PROXY STATEMENT

for the

2004 ANNUAL MEETING OF SHAREHOLDERS

To Be Held April 28, 2004

GENERAL

Time, Place and Purposes of Meeting

The 2004 Annual Meeting of Shareholders of M/I Homes, Inc. (the Annual Meeting) will be held on Wednesday, April 28, 2004 at 9:00 a.m., Eastern Daylight Time, at our corporate offices at 3 Easton Oval, Columbus, Ohio. The purposes of the Annual Meeting are set forth in the Notice of Annual Meeting of Shareholders to which this Proxy Statement is attached. All references in this Proxy Statement to M/I Homes or the Company refer to M/I Homes, Inc.

Solicitation of Proxies

This Proxy Statement and the accompanying form of proxy are first being sent to the shareholders on or about March 26, 2004. This Proxy Statement is furnished in connection with the solicitation of proxies by the Company's Board of Directors (the Board) for use at the Annual Meeting and any adjournment thereof. The Company's 2003 Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2003, is being mailed to all shareholders together with this Proxy Statement.

Voting by Proxy

A proxy card for use at the Annual Meeting is enclosed. You may ensure your representation by completing, signing, dating and promptly returning the enclosed proxy card in the envelope provided. Alternatively, shareholders holding common shares registered directly with the

Edgar Filing: M I HOMES INC - Form DEF 14A

Company's transfer agent, EquiServe, may vote their proxy electronically via the Internet or telephonically by following the instructions on their proxy card. The deadline for voting electronically via the Internet or telephonically is 11:59 p.m., Eastern Standard Time, on April 27, 2004. There are no fees or charges associated with voting electronically via the Internet or telephonically, other than fees or charges, if any, that shareholders pay for access to the Internet and for telephone service. Shareholders holding common shares in street name with a broker, bank or other holder of record may also be eligible to vote their proxy electronically via the Internet or telephonically. Such shareholders should review the information provided to them by such holder of record. This information will set forth the procedures to be followed in instructing the holder of record how to vote the street name common shares and how to revoke previously given instructions.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised at the Annual Meeting by filing a written notice with the Company evoking it, by duly executing a proxy card bearing a later date, by casting a new vote electronically via the Internet or telephonically or by attending the Annual Meeting and voting in person. Attending the Annual Meeting without voting will not revoke a proxy. Subject to such revocation and except as otherwise stated herein or in the form of proxy, all proxies properly executed or properly voted electronically via the Internet or telephonically that are received prior to, or at the time of, the Annual Meeting will be voted in accordance with the instructions contained therein. If no instructions are given (excluding broker non-votes), proxies will be voted for the nominees for election of directors set forth herein, for Proposals 2 and 3 and, at the discretion of the proxy holders, on all other matters that may properly be brought before the Annual Meeting or any adjournment thereof.

Outstanding Shares and Voting Rights

There were 14,033,061 of the Company's common shares, par value \$.01 per share (the Common Shares), issued and outstanding on March 2, 2004 (the Record Date), which date has been set as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the Annual Meeting. Each Common Share outstanding on the Record Date entitles the holder to one vote on each matter submitted to a shareholder vote at the Annual Meeting. A quorum for the Annual Meeting is a majority of the outstanding Common Shares on the Record Date.

Common Shares represented by properly executed proxies returned to the Company prior to the Annual Meeting or represented by properly authenticated electronic voting instructions recorded via the Internet or telephonically will be counted toward the establishment of a quorum for the Annual Meeting even though they are marked Abstain, Withheld From All Nominees or For All Nominees Except or are not marked at all. Broker/dealers who hold Common Shares in street name may, under the applicable rules of the exchange and other self-regulatory organizations of which the broker/dealers are members, sign and submit proxies for such Common Shares and may vote such Common Shares on routine matters such as the election of directors, but broker/dealers may not vote such Common Shares on non-routine matters without specific instructions from the owner of such Common Shares. Proxies that are signed and submitted by broker/dealers that have not been voted on certain matters as described in the previous sentence are referred to as broker non-votes. Broker non-votes count toward the establishment of a quorum for the Annual Meeting.

Proposal No. 1

ELECTION OF DIRECTORS

Pursuant to the Company's Amended and Restated Regulations (the Regulations), the Board is comprised of nine directors, divided into three classes with staggered three year terms. A class of three directors is to be elected at the Annual Meeting. The Board has nominated the persons set forth in the table below for election as directors of the Company at the Annual Meeting. The three nominees receiving the greatest number of votes cast will be elected to serve until the 2007 Annual Meeting of Shareholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal. Withheld votes with respect to any nominee (or all of the nominees) will be counted for purposes of establishing a quorum, but will have no effect on the election of such nominee(s).

Irving E. Schottenstein, who was in the class of directors whose term expires at the 2005 Annual Meeting of Shareholders, passed away on February 11, 2004. The Board's Nominating and Governance Committee is in the process of identifying and evaluating qualified candidates to fill the vacancy created by his death. In accordance with the Regulations and the M/I Homes, Inc. Corporate Governance Guidelines, the Board,

Edgar Filing: M I HOMES INC - Form DEF 14A

taking into account the recommendations of its Nominating and Governance Committee, will either appoint a director to fill the

vacancy and serve until the 2005 Annual Meeting of Shareholders, or reduce the size of the class of directors whose term expires at the 2005 Annual Meeting. This process will not be completed until after the Annual Meeting, and therefore one vacancy will exist following the Annual Meeting. Proxies cannot be voted for more than three nominees for election as directors in the class whose term expires at the 2007 Annual Meeting of Shareholders.

