PROXY STATEMENT

2006 Annual Meeting of Shareholders

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of ImmuCell Corporation (the Company), a Delaware corporation, of proxies to be voted at the Annual Meeting of Shareholders of the Company to be held at 8:30 a.m. on Wednesday, June 7, 2006 at the Company's principal place of business at 56 Evergreen Drive in Portland, Maine, and any and all adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and the enclosed proxy card are first being given or sent to shareholders on or about April 20, 2006. Shareholders who execute proxies may revoke them at any time before exercise thereof. See **OTHER MATTERS**, below.

VOTING SECURITIES OUTSTANDING

Only shareholders of record at the close of business on Monday, April 17, 2006, the record date, are entitled to notice of, and to vote at, the Annual Meeting of Shareholders and at any adjournments thereof. As of such date, there were 2,870,101 shares of common stock of the Company issued and outstanding. Each share is entitled to one vote with respect to all matters to be acted upon at the meeting. The holders of one-third of the Company's common stock outstanding and entitled to vote, represented at the meeting in person or by proxy, shall constitute a quorum for the transaction of business. Votes cast in person or by proxy at the meeting will be tabulated by the inspector of election appointed for the meeting.

With regard to the election of directors, votes may be cast in favor or withheld; votes that are withheld from any nominee will not be counted in such nominee's favor, although they will be counted for purposes of determining whether there is a quorum. The nominees for director receiving a plurality of the votes cast by the holders of the common stock represented at the meeting in person or by proxy will be elected. This means that the six nominees receiving the largest number of votes cast will be elected.

ELECTION OF THE BOARD OF DIRECTORS (ITEM 1)

In April 2006, Mr. Anthony B. Cashen gave notice of his decision to retire from the Board of Directors at the end of his current term of office and not to stand for re-election at the 2006 Annual Meeting of Shareholders. Mr. Cashen had served as a director of the Company since 1985, and the Board of Directors of the Company wishes to express its gratitude to Mr. Cashen for his 21 years of service to the Company as a director.

There is no family relationship between any director or person nominated or chosen by the Company to become a director. If any of the individuals named above should not be available for election as contemplated, it is the intention of the persons named in the proxy to vote for such other person or persons as management may recommend. Management has no reason to believe any nominees will be unavailable. Any vacancies that may occur during the year may be filled by the Board of Directors to serve until the next Annual Meeting.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

During 2005, the Board of Directors of the Company held four regular meetings and three special meetings. The committees of the Board of Directors are the Executive Committee, the Compensation and Stock Option Committee, the Audit Committee and the Nominating Committee. During the year ended December 31, 2005, each director attended at least 75 percent of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which he or she served (during the periods that he or she served). At the first meeting of the Board following this year's Annual Meeting, directors will be elected to serve on the various Board committees until the next Annual Meeting and until their successors are elected.

In the absence of actions by the full Board of Directors, the Executive Committee may exercise, with certain limitations, all of the powers of the Board in the management of the business and affairs of the Company. Its members are Messrs. Brigham, Cashen and Maxwell. The Executive Committee did not meet during 2005.

The Board's Compensation and Stock Option Committee reviews and recommends salary, bonus and other benefits for executive officers of the Company and is responsible for administering the Company's 1989 Stock Option and Incentive Plan, the 2000 Stock Option and Incentive Plan and the 2000 Stock Option Plan for Outside Directors. Its members are Messrs. Cashen, Maxwell, Rothschild and Sayare, all of whom are independent directors as defined in applicable NASDAQ Stock Market rules ("independent directors"). Mr. Cashen serves as chairman of the Committee. The Compensation and Stock Option Committee held four meetings during 2005 and took action once by unanimous written consent.

The Board has established an Audit Committee for the purpose of overseeing the accounting and financial reporting processes of the Company and the reviews and audits of its financial statements. The Audit Committee engages the Company's Independent Registered Public Accounting Firm, consults with such auditors with regard to audit plans, reviews the annual reports of the independent auditors, oversees the adequacy of the Company's internal operating procedures and controls, meets with management and the auditors to review quarterly and annual financial results, authorizes the public release of press releases covering financial results, reviews and authorizes quarterly and annual reports filed with the Securities and Exchange Commission and otherwise oversees compliance with certain legal, ethical and regulatory matters. Its members are Messrs. Cashen, Maxwell and Sayare. Dr. Sayare serves as chairman of the Committee. All members of the Audit Committee are independent directors, and the Board has determined that Dr. Sayare qualifies as an audit committee financial expert as defined in applicable Securities and Exchange Commission rules. The Audit Committee held seven meetings during 2005. The Audit Committee Report can be found on page 4 of this Proxy Statement, and the Charter and Powers of the Audit Committee can be found in Appendix A to the Company's 2004 Proxy Statement.

