### Barclays Recommended Merger with ABN AMRO - Update on Offer

In their announcement of 2 July 2007, Barclays PLC ("Barclays") and ABN AMRO Holding N.V. ("ABN AMRO") indicated that an announcement on the availability of the formal Barclays' offer documentation was to take place on or before 23 July 2007. Good progress continues to be made in relation to the pre-conditions, documentation and regulatory change of control approvals. Since the regulatory review processes relating to the documentation, including with the SEC, are not yet completed, the AFM has agreed an extension so that an announcement on the formal offer documentation being available can be made on or before 6 August 2007.

Launch of the Barclays' offer will be subject to the satisfaction of the pre-conditions referred to in the original press release dated 23 April 2007. In

relation to the offer, Barclays is considering possible alternative offer structures, including introduction of a partial cash consideration element into the Offer. No decision has yet been taken but Barclays will make further announcements as, if and when due under applicable rules and regulations. If any changes to Barclays' offer were made they would be consistent with its prior public statements regarding the strict financial criteria it applies to merger and acquisition transactions and ensuring that the terms of any transaction are in the interests of its existing shareholders.

This is an announcement within the meaning of article 9b paragraph 1 of the Dutch Securities Market Supervision Decree (Besluit toezicht effectenverkeer 1995).