Unless otherwise specified in your proxy, the Common Shares voted pursuant thereto will be voted FOR each of the persons named below as nominees for election as directors. The Board has no reason to believe that any nominee will not serve as a director if elected. If any nominee becomes unwilling or unable to serve as a director, the proxy holders reserve full discretion to vote the Common Shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee designated by the Board.

Your Board of Directors unanimously recommends a vote **FOR** each of the Director Nominees named below.

INFORMATION REGARDING THE BOARD, ITS COMMITTEES AND CORPORATE GOVERNANCE

Board Organization and Committees

The Board currently has eight members as result of the vacancy caused by the death of Irving E. Schottenstein. The Board has determined that five of the eight directors meet the criteria for independence required by the New York Stock Exchange (NYSE) Rules in that such directors have no relationship with the Company either directly or indirectly, including, without limitation, any commercial, industrial, banking, consulting, legal, accounting, charitable or familial relationship, other than serving as a director of the Company. Pursuant to the Company s Corporate Governance Guidelines, each independent director is required to notify the Chairman of the Company s Nominating and Governance Committee, as soon as practicable, in the event his circumstances change in a manner that may affect the Board s evaluation of his independence.

During 2003, the Board held five meetings and all of the members of the Board attended at least 75% of the meetings of the Board and the committees on which they served.

During 2003, the Board had four standing committees: the Audit Committee, the Compensation Committee, the Executive Officer Compensation Committee and the Executive Committee. On March 8, 2004, the Board (1) dissolved the existing Compensation Committee; (2) renamed the Executive Officer Compensation Committee, the Compensation Committee; and (3) established the Nominating and Governance Committee. Accordingly, the Board currently has four standing committees. In accordance with applicable Securities and Exchange Commission (SEC) Rules and NYSE Rules, each of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee has its own written charter which is available on the Company s website at www.mihomes.com. The Audit Committee Charter is also attached as Annex B to this Proxy Statement. All committees report on their activities to the Board.

Audit Committee. The Audit Committee operates pursuant to a written Audit Committee Charter which was adopted by the Board on March 8, 2004 and reflects the new SEC Rules and NYSE Rules relating to audit committees. The Audit Committee annually reviews and assesses the adequacy of its Charter and recommends changes to the Board as necessary to reflect changes in regulatory requirements, authoritative guidance and evolving practices. The Audit Committee s duties and responsibilities are set forth in its Charter. The primary functions of the Audit Committee are to assist the Board in its oversight of (1) the integrity of the Company s consolidated financial statements; (2) the Company s compliance with legal and regulatory requirements; (3) the independent accountants and auditors qualifications and independence; and (4) the performance of the Company s internal audit function and independent accountants and auditors. The Audit Committee s specific responsibilities include: (1) reviewing the Company s accounting procedures and policies; (2) reviewing the activities of the internal auditors and the Company s independent accountants and auditors; (3) reviewing the independence and objectivity of the independent accountants and auditors, including potential conflicts of interest; (4) monitoring and evaluating the Company s internal controls over financial reporting; (5) having responsibility for the hiring, retention and fees of the Company s independent accountants and auditors; and (6) other matters required by SEC Rules and NYSE Rules. Each member of the Audit Committee qualifies as independent and is financially literate under the applicable SEC Rules and NYSE Rules. The Board has determined that the Audit Committee s Chairman, Thomas D. Igoe, qualifies as an audit committee financial expert as defined in the SEC Rules. The Board determined that Mr. Igoe has acquired the requisite attributes to qualify as an audit committee financial expert by virtue of his more than 35 years as a commercial banker in the real estate and homebuilding sectors. During his banking career, Mr. Igoe s responsibilities included analyzing and evaluating consolidated financial statements in order to make lending decisions and actively supervising others in conducting financial statement and financial condition analysis and evaluation. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Securities and Exchange Act of 1934, as amended. The Audit Committee met four times during 2003. The committee s report relating to the 2003 fiscal year appears on page 22 of this Proxy Statement.

Compensation Committee. The Compensation Committee operates pursuant to a written Compensation Committee Charter which was adopted by the Board on March 8, 2004 and reflects the new NYSE Rules relating

to compensation committees. The Compensation Committee annually reviews and assesses the adequacy of its Charter and recommends changes to the Board as necessary to reflect changes in regulatory requirements, authoritative guidance and evolving practices. The Compensation Committee's purpose is to assist the Board in discharging its responsibilities relating to the compensation (cash, equity and otherwise) to be provided to the executive officers and directors of the Company. The Charter sets forth the responsibilities and duties of the Compensation Committee, which include: (1) reviewing, approving and determining the compensation for the executive officers; (2) developing and administering plans necessary to ensure the compensation paid to the executive officers is tax deductible; (3) administering the Company's incentive and equity-based compensation plans with respect to the executive officers; and (4) preparing an annual report on executive compensation for inclusion in the Proxy Statement. Each member of the Compensation Committee qualifies as independent under the applicable NYSE Rules. The Company's 2003 Compensation Committee met four times during 2003. The Company's 2003 Executive Officer Compensation Committee (which, as discussed above, was renamed the Compensation Committee on March 8, 2004) met four times during 2003.

Nominating and Governance Committee. The Nominating and Governance Committee operates pursuant to a written Nominating and Governance Committee Charter which was adopted by the Board on March 8, 2004 and reflects the new NYSE Rules relating to nominating committees. The Nominating and Governance Committee annually reviews and assesses the adequacy of the Charter and recommends changes to the Board as necessary to reflect changes in regulatory requirements, authoritative guidance and evolving practices. The Nominating and Governance Committee's primary responsibility is to assist the Board on the broad range of issues surrounding the composition and operation of the Board, including: (1) identifying individuals qualified to become Board members; (2) recommending to the Board director nominees for the next annual meeting of shareholders; and (3) developing and recommending to the Board a set of corporate governance principles applicable to the Company. In addition, the Nominating and Governance Committee recommends to the Board committee selections and oversees the evaluation of the Board. Each member of the Nominating and Governance Committee qualifies as independent under the applicable NYSE Rules. Because the Nominating and Governance Committee was not established until March 8, 2004, it did not separately consider the nominees for election at the Annual Meeting. The full Board selected those nominees.

