Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) The Compensation Committee of the Board of Directors of Echelon Corporation (Echelon) implemented a management bonus plan for 2006, effective February 8, 2007. Under this plan, each manager received, in lieu of cash, performance shares under Echelon s 1997 Stock Plan (the Plan), in an amount equal to 75% of each manager s individual bonus amount approved by the Committee, divided by the \$8.85 per share closing price of Echelon s common stock on February 8, 2007. The issuance of the shares of Echelon common stock underlying the performance shares is subject to a requirement that within three years from the date of grant, Echelon must achieve at least two consecutive quarters of profitability, calculated on a non-GAAP basis excluding equity compensation and extraordinary expense. If the performance criterion is not met during that three year period, then the performance shares will not vest and will automatically be returned to the Plan. If this performance trigger is met, then an aggregate of 69,724 shares of Echelon common stock will be issued to the following Echelon named executive officers, subject in each case to such executive officer continuing to be employed by Echelon as of the end of the second consecutive quarter of profitability: M. Kenneth Oshman, 35,593 shares; Beatrice Yormark, 10,593 shares; Oliver R. Stanfield, 9,322 shares; Kathleen B. Bloch, 5,932 shares; and Frederik H. Bruggink, 8,284 shares.
