State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

We are unable to file the financial statements and other related disclosures required to be included in our Annual Report on Form 10-K for the year ended December 31, 2007 prior to March 17, 2008, which is the prescribed filing deadline for our Form 10-K. The delay in our filing results from the significant volume of transactions in recent months, including our acquisition of the U.S. development, sales and marketing rights to the radiopharmaceutical product Zevalin® (Ibritumomab Tiuxetan) from Biogen Idec Inc., as well as a series of financial restructurings and security offerings. Our inability to timely file our Annual Report on Form 10-K for the year ended December 31, 2007 cannot be eliminated without unreasonable effort or expense. We currently expect that our Form 10-K will be filed no later than the fifteenth calendar day following the prescribed due date.

Without limiting the foregoing, the words anticipate, believe, could, estimate, expect, intend, may, plan, project, should, will, would and similar words are intended to identify forward-looking statements. In addition, the statements in this Form 12b-25 reflect our expectations and beliefs as of the date hereof. We anticipate that subsequent events and developments will cause our expectations and beliefs to change. However, while we may elect to update these forward-looking statements publicly at some point in the future, we specifically disclaim any obligation to do so, whether as a result of new information, future events or otherwise. Our forward-looking statements do not reflect the potential impact of any future acquisitions, mergers, dispositions, business development transactions, joint ventures or investments we may make. These forward-looking statements should not be relied upon as representing our views as of any date subsequent to the date of this Form 12b-25.