Executive Committee. When the Board is not in session, the Executive Committee may exercise those powers and may carry out those duties of the Board which under state or federal law may be delegated by the Board. During 2003, the Executive Committee did not hold any formal meetings.

Corporate Governance Guidelines

On March 8, 2004, in accordance with NYSE Rules, the Board adopted the M/I Homes, Inc. Corporate Governance Guidelines to promote the effective functioning of the Board and its committees and to reflect the Company's commitment to the highest standards of corporate governance. The Board periodically reviews the Corporate Governance Guidelines to ensure they are in compliance with all applicable requirements. The Corporate Governance Guidelines are available on the Company's website at www.mihomes.com.

Attendance at Annual Shareholder Meetings

The Company does not have a formal policy with respect to attendance by the directors at the annual meeting of shareholders. However, directors are encouraged to attend and the Board and its committees meet immediately following the annual meeting of shareholders. Seven of the nine directors attended the 2003 Annual Meeting of Shareholders.

Code of Business Conduct and Ethics

Edgar Filing: M I HOMES INC - Form DEF 14A

On March 8, 2004, in accordance with SEC Rules and NYSE Rules, the Board adopted the M/I Homes, Inc. Code of Business Conduct and Ethics which is available on the Company's website at www.mihomes.com.

Executive Sessions

In accordance with the Company's Corporate Governance Guidelines and NYSE Rules, the non-management directors meet (without management present) at regularly scheduled meetings at least twice per year and at such other times as the directors deem necessary or appropriate. Each executive session is chaired by one of the non-management directors on a rotating basis in alphabetical order.

Communications with the Board of Directors

The Board believes that it is important for shareholders to have a process to send communications to the Board. Accordingly, shareholders who wish to communicate with the Board or a particular director may do so by sending a letter to the Secretary of the Company at 3 Easton Oval, Suite 500, Columbus, Ohio 43219. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Nomination of Directors

As described above, the Company has a standing Nominating and Governance Committee that has responsibility for providing oversight on the broad range of issues surrounding the composition and operation of the Board, including identifying candidates qualified to become directors and recommending director nominees to the Board.

When considering candidates for the Board, the Nominating and Governance Committee evaluates the entirety of each candidate's credentials and does not have any specific eligibility requirements or minimum qualifications that must be met by a Nominating and Governance Committee-recommended nominee. The Nominating and Governance Committee considers those factors it deems appropriate, including judgment, skill, independence, diversity, strength of character, experience with businesses and organizations comparable in size or scope, experience as an executive of, or advisor to, a publicly traded or private company, experience and skill relative to other Board members, specialized knowledge or experience and desirability of the candidate's membership on the Board. Depending upon the current needs of the Board, the Nominating and Governance Committee may weigh certain factors more or less heavily. The Nominating and Governance Committee does, however, believe that all members of the Board should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters and no conflict of interest that would interfere with performance as a director.

The Nominating and Governance Committee considers candidates for the Board from any reasonable source, including shareholder recommendations, and does not evaluate candidates differently based on who has made the recommendation. Pursuant to its written charter, the Nominating and Governance Committee has the authority to retain consultants and search firms to assist in the process of identifying and evaluating candidates and to approve the fees and other retention terms for any such consultant or search firm. No such consultant or search firm has been used to date and, accordingly, no fees have been paid to any such consultant or search firm.

Shareholders may recommend director candidates for consideration by the Nominating and Governance Committee by giving written notice of the recommendation to the Secretary of the Company. The recommendation should include the candidate's name, age, business address, residence address and principal occupation or employment, as well as a description of the candidate's qualifications, attributes and other skills. A written statement from the candidate consenting to serve as a director, if so elected, should accompany any such recommendation.

The Board, taking into account the recommendations of the Nominating and Governance Committee, selects nominees for election as directors at the annual meeting of shareholders. In addition, shareholders who wish to nominate one or more persons for election as a director at the annual meeting of shareholders may do so provided they comply with the nomination procedures set forth in the Regulations. To nominate one or more persons for election as a director at an annual meeting, the Regulations require that a shareholder give written notice of such shareholder's intent to make such nomination or nominations by personal delivery or by United States Mail, postage pre-paid, to the Secretary of the Company not less than sixty days nor more than ninety days prior to the first anniversary of the date of the preceding year's annual meeting (or, if the date of the annual meeting is changed by more than thirty days from the anniversary date of the preceding year's annual meeting or in the case of a special meeting, within 7 days after the date the Company mails or otherwise gives notice of the date of the meeting). Such notice shall set forth: (1) the name and address of the person or persons to be nominated; (2) a representation that the shareholder is a holder of record entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (3) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; (4) such other information regarding each nominee proposed by the shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated, or intended to be nominated, by the Board; and (5) the consent of each nominee to serve as a director of the Company, if so elected. The Chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

Proposal No. 2

APPROVAL OF THE 2004 EXECUTIVE OFFICERS COMPENSATION PLAN

Proposal

The Board proposes that the shareholders approve the adoption of the M/I Homes, Inc. 2004 Executive Officers Compensation Plan (the **Plan**). The Board adopted the Plan on March 8, 2004. Set forth below is a summary of the Plan, which summary is qualified in its entirety by reference to the Plan, a copy of which is attached hereto as Annex A. All capitalized terms which are not defined herein are defined in the Plan.

