Item 7. Purposes, Alternatives, Reasons And Effects.

(a), (c) Purposes; Reasons.

The Offer and the Merger may be deemed to constitute a going private transaction under the regulations of the SEC, and any exercise by Merger Sub of the Top-Up Option (as defined in the Offer to Purchase), if granted, and any open market purchases effected by Parent or Merger Sub following completion of the Offer may be considered steps in a going private transaction. If the Merger is completed, the Company will become a subsidiary of Parent and an indirect subsidiary of VimpelCom. To the extent that the Offer and the Merger may be deemed to constitute a going private transaction, Altimo, as a significant stockholder of both the Company and VimpelCom, may be viewed as engaged in the going private transaction and required to express its purpose and reasons for the Offer, the Merger and any of the other described transactions to the Company's unaffiliated stockholders (meaning the Company's stockholders other than Altimo, Telenor (as defined in the Offer to Purchase) and their respective affiliates). Altimo is making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and the related rules under the Securities Exchange Act of 1934, as amended and the rules and regulations promulgated thereunder (the Exchange Act).

The purpose and reasons set forth under Purposes and Reasons of Parent, Merger Sub and VimpelCom in the Offer to Purchase and the reasons set forth under Item 4. The Solicitation or Recommendation in the Schedule 14D-9 are incorporated herein by reference.

As was reported on an amendment to Schedule 13D filed by Altimo, Sunbird, and certain of their affiliates, with the SEC on December 26, 2007, subject to consideration of the actual terms of the Offer and the circumstances existing at the time of the expiration of the Offer, it is Altimo's current intention that Sunbird should tender and sell its shares in the Company to the Merger Sub pursuant to the Offer. However Altimo may, and has reserved the right to, change their plans and intention with respect to the shares in the Company held by Sunbird, including that Sunbird not sell its shares in the Company, in light of market conditions, subsequent developments affecting the Company, the general business and future prospects of the Company, or other factors that may arise prior to the expiration of the Offer.

The information set forth in the Offer to Purchase under SPECIAL FACTORS Background of the Offer and the Merger ; SPECIAL FACTORS Position of the Company Regarding the Fairness of the Offer and the Merger ; SPECIAL FACTORS Purposes, Reasons and Plans for the Company after the Merger ; SPECIAL FACTORS Effects on the Company if the Offer is Not Consummated is incorporated herein by reference.

(d) Effects. The information set forth in the Schedule 14D-9 under Item 8. Additional Information (c) Appraisal Rights and in the Offer to Purchase under SUMMARY TERM SHEET ; SPECIAL FACTORS Purposes and Reasons of Parent, Merger Sub and VimpelCom ; SPECIAL FACTORS Purposes, Reasons and Plans for the Company after the Merger ; SPECIAL FACTORS Certain Effects of the Offer and the Merger ; SPECIAL FACTORS The Merger Agreement ,

SPECIAL FACTORS Appraisal Rights ; and THE TENDER OFFER Section 5. Certain United States Federal Income Tax Consequences is incorporated herein by reference.

Item 8. Fairness Of The Transaction.

(a) and (b) *Fairness; Factors Considered in Determining Fairness.*

To the extent that the Offer and the Merger may be deemed to constitute a going private transaction, Altimo, as a significant stockholder of both the Company and VimpelCom, would be deemed to be engaged in the going private transaction and is required to express its beliefs as to the fairness of the Offer and the Merger to the Company's unaffiliated stockholders. Altimo is making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and the related rules under the Exchange Act.

Altimo's views as to the fairness of the Offer and the Merger should not be construed as a recommendation to any stockholder as to whether to tender its shares of Company common stock into the Offer or to how that stockholder should vote on the approval of the Merger and the Merger Agreement (if a vote of the Company's stockholders is held). Altimo has interests in the Offer and the Merger that are different from, and in addition to, the Company's unaffiliated stockholders generally, as described in more detail in the Offer to Purchase under SPECIAL FACTORS Interests of Altimo and Telenor in the Offer and the Merger, which section is incorporated herein by reference. The interests of the Company's stockholders that are unaffiliated with Parent, Merger Sub, VimpelCom or VimpelCom's affiliates (including Altimo and Telenor) were represented by the special committee of independent directors that negotiated with Parent, Merger Sub and VimpelCom on an arms-length basis on their behalf, with the assistance of independent legal and financial advisors.

Altimo did not participate in the deliberation process of the Company's special committee of independent directors, nor did it participate in the conclusions of the special committee of independent directors or the Company's board of directors that the Offer and the Merger were fair to the Company's unaffiliated stockholders. Further, Altimo did not engage a financial advisor to independently evaluate the fairness of the Offer or the Merger. Altimo did not receive advice from the Company's or the special committee's legal or financial advisors as to the substantive and procedural fairness of the proposed Offer or the proposed Merger. However, Altimo believes that the Offer and the Merger are substantively and procedurally fair to the stockholders unaffiliated with Parent, Merger Sub, VimpelCom or VimpelCom's affiliates (including Altimo), based upon the following factors:

the factors considered by, and the findings of, the special committee of independent directors and the Company's board of directors with respect to the substantive fairness of the Offer and the Merger to such unaffiliated stockholders as set forth in the Schedule 14D-9 under Item 4. The Solicitation or Recommendation Reasons for the Recommendation, which section is incorporated herein by reference, which findings and related analyses, as set forth in the Schedule 14 D-9, Altimo adopts (notwithstanding the fact that Altimo is not entitled to rely on the financial presentation or opinion of the special committee's financial advisor);

