Item 1.01 Entry into a Material Definitive Agreement.

On October 3, 2006, Kulicke and Soffa Industries, Inc. (the Company) granted performance share awards under the Kulicke and Soffa Industries, Inc. 2006 Equity Plan (the Plan), and stock options under other equity compensation plans, to certain of its employees, including the following executive officers in the amounts indicated below.

Officers	Stock Options	Performance Shares	Total Shares Awarded
C. Scott Kulicke	28,000	74,000	102,000
Jagdish G. Belani	12,666	40,000	52,666
Maurice E. Carson	14,566	46,000	60,566
Bruce Griffing	12,983	41,000	53,983
Christian Rheault	13,900	44,000	57,900
Charles J. Salmans	12,349	39,000	51,349

The stock options were issued with an exercise price of \$8.50 (reflecting the October 3, 2006 NASDAQ closing price) with one third of such options becoming exercisable on each anniversary of the date of the grant, and were made pursuant to the form of Stock Option Award Letter set forth on Exhibit 99.1 hereto. The form of Performance Share Award Agreement pursuant to which the performance share awards were made is set forth on Exhibit 99.2 hereto. The Management Development and Compensation Committee of the Company's Board of Directors (the Committee) administers the Plan. The Committee has determined that return on invested capital (ROIC), combined with revenue growth, is the most useful criteria for measuring management's effectiveness. As a result, receipt of performance shares is tied to performance relative to ROIC and revenue growth targets, measured over a three-year performance period. The Committee has set the ROIC targets relative to the Company's cost of capital and the revenue growth targets relative to revenue growth at certain peer companies. The Committee has set performance targets so that officers would receive the majority of common shares underlying their performance stock awards only if ROIC exceeded the cost of capital and the revenue growth rate exceeded the average revenue growth rate at certain peer companies. The Plan, which was approved by the Company's shareholders at their annual meeting held on February 14, 2006, provides for the grant of stock options (which may be granted in form of incentive stock options or nonqualified stock options), performance stock and share unit awards (which may be paid in the form of cash or the Company's common stock) to eligible employees. The Plan terminates on February 8, 2015 unless terminated earlier by the Company's Board of Directors or the Committee. The Company has authorized the issuance of up to 3,000,000 shares of common stock under the Plan, subject to adjustment to reflect stock dividends, stock splits or similar events. The foregoing summary of the Plan is qualified in its entirety by reference to the actual terms of the Plan, included as Exhibit 10.1 hereto. For additional information regarding the Plan, refer to Item 2 (Proposal to Approve the 2006 Equity Plan) on pages 5 to 10 of the 2006 Proxy Statement on Schedule 14A as filed with the Securities and Exchange Commission on January 4, 2006, which is incorporated herein by reference.