Purpose

The purpose of the Plan is to advance the interests of the Company by providing annual incentive cash awards to the executive officers of the Company based upon the Company's achievement of pre-established corporate performance goals. The Plan is a performance-based compensation plan as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (**Section 162(m)**). Section 162(m) governs the corporate tax deductibility of annual compensation exceeding \$1,000,000 paid to the chief executive officer and the four other most highly compensated executive officers of a public company. Corporate tax deductions for certain types of compensation, including performance-based compensation, are generally allowed. The Plan is being submitted to the shareholders for approval at the Annual Meeting in an effort to ensure that the compensation payable under the Plan will be deductible as performance-based compensation. By approving the Plan, the shareholders will also be approving, among other things, the material terms of the performance goals, the eligibility requirements and the limits on the awards that may be made pursuant to the Plan.

The Plan will supersede and replace the Company's existing performance-based compensation plan under Section 162(m), which plan was adopted by the Board on November 17, 1998 and approved by the Company's shareholders at the 1999 Annual Meeting of Shareholders (the **Existing Section 162(m) Plan**). The Executive Officer Compensation Committee engaged Hewitt Associates, an independent compensation consulting firm, to advise them on the development of the Plan.

Administration

The Plan will be administered by the Compensation Committee of the Board. Each Compensation Committee member will be an outside director within the meaning of Section 162(m). The Compensation Committee will have the authority to select the executive officers of the Company to whom awards may be granted, grant awards and determine the terms and conditions of any awards under the Plan. The Compensation Committee will also have the authority to construe and interpret the Plan and establish, amend, suspend or waive rules for its administration. However, the Compensation Committee will have no authority to take any action that would cause any award to any participant to fail to qualify as performance-based compensation under Section 162(m). All decisions made by the Compensation Committee will be final and binding.

Eligibility

The Chairman of the Board/Chief Executive Officer/President, the Vice Chairman/Chief Operating Officer, the Senior Vice President/Chief Financial Officer and any other executive officer of the Company will be eligible to be selected by the Compensation Committee to be granted awards under the Plan. The Compensation Committee will select the individuals eligible to participate in the Plan for each Plan Year.

Description of Awards

For each Plan Year, the Compensation Committee will establish for each participant one or more objective compensation Award Formulas based on the achievement of Performance Goals, the outcomes of which are substantially uncertain at the time so established. The Performance Goals will be based upon objective corporate financial criteria, such as income before income taxes, net income, return on equity and return on assets and other performance criteria such as homebuyer satisfaction ratings during one or more years. The Compensation Committee will have the discretion to determine whether the Award Formulas will be based upon any one or more of such Performance Goals and upon performance during one or more years.

The level of achievement of the Performance Goals at the end of the Plan Year will determine the amount of each participant's award. After the end of each Plan Year, the Compensation Committee will determine the amount of the award earned by each Participant under the Award Formulas. Payment of the award to the Participant will be made upon certification by the Compensation Committee, in writing, that the Performance Goals have been satisfied and the award has been calculated in accordance with the Award Formulas. However, a participant may elect to defer payment of his or her cash award under the Plan if such deferral is permitted pursuant to the terms of a deferred compensation program then maintained by the Company.

In the event a participant's employment with the Company is terminated, either voluntarily or involuntarily, before the payment date for an award for a Plan Year, the participant will not be eligible for an award for that Plan Year, unless the participant's employment was terminated as a result of his or her death, disability or retirement or a reduction in work force or a change of control (as defined in the Company's Executives Deferred Compensation Plan), in which case the Compensation Committee, in its sole and complete discretion, may elect to pay an award to the participant.

Amendment and Termination

Edgar Filing: M I HOMES INC - Form DEF 14A

The Board has the absolute discretion to modify, amend, suspend or terminate the Plan, in whole or in part, with or without notice. However, prior to any such modification, amendment, suspension or termination during a Plan Year, the Board will consider the impact of such modification, amendment, suspension or termination, as the case may be, under the requirements of Section 162(m).

New Plan Benefits

The exact amount of the awards under the Plan, if any, that will be allocated to or received by the Company's eligible executive officers is at the discretion of the Compensation Committee and dependent upon

the future performance of the Company, and therefore cannot be determined at this time. Proposal No. 3**INDEPENDENT PUBLIC ACCOUNTANTS AND AUDITORS**

The Audit Committee has appointed Deloitte & Touche LLP as the Company's independent accountants and auditors for the fiscal year ending December 31, 2004. Deloitte & Touche LLP served as the Company's independent accountants and auditors for fiscal year 2003. Although action by the shareholders in this matter is not required, the Audit Committee believes that shareholder ratification of its appointment of Deloitte & Touche LLP is appropriate because of the independent accountants' and auditors' role in maintaining the quality and integrity of the Company's internal control over financial reporting. A representative of Deloitte & Touche LLP will be present at the Annual Meeting. The representative will have an opportunity to make a statement, if he or she desires, and will be available to respond to appropriate questions.

The affirmative vote of holders of a majority of the outstanding Common Shares entitled to vote at the Annual Meeting is required to ratify the appointment of Deloitte & Touche LLP as the Company's independent accountants and auditors for fiscal year 2004. Abstentions and broker non-votes will be counted for purposes of establishing a quorum and will have the same effect as a vote against the proposal. The Company's executive officers and directors and members of the family of the late Irving E. Schottenstein, who collectively own or have voting power with respect to approximately 22.8% of the outstanding Common Shares, have indicated that they intend to vote FOR the proposal to ratify the appointment of Deloitte & Touche LLP as the Company's independent accountants and auditors. In the event that the shareholders do not ratify the appointment of Deloitte & Touche LLP, the Audit Committee will consider other independent accountants and auditors.

