This presentation contains forward-looking statements within the meaning of the federal securities laws. The forward-looking statements in this presentation are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in or implied by the statements. Factors that may cause actual results to differ materially from those contemplated by such forward-looking statements include, among other things, the following possibilities: (i) an inability of the Company to realize elements of its strategic plans for 2005 and beyond; (ii) increases in competitive pressure in the banking industry; (iii) general economic conditions, either nationally or regionally, that are less favorable than expected; (iv) expected cost savings from recent acquisitions are not fully realized; (v) changes in the interest rate environment which reduce margins; (vi) management's assumptions regarding allowance for loan losses may not be borne out by subsequent events; and (vii) changes which may occur in the regulatory environment. When used in this presentation, the words believes, estimates, plans, expects, should, may, might, outlook, and anticipates, and similar expressions as they related to BancGroup (its subsidiaries) or its management are intended to identify forward-looking statements.
