILITIES INHERENT IN THE CHEMICAL INDUSTRY.

It is possible that liabilities for pollution and other damages arising from a major occurrence could exceed our insurance coverage or policy limits or that such insurance may not be available at reasonable rates in the future. Any such liabilities, which could arise due to injury and loss of life, severe damage to and destruction of property and equipment, pollution and other environmental damage could have a material adverse effect on us. The risks inherent in the chemical industry include explosions, fires, chemical spills or releases, pollution and other environmental risks. While we have considered and evaluated these risks, we believe that they currently do not have a significant impact on the financial statements.

BECAUSE OUR BUSINESS IS AFFECTED BY CHANGES IN CURRENCY MARKETS, FLUCTUATIONS IN FOREIGN CURRENCY EXCHANGE RATES MAY ADVERSELY AFFECT OUR RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

Our results of operations and financial condition may be adversely affected by fluctuations in the exchange rate between foreign currencies and the U.S. dollar. A substantial portion of our revenue is denominated in currencies other than the U.S. dollar because certain of our foreign subsidiaries operate in their local currencies. Moreover, we may incur significant costs in connection

Edgar Filing: ACETO CORP - Form S-3

with conversions between currencies.

SPECIAL INFORMATION ABOUT FORWARD-LOOKING STATEMENTS

Some of the statements in this prospectus or in the documents we incorporate by reference are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve certain known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements to be expressed or implied by these forward-looking statements. These factors include, among others, the inability to manage our recent rapid growth, unforeseen environmental liabilities and the uncertain military, political and economic conditions in the world. The words "believe," "expect," "anticipate," "intend" and "plan" and similar expressions identify forward-looking statements. We caution you not to place undue reliance on these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements or publicly announce the result of any revisions to any of the forward-looking statements in this document to reflect future events or developments.

USE OF PROCEEDS

Each selling shareholder is selling all of the shares covered by this prospectus for his, her or its own account. Accordingly, we will not receive any proceeds from the resale of the shares.

SELLING SHAREHOLDERS

The shares that may be offered hereby consist of 400,000 shares of our common stock held by Schweizerhall Holding AG, a corporation organized under the laws of Switzerland with its principal place of business at Elsasserstrasse

4

229, CH-4013, Basel, Switzerland, and 200,000 shares of our common stock held by Schweizerhall, Inc., a New Jersey corporation and wholly owned subsidiary of Schweizerhall Holding AG, with its principal place of business at 25 Corporate Place South, Piscataway, New Jersey 08854.

We issued all the shares that may be offered hereby in a private placement on March 26, 2001, as partial consideration for the distribution business of the Schweizerhall Pharma division of Schweizerhall Holding AG, and for certain assets relating to the pharmaceutical ingredients business of Schweizerhall, Inc.

Pursuant to the Purchase and Sale Agreement between us and Schweizerhall Holding AG, Chemische Fabrik Schweizerhall and Schweizerhall Inc., we were obligated to effect the registration of the shares that may be offered hereby. We are further obligated to register and qualify the shares under such state securities laws as the selling shareholders may reasonably request. We will bear the reasonable expenses of the registration and qualification of the shares under the Securities Act and state securities laws, other than brokerage commissions and the expenses of counsel for the selling shareholders.

The following table sets forth the names of the selling shareholders, the number of shares of common stock beneficially owned by the selling shareholders as of October 15, 2002, the number of shares of common stock that may be offered by the selling shareholders, the number of shares of common stock each selling shareholder will beneficially own if the shareholder sells all of the shares being registered and the selling shareholder's percentage ownership of our common stock if all the shares in the offering are sold.

Edgar Filing: ACETO CORP - Form S-3

The shares being offered hereby are being registered to permit public secondary trading, and the selling shareholders may offer all or part of the shares for resale from time to time. However, the selling shareholders are under no obligation to sell all or any portion of such shares nor are the selling shareholders obligated to sell any shares immediately under this prospectus. All information with respect to share ownership has been furnished by the selling shareholders. None of the selling shareholders have, and within the past three years have not had, any position, office or other material relationship with us or any of our predecessors or affiliates, except that we agreed in the Purchase and Sale Agreement referenced above to extend to a nominee of Schweizerhall Holding AG an invitation to join our Board of Directors.

Selling Shareholders	Shares of Common Stock Beneficially Owned	Shares of Common Stock to be Sold	Beneficial Ownership After Offering if all Shares are Sold
Schweizerhall Holding AG	400,000	400,000	0
Schweizerhall, Inc.	200,000	200,000	0
	-----	-----	-----
Total:	600,000	600,000	0

PLAN OF DISTRIBUTION

The selling shareholders and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling shareholders may use any one or more of the following methods when selling shares:

- o ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- o block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- o purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- o an exchange distribution in accordance with the rules of the applicable exchange;
- o privately negotiated transactions;
- o short sales;
- o broker-dealers may agree with the selling shareholders to sell a specified number of such shares at a stipulated price per share;
- o a combination of any such methods of sale; and
- o any other method permitted pursuant to applicable law.