The Board's Nominating Committee recommends to the full Board the number of directors to serve on the Board, the criteria for Board membership and nominees for election to the Board. In doing so, the Nominating Committee considers the integrity and relevant business experience of any nominee to serve on the Board of Directors. All nominees included on this year's proxy card were recommended by the Nominating Committee and then approved by a vote of the Board. The Nominating Committee's members are Messrs. Cashen, Rothschild and Sayare, all of whom are independent directors. Mr. Rothschild serves as chairman of the Committee. The Nominating Committee met twice during 2005. The Nominating Committee will consider nominees for director recommended by shareholders, applying the same evaluation standards described above. Such recommendations may be sent to the Nominating Committee through the Secretary of the Company. Under the Company's By-laws, shareholders intending to formally nominate a person for election as a director at the Annual Meeting itself, as distinguished from recommending a candidate to the Nominating Committee, must notify the Secretary of the Company in writing of this intent not less than 60 nor more than 90 days prior to the first anniversary of the preceding year's Annual Meeting. If the date of the Annual Meeting is changed by more than 30 days from such anniversary date, the notice by the shareholder must be received not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was

mailed or public disclosure was made. Such notice must comply with the provisions set forth in the By-laws. A copy of the relevant provisions of the By-laws will be sent to any shareholder who requests it in writing. Such requests should be addressed to the Secretary of the Company. The Nominating Committee does not have a charter but instead operates within the authority provided by the Company's By-laws and authorizing resolutions adopted by the Board.

Officers of the Company who are also directors do not receive additional compensation for attendance at Board of Directors meetings or committee meetings. The Company pays non-employee directors an annual retainer of \$2,000 (payable in two equal installments in January and July), plus a fee of \$1,000 for each of the four regularly scheduled Board meetings per year. Per-meeting fees are subject to reduction if a director attends less than substantially all of the meeting, and are generally waived altogether in the case of special meetings. The meeting fee for in-person meetings is reduced by 50% for full participation by teleconference and is reduced by 75% for partial participation by teleconference. Messrs. Cashen, Maxwell, Rothschild and Sayare each earned \$6,000 and Dr. Rhodes earned \$1,000 during 2005 for their attendance and service at meetings of the Board of Directors and for the annual retainer fee.

In June 2000, the shareholders approved the 2000 Stock Option Plan for Outside Directors (the 2000 Outside Director Plan). Under this Plan, each of the five non-employee directors then serving on the Board was granted a non-qualified stock option to purchase 15,000 shares of common stock at an exercise price equal to the fair market value of the common stock as of the date of the shareholder vote (\$3.50 per share). Under the Plan, any director who was newly elected to the Board after June 2000 received an automatic grant of a non-qualified stock option to purchase 15,000 shares, at fair market value on the date the director was elected. Two such grants were made in 2001 (at \$2.71 per share). All options granted under the Plan vest in three equal annual installments, on the date the director is re-elected to the Board. The options expire if not exercised within five years of the date of grant or, if earlier, within three months (twelve in cases of death or disability) after termination of service as a director. The 2000 Outside Directors Plan expired on June 21, 2005. Expiration of the Plan did not affect previously granted options.

At the time of her election to the Board in August 2005, Dr. Rhodes was granted a non-qualified stock option to purchase 15,000 shares of common stock under the Company's 2000 Stock Option and Incentive Plan. The option was granted on terms similar to those previously granted under the 2000 Outside Director Plan. Dr. Rhodes' option has an exercise price equal to the fair market value of the common stock on the date of grant (\$4.67 per share), and vest in three equal increments if and when re-elected to the Board in 2006, 2007 and 2008. This option expires if not exercised within five years after the date of grant or, if earlier, within three months (twelve in cases of death or disability) after termination of service as a director.

The last sales price of the Company's common stock on April 13, 2006 as reported by the NASDAQ Capital Market was \$6.69 per share.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board reviews the financial reporting process, the system of internal controls, the audit process and the process for monitoring compliance with applicable laws and regulations. The Audit Committee is responsible for selecting and hiring the Independent Registered Public Accounting Firm, and meets with those accountants before each quarterly press release of financial results. After its review of the quarterly and annual reports that are prepared by management, the Audit Committee authorizes the filing of such reports with the Securities and Exchange Commission. Each of the Audit Committee members is an independent director as defined in applicable NASDAQ Stock Market rules. The Committee currently operates under a charter adopted by the Board in 2004, a copy of which was attached as Appendix A to the Proxy Statement for the 2004 Annual Meeting of Shareholders. The Company has a January 1st to December 31st fiscal year. The Audit Committee met seven times during the 2005 fiscal year.

The Audit Committee has reviewed the Company's audited financial statements for fiscal year 2005 and discussed such statements with management. The Audit Committee has discussed with Baker Newman & Noyes, LLC, the Company's Independent Registered Public Accounting Firm during the 2005 fiscal year, the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee received from Baker Newman & Noyes, LLC the written disclosures and the letter required by Independence Standards Board Standard No. 1 and has discussed the auditor's independence with them. Based on the review and discussions noted above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 and be filed with the Securities and Exchange Commission.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating this proxy statement by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference and shall not otherwise be deemed filed under such Acts.
