Item 1.01. Entry into a Material Definitive Agreement.

Purchase Agreement

On March 15, 2008, International Paper Company (the Company) entered into a Purchase Agreement (the Agreement) with Weyerhaeuser Company (the Seller) to purchase the assets of Seller's Containerboard, Packaging and Recycling business (Industrial Packaging Business). The purchase price is approximately \$6 billion and is subject to customary adjustments. The Company intends to finance the transaction with debt financing and has entered into a debt commitment letter with various lenders (see Debt Commitment Letter below).

The Industrial Packaging Business includes the following facilities: nine containerboard mills, seventy-two box plants, nineteen recycling plants, ten specialty packaging facilities and four bag plants.

The Agreement permits either party to terminate the transaction if it has not been consummated by March 31, 2009, and under certain circumstances, the Company may be required to pay the Seller a \$100 million termination fee.

Consummation of the transaction is subject to customary conditions, including the receipt of certain regulatory approvals and receipt of debt financing by the Company. The transaction is expected to close in the third quarter of 2008. The Agreement contains customary representations, warranties, covenants and indemnities.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, which is attached as Exhibit 10.1 to this report and is incorporated herein by reference.

Cautionary Statements

The Agreement has been included solely to provide investors with information regarding its terms. Except for its status as a contractual document that establishes and governs the legal relations between the parties thereto with respect to the transactions described in this Form 8-K, the Agreement is not intended to be a source of factual, business or operational information about either of the parties.

The representations, warranties, covenants and agreements made by the parties in the Agreement were made only for purposes of such agreement and are made as of specific dates. The assertions embodied in those representations and warranties were made for purposes of the Agreement and are subject to qualifications and limitations agreed to by the respective parties in connection with negotiating the terms of the Agreement. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from what might be viewed as material to shareholders or may have been used for the purpose of allocating risk between the respective parties rather than establishing matters as facts.

Debt Commitment Letter

On March 15, 2008, and in connection with entering into the Agreement, the Company entered into a debt commitment letter (the Debt Commitment Letter) with JPMorgan Chase Bank, N.A., Bank of America, N.A., UBS Loan Finance LLC, Deutsche Bank AG New York Branch, The Royal Bank of Scotland PLC, J.P. Morgan Securities Inc., Banc of America Securities LLC,

Deutsche Bank Securities Inc., UBS Securities LLC, Deutsche Bank AG Cayman Islands Branch and RBS Securities Corporation d/b/a RBS Greenwich Capital (the Debt Financing Sources). Pursuant to the Debt Commitment Letter, subject to the conditions set forth therein, the Debt Financing Sources committed to provide the Company with unsecured debt financing of up to \$6 billion, consisting of a \$2 billion Term Loan A Facility maturing 5 years from the closing date and a \$4 billion Term Loan X Facility maturing 12 months from the closing date (with a 6 month extension so long as no event of default has occurred and is continuing), the proceeds of which will be used to pay the purchase price under the Agreement and to pay certain fees, commissions and expenses. The debt commitments expire September 30, 2008.

Certain of the Debt Financing Sources, and their affiliates are lenders under the Company's Five-Year Credit Agreement dated as of March 31, 2006. In addition, J.P. Morgan provides administrative services to the Company with respect to its retirement savings plans and several other Debt Financing Sources have provided advisory services to the Company from time to time in connection with various mergers, acquisitions and divestitures. The Debt Financing Sources, and their affiliates, have received customary fees for these services.

The foregoing description of the Debt Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the full text of the Debt Commitment Letter, which is attached as Exhibit 10.2 to this report and is incorporated herein by reference.

Item 8.01. Other Events

On March 17, 2008, the Company issued a press release announcing the execution of the Agreement. A copy of the press release announcing this transaction is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