5

The selling shareholders may also sell shares under Rule 144 under the Securities Act of 1933, if available, rather than under this prospectus. Broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling shareholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling shareholders do not expect these commissions and

Edgar Filing: ACETO CORP - Form S-3

discounts to exceed what is customary in the types of transactions involved.

The selling shareholders may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act of 1933 amending the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus.

The selling shareholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling shareholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be "underwriters" within the meaning of the Securities Act of 1933 in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act of 1933. Each selling shareholder has informed us that it does not have any agreement or understanding, directly or indirectly, with any person to distribute the common stock.

We are required to pay all fees and expenses incident to the registration of the shares. We have agreed to indemnify the selling shareholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act of 1933.

We have informed the selling shareholders that while they are engaged in a distribution of the shares included in this prospectus they are required to comply with certain anti-manipulative rules contained in Regulation M under the Securities Exchange Act of 1934. With certain exceptions, Regulation M precludes the selling shareholders, any affiliated purchasers, and any broker-dealer or other person who participates in such distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of the foregoing may affect the marketability of the shares offered by this prospectus.

INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

Our Certificate of Incorporation eliminates the personal liability of our directors to the fullest extent permitted by Section 402(b) of New York State's Business Corporation Law. Our By-Laws further provide that we will indemnify our officers and directors to the fullest extent permitted by law.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 402(b) of the New York Business Corporation Law (the "BCL") provides that the articles of incorporation of New York corporations may eliminate the personal liability of directors to a corporation and its shareholders for monetary damages arising from breaches of the directors' duty of care. However, Section 402 (b) does not permit elimination of the liability of any director if a judgment or other final adjudication adverse to him establishes that: (i) his acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law or that he personally gained in fact a financial profit or other advantage to which he was not legally entitled; or (ii) that his action involved (a) an improper declaration of any dividend or other distribution, (b) an improper redemption by the corporation of its own shares, (c) the distribution of assets to shareholders after dissolution, without paying or adequately providing for, with certain exceptions, known liabilities of the Corporation, or (d) the making of an improper loan to a director. Section 402 (b) does not authorize any limitation on the ability of a corporation or its shareholders to obtain injunctive relief, specific performance or other equitable remedies, and would not apply to acts or omissions which occurred prior to the filing of an amendment to the corporation's certificate of incorporation containing the elimination of directors' liability.

Article SEVENTH of the registrant's Certificate of Incorporation provides that the personal liability of the directors of the Corporation is hereby eliminated to the fullest extent permitted by the provisions of paragraph (b) of Section 402 of the Business Corporation Law of the State of New York, as the same may be amended and supplemented.

Section 12 of Article II of the registrant's By-Laws provide that the Corporation shall indemnify any person, made a party to an action by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he, his testator or intestate, is or was a director, officer, or employee of the Corporation, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense of such action, or in connection with an appeal therein, except in relation to matters as to which such director, officer, or employee is adjudged to have breached his duty to the Corporation. The Corporation shall indemnify any person, made, or threatened to be made, a party to an action or proceeding other than one by or in the right of the Corporation to procure a judgment in its favor, whether civil or criminal, including an action by or in the right of any other corporation of any type or kind, domestic or foreign, which any director, officer, or employee of the Corporation served in any capacity at the request of the Corporation, by reason of the fact that he, his testator or intestate, was a director, officer, or employee of the Corporation, or served such other corporation in any capacity, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director, officer, or employee acted, in good faith, for a purpose which he reasonably believed to be in the best interests of the Corporation and, in criminal actions or proceedings, in addition, had no

Edgar Filing: ACETO CORP - Form S-3

reasonable cause to believe that his conduct was unlawful. The foregoing right of indemnification shall not be exclusive of other rights to which he may be entitled. The Corporation is empowered to purchase and maintain insurance on behalf of any person who is or was a director officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director of another corporation against any liability asserted against him and incurred by him in any

II-1

such capacity or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of sections 722 and 717 of the Business Corporation Law.

The registrant maintains a directors and officers liability insurance policy with The St. Paul of St. Paul, Minnesota. The policy insures the directors and officers of the registrant against loss arising from certain claims made against such directors or officers by reason of certain wrongful acts.

ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(a) (1) To file, during any period in which it offers or sells securities, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus file with Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That for the purpose of determining any liability under the Securities Act, each post-effective amendment shall be deemed a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of this offering.

II-2

Insofar as indemnification for liabilities arising under the securities act may be permitted to directors, officers and controlling persons of the small business issuer pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the securities act and is, therefore, unenforceable.

In the event that a claim for indemnification against liabilities is asserted by a director, officer or controlling person in connection with the securities being registered, other than the payment by the small business issuer of expenses incurred or paid by a director, officer or controlling person of the small business issuer in the successful defense of any action, suit or proceeding, the small business issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of the issue.
