The exact share prices and effective dates may not be set forth in the table, in which case:

(1) if the share price is between two share price amounts in the table or the effective date is between two dates in the table, the additional change in control shares will be determined by straight-line interpolation between the number of additional change in control shares set forth for the higher and lower share price amounts and the two dates, as applicable, based on a 365-day year;

(2) if the share price is in excess of \$35.00 per Common Share of National Retail Properties, Inc. (subject to adjustment), no additional change in control shares will be issued upon conversion; and

(3) if the share price is less than \$21.26 per Common Share of National Retail Properties, Inc. (subject to adjustment), no additional change in control shares will be issued upon conversion.

Notwithstanding the foregoing, in no event will the total number of common shares issuable upon conversion exceed 47.0367 per \$1,000 principal amount of Securities.
