PROXY STATEMENT

GENERAL

We are providing these proxy materials in connection with the solicitation of proxies by our Board of Directors, or Board, to be voted at our 2004 annual meeting of stockholders. You are cordially invited to attend the annual meeting, which will be held on Wednesday, May 19, 2004, at 10:00 a.m., local time. The annual meeting will take place at our corporate headquarters, which are located at 600 Citadel Drive, Commerce, California 90040. The approximate mailing date of this proxy statement, notice and the accompanying proxy is April 16, 2004. (Throughout this proxy statement, we refer to Smart & Final Inc. and its subsidiaries collectively as *we*, *our* and *us*.)

Proxy Information

We will vote the shares represented by a properly signed proxy that we receive before or at the annual meeting in accordance with the specifications made on the proxy. Proxies that we receive with no specification will be voted, as recommended by our Board, to: (i) elect the four nominees for director named in this proxy statement; and (ii) approve the amended and restated Certificate of Incorporation and amended and restated Bylaws as described herein.

You may revoke your proxy at any time before it is voted at the annual meeting. You may revoke your proxy by giving written notice of such revocation to the Secretary at our corporate headquarters, which are located at 600 Citadel Drive, Commerce, California 90040. You may also give notice by filing a properly executed proxy bearing a later date or by voting in person at the annual meeting.

Under the rules of the New York Stock Exchange, Inc., or NYSE, if you hold your shares through a bank or broker, your broker is permitted to vote your shares on the election of the directors even when your broker does not receive instructions from you.

Record Date and Voting

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

If you are a stockholder of record at the close of business on March 25, 2004, you are entitled to one vote, for each share of our common stock you hold, on each matter submitted to a vote of stockholders. As of March 25, 2004, there were 30,070,271 shares of our common stock, par value \$0.01 per share, outstanding.

Holders of a majority of the voting interest of our common stock, present in person or by proxy, will constitute a quorum for the holding of the annual meeting for the election of directors. The inspectors of election we appoint will tabulate the votes cast in person or by proxy at the annual meeting. The inspectors of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote by the inspectors of election with respect to that matter.

You may either vote for or withhold your vote for each of the directors identified below. The four director nominees receiving the greatest number of votes will be elected to our Board. If you mark your vote withheld or you do not vote in the election (including abstentions and broker non-votes), this will have no impact on the election of directors, because these votes will not be included in the total number of votes present at the annual meeting.

On the proposal to declassify our Board, votes may be cast for or against, or may be withheld from voting on this proposal. The affirmative vote of a majority of all outstanding shares of our common stock entitled to vote at the 2004 annual meeting will be required for approval of the proposal to declassify our Board. An abstention on this proposal is not an affirmative vote and therefore will have the same effect as a negative vote on this proposal.

CORPORATE GOVERNANCE

Governance Guidelines

We have in place long-standing policies and practices of good corporate governance. Over the past several months, we have reviewed, revised and formalized these policies and practices. Our Board has adopted Guidelines for Corporate Governance that outline the responsibilities of the Board, as well as qualifications for directors to serve on the Board. We have a Code of Ethics that was recently amended to ensure compliance with the Sarbanes-Oxley Act of 2002 and the listing standards of the New York Stock Exchange. Our Code of Ethics applies to our chief executive officer, our chief financial officer and our chief accounting officer, as well as to other employees of our company, and complies with the requirements imposed by the Sarbanes-Oxley Act of 2002 and the rules issued thereunder for codes of conduct applicable to such officers. Our Board has reviewed and will continue to evaluate its role and responsibilities with respect to the new legislative and other governance requirements of the New York Stock Exchange. All of our corporate governance materials, including our Code of Ethics, our Guidelines for Corporate Governance and all of our committee charters will be available for public viewing, no later than May 19, 2004, on our Internet web site at <http://www.smartandfinal.com>, Investor Information, under the Governance tab. In addition, interested persons can obtain a copy of any of these materials by writing to, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040.

Director Independence and Controlled Company Exemption

Our Board is currently composed of 10 directors, three of whom are independent within the meaning of the New York Stock Exchange listing standards. Our Chief Executive Officer (who is the Chairman of our Board) and our President are the only members of management serving as directors. For purposes of determining independence, we have adopted the following standards for director independence in compliance with the listing standards of the New York Stock Exchange:

No director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with us or any of our subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with us or any of our subsidiaries);

A director who is an employee, or whose immediate family member is an executive officer of Smart & Final or any of our subsidiaries is not independent until three years after the end of such employment relationship;

A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from us or any of our subsidiaries, other than director and committee fees and pension or other forms or deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation;

A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, Ernst & Young LLP, our present external auditor, Arthur Andersen, our former external auditor, or a present or former internal auditor of Smart & Final or any of our subsidiaries is not independent until three years after the

end of the affiliation or the employment or auditing relationship;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of our present executives or any of our subsidiaries' present executives serve on that company's compensation committee is not independent until three years after the end of such service or employment relationship;

A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, us or any of our subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after falling below such threshold; and

A director who is an employee or representative of a significant supplier of any Smart & Final business unit or legal entity is not independent unless Smart & Final entered into its relationship with the supplier as a result of competitive purchasing practices.

The Board determined that Messrs. Crull, McLaughlin and Plaskett meet the aforementioned independence standards. Messrs. Bouchut, Couvreur, Hernu and Ornstein do not meet the aforementioned independence standards because Messrs. Bouchut, Couvreur and Hernu are employees of Casino Guichard-Perrachon, S.A., a publicly traded French joint stock limited liability company, which together with its affiliates owns 58.5% of our common stock. Casino Guichard-Perrachon, S.A. and its affiliates are referred to throughout this proxy statement collectively as Groupe Casino. Mr. Ornstein is employed by Euris, S.A., which owns a controlling interest in Groupe Casino. Mr. Gold does not meet the independence standard because he is a managing director of Lazard Frères & Co., LLC and its offices in France from time to time handle business for Groupe Casino. For a further discussion of Groupe Casino and its relationship to us, please see "Compensation Committee Interlocks and Insider Participation" *Relationship between Smart & Final Inc. and Casino USA* below. Messrs. Roeder and Snollaerts also do not meet the aforementioned independence standard because they are currently our Chief Executive Officer and President/Chief Operating Officer, respectively.

Section 303A.00 of the New York Stock Exchange listing standards, to which we are subject, defines a "Controlled Company" as a company of which more than 50% of the voting power is held by an individual, a group or another company. We are a Controlled Company because 58.5% of our common stock is owned by Groupe Casino. As a Controlled Company, we are exempt from the New York Stock Exchange requirement that we have a majority of independent directors, and from the requirements that our Corporate Governance Committee and Compensation Committee be composed entirely of independent directors. Pursuant to such exemption, our Board does not consist of a majority of independent directors, and our Corporate Governance Committee and Compensation Committee are not composed solely of independent directors. For a further discussion of the composition of our Corporate Governance Committee and our Compensation Committee, please see "Corporate Governance" *Committees of the Board and Attendance at Meetings* below.

Committees of the Board and Attendance at Meetings

We have established three standing committees of our Board, an Audit Committee, a Compensation Committee and a Corporate Governance Committee. Each of these committees is responsible to the full Board and the activities of each committee are therefore generally subject to the approval of the Board.

Audit Committee

The Audit Committee is comprised of Messrs. Plaskett (as Chairman), Crull and McLaughlin. The Audit Committee adopted a written charter in April 2001, which was revised and approved by our Board in February 2003 and attached to our 2003 proxy statement as an appendix. The Charter of the Audit Committee complies with the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of the NYSE. The Charter will be reviewed and reassessed regularly to ensure continued compliance with these requirements. For information on how to view or obtain a copy of our Audit Committee's charter, see "Corporate Governance" *Governance Guidelines* above.

During fiscal 2003, our Board re-examined the Audit Committee's composition and confirmed that all members of the Audit Committee are independent within the meaning of the NYSE's listing standards.

During fiscal 2003, there were four regular meetings and four telephonic meetings of the Audit Committee. Our Board has determined that the chair of our Audit Committee, Mr. Plaskett, meets the Securities and Exchange Commission's definition of an audit committee financial expert.

The functions of the Audit Committee include, among other things:

Oversight of our financial reporting process, compliance with legal and regulatory requirements, and the independence and performance of internal and external auditors;

Review of the audited financial statements with management and the independent auditors;

Appointment of independent auditors;

Review with the independent auditors of the scope and the planning of the annual audit;

Review of findings and recommendations of the independent auditors and management's response to the recommendations of the independent auditors; and

Preparation of the Audit Committee Report included in this proxy statement.

Compensation Committee

The Compensation Committee is comprised of Messrs. Crull (as Chairman), Gold, McLaughlin and Plaskett. Mr. Snollaerts was a member of the Compensation Committee from the beginning of fiscal 2003 until September 2003 when he resigned after being appointed our President and Chief Operating Officer. The Compensation Committee operates under a written charter adopted by our Board. The Charter of the Compensation Committee complies with the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of the NYSE. The Charter will be reviewed and reassessed regularly to ensure continued compliance with these requirements. For information on how to view or obtain a copy of our Compensation Committee's charter, see Corporate Governance *Governance Guidelines* above.

Because we are a Controlled Company, our Compensation Committee is not subject to the independence requirements set forth in the listing standards of the New York Stock Exchange. For a further discussion regarding the independence standards to which we are subject, see Corporate Governance *Director Independence and Controlled Company Exemption* above.

During fiscal 2003, there were four regular meetings of the Compensation Committee and two telephonic meetings.

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

The functions of the Compensation Committee include, among other things:

Approving salary practices and base salary amounts for our executive personnel;

Approving the structure of and determining awards under our annual incentive bonus plan for our executive officers, and under our Long-Term Equity Compensation Plan; and

Approving the strategy and structure of our other employee plans and benefits, and making recommendations to our Board with respect to base salary and incentive compensation of our Chief Executive Officer.

Corporate Governance Committee

The Corporate Governance Committee is comprised of Messrs. Roeder (as Chairman), Couvreur, Plaskett and Snollaerts. The Corporate Governance Committee operates under a written Charter adopted by our Board.

