PROXY STATEMENT

Annual Meeting of Stockholders to be held on May 4, 2006

This Proxy Statement is furnished to you in connection with the solicitation of Proxies by the Board of Directors of Tri-Continental Corporation, a Maryland corporation ("Tri-Continental" or the "Corporation") to be used at the 76th Annual Meeting of Stockholders (the "Meeting") to be held in Baltimore,

## Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A

Maryland on May 4, 2006. It is expected that the Notice of Annual Meeting, Proxy Statement and form of Proxy will first be mailed to Stockholders on or about February 13, 2006.

THIS IS A VERY IMPORTANT ANNUAL MEETING OF STOCKHOLDERS OF THE CORPORATION. A group of dissident Stockholders has announced its intention to solicit proxies against the nominees of your Board of Directors and in favor of its nominees. Your Board strongly believes that the Board's nominees for re-election as Directors are far better qualified than those proposed by the dissident group. In addition, the Board believes that the Board nominees will better serve the interests of all Stockholders.

If you properly give your proxy by the Internet or telephonically or by executing and returning the enclosed White Proxy Card, and your proxy is not subsequently revoked, your votes will be cast at the Meeting, and any postponement or adjournment thereof. If you give instructions, your votes will be cast in accordance with your instructions. If you return your signed White Proxy Card without instructions, your votes will be cast (i) FOR the election of the three Directors named in Proposal 1, (ii) FOR the ratification of the selection of auditors, and (iii) AGAINST the Stockholder proposal requesting adoption of cumulative voting for directors. Your votes will be cast in the discretion of the Proxy holders on any other matter that may properly have come before the Meeting or any postponement or adjournment thereof, including, but not limited to, proposing and/or voting on the adjournment or postponement of the meeting with respect to one or more proposals, in the event that sufficient votes in favor of any Board proposal are not received. If you execute, date and submit a proxy card, you may revoke your proxy or change it by written notice to the Corporation (Attention: Secretary), by submitting a subsequently executed and dated proxy or by attending the Meeting and casting your vote in person. If you submit your proxy by telephone or through the Internet, you may revoke it by submitting a subsequent proxy by telephone or Internet, or by signing and returning a proxy card dated as of a date that is later than your last telephone or Internet proxy submission or by attending the Meeting and casting your votes in person. Attending the Meeting will not automatically revoke your prior proxy.

The close of business on February 9, 2006 has been fixed as the record date for the determination of Stockholders entitled to notice of, and to vote at, the Meeting or any

1

adjournment or postponement thereof. On that date, the Corporation had outstanding [.] shares of \$2.50 cumulative preferred stock (the "Preferred Stock"), each share being entitled to two votes, and [.] shares of common stock, par value \$0.50 (the "Common Stock"), each share being entitled to one vote. For all matters to be voted upon, an abstention or broker non-vote will not be considered a vote cast. Abstentions and broker non-votes, if any, will be considered present for the purpose of determining the presence of a quorum. For purposes of the vote on the election of each nominee for Director, abstentions and broker non-votes, if any, with respect to a Director will have the effect as a vote against that director. For purposes of the vote on Proposal 2 and Proposal 3, abstentions and broker non-votes, if any, will have no effect on the result of the vote.

The presence in person or by proxy of Stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall constitute a quorum. In the event that a quorum is not present at the Meeting or, even if a quorum is so present, in the event that sufficient votes in favor of any Board proposal (including the election of each of the Board's nominees for Director)

## Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A

are not received and tabulated prior to the time the Meeting is called to order, the persons named as Proxies may propose and vote for one or more adjournments or postponements of the Meeting, with no notice other than an announcement at the Meeting, if a quorum is not present or, if a quorum is so present, only with respect to such Board proposal, and further solicitation may be made. The votes of Stockholders indicating a vote against a Board proposal in their Proxies will be cast against adjournment in respect of that proposal.