- (1) Consists of the Company's 1993 Stock Incentive Plan as Amended. Pursuant to the terms of such plan, the maximum number of Common Shares in respect of which awards may be granted under the plan in each calendar year is five percent of the total issued and outstanding Common Shares as of the first day of each such calendar year.
- (2) Consists of the Company's Director Deferred Compensation Plan and Executives' Deferred Compensation Plan, each of which is described below:

Director Deferred Compensation Plan. The Director Deferred Compensation Plan provides each of our directors with the opportunity to defer the payment of all or none of the fees received for serving as a director. The deferred fees are allocated to the participant's deferred compensation account, where the fees are converted into that number of whole phantom stock units determined by dividing the amount of the deferred fees by the closing sales price of our Common Shares on the NYSE on the date of such conversion, which is the last business day of the month in which the allocation is made. Each participant's deferred compensation account is credited in an amount equivalent to the cash dividends actually declared and paid on our Common Shares based on the phantom stock units held by the participant at the time the cash dividends are declared. The amount credited to the participant's deferred compensation account based on cash dividends on our Common Shares is also

converted into phantom stock units. The phantom stock units held by a participant are distributed in the form of whole Common Shares within sixty days of the date specified by the participant in his or her deferral notice or the date the participant no longer serves as a director (in which case the participant receives any remaining cash balance in his or her deferred compensation account).

Executives Deferred Compensation Plan. The Executives Deferred Compensation Plan provides eligible employees with the opportunity to defer the payment of a portion of their respective annual cash bonus. The deferred amount is allocated to the participant's deferred compensation account, where the deferred amount is converted into that number of whole phantom stock units determined by dividing the deferred amount by the closing sales price of our Common Shares on the NYSE on the date of such conversion, which is the same day the bonus is paid and the allocation is made. Each participant's deferred compensation account is credited in an amount equivalent to the cash dividends actually declared and paid on our Common Shares based on the phantom stock units held by the participant at the time the cash dividends are declared. The amount credited to the participant's deferred compensation account based on cash dividends on our Common Shares is also converted into phantom stock units. The phantom stock units held by a participant are distributed in the form of whole Common Shares within sixty days of the date specified by the participant in his or her deferral notice or the date the participant no longer serves as an employee (in which case the participant receives any remaining cash balance in his or her deferred compensation account).

The Compensation Committee reviewed the Company's 401(k) plan with respect to investment selections, returns, audit results and the Company's discretionary contributions. The Compensation Committee also reviewed all stock option awards granted by the Company.

The Company's executive compensation program is intended to serve four primary objectives: (1) provide executives with incentives to accomplish the Company's business objectives and strategy and meet specific performance goals; (2) maximize shareholder value; (3) attract and retain qualified executives to manage the Company's business; and (4) encourage stock ownership by executives in order to enhance mutuality of interest with the Company's shareholders. The Executive Officer Compensation Committee and the Compensation Committee believe that the Company's executive compensation program promotes each of these objectives. Additionally, the aforementioned Committees believe that the executive compensation program fosters long-term growth and accountability for performance.

In 2003, the Executive Officer Compensation Committee engaged Hewitt Associates, an independent compensation consulting firm, to perform competitive peer analysis and advise the Company on executive officer compensation.

Salary increases are reviewed annually and are based on the Company's overall performance and the executive's attainment of individual objectives during the preceding year.

Elements of Compensation. Under the Company's executive compensation program, each of the executive officers of the Company receives compensation in the form of: (1) a base salary; (2) an annual performance bonus; and (3) stock options. The Company's current policy is not to provide pension or other retirement plans for the Company's executive offices other than the Company's 401(k) plan.

Under the Company's Executives Deferred Compensation Plan, each executive officer has the right to elect to have a portion of his performance bonus invested in Common Shares, the payment of which is deferred until a future date. The Executive Officer Compensation Committee believes that the Executives' Deferred Compensation Plan serves to further align the interests of the executive officers with the Company's shareholders.

Chief Executive Officer Compensation. The Executive Officer Compensation Committee considered the following factors in determining the base salary for 2003 for Irving E. Schottenstein, Chief Executive Officer of the Company during 2003: (1) the Company's success in attaining its profit plan for 2003 as discussed below and (2) the level of compensation paid to chief executive officers of other publicly traded, national and regional homebuilders.

The performance bonus for Irving E. Schottenstein for 2003 was awarded in accordance with the Existing Section 162(m) Plan. Pursuant to the terms of this plan, the Executive Officer Compensation Committee established the Award Formula (as defined in the plan) and the Performance Goals (also as defined) for Irving E. Schottenstein for 2003. The Award Formula was based upon the Company's achievement of Performance Goals in the following areas: (1) achieving specified levels of net income; (2) return on shareholders' equity; and (3) achieving specified homeowner satisfaction ratings as measured by homeowner surveys conducted by the Company. The total amount that could be earned by Irving E. Schottenstein was capped at five times his annual base salary in 1999.

In 2003, the Company achieved record net income, return on beginning equity exceeded 24% and homeowner satisfaction ratings exceeded 99%. As a result, Irving E. Schottenstein earned the maximum performance bonus available in 2003.

Other Executive Officers' Compensation. The Executive Officer Compensation Committee considered the following factors in determining the base salaries for 2003 for the President, who is also the Chief Executive Officer as of January 12, 2004, the Chief Operating Officer and the Senior Vice President/Chief Financial Officer: (1) the Company's success in attaining its profit plan for 2003 as discussed below; (2) the level of compensation paid to persons holding comparable positions with other publicly traded, national and regional homebuilders; and (3) their respective roles and responsibilities with the Company.