The Charter of the Corporate Governance Committee complies with the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of the NYSE. The Charter will be reviewed and reassessed regularly to ensure continued compliance with these requirements. For information on how to view or obtain a copy of our Corporate Governance Committee's charter, see *Corporate Governance Guidelines* above.

Because we are a Controlled Company, our Corporate Governance Committee is not subject to the independence requirements set forth in the listing standards of the New York Stock Exchange. For a further discussion regarding the Independence Standards to which we are subject, see *Corporate Governance Director Independence and Controlled Company Exemption* above.

During fiscal 2003, the Corporate Governance Committee had four regular meetings and two telephonic meetings.

The functions of the Corporate Governance Committee include, among other things:

Seeking-out, evaluating and recommending to our Board qualified candidates for nomination as directors on our Board;

Considering other matters pertaining to the size and composition of our Board and its committees;

Giving appropriate consideration to qualified individuals recommended by stockholders for nomination as directors, provided that such recommendations are accompanied by information sufficient to enable the Corporate Governance Committee to evaluate the qualifications of such individuals;

Responsibility for developing and recommending to our Board the corporate governance principles under which we operate; and

Making awards under our Non-Employee Director Stock Plan to members of the Board.

In considering individuals for nomination as directors, the Corporate Governance Committee typically solicits recommendations from its current directors and is authorized to engage third party advisors, including search firms, to assist in the identification and evaluation of candidates. For 2004, the Committee screened the candidates, conducted reference checks, prepared a biography for each candidate for the Committee to review and conducted interviews of potential nominees for election as directors to our Board, in each case as the Committee deemed appropriate. The Committee selected the four nominees that best suit our needs. Information on each of these nominees appears below, see *Election of Directors Nominees* .

In evaluating potential candidates, the Corporate Governance Committee may consider such factors as it deems appropriate. These factors may include judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. While the Committee has not established any specific minimum qualifications for director nominees, the Committee believes that demonstrated leadership, as well as significant years of service, in an area of endeavor such as business, law, public service, related industry or academia, is a desirable qualification for service as a director of the Company.

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

Any shareholder may make recommendations to the Corporate Governance Committee for membership on the Board by sending a written statement of the qualifications of the recommended individual to, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040. Such recommendations should be received no later than 60 days before the anniversary of last year's annual meeting, nor no earlier than 90 days before the anniversary of last year's annual meeting. In accordance with Article III, Section 2 of our Bylaws (see Appendix B attached hereto) certain criteria regarding the candidate for membership on the Board must be

included. The Corporate Governance Committee will evaluate candidates recommended by shareholders on the same basis as they evaluate other candidates, including the following criteria:

Directors should be of the highest ethical character and share values that reflect positively on themselves and the Company;

Directors should have reputations, both personal and professional, consistent with the image and reputation of the Company; and

Directors should be highly accomplished in their respective fields, with superior credentials and recognition.

The fact that a proposed director nominee meets all of the above criteria will not obligate the Corporate Governance Committee to recommend the candidate to the Board, and will not obligate the Board to nominate or recommend the candidate for director in our proxy materials.

Special Committee

A special committee of the Board, which was appointed in June 2002 and is comprised of Messrs. Plaskett (as Chairman), Gold and McLaughlin, continued to explore management succession planning issues including the succession to the position of Chief Executive Officer. During fiscal 2003, the special committee held six regular meetings and seven telephonic meetings.

Board Attendance

During fiscal 2003, our Board held eight regular meetings and two telephonic meetings. Each director with the exception of Messrs. Bouchut and Guichard attended more than 75% of the aggregate of (a) the total number of Board meetings and (b) the total number of committee meetings held by all committees of the Board on which he served. We encourage our directors to attend the annual meeting. At the 2003 annual meeting, six of our 10 directors attended.

Communications with the Board of Directors

Shareholders who wish to communicate with members of the Board, including the independent directors individually or as a group, may send correspondence to them in care of, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040.

ELECTION OF DIRECTORS

Nominees

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

Four directors will be elected to our Board at the 2004 annual meeting. If the stockholders vote in favor of declassifying our Board, then once elected, these directors will hold office until our 2005 annual meeting and until their successors are elected and qualified. Our Board is currently divided into three classes serving staggered terms normally of three years each. The term of office of one class of directors expires each year. If the proposal to declassify our Board is approved by the stockholders, then at each annual meeting, commencing at the 2005 annual meeting, each director would be elected for a one year term, expiring at the next year's annual meeting. At our 2004 annual meeting, four of our directors whose terms expire this year, Messrs. Bouchut, McLaughlin, Plaskett and Snollaerts, have been nominated for re-election. If the proposal to declassify the Board is approved by our stockholders at this meeting, then their terms will expire in 2005. If, however, the stockholders do not approve the proposal to declassify our Board of Directors, then the four directors nominated for re-election this year will serve a three year term, expiring at our annual meeting in 2007. Unless properly instructed otherwise, the proxy holders intend to vote for the election of those nominees. It is not anticipated that

any of the nominees will decline or be unable to serve as a director. If, however, that should occur, the proxy holders will vote the proxies in their discretion for any nominee designated to fill the vacancy by our present Board.

For purposes of reference below, as of March 25, 2004 Casino USA, Inc., or Casino USA, owned 55.5% of our outstanding common stock. Casino Guichard-Perrachon, S.A., a publicly traded French joint stock limited liability company, is the principal stockholder of Casino USA. Casino Guichard-Perrachon, S.A., and its affiliates, or Groupe Casino is currently engaged in retail grocery, restaurant, food production and other businesses in parts of Europe, South America and Asia and, through its ownership interest in us, the United States. In 2002, he was appointed to the supervisory board of Laurus NV (located in the Netherlands) in which Groupe Casino holds an interest. His term on the supervisory board of Laurus NV continues until May 2007. In 2002 and 2003, he was also responsible for the divestiture of Laurus NV's subsidiaries in Spain and Belgium. Since 2000, Mr. Hernu has also served as the Chief Executive Officer of Go-Sport (a subsidiary of Rallye); his term is scheduled to expire in 2006. From 1988 to 1997, he served in various positions, including Chief Executive Officer and Chief Financial Officer, of various subsidiaries of Auchan-Docks de France, a multi-national group that operates supermarkets and hypermarkets throughout the world.

Joël-André Ornstein. Mr. Ornstein has served as a director on our Board since May 1999. Since 1989, Mr. Ornstein has been Senior Adviser to the Chairman and Chief Executive Officer of Euris, S.A., or Euris, a Paris-based investment holding company controlled by Mr. Jean-Charles Naouri. Mr. Naouri is a French citizen whose principal business is making corporate investments and who owns through holding entities, a controlling interest in Groupe Casino, who in turn owns a controlling interest in us. Mr. Ornstein is also Chairman and Chief Executive Officer of Euristates, Inc., the U.S. based subsidiary of Euris. He is also a director of Euris and Euristates, Inc.

Ross E. Roeder. Mr. Roeder has served as a director on our Board since 1984. Mr. Roeder became our Chairman, President and Chief Executive Officer in January 1999, will continue to serve as our Chief Executive Officer until approximately May 19, 2004 and as our Chairman for one year thereafter, or until approximately May 19, 2005. Prior to his appointment as Chairman and Chief Executive Officer, Mr. Roeder was Chairman of our Audit Committee and a member of our Compensation Committee. Mr. Roeder became Chairman of our Corporate Governance Committee in early 1999 and is a member of the boards of directors of our principal subsidiaries. Until 1998, Mr. Roeder was Chairman of Morgan-Kaufman Publishers, Inc., a publisher of computer science text and reference books, where he was also a director from 1986 to 1998. Mr. Roeder has served as a director of Chico's FAS, Inc., a retail women's stores company, since 1997. He is on Chico's FAS, Inc.'s corporate governance committee, compensation and benefits committee and is the chairman of their audit committee. From 1995 to 2002, Mr. Roeder served as a director of Gulf West Banks, Inc. in St. Petersburg, Florida. In 2002, Gulf West Banks, Inc. was acquired by The South Financial Group. Mr. Roeder is currently serving as a director of Mercantile Bank, a subsidiary of The South Financial Group. Mr. Roeder's employment agreement provides that he may terminate his employment with us for good reason, which includes the failure of Mr. Roeder to be elected to our Board during his employment term. (For a further discussion of Mr. Roeder's employment agreement, see Executive Compensation *Roeder Employment Agreement* below.)

Compensation of Directors

During fiscal 2003, all of our non-employee directors, except Antoine Guichard, served for an entire fiscal year. As indicated previously, Mr. Guichard resigned from the Board in September 2003 and in February 2004, the Board appointed Mr. Hernu to fulfill his position. Both cash payments and shares of our common stock were used to compensate each non-employee director. For the cash component of their compensation, our non-employee directors were paid an annual fee of \$15,000. This annual fee is paid in quarterly installments in advance at the beginning of each calendar quarter. Our non-employee directors also received \$1,000 in cash for each Board meeting and each committee meeting attended in person and \$500 in cash for each meeting attended by telephone. We also reimburse our directors for the expenses they incur in attending meetings in person. Our director(s) that are also our employees are not compensated for their service as members of our Board or any committee of the Board.

In addition to the cash payments described above, on May 1 of each year our non-employee directors receive an automatic award of shares under our Non-Employee Director Stock Plan, as amended and restated. This award of our common stock is valued at approximately \$15,000 on the date of the award, as required by the Non-Employee Director Stock Plan. Each non-employee director who is serving as a director on the award date receives these shares. For purposes of the Non-Employee Director Stock Plan, an eligible non-employee director is one who is a member of our Board, who is not and has not been our employee and who is paid an annual cash retainer fee for service as a director. For the May 1, 2003 grant, Messrs. Bouchut, Couvreur, Crull, Gold, Guichard, McLaughlin, Ornstein, Plaskett and Snollaerts were all eligible non-employee directors under the Non-Employee Director Stock Plan. Each of these individuals received 3,401 shares of common stock. Each share award is comprised of that number of shares equal to the quotient of \$15,000 divided by the fair market value of a share on the award date as defined in the plan. Cash is paid in lieu of fractional shares. Our non-employee directors must hold any shares awarded for at least six months after the award date. In February 2003, each of our non-employee directors also received a grant of 8,000 options; then in May 2003, each of our non-employee directors received a grant of 4,000 options.