The Corporation's manager is J. & W. Seligman & Co. Incorporated (the "Manager"). The Corporation's stockholder service agent is Seligman Data Corp. ("SDC"). The address of each of these entities is 100 Park Avenue, New York, NY 10017. The Corporation will furnish, without charge, a copy of its most recent annual report and most recent semi-annual report to any Stockholder upon request to SDC at 1-800-221-2450.

If you have elected to receive one Proxy Statement for all accounts maintained by members of your household, the Corporation will deliver promptly upon written or oral request a separate copy of the Proxy Statement for a separate account.

### A. Election of Directors (Proposal 1)

The Board of Directors is presently comprised of nine Directors. The Board is divided into three classes, each of which consists of three Directors. Members of each class hold office for a term of three years and until their successors are elected and qualify. The term of one class expires in each year.

At the Meeting this year, three Directors are to be elected. General John R. Galvin, Mr. William C. Morris, and Mr. Robert L. Shafer, whose terms will expire at the 2006 Annual Meeting and when their successors are elected and qualify, have been unanimously recommended by the Director Nominating Committee of the Board of Directors of the Corporation for election to the class whose term will expire in 2009 and when their successors are elected and qualify. Although General Galvin has reached the retirement age set by Board policy, the Board has waived this policy in his case at the unanimous recommendation of the Director Nominating Committee.

2

It is the intention of the persons named in the accompanying form of Proxy to nominate and to cast your votes for the election of General Galvin and Messrs. Morris and Shafer. General Galvin has been Director of the Corporation since 1995, Mr. Morris has been Director and Chairman of the Corporation since 1988, and Mr. Shafer has been Director of the Corporation since 1991. All were last elected by Stockholders at the 2003 Annual Meeting.

Each nominee has agreed to serve if elected. There is no reason to believe that any of the nominees will become unavailable for election as a Director of the Corporation, but if that should occur before the Meeting, votes will be cast for the persons the Director Nominating Committee and the Board of Directors recommend.

Background information regarding General Galvin and Messrs. Morris and Shafer, as well as the other Directors of the Corporation, follows.

During the year ended December 31, 2005, one transaction in the Corporation's Common Stock by David F. Stein (Vice Chairman of the Manager), two transactions in the Corporation's Common Stock by Frank J. Nasta (the Secretary of the Corporation) and four transactions in the Corporation's Common Stock by Michael F. ### Board Committees

The Board of Directors met nine times during the year ended December 31, 2005. The standing committees of the Board include the Board Operations Committee, Audit Committee, and Director Nominating Committee (the "Nominating Committee"). These Committees are comprised solely of Directors who are not "interested persons" of the Corporation as that term is defined in the 1940 Act. The duties of these Committees are described below.

**Board Operations Committee.** This Committee has authority generally to direct the operations of the Board, including the nomination of members of other Board Committees and the selection of legal counsel for the Corporation. The Committee met seven times during the year ended December 31, 2005. Members of the Committee, Messrs. McPherson (Chairman), Richie, Shafer and Whitson, General Galvin, Dr. Ilchman, and Ms. Michel, are the independent Directors of the Corporation. In his capacity as Chairman of the Board Operations Committee, Mr. McPherson performs duties similar to those of a "lead independent director," as he chairs meetings of the independent Directors, and acts as a point of contact between the independent Directors and the Manager between board meetings in respect of general matters.

**Audit Committee.** This Committee assists the Board in its oversight of the Corporation's financial reporting process and operates pursuant to a written charter most recently amended on March 17, 2005. The Committee met three times during the year ended December 31, 2005. Members of this Committee are Messrs. Whitson (Chairman) and Richie, General Galvin, and Ms. Michel. The members of this Committee are "independent" as required by applicable listing standards of the New York Stock Exchange. The report of the Audit Committee, as approved on

## Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A

February 1, 2006, is attached to this Proxy Statement as Appendix 1.

