**Part III. Narrative**

State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

As reported in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2006, which was filed on July 19, 2006, during the second quarter of 2006, to remediate our material weakness regarding the use of and dependence upon manually prepared spreadsheets in accumulating and consolidating restatement adjustments recorded in connection with our historical financial statements, we began to record in our general ledger all of the restatement adjustments related to our amended 2003 Annual Report and our 2004 Annual Report on Form 10-K (including ongoing effects of such adjustments to 2005 balances), which should reduce the likelihood of errors in our future consolidated financial statements by lessening our reliance upon such manually prepared spreadsheets in the financial statement close process. Due to the time and resources devoted to this project, we cannot file our Quarterly Report on Form 10-Q for the quarter ended June 30, 2006 within the prescribed time period because we have not yet finalized our financial results for the second quarter of 2006. Information about our second quarter 2006 leasing and operational statistics is available in the Investor Relations/Quarterly Earnings section of our website at www.highwoods.com.