In February 2004, the Board, at the recommendation of the Corporate Governance Committee, approved changes to our directors' compensation, effective February 17, 2004. These changes include annual cash compensation to each director of \$20,000 and cash compensation of \$1,500 for all meetings, regardless of whether the meeting is held telephonically or in person. The chair of the Audit Committee will also receive an additional \$10,000 per year and the chairs of the Corporate Governance and Compensation Committees will each receive an additional \$5,000 per year. The Board also decided that any future equity compensation to the Board (including the automatic grant of shares to directors under our Non-Employee Director Stock Plan) would be limited to our directors that are not employed by Groupe Casino or one of its affiliates. Under the Board's new decision regarding equity compensation, only Messrs. Crull, Gold, McLaughlin and Plaskett are eligible to receive equity compensation for their service as a director. Commencing on May 1, 2004, the annual automatic award of shares under our Non-Employee Director Stock Plan will be comprised of that number of shares equal to the quotient of \$20,000 divided by the fair market value of a share on the award date as defined in the plan. Cash will be paid in lieu of fractional shares. At the recommendation of the Corporate Governance Committee and pursuant to the terms of the Non-Employee Director Stock Plan, the Board approved an amendment to such plan which reflects the changes regarding awarding equity compensation to our directors. In February 2004, the Board decided that a discretionary grant of 4,000 stock options would be awarded in May 2004 under the Non-Employee Director Stock Plan to our four non-employee directors that are not employed by either Groupe Casino or one of its affiliates.

At the July 2002 annual meeting, our stockholders approved an amended and restated Non-Employee Director Stock Plan, which provides that the number of shares available under the plan will increase each year by the number of shares from the plan that have been exercised and/or vested. 23,377 shares of restricted stock vested under the plan in fiscal 2003, thus the number of shares available for grant under the Non-Employee Director Stock Plan is 131,877.

Our Stock Incentive Plan, as amended, expired in June 2001 as to new grants. Our Board had a policy in place that any elected or appointed non-employee director serving prior to 1998 received an automatic grant of options to purchase 22,500 shares of our common stock under such plan, as of the date of initial appointment or election. Such options are nonqualified stock options. These options have exercise prices equal to the fair market value of our common stock at the date of grant. In addition, these options have an exercise term of ten years after the date of grant and are subject to early termination in the event the option holder ceases to be a director, becomes permanently disabled or dies. One-third of these options become exercisable two years after the date of grant and each year thereafter, so that 100% would be exercisable four years after the date of grant. There are 40,000 unexercised options outstanding that have been granted to non-employee directors under our Stock Incentive Plan. Of these options, 17,500 will expire, if not exercised, on or before June 18, 2006 and 22,500 will expire, if not exercised, on or before May 4, 2010.

We also have a Directors Deferred Compensation Plan. This plan allows our non-employee directors to defer on a pre-tax basis up to 100% of their cash fees (with a minimum annual deferral of \$2,500), as well as any shares of our common stock received as compensation for services as a director. Participation in this plan is voluntary on an annual basis. Deferrals of cash amounts are credited to a special bookkeeping account in the non-employee director's name, and earnings on deferrals are indexed to certain investment fund options. Deferrals of shares of our common stock are held within the plan, for the benefit of the deferring director's account and are not redeemable for cash. We pay all benefits and costs from our general assets. We have created a non-qualified grantor trust whose assets will be used to pay benefits and defray expenses, however, the assets of the trust are subject to the claims of our general creditors in the event of our insolvency or bankruptcy. In general, participants will receive benefits under the Directors Deferred Compensation Plan after retirement. Benefits are paid in one lump-sum payment or a stream of five, ten or 15 annual payments, depending on a director's pre-elected payment option. The plan permits limited withdrawals prior to retirement. The Directors Deferred Compensation Plan also provides additional death benefits in the event of death prior to retirement. During fiscal 2003, four directors participated in this plan.

Compensation Committee Report on Executive Compensation

The Compensation Committee's basic philosophy is to provide competitive levels of compensation to motivate, retain and attract management. This philosophy includes providing incentives linked to the company's financial performance, enhanced stockholder value and personal performance. This philosophy applies to compensation for all of our management, including the Chief Executive Officer.

Generally, compensation for the executives consists of a base salary, an annual incentive bonus and an opportunity to receive stock options, stock appreciation rights or other performance-based compensation under the Long-Term Equity Compensation Plan.

Chief Executive Officer Compensation. The Compensation Committee has established a formal process for evaluating the Chief Executive Officer's performance. This process generally begins at the last scheduled Compensation Committee meeting of the fiscal year. This meeting is typically held in late November or early December. Mr. Roeder is the company's Chief Executive Officer. He assumed this position in January 1999. Mr. Roeder's Employment Agreement establishes a minimum base salary of \$600,000, which was subsequently increased by the Compensation Committee to \$650,000 during 2000 and \$700,000 in 2001. Mr. Roeder's salary remained at \$700,000 for both 2002 and 2003. In February 2004, Mr. Roeder's Employment Agreement was amended (See *Roeder Employment Agreement* below). This amendment allowed for a one-time bonus of \$300,000 to be paid on or before March 1, 2004.

Base Salaries. Base salaries for executive officers are reviewed annually. Executive salaries are designed to be competitive with salaries paid at other companies of comparable size and complexity in the retail and wholesale food distribution business. These salaries are also designed to be competitive with salaries paid in other comparable businesses including, for example, certain non-food, multi-unit retail companies. The Compensation Committee uses these companies for comparative purposes because it believes that the company competes with these companies in attracting and maintaining management. The Compensation Committee collects information on these companies from published industry surveys and from competitor's proxy statements. It is the policy of the Compensation Committee to adjust salaries in a way that recognizes executive performance and responsibilities and enables us to attract and retain highly qualified executives. In fiscal 2003, executive base salaries were not increased.

Annual Incentive Bonus Plan. The Compensation Committee believes that the annual incentive bonus plan is an integral part of the overall compensation package offered to the executive officers. The committee specifically approves bonus amounts for executive officers. The committee also determines the bonus amount for the Chief Executive Officer, consistent with the terms of his Employment Agreement. (See Chief Executive Officer Compensation, above.) From approximately 1993 through fiscal 2000, the Compensation Committee primarily used corporate earnings per share to determine corporate performance goals.

During fiscal 2000, the Compensation Committee decided to link the annual incentive bonus plan to specific financial objectives as a means of encouraging improvements in financial performance. These objectives range from the company's total financial performance, which is the only objective for determining the bonus awarded to the Chief Executive Officer, to performance of particular operating units. The objectives also include individual targets to help reach certain tactical objectives. In fiscal 2003, the bonuses awarded to executives, depending on the person's position, were based upon financial objectives and key strategic goals. These objectives and goals were tied to our overall performance at the corporate, regional and divisional levels, as well as to specified personal objectives.

We determine actual bonus amounts after the fiscal year end. At that time, the Chief Executive Officer meets with the Compensation Committee to review the performance of executive officers (other than his performance) and presents his recommendations for their actual bonus amounts. For fiscal 2003, the Compensation Committee determined that management had met their profit objectives for continuing operations and as a result, approved the recommendations of the Chief Executive Officer for bonus awards. Actual bonuses to executive officers (other than the Chief Executive Officer, whose bonus was pursuant to the amendment to his employment agreement) averaged approximately 51% of base salary and ranged from approximately 19% to 72%.

Stock Incentive Plan. The Stock Incentive Plan authorized the issuance of options covering up to 2,450,000 shares of the company's common stock. This plan expired in June 2001 as to new grants. Accordingly, no awards of stock were made under this plan during fiscal 2003. As of April 16, 2004, there were 421,978 unexercised options outstanding under this plan. These options will expire at varying dates on or before February 20, 2011, if not exercised before that date.

Long-Term Equity Compensation Plan. Under guidelines set by the Compensation Committee, incentive-based compensation constitutes a greater portion of executives' potential long-term pay. A portion of this incentive-based compensation is made through stock-based awards under the Long-Term Equity Compensation Plan. The primary objectives of this plan are to optimize the company's profitability and growth through incentives. These incentives are designed to be consistent with the company's goals, and to link the personal interests of plan participants to those of the stockholders.

At the May 2001 annual meeting, the stockholders approved an amendment to the Long-Term Equity Compensation Plan increasing the stock-based awards allowed under this plan from 2,470,000 shares to 3,600,000 shares of our common stock. The stockholders also extended the plan's expiration date from December 31, 2006 to December 31, 2010. At the annual meeting in July 2002, the stockholders approved an amendment and restatement of the Long-Term Equity Compensation Plan that increased the stock-based awards allowed under this plan from 3,600,000 shares to 5,100,000 shares of our common stock. The amendment also provided that the number of shares available under the plan would increase each year by the number of shares that were exercised and/or vested. In fiscal 2003, an additional 376,322 shares became available under the plan based on the vesting of restricted shares and the exercises of common stock, thus the total stock-based awards available for grant under the Long-Term Equity Compensation Plan is 1,091,088 shares.

Certain Other Benefits. We provide health, welfare and pension benefits to the company's executive officers. These benefits are also generally available to all of the company's full-time employees. In addition, we provide certain perquisites to the executive officers including, depending upon the executive officer, reimbursement of tax preparation and/or financial planning expenses, club dues, moving expenses, car allowances, supplemental executive retirement plan, life insurance policies, long-term disability plans and executive medical coverage.

Other Matters. The Compensation Committee has reviewed the compensation plans with regard to the deductibility limitation contained in Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Internal Revenue Code. The Compensation Committee has decided at present not to alter the compensation plans to comply with the deductibility requirements of Section 162(m). The Compensation Committee will continue to review the issue and monitor whether the compensation plans should be amended in the future to meet the deductibility requirements. Our Long-Term Equity Compensation Plan provides that at all times when Internal Revenue Code Section 162(m) is applicable, all awards granted under the plan shall comply with the requirements of that Section. However, the Compensation Committee may determine that such compliance is not desired with respect to any particular award.

