**Section 2 Financial Information**

**Item 2.02. Results of Operations and Financial Condition.**

On January 31, 2006, the Company issued a press release regarding its earnings for the fourth quarter and year ended December 31, 2005. A copy of this press release is furnished as Exhibit 99.1 hereto and incorporated herein by reference.

The Company has reported earnings and related per share amounts, excluding certain special items, as more fully discussed in the earnings press release. Earnings and related per share amounts, excluding these special items, are financial measures that are not required by, or presented in accordance with, accounting principles generally accepted in the United States ( GAAP ). The Company has included these non-GAAP financial measures in the earnings press release in order to provide transparency to investors and to enhance period-to-period comparability of performance. The Company believes that these non-GAAP financial measures are more reflective of its operations. The Company has also included in the earnings press release both the most directly comparable financial measures calculated and presented in accordance with GAAP and a quantitative reconciliation of the difference between the non-GAAP measures and the comparable GAAP financial measures.

In accordance with General Instruction B.2 of Form 8-K, the information in Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