Director Nominating Committee. Members of the Nominating Committee are Messrs. Shafer (Chairman) and McPherson, and Dr. Ilchman. The Nominating Committee met [.] times during the year ended December 31, 2005. Pursuant to its written charter adopted by the Board of Directors on March 18, 2004, the Nominating Committee identifies, evaluates, selects and nominates, or recommends for nomination, candidates for the Board. It also may set standards or qualifications for Directors. The Nominating Committee may consider candidates for the Board submitted by current Directors, the Manager, the Stockholders and other appropriate sources.

The Nominating Committee will consider candidates submitted by a Stockholder or group of Stockholders who have owned at least \$10,000 of the Corporation's outstanding Common Stock for at least one year at the time of submission and who timely provide specified information about the candidates and the nominating Stockholder or group. To be timely for

6

consideration by the Nominating Committee, the submission, including all required information, must be submitted in writing to the attention of the Secretary at 100 Park Avenue, New York, NY 10017 not less than 120 days before the date of the proxy statement for the previous year's annual meeting of Stockholders. The Nominating Committee will consider only one candidate submitted by such a Stockholder or group for nomination for election at an annual meeting of Stockholders. The Nominating Committee will not consider self-nominated candidates or candidates nominated by members of a candidate's family, including such candidate's spouse, children, parents, uncles, aunts, grandparents, nieces and nephews.

The Nominating Committee will consider and evaluate candidates submitted by the nominating Stockholder or group on the basis of the same criteria as those used to consider and evaluate candidates submitted from other sources. These criteria may include the candidate's relevant knowledge, experience and expertise, the candidate's ability to carry out his or her duties in the best interests of the Corporation and the candidate's ability to qualify as a disinterested Director. The charter for the Nominating Committee, which provides a detailed description of the criteria used by the Nominating Committee as well as information required to be provided by Stockholders submitting candidates for consideration by the Nominating Committee, was included in the proxy statement for the 2004 Annual Meeting of Stockholders.

### Procedures for Communications to the Board of Directors

The Board of Directors has adopted a process for Stockholders to send communications to the Board. To communicate with the Board of Directors or an individual Director, a Stockholder must send written communications to 100 Park Avenue, New York, NY 10017, addressed to the Board of Directors of Tri-Continental Corporation or the individual Director. All Stockholder communications received in accordance with this process will be forwarded to the Board of Directors or the individual Director. Each member of the Board of Directors is encouraged to attend the Corporation's annual meeting of Stockholders. There were nine members of the Board of Directors in attendance at the Corporation's 2005 Annual Meeting of Stockholders.

\* For the year ended December 31, 2005, there were twenty-four registered investment companies in the Seligman Group of Funds, including the Corporation.

\*\* Mr. Catell resigned as Director on November 28, 2005.

\*\*\* Mr. Merow retired pursuant to Board policy at the 2005 Annual Meeting. Mr. Merow had previously deferred compensation pursuant to the deferred compensation plan; however, he had stopped deferring his current compensation prior to his retirement. The accrued balance of Mr. Merow's deferred compensation (including earnings/losses) in respect of the Corporation as of December 31, 2004 was \$22,873, all of which was paid to him in January 2005.

+ Mr. Whitson had previously deferred compensation pursuant to the deferred compensation plan. Mr. Whitson, who deferred receiving his fees from the Corporation and other investment companies of the Seligman Group of Funds from 1993 to 2002, had a balance as of December 31, 2005 of \$247,499 in respect of the Corporation in his deferred plan account, net of earnings/losses. This amount was paid to Mr. Whitson in January 2006.

No compensation is paid by the Corporation to Directors or officers of the Corporation who are employees or officers of the Manager.

The Corporation's Bylaws require each Director to be elected by the affirmative vote of the holders of a majority of the votes entitled to be cast in the election of a Director.

