Subject Company: Union Bankshares Company

Employee Questions and Answers

Branches/Main Office

Will the hours change? There are no changes planned prior to the merger.

What is Camden's branch structure and do they have RM's, Branch Managers and CSR's? CNB does have similar positions although they vary from branch to branch.

Will they close the Washington County branches? There currently are no Camden National Bank branches in Washington County, therefore these branches are very desirable to Camden National Bank as they expand their market area.

Will the signs or name change? It is currently planned to retain the Union Trust name and signage in Hancock and Washington counties.

With two branches in Ellsworth, will one be closed? No

Will they have a new cut-off time? It is not known at this time.

Will there still be branch audits before the change over? The Audit Department will keep to the same audit schedule until further notice.

Will the staffing in the branches remain the same? At this time, no staffing changes are planned until the merger is complete.

Benefits

In the next few weeks, we will be working closely with Camden National Bank to fully understand their benefit programs. We plan to meet individually with each employee to discuss their individual needs at a later date.

Will bonuses or incentives be offered? Camden does have an incentive plan. More information will follow.

What is the status of benefits and 401k will these stay the same until the merger? (What happens after the merger?) For UTC, there will be no changes in the 401k or benefit plans. Camden has similar benefit programs; more details will be provided later.

Personnel Policy

What is the dress code? More information will follow.

Will we lose vacation time? This has not yet been discussed.

How do they accrue vacation time is it the same number of years as UTC? This has not yet been discussed.

Will we lose accrued sick time? Yes. As per Bank policy, at no time will accumulated sick leave benefits be paid out to employees either while employed or upon termination. Union Trust does not carry short-term disability insurance, therefore employees use their accumulated days in case of a short term incapacity to work. UTC employees are allowed to bank up to 90 days of sick time. This policy allowed the employee to self fund his or her short term disability. (Remember, the long term disability program doesn't take affect until 91 days after the occurrence of the disability.) Camden has a formal short term disability program whereas employees are not asked to use their accumulated sick time to fund short term disability.

Will I be able to take classes? Yes

Do years of service follow through to Camden? Yes. The merge agreement calls for Union employees to be given credit for their years of service in calculating benefits.

Employees

Do they allow part-time employees? Yes

What will Peter Blyberg's role be in the new organization? Vice Chairman of the Board of Directors of Camden National Bank. He will remain in Ellsworth and focus on business development.

What do they have for a marketing department? They have a 5 member marketing department.

Edgar Filing: UNION BANKSHARES CO/ME - Form 425

Will those with seniority keep their jobs and newly hired employees be let go? Positions will be filled with the most qualified candidates.

Is Mr. Daigle as approachable as Mr. Blyberg? Yes, he has very much an open door policy.

Will evaluations be used to assist in the choice of employees for available position? Yes. In fact, we will be using the most recent employee evaluation to assist in the process. It is also important to note that an employee's attitude will also be considered in the overall evaluation of the employees.

Salary

Will salaries change? It is not known at this time.

Budget

Will we be required to prepare budgets? Most likely, we will participate in Camden National's budget process.