Performance Graph

The graph below compares the cumulative total stockholder return on our common stock over a five year period with the cumulative total return on the Dow Jones Equity Market Index and the Dow Jones U.S. Food Retailers and Wholesalers Index over the same period. The graph assumes an initial investment of \$100 and the reinvestment of all dividends.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and holders of more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and our other equity securities. Directors, executive officers and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such forms received by us, or written representation from certain reporting persons that no Form 5s were required for those persons, we believe that all reporting requirements under Section 16(a) for the 2003 fiscal year were met in a timely manner by our directors, executive officers and greater than 10% beneficial owners, except that Dennis Chiavelli made one late filing in 2003 with respect to a transaction in July, 2003.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee generally makes decisions on compensation of our executive officers and our Chief Executive Officer. All such decisions relating to the compensation of executive officers are reviewed, and in fiscal 2003 were approved without change, by our full Board. During fiscal 2003, our Compensation Committee consisted of Messrs. Crull, Gold, McLaughlin and Plaskett. Mr. Snollaerts was a member of the Compensation Committee from May 2001 until September 2003, when he assumed his position as our President and Chief Operating Officer. Once Mr. Snollaerts became our employee he resigned as a member of the Compensation Committee, as this committee may not have any member that is also our employee. Mr. Gold is a Managing Director with Lazard Frères & Co. LLC, an investment-banking firm. In the past, Lazard Frères has provided services to Groupe Casino and to us and may, in the future, provide such services.

Relationship between Smart & Final Inc. and Casino USA. Groupe Casino, acting through Casino USA, acquired our then parent company in 1984. Groupe Casino owns 58.5% of the shares of our outstanding common stock. Our common stock does not have cumulative voting rights. Thus, the holders of shares having more than 50% of the voting power may elect all of our directors. The holders of the remaining shares would not be able to elect any directors.

Groupe Casino owns approximately 99% of the outstanding shares of Casino USA's capital stock. There is no agreement between Casino USA and any other party that would prevent Casino USA from acquiring additional shares of our common stock or from disposing of shares of our common stock it currently owns. Our Board includes individuals who are either directors of Casino USA or affiliates of Groupe Casino. These individuals are Messrs. Bouchut, Couvreur, Guichard and Ornstein. Prior to being appointed as our President and Chief Operating Officer in September 2003, Mr. Snollaerts had been associated with Groupe Casino since 1985. In October 2001, Mr. Delolmo was appointed Senior Vice President of Business Development for our subsidiary, Smart & Final Stores. In December 2002, he became the Senior Vice President of Operations for Smart & Final Stores. Mr. Delolmo holds this position in addition to his position as President of Casino USA. Since his appointment as Senior Vice President for Smart & Final Stores, Mr. Delolmo has devoted substantially all of his efforts to Smart & Final Stores.

Certain Transactions between Smart & Final Inc. and Casino USA. Together with Casino USA, we are party to a 1991 intercompany agreement, or the Intercompany Agreement. Under this agreement we provide various administrative services for Casino USA and Casino USA in turn provides various administrative services for us. Neither Casino USA nor Smart & Final Inc. are obligated to use such services. The costs of these services include the estimated allocable costs of management and other employees performing the services, computer system resources, allocable overhead and out-of-pocket expenses. Cost, for purposes of management and employees, is based on an estimated allocation of time based on a study of the actual time spent in past periods. Any fees for such services cannot exceed \$100,000 in any three-month period without the written consent of the user of such services. The Intercompany Agreement also provides that Casino USA will not, and will cause its affiliates that it controls or any corporation of which either holds more than 5% of the capital stock not to, engage in our business. The initial term of the Intercompany Agreement was two years. The term has been renewed from time to time as provided in the agreement.

Since 1986, we have performed a variety of services for Casino USA and its former subsidiary. These services include accounting, human resources and systems development services. The cost of these services has been charged to the benefited affiliated company. These charges amounted to approximately \$316,000 for fiscal 2003. We have agreed to continue to provide these administrative services to Casino USA at our cost. It is anticipated that the levels of future services will not vary significantly from the fiscal 2003 charges.

We are a party to a tax sharing arrangement with Casino USA. This agreement covers income tax obligations for the State of California. Under the terms of this arrangement, we make tax sharing payments to or receive tax sharing benefits from Casino USA. Payments are based upon pre-tax income for financial reporting purposes adjusted for certain agreed upon items. In fiscal 2003, we received tax sharing payments from Casino USA aggregating \$171,000.

In November 2001, we entered into an \$87,100,000 Operating Lease Agreement, or the Lease Agreement. Several financial institutions and Casino USA are all participants in the Lease Agreement. Casino USA's share of participation in the Lease Agreement is \$33,200,000.

In August 2003, we entered into an Expatriate Compensation Agreement with Mr. Snollaerts and Casino USA. (See Executive Compensation Snollaerts Employment Agreement below). Under this agreement, Casino USA will reimburse us each month for the expenses paid to Mr. Snollaerts during the term of his employment with us. However, during the first twelve months of the term (August 2003 to August 2004), we will

be responsible for up to \$150,000 of Mr. Snollaerts' expatriate expenses. If Mr. Snollaerts' employment terminates prior to the first anniversary of his employment, then our responsibility for the \$150,000 will be pro-rated over the time he was employed with us. In fiscal 2003, we reimbursed Mr. Snollaerts \$109,951 in expatriate expenses, which will be applied to the \$150,000 which is our responsibility.

Executive Compensation

Summary Compensation Table. The table below contains information on the cash and non-cash compensation awarded to or earned by our Chief Executive Officer for each of the last three fiscal years. The table also contains the same information for our four most highly compensated executive officers other than our Chief Executive Officer, and one former executive officer who served as an executive officer from January 1, 2003 until November 15, 2003. Each executive officer included in the table must have earned over \$100,000 in salary and bonus during fiscal 2003.

(1) Options granted are nonqualified stock options granted under our Long-Term Equity Compensation Plan, and may be exercised up to ten years after the date of the grant. These options are subject to early termination in the event the option holder ceases to be an employee, becomes permanently disabled or dies. No option can be granted at an option price of less than the fair market value of our common stock at the time the option is granted. For the grants made in 2003, one-third of the options become exercisable two years after the date of grant and each year thereafter so that 100% are exercisable four years after the date of grant. Unvested options will vest immediately upon a change in control.

(2) We used the Black-Scholes model of option valuation to determine the present values at the grant dates. We do not advocate or necessarily agree that the Black-Scholes model can properly determine the value of an option. Calculations for Messrs. Schofield, Duge and Phegley are based on the following assumptions: individual option terms of up to ten years, volatility of 38.48%, no dividends, and interest rates of 5.746% for Mr. Roeder, 4.750% for Mr. Chiavelli, 4.875% for Mr. Delolmo, 4.958% for Schofield, 4.880% for Mr. Duge, 4.884% for Mr. Phegley, which correspond to the weighted average of the ten year Treasury note rates with a maturity date corresponding to the option term for each of the grants. The real value of the options in this table depends upon the actual performance of our common stock during the applicable period and also upon the date the options are exercised.

Aggregated Option Exercises Table. The following table summarizes option exercises during fiscal 2003, and the number of all options and the value of all in-the-money options held at the end of fiscal 2003, by the executive officers named in the above Summary Compensation Table.

Equity Compensation Plans. The table below contains certain information relating to our equity compensation plans as of December 28, 2003, our most recently completed fiscal year.

- (1) These shares are also available for grant as restricted stock awards, stock appreciation rights and other stock-based incentives.
 - (2) These shares are available for award (commencing in fiscal 2004) to our directors that are not employed with Groupe Casino or any of Groupe Casino's affiliates, pursuant to an annual formula grant and as grants of restricted stock and stock options. The number of shares awarded pursuant to the annual formula grant is equal to the quotient of \$20,000 divided by the fair market value of our common stock on the date of award.
 - (3) Each of those options provides for a term of ten years and reflects an exercise price equal to the fair market value of our common stock as of the date of grant thereof. For the remaining options granted on May 11, 1999 and May 1, 2000, one-third became exercisable two years after the grant date and each year thereafter, so that 100% are exercisable four years after grant date.

- (1) Amounts shown are for employees hired on January 1, 2003 and assume retirement at age 65 after employment for the indicated number of years. Estimated annual retirement benefits are based on the plan in effect on January 1, 2003 and assume that no other offsets or grandfathered benefits are applied.
- (2) The maximum compensation that can be included in the determination of the retirement benefit is \$200,000 for 2003. This limit is adjusted annually for cost-of-living. For purposes of this illustration, it is assumed to remain at \$200,000 for all future years.

We maintain our Pension Plan for the benefit of our Smart & Final Stores employees who meet certain age and service requirements. Our Pension Plan is designed to provide benefits in the event of normal, early or disability retirement, or in the event of death. Our Smart & Final Stores employees who are covered by a collective bargaining agreement are not covered by our Pension Plan. The benefits are calculated on the basis of the participant's years of service, and the participant's qualifying average pay. The minimum benefits for certain qualifying participants are at least equal to the accrued benefit they would have received under our prior pension plan. The qualifying average pay on which benefits are based includes bonuses, overtime and other compensation but does not include amounts to be paid under our Pension Plan or any other employee benefit plan. A participant becomes 100% vested in the retirement benefit at the end of the fifth year of service. Under our Pension Plan, at the end of fiscal 2003, Messrs. Roeder, Chiavelli, Schofield, Duge and Phegley had credited approximately five, 18, four, three and seven actual years of service, respectively, and would have been entitled to minimum annual benefits of approximately \$9,000, \$38,488, \$7,400, \$5,700, and \$12,600 respectively.

Our 401(k) Savings Plan is a defined contribution plan. It is intended to satisfy the tax qualification requirements of Section 401(k) of the Internal Revenue Code. All of our employees who meet certain age and service requirements are eligible to participate in our 401(k) Savings Plan. This plan allows participants to contribute, for fiscal 2003, up to 15% of their compensation or \$11,000, whichever was lower. In fiscal 2001, we increased our match from 25% to 33% of each dollar contributed up to 6% of each participant's eligible compensation, however, our employees who are covered by a collective bargaining agreement do not receive the company match, but are eligible to participate in the 401(k) Savings Plan. In addition, in fiscal 2001, we made a discretionary 8% match with respect to contributions made in fiscal 2000. This discretionary match was made to adjust that year's match from 25% to 33%. Participants' contributions to our 401(k) Savings Plan, which are

deemed to be our contributions for tax purposes, are deducted from the participants' compensation prior to the calculation of federal and state income taxes. This decreases the amount of a participant's taxable compensation.