Each individual who has been nominated by the Board of Directors of the Corporation for election at this Meeting was previously elected by the Stockholders of the Corporation and is currently serving as a Director. Generally, under Maryland law, an incumbent director who does not receive sufficient votes to be elected at a meeting of Stockholders, shall nevertheless

continue to serve as a director until his successor is elected and qualifies, or until his death, resignation or removal, unless a competing nominee for the directorship, if any, receives a sufficient number of votes to be elected. If no nominee receives the required vote at the Corporation's annual meeting, the incumbent Director nominees (or other individuals) will be nominated for election at the Corporation's next meeting of Stockholders at which Directors are elected. Maryland law provides that any Stockholder entitled to vote in the election of directors of a corporation may petition a court of equity to dissolve the corporation on grounds that the Stockholders are so divided that they have failed, for a period which includes at least two consecutive annual meeting dates, to elect successors to directors whose terms would have expired

on the election and qualification of their successors. The court may or may not grant such a petition and the Corporation is not aware of this provision being invoked in the case of a public company.

Your Board of Directors Unanimously Recommends that the Stockholders Vote FOR the Election of Each of the Nominees to Serve as Director of the Corporation.

### B. Ratification of Selection of Auditors (Proposal 2)

The Audit Committee of the Board of Directors has appointed, and the Board of Directors, including a majority of those members who are not "interested persons" of the Corporation (as defined in the 1940 Act), has selected, Deloitte & Touche LLP as auditors of the Corporation for 2006. The firm of Deloitte & Touche LLP has extensive experience in investment company accounting and auditing.

Neither the Corporation's Charter nor the Corporation's Bylaws require that the Stockholders ratify the selection of Deloitte & Touche LLP as the Corporation's independent auditors. The Board of Directors is submitting this matter to the Stockholders as a matter of good corporate practice. If the Stockholders do not ratify the selection, the Audit Committee of the Board of Directors will reconsider whether or not to retain Deloitte & Touche LLP, but may retain such independent auditors. Even if the selection is ratified, the Audit Committee and the Board of Directors in their discretion may change the selection at any time during the year if they determine that such change would be in the best interests of the Corporation and its Stockholders. It is intended that the persons named in the accompanying form of proxy will vote for Deloitte & Touche LLP. A representative of Deloitte & Touche LLP will be present at the Meeting and will have the opportunity to make a statement and respond to appropriate questions.

Deloitte & Touche LLP, in accordance with Independence Standards Board Standard No. 1, has confirmed to the Audit Committee that they are independent auditors with respect to the Corporation. Deloitte & Touche LLP has audited the annual financial statements of the Corporation and provided tax and other non-audit services to the Corporation. Deloitte & Touche LLP has also rendered non-audit services to the Manager, Seligman Advisors, Inc., an affiliate of the Manager, and SDC, which is partially owned by the Corporation (together, the "Affiliated Service Providers").

11

In making its recommendation, the Audit Committee considered whether the provision by the independent auditors to the Corporation of non-audit services to the Corporation or of professional services to the Affiliated Service Providers is compatible with maintaining the auditors' independence and has discussed the auditors' independence with them.

### Principal Accountant Fees and Services

Aggregate fees billed to the Corporation for the last two fiscal years for professional services rendered by Deloitte & Touche LLP were as follows:

	2005	2004
	-----	-----
AUDIT FEES.....	\$61,980	\$59,097
AUDIT-RELATED FEES.....	--	--
TAX FEES.....	2,350	2,200
ALL OTHER FEES.....	--	1,931

**Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A**

Audit fees include amounts related to the audit of the Corporation's annual financial statements and services normally provided by Deloitte & Touche LLP in connection with statutory and regulatory filings. Tax fees include amounts related to tax compliance, tax planning, and tax advice. Other fees include the Corporation's pro-rata share of amounts for services related to the assessment of procedures for compliance with anti-money laundering regulations by the Corporation and certain other investment companies advised by the Manager.

Aggregate fees billed by Deloitte & Touche LLP for the last two fiscal years for non-audit services provided to the Affiliated Service Providers that provide ongoing services to the Corporation, where the engagement related directly to the operations and financial reporting of the Corporation, were as follows:

	2005	2004
	-----	-----
AUDIT-RELATED FEES.....	\$80,560	\$76,630
TAX FEES.....	8,000	13,703
ALL OTHER FEES.....	--	43,000

Audit-related fees include amounts for attestation services for SDC. Tax fees include amounts related to tax compliance, tax planning, and tax advice for, and an evaluation of, certain tax reporting procedures of SDC. Other fees relates to electronic communication processing services performed on behalf of outside counsel of the Manager.

