Dear Shareholder:

Proxy material for our 2005 annual meeting of shareholders, to be held on Thursday, May 19, 2005, was mailed to you in early April.

As of today, our records indicate that we have not yet received your vote. With the annual meeting only a short time away, it is important that you vote by signing and returning your proxy today to make sure that your shares will be voted at the meeting in accordance with your desires. You may also vote by telephone or over the Internet by following the instructions on your proxy card. We urge you to vote even if you plan to attend the meeting in person. If you own shares in the name of a brokerage firm, your broker cannot vote your shares on proposals two and three unless the firm receives your specific instructions.

The Board of Directors, as set forth in the Proxy Statement previously sent to you, has determined that each of the proposals contained in the proxy materials is in the best interest of the Company and recommends you vote **FOR** each proposal on the proxy card. In particular, we are seeking your approval of a new Equity Compensation Plan which will replace our current Long-Term Incentive Plan. The new plan is necessary to allow us to continue utilizing stock-based incentives as part of our officer and employee compensation strategy. Our Board of Directors recommends you vote **FOR** this proposal.

In the event that your proxy material has been misplaced, we are enclosing for your use a duplicate proxy card and return envelope.

Please disregard this reminder if you already have mailed your proxy card to us. If you have not, please sign and return the enclosed card as soon as possible. Again, you may also vote by telephone or over the Internet by following the instructions on your proxy card. In the event we receive two proxies from you, the one bearing the latest date automatically revokes all prior proxies.

We appreciate your continued support of ONEOK. Thank you for your cooperation.

Sincerely,

David Kyle