Pursuant to the Existing Section 162(m) Plan, the Executive Officer Compensation Committee established the Award Formulas and Performance Goals for the President, the Chief Operating Officer and the Senior Vice President/Chief Financial Officer for 2003. The Award Formulas for each of these executive officers were based upon the Company's achievement of Performance Goals in the following areas: (1) achieving specified levels of net income; (2) return on shareholders' equity; and (3) achieving specified homeowner satisfaction ratings as measured by homeowner surveys conducted by the Company. The total amount that could be earned by each of the President, the Chief Operating Officer and the Senior Vice President/Chief Financial Officer was capped at five times their respective annual base salaries in 1999.

In 2003, the Company achieved record net income, return on beginning equity exceeded 24% and homeowner satisfaction ratings exceeded 99%. As a result, the President, the Chief Operating Officer and the Senior Vice President/Chief Financial Officer each earned the maximum performance bonus available in 2003. Each of the aforementioned executives elected to invest a portion of his performance bonus in Common Shares pursuant to the Executives' Deferred Compensation Plan.

Stock Options. It is the Company's intent to award stock options to the Company's executive officers in amounts reflecting the financial performance of the Company, the executive officer's ability to influence the

Company's overall performance and his position. Options are intended to motivate executive officers to improve the Company's financial results and stock performance and to retain executive officers. In 2003, the Executive Officer Compensation Committee approved the award of nonqualified stock options for 138,000 Common Shares at \$27.15 per share (the closing price on the date of grant) to the Named Executive Officers (see Option Grants in Last Fiscal Year). The nonqualified stock options vest at a rate of 20% per year over the first five years and lapse after ten years unless sooner exercised or forfeited.

Section 162(m) Compliance. Section 162(m) of the Internal Revenue Code as of 1986, as amended, places certain restrictions on the amount of compensation in excess of \$1,000,000 which may be deducted for each executive officer. In 1999, the Company adopted the Existing Section 162(m) Plan and constituted the Executive Officer Compensation Committee to further ensure that compensation paid to executive officers in excess of \$1,000,000 will be fully deductible. The Executive Officer Compensation Committee consists solely of outside directors for purpose of Section 162(m). The Company believes that all compensation paid to the executive officers in excess of \$1,000,000 will be fully deductible.

AUDIT COMMITTEE MATTERS

Audit Committee Report

General. The purpose of the Audit Committee of the Board is to assist the Board in its oversight of: (1) the integrity of the Company's consolidated financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the independent accountants' and auditors' qualifications and independence; and (4) the performance of the Company's internal audit function and independent accountants and auditors. Each member of the Audit Committee is independent under the applicable SEC Rules and NYSE Rules. During the 2003 fiscal year, the Audit Committee met four times. In addition, the Chairman of the Audit Committee, on behalf of the Audit Committee, met quarterly with the Company's senior financial management and Deloitte & Touche LLP, the Company's independent accountants and auditors, and discussed the Company's interim and fiscal year financial information prior to public release.

Review and Discussion with Independent Accountants and Auditors. In fulfilling its oversight responsibility as to the audit process, the Audit Committee obtained from Deloitte & Touche LLP a formal written statement describing all relationships between Deloitte & Touche LLP and the Company that might bear on Deloitte & Touche LLP's independence consistent with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*; discussed with Deloitte & Touche LLP any relationships that may impact Deloitte & Touche LLP's objectivity and independence; and satisfied itself as to Deloitte & Touche LLP's independence. After consideration, the Audit Committee has also determined that the non-audit services rendered by Deloitte & Touche LLP during 2003 are compatible with the independence standards.

The Audit Committee reviewed and discussed with management, the internal auditors and Deloitte & Touche LLP the quality and adequacy of the Company's internal control over financial reporting. In addition, the Audit Committee reviewed and discussed with Deloitte & Touche LLP all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended by Statement on Auditing Standards No. 90, *Audit Committee Communications*, and, with and without management present, discussed and reviewed the results of Deloitte & Touche LLP's audit of the consolidated financial statements. The Audit Committee also discussed the results of the Company's internal audits conducted throughout the year.

Review with Management. The Audit Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2003 with management. Management has represented to the Audit Committee that the audited consolidated financial statements were prepared in accordance with generally accepted accounting principles, consistently applied. Management has the responsibility for the preparation of the Company's consolidated financial statements, and Deloitte & Touche LLP has the responsibility for the audit of those statements.

Conclusion. Based on the reviews and discussions with management and Deloitte & Touche LLP noted above, the Audit Committee recommended to the Board (and the Board approved) that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 that was filed with the SEC.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee has adopted the following policy with respect to engagement of the Company's independent accountants and auditors to perform services for the Company:

Annually, the independent accountants and auditors will provide the Audit Committee with an engagement letter outlining the scope of the audit services proposed to be performed during the fiscal year, together with a schedule of fees for such services, for approval.

Edgar Filing: M I HOMES INC - Form DEF 14A

In addition, the Audit Committee will annually pre-approve a list of audit services (not covered by the audit engagement letter) and permissible audit-related services, tax services and other services as well as a range of fees for those services. Any services rendered by the independent accountants and auditors during that fiscal year will be considered pre-approved by the Audit Committee provided the services rendered fall within the list of pre-approved services and the fees do not exceed the pre-approved fees. To ensure prompt handling of unexpected matters, the Audit Committee has delegated to its Chairman the authority to amend or modify the list of pre-approved permissible audit and non-audit services and fees. The Chairman will report any action taken to the Audit Committee at its next meeting.

The Head of Internal Audit for the Company will be responsible for tracking all fees of the independent accountants and auditors against the approved range of fees for such services and report at least annually to the Audit Committee.

During fiscal year 2003, no services were approved by the Audit Committee pursuant to paragraph (c)(7)(i)(c) of Rule 2-01 of Regulation S-X.