Participants are currently entitled to direct their contributions to one or more of thirteen investment options. A participant may not withdraw any of its account balance in our 401(k) Savings Plan prior to termination of employment or attainment of age 70, whichever occurs earlier, the only exceptions are qualified financial hardships and loans. Distribution of a participant's account balance, if less than \$5,000, will generally be made in a lump sum payment in the year following the termination of employment. Distribution of a participant's account balance in excess of \$5,000 will be made in accordance with the participant's election following the termination of employment. A participant's contributions to our 401(k) Savings Plan will vest immediately. Twenty-five percent (25%) of our contributions on behalf of a participant will vest each year beginning after the second year of the participant's service with us. Contributions we make on behalf of a participant are 100% vested after five years of service with us.

Supplemental Executive Retirement Plan. Since 1998, we have provided a Supplemental Executive Retirement Plan, or SERP, to certain key executives and other highly compensated employees. The SERP provides for a single life annuity to be payable monthly commencing at age 65 or upon the participant's early retirement or disability as those terms are defined in the SERP document. A participant may be entitled to receive benefits under the SERP in the event of a change in control. In addition, in the event the participant dies prior to his or her retirement, disability or termination of employment, his or her survivor also may be entitled to receive benefits under the SERP. The amount of the annuity benefit is determined by multiplying the standard benefit percentage assigned to each participant according to his or her title and position by the average of the final five calendar years of a participant's compensation. Our Board selects the participants in the SERP. A third party administrator administers the SERP. At the end of fiscal 2003, there were 21 participants in the SERP, including members of our executive management.

Deferred Compensation Plan. We also have a Supplemental Deferred Compensation Plan. Under this plan our employees who earned annual base compensation of at least \$90,000 in 2003 are eligible to defer pre-tax up to 100% of their base compensation and cash bonus. There is a \$2,500 minimum annual deferral requirement under the terms of the plan. Eligible employees, may also defer shares of restricted stock. Participation is voluntary on an annual basis. Deferrals are credited to a special bookkeeping account in the participant's name, and earnings on deferrals are indexed to certain investment fund options. We pay all benefits and costs from our general assets. We have created a non-qualified grantor trust whose assets will be used to pay benefits and defray expenses, however, the assets of the trust are subject to the claims of our general creditors in the event of our insolvency or bankruptcy. In general, participants will receive benefits under the Supplemental Deferred Compensation Plan after retirement. Benefits are paid in one lump-sum payment or a stream of five, ten or 15 annual payments, depending on a participant's pre-elected payment option. The plan permits limited withdrawals prior to retirement. In addition to the general death benefits provided to all of our employees, the plan provides its own death benefits in the event of the death, prior to retirement, of a participating employee.

Executive Severance Agreement. Our officers and certain designated officers of our subsidiaries are eligible to participate in the amended 2004 Executive Severance Plan, or our Executive Severance Plan, which became effective January 1, 2004 and replaced the 2001 Executive Severance Plan which was in place for fiscal years 2001, 2002 and 2003. This plan provides a minimum severance of 12 months base salary, or a month's base salary for each year of service, whichever is greater. Severance is not available to executives who are terminated for cause or who voluntarily terminate their employment. All the welfare benefits received by the officer during employment are continued during the severance period. Following a change of control, the executives can resign for "good reason" and be eligible for the benefits available under the Executive Severance Plan. "Good reason" is defined as a reduction in duties and/or compensation, or being asked to relocate. Our Compensation Committee selects participants in the Executive Severance Plan. At the end of fiscal 2003 there were 18 participants in our 2001 Executive Severance Plan.

Roeder Employment Agreement. In early 1999, we entered into an employment agreement with Mr. Roeder. Under the terms of the agreement, Mr. Roeder agreed to serve as our Chairman and Chief Executive Officer through December 31, 2001. In May 2001, the agreement was amended to extend the term of Mr. Roeder's employment through December 31, 2004. The agreement provides that during 2004, the last year of the agreement, Mr. Roeder will serve as the Chairman of our Board but not as our Chief Executive Officer. However, the Board decided to extend the agreement, in another amendment entered into in February 2004, to provide that Mr. Roeder continue to serve as our Chief Executive Officer until May 2004 or such later date (the "CEO Termination Date") as determined by the Board (the "CEO Term"). For one year thereafter (approximately May 2005), he will serve as our non-executive Chairman of the Board and senior advisor (the "Non-Executive Chairman and Senior Advisor Term").

During the CEO Term, Mr. Roeder's base salary is determined from time to time by our Board, but may not be less than \$600,000 per year on an annualized basis. Once increased, the base salary may not be decreased. At present, Mr. Roeder's annual base salary is \$700,000. Mr. Roeder's employment agreement with us provides that he has the opportunity to earn an annual cash bonus. The minimum target annual bonus is at least 100% of Mr. Roeder's annual base salary. The bonus payment is subject to the meeting of financial targets. Mr. Roeder received a bonus of \$840,000 for fiscal 2003 (paid in 2004). Mr. Roeder's amended employment agreement, provides that he is also eligible to receive an annual bonus with a target of 100% of his salary in 2004. However, any bonus he receives for his service to us in 2004 will be prorated based upon the number of days he served as our Chief Executive Officer during the year. Mr. Roeder also has the opportunity to earn long-term incentive awards and to participate in our qualified retirement plans, group term life insurance, comprehensive health and major medical insurance, short and long-term disability and all other benefits and perquisites in which our other executives and employees are eligible to participate. This includes participation in our SERP in an amount not less than \$125,000 per year, an automobile allowance, retiree medical coverage and financial planning services. Mr. Roeder is entitled to certain tax gross-up benefits relating to his bonus and restricted stock awards, which are discussed in greater detail below. Mr. Roeder is also entitled to a minimum of five weeks paid vacation per year.

During the Non-Executive Chairman and Senior Advisor Term, Mr. Roeder's annual base salary will be \$350,000 per year on an annualized basis, and Mr. Roeder shall receive 50% of the bonus paid to our Chief Executive Officer during such period, prorated in 2004 and again in 2005 in proportion to the respective duration of his service as Non-Executive Chairman and Senior Advisor during such years. In addition, in fiscal 2004, Mr. Roeder received a special one-time bonus in the amount of \$300,000 for his assistance with our transition to a new Chief Executive Officer. During the Non-Executive Chairman and Senior Advisor Term, Mr. Roeder will continue to receive all of the benefits which he was receiving as our Chief Executive Officer. We may, but are not obligated to, grant to Mr. Roeder restricted stock and/or stock options during the Non-Executive Chairman and Senior Advisor Term. If we terminate, or fail to commence, Mr. Roeder's service as Non-Executive Chairman and Senior Advisor, other than for Cause or Mr. Roeder's voluntary resignation, Mr. Roeder will be entitled to all payments and benefits to which he would have been entitled as our Chief Executive Officer under the employment agreement, had he continued to serve as our Chief Executive Officer throughout the one-year period following the CEO Termination Date.

On September 27, 2001, Mr. Roeder received a grant of 300,000 options from our Long-Term Equity Compensation Plan. This grant has a ten year term and vests as to 100,000 shares on September 27, 2003, September 27, 2004 and September 27, 2005. In fiscal 2000, Mr. Roeder received a grant of 20,000 shares of restricted stock under our Long-Term Equity Compensation Plan. All of these shares vested in February 2001 in accordance with Mr. Roeder's employment agreement. Mr. Roeder voluntarily elected, pursuant to Section 83(b) of the Internal Revenue Code, to be taxed on the fair market value of these shares on the date they were transferred to Mr. Roeder. Pursuant to his employment agreement with us, we contemporaneously provided Mr. Roeder with a loan in the principal amount of \$61,951. The loan was evidenced by a promissory note bearing interest at 6.35%. The principal amount of the loan is equal to the amount of income and payroll taxes payable by Mr. Roeder on the compensation recognized as a result of the issuance of shares of restricted stock and the

Section 83(b) election. In fiscal 1999, Mr. Roeder also made a voluntary election pursuant to Section 83(b) of the Internal Revenue Code with respect to a grant of 50,000 shares of restricted stock. As provided under the terms of our employment agreement with Mr. Roeder, we contemporaneously provided Mr. Roeder with a loan in the principal amount of \$273,149. This loan is also evidenced by a promissory note, which bears interest at 4.84%. In fiscal 2003, in accordance with Mr. Roeder's employment agreement with us, Mr. Roeder received additional compensation and gross-up on the compensation in the amount of \$619,866. This compensation represented the aggregate principal amount of the two loans and the personal tax gross-up on the compensation (\$609,889) plus the net amount of the interest (\$9,977). In fiscal 2001 and 2000, Mr. Roeder received additional compensation of \$23,946 and \$20,756, respectively. This additional compensation was in recognition of interest due under the two loans described above and the net amount of personal tax gross-up on the compensation.

In December 2000, Mr. Roeder received 4,421 shares of restricted stock as part of the Voluntary Exchange Program. As part of the exchange, Mr. Roeder surrendered approximately 15,000 stock options of approximately equal value. These shares vested on December 7, 2003. Our Board also granted Mr. Roeder 50,000 options from our Long-Term Equity Compensation Plan on February 15, 2000. These options have a ten year term. One-third of these shares vested on February 15, 2002 and another one-third vested on February 15, 2003. The remaining 16,666 shares vested on February 15, 2004. In the event of a change in control, termination of his employment agreement with us due to his death or disability, or our termination of the agreement without cause or with good reason, all outstanding options will immediately vest and will remain exercisable for the two-year period following the date of termination. However, in no event will the options remain exercisable beyond the expiration of the maximum ten-year term. Mr. Roeder's employment agreement with us also provides that, during its term, Mr. Roeder will receive an annual grant of options in an amount at least equal to 1.5 times the number of options granted to any other of our executive officers.