The Audit Committee is required to preapprove audit and non-audit services performed for the Corporation by Deloitte & Touche LLP. The Audit Committee also is required to preapprove certain non-audit services performed for the Affiliated Service Providers that provide services directly related to the operations and financial reporting of the Corporation. The Audit Committee has delegated preapproval authority to Mr. James N. Whitson, the Audit Committee's Chairman. Mr. Whitson will report any preapproval decisions to the Audit Committee at its next scheduled meeting. Notwithstanding the foregoing, under certain circumstances, preapproval of non-audit services of a de minimis amount is not required.

12

The aggregate fees billed for the most recent fiscal year and the preceding fiscal year by Deloitte & Touche LLP for non-audit services rendered to the Corporation and the Affiliated Service Providers that provided ongoing services to the Corporation were \$90,910 and \$137,464, respectively. All non-audit services discussed above were preapproved by the Audit Committee, who considered whether these services were compatible with maintaining Deloitte & Touche LLP's independence.

The affirmative vote of a majority of the votes cast at the Meeting is required to ratify the selection of auditors.

Your Board of Directors Unanimously Recommends that the Stockholders Vote FOR the Ratification of the Selection of Deloitte & Touche LLP as Auditors of the Corporation.

**C. Stockholder Proposal**

The Corporation has received one proposal from a Stockholder for inclusion in this year's proxy materials, which is set forth below. The Corporation will provide the name and address of such Stockholder and the number of shares of

## Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A

the Corporation's Common Stock owned by such Stockholder upon oral or written request.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE AGAINST THE STOCKHOLDER PROPOSAL. THE BOARD'S REASONING IS SET FORTH FOLLOWING THE PROPOSAL IN A STATEMENT OF OPPOSITION. STOCKHOLDERS ARE URGED TO READ CAREFULLY THE PROPOSAL, THE SUPPORTING STATEMENT AND THE STATEMENT OF OPPOSITION.

### Stockholder Proposal

RESOLVED: That the shareholders of Tri-Continental Corporation, assembled in Annual Meeting in person and by proxy, hereby request the Board of Directors to take the necessary steps to provide for cumulative voting in the election of directors, which means each shareholder shall be entitled to as many votes as shall equal the number of shares he or she owns multiplied by the number of directors to be elected, and he or she may cast all of such votes for a single candidate or any two or more candidates as he or she may see fit.

The Stockholder has submitted the following statement in support of his proposal:

SUPPORTING STATEMENT: This proposal was submitted at the 2004 Annual meeting. It received a 27% "yes" vote. Considering the passive shareholders, this should have been a clarion call for the Director's to take some kind of action, in my opinion.

13

Dividends paid for the last three years were:

\$.23	-	2004
\$.17	-	2003
\$.26	-	2002

A shareholder at the 2004 Shareholder meeting, in Philadelphia, was disappointed with the dividends and capital gains that had been paid in the past few years and asked what the future outlook was for capital gain distributions. Mr. Brian Zino responded that capital gain distributions would not be paid until Tri-Continental's capital loss carryforwards were used up or expired; an accurate prediction as time has confirmed.

We, the Shareholders paid J. & W. Seligman & Company total expenses of \$15,384,216 in 2004; \$14,319,200 in 2003; \$16,295,925 in 2002. In 2004 Seligman received approximately 1/3 of the income of the fund.

The return management has provided to shareholders during the past 5 years on the market price of the stock, was a negative 3.17% annualized. Lipper Closed-End Growth & Income Funds Average was a plus 3.13%. This information was in the 2004 annual report. How many of us would have invested in Tri-Continental during this 5-year period if we were told, "Hey, if you invest in Tri-Continental you would only lose 3.17% a year for the next 5 years."

As pointed out in my previous supporting statement in 2004, it is extremely difficult for a truly independent Director to be elected to the Board of Directors. This proposal would possibly change this situation.