EXECUTIVE OFFICERS COMPENSATION PLAN

1. **Purpose.** The purpose of the M/I Homes, Inc. 2004 Executive Officers Compensation Plan (the **Plan**) is to advance the interests of M/I Homes, Inc. (the **Company**) by providing annual incentive cash awards to the executive officers of the Company based upon the achievement of pre-established quantitative corporate performance goals. The Plan is a performance-based compensation plan as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**), and payments under the Plan are intended to qualify for tax deductibility under Section 162(m).

2. **Effective Date of Plan.** The Plan shall be effective as of January 1, 2004, upon approval of the Plan by the shareholders of the Company.

3. **Plan Administration.** The Plan shall be administered by the Compensation Committee of the Company's Board of Directors (the **Committee**). Each member of the Committee shall be an outside director within the meaning of Section 162(m) of the Code. The Committee shall have full power and authority, subject to the provisions of the Plan and applicable law, to (a) grant awards under the Plan to the executive officers of the Company; (b) establish, amend, suspend or waive such rules and regulations and appoint such agents as it deems necessary or advisable for the proper administration of the Plan; (c) construe, interpret and administer the Plan and any instrument or agreement relating to the Plan; and (d) make all other determinations and take all other actions necessary or advisable for the administration of the Plan. Unless otherwise expressly provided in the Plan, each determination made and each action taken by the Committee pursuant to the Plan or any instrument or agreement relating to the Plan (i) shall be within the sole discretion of the Committee; (ii) may be made at any time; and (iii) shall be final, binding and conclusive for all purposes on all persons, including, but not limited to, participants in the Plan, their legal representatives and beneficiaries and employees of the Company.

4. **Eligibility.** The Chairman/Chief Executive Officer/President, the Vice Chairman/Chief Operating Officer, the Senior Vice President/Chief Financial Officer and any other executive officer of the Company shall be eligible to be selected by the Committee to be granted awards under the Plan.

5. **Awards.** Each calendar year (the **Plan Year**), the Committee shall designate the following:

5.1. The executive officers who will participate (the **Participants**) in the Plan for the Plan Year.

5.2. The Performance Goals, as defined herein, to be met by the Company for Participants to earn awards for the Plan Year and one or more Award Formulas, as defined herein, used to calculate awards based on the Performance Goals.

6. **Award Formulas and Performance Goals.** For each Plan Year, the Committee shall establish for each Participant one or more objective compensation formulas or matrixes (the **Award Formulas**) based on the achievement of performance goals (the **Performance Goals**), the outcome of which is substantially uncertain at the time so established against which actual performance is to be measured to determine the amount of

awards. The Performance Goals shall include (but not be limited to) corporate financial criteria such as income before income taxes, net income, return on equity and return on assets during one or more years and other performance criteria such as homebuyer satisfaction ratings during one or more years. The Committee shall have the discretion to determine whether the Award Formulas will be based upon any one or more of the Performance Goals. The level of achievement of the Performance Goals at the end of the Plan Year will determine the amount of each Participant's award under the Award Formulas.

7. Determination and Payment of Awards.

7.1. As soon as practicable after the end of the Plan Year, the Committee will determine the amount of the award earned by each Participant under the Award Formulas. Payments will be made promptly after

A-1

determination of the awards by the Committee unless payment of an award has been deferred pursuant to the Plan. Such Committee determination must include a certification in writing that the Performance Goals and any other material terms of the Award Formulas were in fact satisfied and that the award has been calculated in accordance with the Award Formulas. The minutes of the Committee meeting (or any action by written consent) shall satisfy the written certification requirement.

7.2 Awards under the Plan will be paid to the Participants in cash or deferred as provided for in Section 9.7 of this Plan.

7.3. A Participant who terminates employment, either voluntarily or involuntarily, before the payment date for awards for the Plan Year is thereby ineligible for an award under the Plan; however, the Committee may, in its sole and complete discretion, determine to pay an award in the event termination was the result of death, sole disability, retirement, a reduction in work force, or Change of Control as defined in the Company's Executives' Deferred Compensation Plan.

7.4 Notwithstanding anything herein to the contrary, the maximum dollar amount that may be awarded under this Plan for any Plan Year to any Participant may not exceed an amount equal to five times such participant's 2004 base salary.

8. Termination, Suspension or Modification of the Plan. The Board of Directors may, in its sole absolute discretion, at any time, with or without notice, modify, amend, suspend or terminate the Plan in whole or in part. However, the impact of any such modification, amendment, suspension or termination during a Plan Year will be weighed against the requirements of Section 162(m). The Committee is expressly permitted to make any amendment to the Plan which is not in violation of the law that is required to conform the Plan to the requirements of Section 162(m). The Committee may also correct any defect, supply any omission, or reconcile any inconsistency in the Plan in the manner and to the extent it shall deem desirable to carry the Plan into effect.

9. Miscellaneous.

9.1. No Assignments. No award under this Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, charge, garnishment, execution, or levy of any kind, either voluntary or involuntary, including any such liability which is for alimony or other payments for the support of a spouse or former spouse, or for any other relative of a Participant prior to actually being received by such Participant or his/her designated beneficiary, and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, charge, or otherwise dispose of any right to such award shall be void.

9.2. No Right of Employment. Neither the adoption of the Plan nor the determination of eligibility to participate in the Plan nor the granting of an award under the Plan shall confer upon any Participant any right to continue in the employ of the Company or any of its subsidiaries or interfere in any way with the right of the Company or the subsidiary to terminate such employment at any time.

9.3. No Trust or Fund Created. Neither the Plan nor any award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other person. To the extent that any Participant or other person acquires a right to receive payments from the Company pursuant to the Plan, such right shall be no greater than the right of any unsecured general creditor of the Company.

