**Item 1.01. Entry into a Material Definitive Agreement.**

On September 28, 2006, the Compensation Committee (the Committee) of the Board of Directors of HemoSense, Inc. (the Company) took the following actions with respect to executive compensation. First, the Committee adopted an incentive bonus plan for fiscal 2007 for James D. Merselis, the Company's President and Chief Executive. Pursuant to the bonus plan, Mr. Merselis would be eligible to receive a cash bonus with a target amount set at fifty percent of his base salary (equal to \$160,000 for fiscal 2007), payable based upon (i) the Company's financial performance with respect to revenue and total Company expenses on a quarterly basis, and (ii) Mr. Merselis' achievement of certain personal goals as assessed by the Committee from time to time. Underachievement or overachievement of the corporate goals may result in bonus payments lower or higher than the targeted bonus amount described above. The bonus plan shall continue for subsequent fiscal years unless modified by the Committee. The Committee also retains the discretion to modify the bonuses that are paid based on actual performance. Additionally, the Committee approved an increase in Mr. Merselis' annual salary from \$280,000 to \$320,000, effective as of October 1, 2006.
