**Item 1.01 Entry into a Material Definitive Agreement**

Effective as of January 14, 2005, BearingPoint, Inc. (the Company) appointed Joseph Corbett as Executive Vice President and Chief Financial Officer of the Company.

Mr. Corbett will receive base cash compensation at an annual rate of \$500,000, and additional cash compensation of \$300,000 to be paid ratably through May 31, 2005, will be eligible to participate with other senior executives in an incentive pay plan to be established for senior executives (or, in the absence of such a plan, based on individual and Company performance goals), and will receive a non-qualified stock option grant to purchase up to 200,000 shares of common stock of the Company at an exercise price equal to \$7.75, the closing per share price of the Company's common stock on the New York Stock Exchange on January 14, 2005. The options vest in three equal annual installments commencing on January 14, 2006 except that upon the occurrence of a Termination Event (as defined below), an amount equal to the number of unvested stock options which would have vested at the end of the twelve month period from the date of grant will automatically vest, and otherwise in accordance with the terms of the Company's standard option agreement. In addition, if during the first 18 months of his employment, the Company terminates, or constructively terminates Mr. Corbett's employment under certain circumstances (collectively, a Termination Event), Mr. Corbett will receive a lump sum cash payment of \$800,000 (the Termination Payment) and a continuation of health benefits for up to one year.

*Managing Director Agreement*

The Company and Mr. Corbett have entered into a Managing Director Agreement, dated as of January 14, 2005. Pursuant to a managing director agreement, the Company provides severance benefits for terminations by the Company of its managing directors, including Mr. Corbett. Severance benefits are not provided for discharge for cause. Generally, severance pay is equal to six months' salary, except that no severance will be paid to Mr. Corbett if he receives the Termination Payment described above.

*Special Termination Agreement*

The Company and Mr. Corbett entered into a Special Termination Agreement, dated as of January 14, 2005. The Company generally enters into special termination agreements (each, a Termination Agreement) with each of its executive officers, including Mr. Corbett. The purpose of the Termination Agreement is to ensure that these executives are properly protected in the event of a Change of Control of the Company (as defined in the Termination Agreement), thereby enhancing our ability to hire and retain key personnel. The term of the Termination Agreement is two years (subject to potential one-year extensions) or, if later, two years after a Change of Control. The protective provisions of the Termination Agreement become operative only upon a Change of Control or, in certain circumstances, in anticipation of a Change of Control. For a description of the general terms of the Termination Agreement, see the Company's Form 10-K for the transition period from July 1, 2003 to December 31, 2003 under the heading Employment Contracts and Termination of Employment and Change of Control Arrangements - Special Termination Agreements, which is incorporated herein by reference.