Again, in my opinion, we need a Director, or Directors, whose primary concern is the interest of the shareholder. In the meeting in Baltimore, Maryland about 4 or 5 years ago in my verbal presentation to the Directors, I suggested that

## Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A

if management did not perform up to reasonable standards, they should be fired. Mr. William Morris followed my comments by saying he hoped not to see me at any future meetings. Frankly, I hoped so too.

Had Tri-Continental at least matched the Lipper performance I would not be making this proposal. When we invested in Tri-Continental, it was our intention to make money on the investment. Not that management would be the only entity to prosper during this period.

This proposal, once again, can put the Directors on notice that they should put Seligman's feet to the fire if they do not perform. It might also allow independent Directors to be elected.

Please vote yes on this proposal.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS  
THAT YOU VOTE AGAINST THIS STOCKHOLDER PROPOSAL  
FOR THE REASONS SET FORTH BELOW.

For the reasons set forth below, your Board of Directors believes that the adoption of this proposal would not be in the best interests of the Corporation or its Stockholders.

14

The Stockholders considered and rejected a similar proposal regarding adoption of cumulative voting at the 1996 and 2004 annual meetings. Approximately 87% and 73% of the votes cast were cast against the proposal at the 1996 and 2004 meetings, respectively. Your Board of Directors believes that the reasons for rejecting the proposal in 1996 and 2004 remain valid today.

The present system of voting for directors provides the best assurance that the decisions of the directors will be in the interests of all Stockholders, and that each director will be elected by a majority of the Stockholders and will not owe any allegiance toward a particular group of minority Stockholders.

Cumulative voting might make it possible for a special interest group to elect one or more directors whose loyalty might be directed more to the narrow interests of that particular group of Stockholders rather than to the interests of all Stockholders. It introduces the possibility of partisanship among your Corporation's Board of Directors and could impair the Board's ability to work effectively as a cohesive unit. The present voting system, long utilized by the Corporation and by most leading corporations, prevents the "stacking" of votes behind a single nominee for director and thereby promotes the election of each director on the basis of representing the interests of the Corporation and the Stockholders as a whole.

The Proponent is disappointed that your Corporation has not made capital gain distributions for the last several years. As noted by Mr. Zino at last year's Annual Meeting, and in a letter to Stockholders dated November 21, 2005, Tri-Continental must use up capital losses sustained during the 2000-2002 market downturn before it resumes making capital gain distributions. For Stockholders who hold their shares in taxable accounts, the capital loss carryforwards offer a significant benefit because they shelter capital gains that are being realized currently from becoming taxable distributions.

The Proponent asserts that it is "extremely difficult for a truly independent" director to be elected to the Corporation's Board of Directors. However, for many years your Corporation's Board of Directors has been comprised of at least 75% of Directors who are both independent of the Manager

## Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A

and not "interested persons", as defined in the Investment Company Act of 1940, of the Corporation. This generally means that those Directors do not have certain restricted relationships with the Corporation or the Manager. None of the non-interested Directors is employed by, or has ever been employed by, the Manager or owned shares of, or provided any services to, or had any other interest in, the Manager. Each of the Corporation's Directors takes his or her fiduciary and other duties very seriously and devotes considerable time and attention to those duties.

The Proponent cites certain performance and expense information in his supporting statement. In September 2004 the team of investment professionals that manage your Corporation's investment portfolio received new leadership, and the Manager has great confidence in the ability of the reconstituted team to provide good investment results over time. Factors affecting the performance of your Corporation in the most recent annual period are discussed in detail in the Corporation's 2005 annual report to Stockholders, a copy of which was mailed to Stockholders earlier this year. With respect to expenses, your Corporation's expense

15

ratio, including the management fee that it pays to the Manager, is lower than the average of its competitors.