In June 1999, Mr. Roeder received a loan from us in the amount of \$47,101. The proceeds of this loan were used to purchase shares of our common stock in our equity offering. This loan bears interest at 4.84% and must be repaid when Mr. Roeder sells the stock purchased with this loan or upon termination of his employment.

In the event we terminate Mr. Roeder's employment without cause or if Mr. Roeder terminates his agreement with us for good reason, Mr. Roeder is entitled to receive his then current monthly base salary for a severance period of 24 months. However, if Mr. Roeder's employment or service is terminated during 2004 or 2005, then the payment of his base salary shall continue for a severance period of 12 months. Mr. Roeder would also receive a monthly amount equal to his annual bonus target for our last fiscal year completed prior to the date of termination divided by 12. In addition, Mr. Roeder would continue to receive payment for continuation of his and his spouse's medical insurance coverage through COBRA for a period equal to 18 months or until Mr. Roeder ceases to be eligible for COBRA coverage. If Mr. Roeder becomes eligible to receive comparable coverage through another employer, then the COBRA payment will cease. We will also continue to provide Mr. Roeder with his long-term disability policy for a period of 24 months commencing on the termination date. Mr. Roeder would also receive additional service and compensation credit under the SERP until he reaches age 65, and continued payment of financial planning services through the severance period, plus all other amounts in which he is vested or otherwise entitled under our retirement and employee benefit plans. This includes retiree medical insurance coverage as described above for Mr. Roeder and his spouse, at the time such amounts are normally payable. Our employment agreement with Mr. Roeder defines disability as Mr. Roeder's inability to perform his duties due to illness or mental infirmity for a period of more than 180 consecutive days. Good reason is defined as a diminution in Mr. Roeder's title and authority, relocation of our principal office without his consent, our failure to pay his salary or any other material breach by us, or the failure of Mr. Roeder to be elected to our Board or be appointed Chairman of our Board during the employment term.

Upon the effective date of a qualifying termination due to a change in control, we have agreed to continue to pay Mr. Roeder any accrued obligations and a lump-sum payment equal to three times his annual base salary then in effect. We have also agreed to pay Mr. Roeder a lump-sum cash payment equal to three times the greater of the highest annual bonus paid by us in the prior three fiscal years or his annual bonus target for the fiscal year of

termination. Mr. Roeder would also receive continuation of health and welfare benefits for three years (subject to termination if Mr. Roeder obtains employment that offers substantially similar benefits) as well as three additional years of service and compensation credit under our SERP. In the event any of the payments in connection with a change in control cause an excise tax to be imposed upon Mr. Roeder under Section 4999 of the Internal Revenue Code, we have agreed to pay Mr. Roeder, in cash, an additional amount so that the net amount retained by Mr. Roeder after deduction for any tax and payments made by us, will be equal to the amount Mr. Roeder would have retained had no such tax been imposed.

Finally, our employment agreement with Mr. Roeder contains a covenant that Mr. Roeder agrees not to compete with us during the term and for the longer of 12 months following the expiration of the agreement or any period during which he is paid under the agreement. The agreement also provides that for a period of 12 months following its expiration, Mr. Roeder will not attempt to induce our other employees to terminate employment with us or to interfere in a similar manner with our business.

Snollaerts Employment Agreement. Effective August 4, 2003, we entered into an employment agreement with Mr. Snollaerts to serve as our Chief Operating Officer. This agreement will expire on December 31, 2005, however, if the Board gives notice on or before December 31, 2005, the agreement may be extended for two years.

Mr. Snollaerts' initial base salary is \$550,000. His base salary is to be reviewed annually by the Compensation Committee, which has sole responsibility for determining our executives' salaries, however, his base salary cannot be decreased below \$550,000. During fiscal 2003, Mr. Snollaerts received a total of \$222,116 in base salary and an initial bonus of \$100,000, as provided in this agreement. He is eligible for merit increases in accordance with our executive merit pay policy. At the discretion of the Compensation Committee, he is eligible to receive an annual bonus that is commensurate with the bonuses offered to our similarly situated executives. The target for his annual bonus will not be less than 75%, nor more than 150% of his annual base salary for the period, any bonus awarded for a partial year of service will be prorated. In 2003, he was awarded a prorated bonus of \$206,250 and as provided in the agreement, this bonus was offset by his initial bonus of \$100,000, thus the annual bonus he received was \$106,250. Mr. Snollaerts also has the opportunity to earn long-term incentive awards and to participate in our qualified retirement plans, group term life insurance, comprehensive health and major medical insurance, short and long-term disability and all other benefits and perquisites in which our other executives and employees are eligible to participate. This includes an automobile allowance, gas card, automobile insurance, retiree medical coverage and financial planning services. He is also entitled to a minimum of five weeks paid vacation per year, capped at ten weeks. Mr. Snollaerts' severance benefits under this agreement are all pursuant to our Executive Severance Plan. If there is a change in control, Mr. Snollaerts' benefits will also be pursuant to the Executive Severance Plan, however, if he accepts a position with Groupe Casino within six months of his termination, then he will not receive any benefits under the Executive Severance Plan.

Contemporaneously with his employment agreement, we entered into an Expatriate Compensation Agreement with Mr. Snollaerts and Casino USA. This agreement provides for Mr. Snollaerts to be compensated up to \$10,000 per month for housing expenses, \$15,000 per year, per child, for school expenses and a maximum of \$40,000 per year for personal travel to and from France. The agreement further provides that he shall receive a tax gross up on the compensation he receives under the expatriate agreement. On a monthly basis, Casino USA will reimburse us for the expatriate compensation we pay to Mr. Snollaerts (subject to the limitations described above), including all tax gross up payments. However, Casino USA will not reimburse us for the first \$150,000 we pay to Mr. Snollaerts during the first twelve months of his employment with us. If Mr. Snollaerts' employment with us is terminated during the first twelve months of his term, then the \$150,000 will be prorated over the term actually served by Mr. Snollaerts.

On September 16, 2003, Mr. Snollaerts received a grant of 100,000 options, at the market price, from our Long-Term Equity Compensation Plan. This grant has a ten year term and one-third of the grant vests on September 16 in each of 2005, 2006 and 2007.

Chiavelli Agreement. On May 14, 2003, we entered into a Severance and Consulting Services Agreement with Mr. Chiavelli which was amended in November 2003. We also entered into a Consulting Services Agreement with Mr. Chiavelli on January 14, 2004. Pursuant to the terms of these agreements, as amended, Mr. Chiavelli continued his employment with us until the end of December 2003 with his regular salary, benefits and perquisites. For the calendar year 2004, he will work as our consultant and receive \$10,000 per month. However, he will not be required to work more than six business days in any one month for his \$10,000 payment. For each day over six days that Mr. Chiavelli works in any one month, he will receive an additional \$2,000 per day. He will also be reimbursed for reasonable and customary expenses incurred in the performance of his consultant's duties. Mr. Chiavelli's projects will be assigned by our Chief Executive Officer and may include travel; travel days will be included in computing the number of days per month Mr. Chiavelli has worked for us. His bonus for fiscal 2003 was set at \$177,840 (which is the same amount of annual bonus he received in fiscal 2002).

Schofield Agreement. On November 15, 2003, Mr. Schofield resigned his executive management positions with us. Pursuant to our agreement with Mr. Schofield dated February 27, 2003, commencing on November 15, 2003, he will receive 24 months of severance payments at the amount of his most recent salary. He will also receive bonus payments paid monthly during this 24 month period, equal to his target bonus of 60% of his salary. All of Mr. Schofield's restricted stock and stock options will vest at the end of the 24 month severance period and he will have three years after the end of his severance period in which he may exercise his stock options. In addition, he will qualify for Early Retirement of his vested SERP benefits without the application of the 6% per year reduction.

PROPOSAL TO APPROVE THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION AND THE AMENDED AND RESTATED BYLAWS TO PROVIDE FOR THE ANNUAL ELECTION OF DIRECTORS

Our Certificate of Incorporation and Bylaws both provide for the classification of the Board into three classes, with each class being elected every three years. In March 2004, the Board voted to approve, and to recommend to our stockholders that they approve, a proposal to phase out the current classification of the Board and to provide instead for the annual election of all directors, by amending and restating our Certificate of Incorporation and Bylaws. The proposed Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws are attached to this Proxy Statement as Appendix A and Appendix B, respectively.

In order to ensure a smooth transition to the new declassified Board, the amended and restated Bylaws provide that the four directors standing for election at this year's annual meeting will stand for a one year term ending at our 2005 annual meeting, rather than for a three year term. If the proposed measure is approved by our stockholders, then commencing at our 2005 annual meeting the declassification of the Board would be complete and all our directors will be subject to election annually.

In deciding to recommend declassification of the Board, the Board considered the pros and cons of declassification and concluded that retaining a classified Board was not, at this time, in the best interest of our stockholders. The election of our Board is among the most fundamental rights of our stockholders. The Board considered the positive attributes of a classified board, including the continuity, stability and experience that a classified board could provide. The Board also considered that allowing the stockholders to vote on the performance of the entire Board, as well as individual directors, would increase the directors' accountability to the stockholders, causing an attendant increase in management's accountability. The Board determined that sound corporate governance practices, such as the annual election of directors and our recently adopted Corporate Governance Charter, create a higher level of accountability on both the part of management and the Board and will improve our performance over time.

The Amended and Restated Certificate of Incorporation, Sixth Article, subparagraph (c), first paragraph starting with the second sentence, shall be deleted and replaced by the following:

The Board of Directors shall not be classified. Any director elected or appointed after the effective time of this Article shall serve for a term expiring at the next annual meeting or until their earlier resignation, death or removal. Each director elected or appointed prior to the effective time of this Article shall stand for re-election at the annual meeting of stockholders in 2005, and any director elected or appointed to fill a vacancy created by the resignation, death or removal of any such director during such term shall serve until the annual meeting of stockholders in 2005. Any vacancy on the Board of Directors that results from an increase in the number of directors may be filled by a majority of the Board of Directors then in office, provided that a quorum is present, and any other vacancy occurring in the Board of Directors may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director. Any director elected to fill a vacancy shall serve until the next annual meeting of stockholders.

