Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

An opinion concerning the validity of the issuance of shares of common stock has been passed upon for the Company by David S. Goldberg, Senior Vice President, General Counsel and Corporate Secretary of the Company. Mr. Goldberg beneficially owns, or has rights to acquire under employee benefit plans, an aggregate of less than 1% of shares of common stock of the Company.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (the "DGCL") grants corporations the power to indemnify directors and officers in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act of 1933 (as amended, the "Securities Act"). Article XIV of the Company's Bylaws, as amended and restated, provides for indemnification of its directors, officers, employees and other agents to the maximum extent permitted by Section 145 of the DGCL.

In addition, the Company's directors, as well as certain of its officers and employees, are parties to an Indemnification Agreement with the Company (the "Indemnification Agreement"). The Indemnification Agreement provides that the Company is required to indemnify the other party to the agreement and hold him or her harmless from and against any and all Expenses and Liabilities (as those terms are defined in the Indemnification Agreement) that are incurred by the other party or on the other party's behalf, to the fullest extent permitted by applicable law, and to such greater extent as applicable law may permit or authorize in the future. The Indemnification Agreement also sets forth various procedures and other terms regarding the indemnification process.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted for directors, officers and controlling persons of the Company pursuant to the DGCL and the foregoing bylaw provision or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The Company carries directors' and officers' liability insurance policies under which all of the directors and executive officers of the Company are insured against loss imposed upon them with respect to their legal liability for breach of their duty to the Company. Excluded from coverage under this policy are fines and penalties imposed by law upon such directors and officers or other matters which may be deemed uninsurable such as material acts of active and deliberate dishonesty committed by the insureds with actual dishonest purpose and intent.

The foregoing summaries are necessarily subject to the complete text of the statutes and documents referred to above and are qualified in their entirety by reference thereto.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