This proposal will not be adopted unless the votes cast in its favor exceed the votes cast against it. Abstentions and broker non-votes will not be counted as either for or against the proposal. If not otherwise specified, Proxies will be voted AGAINST approval of the proposal. The adoption of the proposal would not in itself result in any action, but would simply amount to a request for action by the Board. In order to implement the proposal, the Board would need to approve an amendment to the Corporation's charter providing for cumulative voting, and the amendment would then have to be submitted to Stockholders for approval. Approval of a charter amendment to permit cumulative voting would require the affirmative vote of a majority of all outstanding shares of stock of the Corporation.

Your Directors believe that your vote AGAINST this proposal will be in the best interests of the Corporation and all its Stockholders.

-----

The Corporation knows of no other matters which are to be brought before the Meeting. However, if any other matters come before the Meeting, it is intended that the persons named in the enclosed form of Proxy, or their substitutes, will vote in accordance with their discretion on such matters. The persons named in the form of Proxy, or their substitutes, will have discretionary authority to vote on any Stockholder proposal of which the Corporation first received notice after February 28, 2006.

Notice is hereby given that, under the Securities Exchange Act's stockholder proposal rule (Rule 14a-8), any Stockholder proposal that may properly be included in the Proxy solicitation material for the next Annual Meeting, now scheduled for May 2007, must be received by the Corporation no later than October 17, 2006. Timely notice of Stockholder proposals submitted outside of the Rule 14a-8 process must be received by the Corporation no earlier than September 16, 2006 and no later than 5:00 P.M., Eastern time, October 16, 2006, to be eligible for presentation at the May 2007 Annual Meeting. The Corporation's Bylaws require that certain information must be provided by the Stockholder to the Corporation when notice of a nominee or proposal is submitted to the Corporation.

D. Expenses

The Corporation will bear the cost of soliciting Proxies. In addition to the use of the mails, Proxies may be solicited personally or via facsimile, telephone or the Internet by Directors, officers and employees of the Corporation, the Manager, Seligman Advisors, Inc., Seligman Services, Inc. and SDC, and the Corporation may reimburse persons holding shares in their names or names of their nominees for their expenses in sending solicitation material to their beneficial owners. The Corporation has engaged Georgeson Shareholder Communications, Inc., 17 State St., New York, NY 10004 to assist in soliciting for a fee of [.] plus expenses. Georgeson will employ up to approximately [.] people to solicit Stockholders. The Corporation estimates that, in light of the expected dissident solicitation, the Corporation's expenses related

16

to the solicitation of Stockholders, including fees for attorneys, proxy solicitors, advertising, printing, transportation and other related expenses, are expected to aggregate approximately \$[.], approximately \$[.] of which has been spent to date. These amounts do not include costs that are normally expended for a solicitation for an election of Directors in the absence of a contest.

Appendix 2 sets forth certain information relating to the Directors and certain officers of the Corporation who will be soliciting proxies on the Corporation's behalf.

By order of the Board of Directors,

/s/ Frank J. Nasta

Secretary

-----

It is important that your shares be voted promptly. All Stockholders, including those who expect to attend the Meeting, are urged to vote as soon as possible by accessing the Internet site listed on the enclosed White Proxy Card, by calling the toll-free number listed on the enclosed White Proxy Card, or by mailing the enclosed White Proxy Card in the enclosed return envelope, which requires no postage if mailed in the United States. To enter the meeting you will need to present proof of ownership of Tri-Continental Corporation stock.

APPENDIX 1

TRI-CONTINENTAL CORPORATION  
(the "Fund")

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to a written charter that was last amended by the Fund's Board of Directors on March 17, 2005. The purposes of the Audit Committee are to 1) assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's

## Edgar Filing: TRI-CONTINENTAL CORP - Form PRE 14A

compliance with legal and regulatory requirements; and (iii) the independent auditors' independence, qualifications and performance; and 2) to prepare this report. Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent auditors to the Adviser or Manager and to any entity controlling, controlled by or under common control with the Adviser or Manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent."

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee recommended to the Board of Directors of the Fund that the audited financial

statements of the Fund be included in the Fund's annual report to Stockholders for the most recent fiscal period.