In addition, the Amended and Restated Certificate of Incorporation, Sixth Article, subparagraph (c), second paragraph, in order to delete references to classes of directors, shall be deleted and replaced by the following:

Notwithstanding the foregoing, whenever the holders of any one or more classes or series of Preferred Stock issued by the Corporation, if any, shall have the right, voting separately by class or series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of this Amended and Restated Certificate of Incorporation applicable thereto.

The Amended and Restated Certificate of Incorporation, Sixth Article, subparagraph (d) has also been revised to allow for the removal of any or all of our directors with or without cause at any annual or special meeting of stockholders.

In addition to the above amendments, regarding the classification and removal of directors, the proposed Amended and Restated Certificate of Incorporation also includes, in the Fourth Article, the amendment approved at the annual meeting in 1993 which increased the total number of shares which we are allowed to issue from 35,000,000 to 110,000,000.

The Proposal to declassify our Board also requires that our Bylaws be amended and restated (see Appendix B attached hereto). The Amended and Restated Bylaws contain the following change to Article II, Section 2, in the first sentence, the phrase "those Directors belonging to the class or classes of directors to be elected at such meeting" is deleted and in its place is the phrase "the entire Board of Directors". In addition, Article III, Section 1, the first paragraph, starting with the second sentence, shall be deleted in its entirety and replaced with the following:

The Board of Directors shall not be classified. Each director of the four directors elected at the 2004 annual meeting shall be elected for a one year term expiring at the 2005 annual meeting or until their earlier resignation, death or removal. Commencing with the 2005 annual meeting, each director will be elected for a one year term which will expire at the next annual meeting. Any director elected or appointed to fill a vacancy created by the resignation, death or removal of another director during such term shall serve the remainder of such term. Directors shall not be entitled to vote as a class on any matter being voted on by the Board. In no case shall a decrease in the number of directors shorten the term of any incumbent director.

In the second paragraph of Article III, Section 1, the phrase "and such directors so elected shall not be divided into classes pursuant to this Section 1 of this Article III unless expressly provided by such terms" shall be deleted.

In addition, Article III, Section 3 regarding the removal of directors will provide in the Amended and Restated Bylaws that our directors may be removed with or without cause by a majority vote of our stockholders at any annual or special meeting of stockholders.

Finally, Article III, Section 4, the last two sentences shall be deleted and replaced with the following: "Any director elected to fill a vacancy shall serve until the next annual meeting of stockholders."

Under Delaware law, directors of companies that have a classified board of directors may only be removed for cause unless the Certificate of Incorporation provides otherwise. However, directors of companies that do not have a classified board, under Delaware law, may be removed with or without cause by a majority vote of the stockholders at any annual or special meeting of stockholders. Accordingly, our proposed amendments to the Amended and Restated Certificate of Incorporation and Bylaws, if approved, allow our stockholders to remove any or all directors without cause at any annual meeting after the 2004 annual meeting. Under our Bylaws, special meetings of stockholders can be called only by the Chairman, President or a majority of the Board.

The Board has unanimously approved the proposed amendment declassifying our Board. If approved by the required number of stockholders at the 2004 annual meeting, our Certificate of Incorporation and Bylaws will be amended and restated as provided in Appendix A and Appendix B, respectively, attached to this proxy statement.

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

If this proposal is approved by our stockholders, the four directors nominated for election at our 2004 annual meeting would serve for a term of one year, and the terms for all of our directors would end at our 2005 annual meeting. Beginning with the 2005 annual meeting, all directors would be elected for one year terms at each annual meeting and the holders of a majority of our common stock would be entitled to remove directors with or

without cause. Further, any directors appointed by the Board as a result of a newly created directorship or to fill a vacancy on the Board would hold office until the next annual meeting. If approved by the stockholders, this proposal will become effective upon the filing of the Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware, which we would do promptly after the annual meeting.

Vote Required and Recommendation of Board of Directors. The affirmative vote of a majority of all outstanding shares of our common stock entitled to vote at the 2004 annual meeting will be required for approval of this proposal. An abstention on this proposal is not an affirmative vote and therefore will have the same effect as a negative vote on this proposal. Thus, it is important that you vote your shares either at the meeting or by proxy. If the New York Stock Exchange considers this to be a routine proposal, a nominee holding shares in street name may vote for the proposal without voting instructions from the owner.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE **FOR** THE PROPOSED DECLASSIFICATION OF OUR BOARD OF DIRECTORS.

INDEPENDENT AUDITORS

On June 7, 2002, our Audit Committee unanimously recommended that we retain Ernst & Young LLP, or E&Y, as our independent auditors for the fiscal year ending December 29, 2002. Our Board unanimously approved this recommendation and effective June 7, 2002, E&Y became our new independent auditors. E&Y has now audited all of our financial statements for fiscal years 2001, 2002 and 2003.

In fiscal 2002, our Board had initially appointed Arthur Andersen LLP, or Andersen, as our independent auditors for the fiscal year ending December 29, 2002. After careful review of certain circumstances regarding Andersen's future availability to continue as independent auditors, E&Y was appointed as our auditors. The reports of Andersen on our financial statements for each of the fiscal years ended December 30, 2001 and December 31, 2000 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. For the fiscal years ended December 30, 2001 and December 31, 2000 and the interim period from December 31, 2001 through June 7, 2002, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure or audit scope or procedure which, if not resolved to the satisfaction of Andersen, would have caused it to make reference to the subject matter of such disagreement in its reports on the financial statements for such fiscal years.

We expect a representative of E&Y to appear at the annual meeting and be available to respond to appropriate questions from our stockholders.

The following fees were paid to E&Y for services rendered for each of the last two fiscal years:

	Fiscal Year Ending	
	2002	2003
Audit Fees	\$ 404,000	\$ 820,000
Audit-Related Fees	-0-	91,000
Tax Fees	70,000	172,000
All Other Fees	-0-	-0-

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

Total E&Y Fees	\$ 474,000	\$ 1,083,000
----------------	------------	--------------

Audit fees represent amounts paid for the audit of our annual financial statements, reviews of quarterly financial information and accounting consultations. Included in the 2003 Audit Fees is approximately \$280,000 related to the audit of our financial statements for the 2001 fiscal year.

Audit-Related Fees represent amounts primarily related to agreed-upon procedures on our credit facility borrowing base and audits in connection with the divestiture of our Florida operations.

Tax fees represent amounts for tax return assistance and tax consulting primarily related to the divestiture of our Florida operations.

All of the fees paid to E&Y in fiscal 2003 were pre-approved by the Audit Committee. Our Audit Committee has considered whether the provision of services other than those described above under the heading Audit Fees are compatible with maintaining the independence of E&Y.

Audit Committee Pre-Approval Policies

Rules adopted by the Securities and Exchange Commission in order to implement requirements of the Sarbanes-Oxley Act of 2002 require public company audit committees to pre-approve audit and non-audit services. Our Audit Committee has adopted detailed pre-approval policies and procedures pursuant to which audit, audit-related and tax services, and all permissible non-audit services, are pre-approved by category of service. The fees are budgeted, and actual fees versus the budget are monitored throughout the year. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, we will obtain the specific pre-approval of the Audit Committee before engaging the independent auditor. The policies require the Audit Committee to be informed of each service, and the policies also require the Audit Committee to be informed of all services provided by the independent auditor.

ANNUAL REPORT

Our Annual Report to Stockholders for fiscal 2003 is being mailed to all stockholders. Any stockholder who has not received a copy may obtain one by writing to us.

To be timely, a stockholder's notice must be delivered to, or mailed and received at, our principal executive offices. The stockholder's notice must be delivered to, or mailed and received not less than 60 days nor more than 90 days prior to the annual meeting, provided such annual meeting is held within 30 days before or after the anniversary date of the immediately preceding annual meeting of stockholders. If the annual meeting is not held within 30 days before or after the anniversary date of the immediately preceding annual meeting, or is a

special meeting of stockholders, then the stockholder's notice must be delivered to, or mailed and received not later than the tenth day after the notice of the date of the meeting was mailed or public disclosure of the date of the meeting was made, whichever occurs first. Our Bylaws also specify certain requirements for a stockholder's notice to be in proper written form. If we do not receive timely notice of any such proposed business, the proxy holders may not exercise discretionary authority with respect to that proposal. If we do receive timely notice of any such proposed business, the proxy holders may exercise discretionary authority with respect to that proposal but only to the extent permitted by the regulations of the Securities and Exchange Commission.

A proposal by a stockholder intended to be included in our Proxy Statement and presented at the 2004 annual meeting must be received at our principal executive offices no earlier than ninety days before the anniversary of our 2003 annual meeting and no later than sixty days before the anniversary of our 2003 annual meeting. Any vacancy on the Board of Directors that results from an increase in the number of directors may be filled by a majority of the Board of Directors then in office, provided that a quorum is present, and any other vacancy occurring in the Board of Directors may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director. (f) In addition to the powers and authority herein before or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL, this Certificate of Incorporation, and any By-Laws adopted by the stockholders; provided, however, that no By-Laws hereafter adopted by the stockholders shall invalidate any prior act of the directors which would have been valid if such By-Laws had not been adopted.

Written notice of a special meeting stating the place, date and hour of the meeting

and the purpose or purposes for which the meeting is called shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder entitled to vote at the meeting.

Section 5. Voting. Unless otherwise required by law, the Certificate of Incorporation or these By-Laws, (i) any question brought before any meeting of stockholders shall be decided by the vote of the holders of a majority of the stock represented and entitled to vote thereat and (ii) each stockholder represented at a meeting of stockholders shall be entitled to cast one vote for each share of the capital stock entitled to vote thereat held by such stockholder. Such votes may be cast in person or by proxy but no proxy shall be voted on or after, three years from its date, unless such proxy provides for a longer period. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder of the Corporation who is present.

Section 7. Stock Ledger. The stock ledger of the Corporation shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by Section 6 of this Article II or the books of the Corporation, or to vote in person or by proxy at any meeting of stockholders.

Section 8. Notice of Business. No business may be transacted at an annual meeting of stockholders, other than business that is either (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors (or any duly authorized committee thereof), (b) otherwise properly brought before the annual meeting by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (c) otherwise properly brought before the annual meeting by any stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this Section 8 of this Article II and on the record date for the determination of stockholders entitled to vote at such annual meeting and (ii) who complies with the notice procedures set forth in this Section 8 of this Article II.