the factors considered by, and the findings of, the special committee of independent directors and the Company's board of directors with respect to the procedural fairness of the Offer and the Merger to such unaffiliated stockholders as set forth in the Schedule 14D-9, including the approval of the Offer and the Merger by the special committee of independent directors, the absence of a requirement that a majority of the Company's unaffiliated stockholders tender their shares of the Company's common stock into the Offer and the determination of the special committee of independent directors not to retain an unaffiliated representative to act on behalf of

the Company's unaffiliated stockholders, as described in the Schedule 14D-9 under Item 4. The Solicitation or Recommendation (c) Reasons for the Recommendation which section is incorporated herein by reference and which findings and related analyses, as set forth in the Schedule 14D-9, Altimo adopts (notwithstanding the fact that Altimo is not entitled to rely on the financial presentation or opinion of the special committee's financial advisor);

the \$105.00 per share merger consideration contemplated by the Merger Agreement, and the other terms and conditions of the Merger Agreement, resulted from extensive arms-length negotiations between the special committee and its advisors, on the one hand, and Parent, Merger Sub and VimpelCom and their respective advisors on the other hand;

the fact that the special committee of independent directors consists solely of directors who are not officers of or affiliated with any of the Company's significant stockholders, including Altimo or Telenor;

the fact that the special committee of independent directors received an opinion from its financial advisor as to the fairness, from a financial point of view, and as of the date of the opinion, of the offer price to be received in the Offer and the Merger, taken together, to holders of the Company's common stock (other than Parent, Merger Sub, VimpelCom, Altimo, Telenor, and their respective affiliates) (notwithstanding the fact that Altimo is not entitled to rely on the financial presentation or opinion of the special committee's financial advisor);

the fact that Parent, Merger Sub, VimpelCom, Altimo and Telenor did not participate in the deliberative process of, or the conclusions reached by, the special committee of independent directors or the negotiating positions of the special committee; and

the fact that the Offer and the Merger will provide consideration to the Company's unaffiliated stockholders entirely in cash, which provides certainty of value.

Altimo noted that the special committee of independent directors and the Company's board of directors did not consider the net book value or liquidation value of the Company, the recent purchase prices paid by officers, directors and affiliates of the Company for shares of the Company's common stock or any firm offers made for the Company during the last two years, for the reasons described in the Schedule 14D-9 under Item 4. The Solicitation or Recommendation Reasons for Recommendation and, accordingly, Altimo did not consider these factors.

In addition, under a potential interpretation of the applicability of the rules governing going-private transactions, any exercise by Merger Sub of the Top-Up Option, if granted, and any open market purchases effected by Parent, Merger Sub or VimpelCom following completion of the Offer could be deemed to be steps in a going-private transaction. If such exercises by Merger Sub of the Top-Up Option were deemed to be steps in a going-private transaction, Altimo believes that these exercises would be substantively and procedurally fair to the Company's unaffiliated stockholders based upon:

the Top-Up Option having been fully negotiated on an arms-length basis with the Company's special committee and its advisors;

the fact that the exercise of the Top-Up Option would facilitate the earlier payment of the merger consideration to holders of the shares of the Company's common stock who did not tender their shares into the Offer;

the fact that the Top-Up Option would only be exercised at a time when Merger Sub owns at least 80% of the outstanding shares of the Company's common stock and, accordingly, would not affect the outcome of any vote of stockholders on the approval of the Merger;

the acquisition of the shares underlying the Top-Up Option would be made directly from the Company and not from any stockholder of the Company, and at a price equal to the offer price; and

the fact that such option is being fully disclosed in the Offer to Purchase.

If any open market purchases effected by Parent, Merger Sub or VimpelCom following completion of the Offer were deemed to be steps in a going-private transaction, Altimo believes that these purchases would be substantively and procedurally fair to the Company's unaffiliated stockholders based upon:

the fact that these purchases would be made with the goal of facilitating the earlier payment of the merger consideration to holders of the shares of the Company's common stock that did not tender their shares into the Offer;

these purchases would be made in accordance with applicable law;

these purchases would be made at prevailing market prices and would be fully disclosed in accordance with applicable law; and

the possibility of such purchases being fully disclosed in the offer to purchase.

The foregoing discussion of the information and factors considered and given weight by Altimo in connection with the fairness of the Offer and the Merger, any exercise by Merger Sub of the Top-Up Option contemplated by the Merger Agreement and any open market purchases effected by Parent, Merger Sub or VimpelCom following completion of the Offer, is not intended to be exhaustive but is believed to include all material factors considered by Altimo. Altimo did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching its position as to the fairness of these transactions. Altimo believes that these factors provide a reasonable basis for its position that it believes that these transactions are fair to the Company's unaffiliated stockholders.

(c) *Approval of Security Holders.* The transaction is not structured so that the approval of at least a majority of the unaffiliated security holders is required. The information set forth in the Schedule 14D-9 under Item 4. The Solicitation or Recommendation (c) Reasons for the Recommendation and in the Offer to Purchase under SUMMARY TERM SHEET ; SPECIAL FACTORS Position of the Company Regarding the Fairness of the Offer and the Merger ; SPECIAL FACTORS Position of Parent, Merger Sub and VimpelCom as to Fairness ; SPECIAL FACTORS The Merger Agreement ; and THE TENDER OFFER 11. Certain Conditions to the Offer is incorporated herein by reference.

(d) *Unaffiliated Representative.* An unaffiliated representative has not been retained for the purpose of representing unaffiliated security holders in negotiating the terms of the Offer and Merger, or preparing a report concerning the fairness of the transaction.