9.4. Tax Withholding. The Company shall have the right to withhold the amount of any tax attributable to amounts payable under the Plan.

9.5. Governing Law. The Plan and all determinations under the Plan shall be governed by and construed in accordance with the laws of the State of Ohio.

A-2

9.6. Other Plans. Nothing in this Plan shall be construed as limiting the authority of the Committee, the Board of Directors, the Company or any subsidiary of the Company to establish any other compensation plan or in any way limiting its or their authority to pay bonuses or supplemental compensation to any persons employed by the Company or a subsidiary of the Company, whether such person is a Participant in this Plan and regardless of how the amount of such compensation or bonus is determined.

9.7. Deferrals of Awards. A Participant may elect to defer payment of his/her cash award under the Plan if deferral of any award under the Plan is permitted pursuant to the terms of a deferred compensation program of the Company existing at the time the election to defer is permitted to be made, and the Participant complies with the terms of such program.

9.8. Section 162(m). It is the intention of the Company that all payments made under the Plan shall fall within the performance-based compensation exception contained in Section 162(m) of the Code. Thus, unless the Board of Directors expressly determines otherwise, if any Plan provision is found not to be in compliance with such exception, that provision shall be deemed to be amended so that the provision does comply to the extent permitted by law, and in every event, the Plan shall be construed in favor of its meeting the performance-based compensation exception contained in Section 162(m) of the Code.

Review and discuss with the independent accountants and auditors their reports and the results of their audits. The Committee should review any management letter or internal control letter issued, or proposed to be issued, by the independent accountants and auditors and discuss with the independent accountants and auditors any audit problems or difficulties the independent accountants and auditors encountered in the course of the audit work, including any restrictions on the scope of the independent accountants' and auditors' activities or on access to requested information, and any significant disagreements with management.

Discuss with management and the independent accountants and auditors the Company's quarterly consolidated financial statements and the disclosures to be made under management's discussion and analysis of financial condition and results of operations prior to the filing of each of the Company's Quarterly Reports on Form 10-Q. Discuss with the independent accountants and auditors and management their assessments of the adequacy and effectiveness of the Company's systems of disclosure controls and procedures and internal control over financial reporting and related accounting and financial controls and any special audit steps adopted in light of material control deficiencies. Review disclosures made by the principal executive officer and the principal financial officer during the certification process in respect to each Quarterly Report on Form 10-Q and each Annual Report on Form 10-K, about significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting and any fraud that involves management or other employees who have a significant role in the Company's internal control over financial reporting. Discuss with management any changes in the Company's internal control over financial reporting that occurred during the last fiscal quarter.

Discuss with management earnings press releases, as well as financial information and earnings guidance provided to analyst and rating agencies. These discussions may be done generally (i.e. discussion of the types of information to be disclosed (paying particular attention to any use of pro forma or adjusted non-GAAP information and reconciliations of the same) and the type of presentation to be made) and need not be in advance of each earnings release or each instance in which the Company may provide earnings guidance.

Discuss with management the guidelines and policies management uses to govern the process by which risk assessment and management is undertaken, paying particular attention to financial risk exposures. The Committee should review processes that the Company has in place in a general manner.

Monitor the independence, qualifications and performance of the independent accountants and auditors by, among other things:

(1) At least annually, obtaining and reviewing a report from the independent accountants and auditors describing: (a) the independent accountants and auditors internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent accountants and auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent accountants and audits carried out by the independent accountants and auditors; (c) any steps taken to deal with any such issues; and (d) all relationships between the independent accountants and auditors and the Company.

(2) Requiring that the independent accountants and auditors submit, to the Committee on a periodic basis, a formal written statement delineating all relationships between the independent accountants and auditors and the Company, consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as modified or supplemented. The Committee shall also be responsible for actively engaging in a dialogue with the independent accountants and auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent accountants and auditors and recommending that the full Board take appropriate action in response to the independent accountants and auditors report to satisfy itself of the independent accountants and auditors independence.

(3) Evaluating the qualifications, performance and independence of the independent accountants and auditors, including considering whether the independent accountants and auditors quality controls are adequate and whether the provision of any non-audit service is compatible with maintaining the auditors independence, and taking into account the opinions of management and the internal auditors.

Present to the Board the Committee s conclusions with respect to the independence, qualifications and performance of the independent accountants and auditors.

At least annually, review the experience, rotation and qualifications of the senior members of the independent accountants and auditors team under applicable laws, rules and regulations. Review and evaluate the lead partner of the independent accountants and auditors. Consider whether, in order to assure continuing auditor independence, there should be a regular rotation of the firm serving as the Company s independent accountants and auditors itself from time to time.

Review and pre-approve all audit services and permitted non-audit services to be performed for the Company or any of its subsidiaries by the independent accountants and auditors or any other auditing or accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services (other than with respect to de minimus exceptions permitted by applicable laws, rules and regulations). The Committee may establish pre-approval policies and procedures, in compliance with the rules and criteria established by the SEC. Such pre-approval policies and procedures must be detailed as to the particular services to be provided, ensure that the Committee knows precisely what services it is being asked to pre-approve and not include any delegation to management of the Committee s responsibilities under applicable laws, rules and regulations to pre-approve all services provided by the independent accountants and auditors. Approval of a non-audit service to be performed by the independent accountants and auditors and, if applicable, the pre-approval policies and procedures established by the Committee shall be disclosed as required under applicable SEC rules in the Company s Annual Report on Form 10-K and/or annual proxy statement.

Set clear hiring policies, in compliance with applicable laws, rules and regulations, for employees or former employees of the independent accountants and auditors.

Hold private sessions with the independent accountants and auditors at least four times per year.