In addition to any other applicable requirements, for business to be properly brought before an annual meeting by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation.

To be timely, a stockholder's notice to the Secretary must be delivered to or mailed and received at the principal executive offices of the Corporation not less than sixty (60) days nor more than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs.

To be in proper written form, a stockholder's notice to the Secretary must set forth as to each matter such stockholder proposes to bring before the annual meeting (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting and, in the event that such business includes a proposal to amend either the Certificate of Incorporation or the By-laws of the Corporation, the language of the proposed amendment, (ii) the name and record address of such stockholder, (iii) the class or series and number of shares of capital stock of the Corporation which are owned beneficially or of record by such stockholder, (iv) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business and (v) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

No business shall be conducted at the annual meeting of stockholders except business brought before the annual meeting in accordance with the procedures set forth in this Section 8 of this Article II, provided, however, that, once business has been properly brought before the annual meeting in accordance with such procedures, nothing in this Section 8 of this Article II shall be deemed to preclude discussion by any stockholder of any such business. If the Chairman of an annual meeting determines that business was not properly brought before the annual meeting in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the business was not properly brought before the meeting and such business shall not be transacted.

ARTICLE III

DIRECTORS

Section 1. Number and Election of Directors. The business and affairs of the Corporation shall be managed by or under the direction of a Board of Directors consisting of not less than three nor more than 13 directors, the exact number of directors shall initially be set by, and may be changed as determined from time to time by, resolution adopted by the affirmative vote of a majority of the directors then in office. The Board of Directors shall not be classified. Each director of the four directors elected at the 2004 annual meeting shall be elected for a one year term expiring at the 2005 annual meeting or until their earlier resignation, death or removal. Commencing with the 2005 annual meeting, each director will be elected for a one year term which will expire at the next annual meeting. Any director elected or appointed to fill a vacancy created by the resignation, death or removal of another director during such term shall serve the remainder of such term. Directors shall not be entitled to vote as a class on any matter being voted on by the Board. In no case shall a decrease in the number of directors shorten the term of any incumbent director.

Notwithstanding the foregoing, whenever the holders of any one or more classes or series of preferred stock issued by the Corporation, if any, shall have the right, voting separately by class or series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of the Certificate of Incorporation applicable thereto.

Section 2. Nomination of Directors. Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation, except as may be otherwise provided in the Certificate of Incorporation of the Corporation with respect to the right of holders of preferred stock of the Corporation to nominate and elect a specified number of directors in certain circumstances. Nominations of persons for election to the Board of Directors may be made at any annual meeting of stockholders, or at any special meeting of stockholders called for the purpose of electing directors, (a) by or at the direction of the Board of Directors (or any duly authorized committee thereof) or (b) by any stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2 of this Article III and on the record date for the determination of stockholders entitled to vote at such meeting and (ii) who complies with the notice procedures set forth in this Section 2 of this Article III.

In addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation.

To be timely, a stockholder's notice to the Secretary must be delivered to or mailed and received at the principal executive offices of the Corporation (a) in the case of an annual meeting, not less than sixty (60) days nor more than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs; and (b) in the case of a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the tenth (10th) day following the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs.

To be in proper written form, a stockholder's notice to the Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election as a director (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class or series and number of shares of capital stock of the Corporation which are owned beneficially or of record by the person and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice (i) the name and record address of such stockholder, (ii) the class or series and number of shares of capital stock of the Corporation which are owned beneficially or of record by such stockholder, (iii) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder, (iv) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice and (v) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the procedures set forth in this Section 2 of this Article III. If the Chairman of the meeting determines that a nomination was not made in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

Section 3. Removal of Directors. Directors of the Corporation may be removed by a majority of the stockholders of the Corporation with or without cause at any annual or special meeting of stockholders.

Section 4. Vacancies. Any vacancy on the Board of Directors that results from an increase in the number of directors may be filled by a majority of the Board of Directors then in office, provided that a quorum is present, and any other vacancy occurring in the Board of Directors may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director. Any director elected to fill a vacancy shall serve until the next annual meeting of stockholders.

Section 5. Duties and Powers. The business of the Corporation shall be managed by or under the direction of the Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-Laws directed or required to be exercised or done by the stockholders.

Section 6. Meetings. The Board of Directors of the Corporation may hold meetings, both regular and special, either within or without the State of Delaware. Regular meetings of the Board of Directors may be held without notice at such time and at such place as may from time to time be determined by the Board of Directors. Special meetings of the Board of Directors may be called by the Chairman, if there be one, the President or any two directors. Notice thereof stating the place, date and hour of the meeting shall be given to each director either by mail not less than forty-eight (48) hours before the date of the meeting, by telephone, electronic facsimile or telegram on twenty-four (24) hours notice, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

Section 7. Quorum. Except as may be otherwise specifically provided by law, the Certificate of Incorporation or these By-Laws, at all meetings of the Board of Directors, a majority of the entire Board of Directors shall constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors. If a quorum shall not be present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 8. Actions of Board. Unless otherwise provided by the Certificate of Incorporation or these By-Laws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all the members of the Board of Directors or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board of Directors or committee.

Section 9. Meetings by Means of Conference Telephone. Unless otherwise provided by the Certificate of Incorporation or these By-Laws, members of the Board of Directors of the Corporation, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 9 of this Article III shall constitute presence in person at such meeting.

Section 10. Committees. The Board of Directors may, by resolution passed by a majority of the entire Board of Directors, designate one or more committees, each committee to consist of one or more of the directors of the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. In the absence or disqualification of a member of a committee, and in the absence of a designation by the Board of Directors of an alternate member to replace the absent or disqualified member, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. Any committee, to the extent allowed by law and provided in the resolution establishing such committee, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation. Each committee shall keep regular minutes and report to the Board of Directors when required.

Section 11. Compensation. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

Section 12. Interested Directors. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or

participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose if (i) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified, by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

ARTICLE VIII

INDEMNIFICATION

Section 1. Power to Indemnify in Actions, Suits or Proceedings other Than Those by or in the Right of the Corporation. Subject to Section 3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation), by reason of the fact that he is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section 2. Power to Indemnify in Actions, Suits or Proceedings by or in the Right of the Corporation. Subject to Section 3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper.

Section 3. Authorization of Indemnification. Any indemnification under this Article VIII (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 1 or Section 2 of this Article VIII, as the case may be. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the stockholders. To the extent, however, that a director or officer of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith, without the necessity of authorization in the specific case.

Section 4. Good Faith Defined. For purposes of any determination under Section 3 of this Article VIII, a person shall be deemed to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe his conduct was unlawful, if his action is based on the records or books of account of the Corporation or another enterprise, or on information supplied to him by the officers of the Corporation or

another enterprise in the course of their duties, or on the advice of legal counsel for the Corporation or another enterprise or on information or records given or reports made to the Corporation or another enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Corporation or another enterprise. The term *another enterprise* as used in this Section 4 of this Article VIII shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which such person is or was serving at the request of the Corporation as a director, officer, employee or agent. The provisions of this Section 4 of this Article VIII shall not be deemed to be exclusive or to limit in any way the circumstances in which, a person may be deemed to have met the applicable standard of conduct set forth in Section 1 or Section 2 of this Article VIII, as the case may be.

Section 5. Indemnification by a Court. Notwithstanding any contrary determination in the specific case under Section 3 of this Article VIII, and notwithstanding the absence of any determination thereunder, any director or officer may apply to any court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under Sections 1 and 2 of this Article VIII. The basis of such indemnification by a court shall be a determination by such court that indemnification of the director or officer is proper in the circumstances because he has met the applicable standards of conduct set forth in Section 1 or Section 2 of this Article VIII, as the case may be. Neither a contrary determination in the specific case under Section 3 of this Article VIII nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the director or officer seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this Section 5 of this Article VIII shall be given to the Corporation promptly upon the filing of such application. If successful, in whole or in part, the director or officer seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

Section 6. Expenses Payable in Advance. Expenses incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation as authorized in this Article VIII.

Section 7. Nonexclusivity of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by or granted pursuant to this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any By-Law, agreement, contract, vote of stockholders or disinterested directors or pursuant to the direction (howsoever embodied) of any court of competent jurisdiction or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, it being the policy of the Corporation that indemnification of the persons specified in Sections 1 and 2 of this Article VIII shall be made to the fullest extent permitted by law. The provisions of this Article VIII shall not be deemed to preclude the indemnification of any person who is not specified in Section 1 or Section 2 of this Article VIII but whom the Corporation has the power or obligation to indemnify under the provisions of the General Corporation Law of the State of Delaware, or otherwise.

Section 8. Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power or the obligation to indemnify him against such liability under the provisions of this Article VIII.

Section 9. Certain Definitions. For purposes of this Article VIII, references to *the Corporation* shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors and officers, so that any person who is or was a director or officer

of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued. For purposes of this Article VIII, references to fines shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to serving at the request of the Corporation shall include any service as a director or officer of the Corporation which imposes duties on, or involves services by, such director or officer with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner not opposed to the best interests of the Corporation as referred to in this Article VIII.

Section 10. Survival of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer of the Corporation and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 11. Limitation on Indemnification. Notwithstanding anything contained in this Article VIII to the contrary, except for proceedings to enforce rights to indemnification (which shall be governed by Section 5 of this Article VIII), the Corporation shall not be obligated to indemnify any director or officer in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the Board of Directors of the Corporation.

Section 12. Indemnification of Employees and Agents. The Corporation may, to the extent authorized from time to time by the Board of Directors, provide rights to indemnification and to the advancement of expenses to employees and agents of the Corporation similar to those conferred in this Article VIII to directors and officers of the Corporation.

ARTICLE IX

AMENDMENTS

Section 1. Except as otherwise provided in the Certificate of Incorporation, these By-Laws may be altered, amended or repealed, in whole or in part, or new By-Laws may be adopted by the stockholders or by the Board of Directors, provided, however, that notice of such alteration, amendment, repeal or adoption of new By-Laws be contained in the notice of such meeting of stockholders or Board of Directors, as the case may be.
