PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

To be held May 14, 2008

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited to the holders of common stock on behalf of the Board of Directors of American Technology Corporation, a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on May 14, 2008, at 2:00 p.m. local time (the Annual Meeting), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at our principal offices located at 15378 Avenue of Science, Suite 100, San Diego, California 92128. We intend to mail or electronically deliver this proxy statement, the accompanying proxy card and Notice of Annual Meeting on or about April 1, 2008 to all stockholders entitled to vote at the Annual Meeting.

Solicitation

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of our company. No additional compensation will be paid to directors, officers or other regular employees for such services.

Voting Rights and Outstanding Shares

We have designated a record date of March 17, 2008 for the Annual Meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the Annual Meeting. At the close of business on the record date, we had outstanding and entitled to vote 30,535,207 shares of common stock.

Except as provided below, on all matters to be voted upon at the Annual Meeting, each holder of record of common stock on the record date will be entitled to one vote for each share held. With respect to the election of directors, stockholders may exercise cumulative voting rights, i.e., each stockholder entitled to vote for the election of directors may cast a total number of votes equal to the number of directors to be elected multiplied by the number of such stockholder's shares (on an as-converted basis) and may cast such total of votes for one or more candidates in such proportions as such stockholder chooses. However, no stockholder will be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and at least one stockholder has given notice at the meeting, prior to the voting, of his or her intention to cumulate votes. Unless the proxy holders are otherwise instructed, stockholders, by means of the accompanying proxy, will grant the proxy holders discretionary authority to cumulate votes.

All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions will be counted towards

the tabulation of votes cast on proposals presented to the stockholders for the purposes of determining the presence of a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved. If you sign your proxy card or broker voting instruction card with no instructions, your shares will be voted in accordance with the recommendations of the Board.

Revocability of Proxies

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by filing with the Chairman of the Board at our principal offices, 15378 Avenue of Science, Suite 100, San Diego, California 92128, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy. If you hold shares through a bank or broker, you must contact that firm to revoke any prior proxy.

Stockholder Proposals

The deadline for submitting a stockholder proposal for inclusion in our proxy statement and form of proxy for our 2009 annual meeting of stockholders pursuant to Rule 14a-8 of the Securities and Exchange Commission is December 2, 2008.

Our bylaws also establish an advance notice procedure with respect to certain stockholder proposals and director nominations. If a stockholder wishes to have a stockholder proposal considered at our 2009 annual meeting, the stockholder must give timely notice of the proposal in writing to the Secretary of our company. To be timely, a stockholder's notice of the proposal must be delivered to, or mailed and received at our executive offices not earlier than February 13, 2009 and not later than March 15, 2009; provided, however, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the anniversary of the scheduled date of this year's Annual Meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or, in the event we first make public announcement of the date of such annual meeting fewer than 70 days prior to the date of such annual meeting, the close of business on the 10th day following the day on which we first make public announcement of the date of such meeting.

A stockholder's notice to the Secretary must set forth as to each matter the stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (ii) the name and address, as they appear on our books, of the stockholder proposing such business; (iii) the class and number of shares which are beneficially owned by the stockholder; (iv) any material interest of the stockholder in such business; and (v) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act, in his or her capacity as a proponent to a stockholder proposal.

Electronic Delivery of Proxy Materials and Annual Reports

If you are a stockholder of record, you may request and consent to electronic delivery of our future proxy materials and annual reports by following the instructions on your proxy card. If your shares are held in street name, please contact your broker, bank or other nominee and ask about the availability of electronic delivery. If you select electronic delivery, we will discontinue mailing the proxy materials and annual reports to you beginning next year, and you will be sent an e-mail message notifying you of the Internet address or addresses where you may access the proxy materials and annual report. Your consent to electronic delivery will remain in effect until you revoke it.

PROPOSAL ONE

ELECTION OF DIRECTORS

There are five nominees for Board positions. Each director to be elected will hold office until the next annual meeting of stockholders and until his or her successor is elected and has qualified, or until such director's earlier death, resignation or removal. Each nominee listed below is currently a director of our company and was elected by the stockholders at our 2007 annual meeting. We encourage our Board members to attend our annual meetings of stockholders. All five nominees attended the 2007 annual meeting of stockholders.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the five nominees named below, subject to the discretionary power to cumulate votes. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. There are no arrangements or understandings between us and any other person pursuant to which he or she was or is to be selected as a director or nominee.

The five candidates receiving the highest number of affirmative votes cast at the meeting will be elected directors.

BOARD AND COMMITTEE MATTERS AND CORPORATE GOVERNANCE MATTERS

Corporate Governance

We maintain a corporate governance page on our website that includes key information about our corporate governance initiatives, including our Code of Business Conduct and Ethics, our Charters for the committees of the Board of Directors, and our Whistleblower Protection Policy. The corporate governance page can be found at www.atcsd.com by clicking on Investors, and then on Corporate Governance.

Our policies and practices reflect corporate governance initiatives that are designed to be compliant with the listing requirements of The NASDAQ Stock Market and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

A majority of our Board members are independent of our company and our management;

All members of our standing Board committees the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee are independent;

The independent members of our Board of Directors meet regularly without the presence of management;

We have a clear code of business conduct and ethics that applies to our principal executive officers, our directors and all of our employees, and is monitored by our Audit Committee;

The charters of the board committees clearly establish their respective roles and responsibilities; and

We have a hotline available to all employees, and our Audit Committee has procedures in place for the anonymous submission of employee complaints on accounting, internal accounting controls, or auditing matters.

Board of Directors

Our Board of Directors currently consists of five directors: Elwood G. Norris (Chairman), Thomas R. Brown, Laura M. Clague, Daniel Hunter and Raymond C. Smith. During the fiscal year ended September 30, 2007, our Board of Directors held six meetings. All directors attended at least 75% of the aggregate of the total number of the meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which he or she served (in each case during the period in which he or she served).

Independence of the Board of Directors

As required under the NASDAQ Stock Market listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board of directors.

After review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, our Board of Directors has affirmatively determined that Ms. Clague, Mr. Hunter and Admiral Smith are independent directors within the meaning of the applicable NASDAQ listing standards.

Executive Sessions

As required under NASDAQ listing standards, during the calendar year ended December 31, 2007, our independent directors met at least twice in regularly scheduled executive sessions at which only independent directors were present.

Stockholder Communications with the Board of Directors

We have adopted a formal process by which stockholders may communicate with our Board of Directors. The Board recommends that stockholders initiate any communications with the Board in writing and send them in care of the investor relations department by mail to our principal offices, 15378 Avenue of Science, Suite 100, San Diego, CA 92128. This centralized process will assist the Board in reviewing and responding to stockholder communications in an appropriate manner. The name of any specific intended Board recipient should be noted in the communication. The Board has instructed the investor relations department to forward such correspondence only to the intended recipients; however, the Board has also instructed the investor relations department, prior to forwarding any correspondence, to review such correspondence and, in its discretion, not to forward certain items if they are deemed of a personal, illegal, commercial, offensive or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, that correspondence will be forwarded to the company's Secretary for review and possible response. This information is also contained on our website at www.atcsd.com.

Information Regarding the Board of Directors Committees

During the fiscal year ended September 30, 2007, the Board had three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. The current charters for the Audit Committee, the Compensation Committee and the Nominating and Governance Committee can be found on our website at www.atcsd.com.

Audit Committee

Our Board of Directors has a separately designated standing Audit Committee established in accordance with Section 3(a)(58) of the Securities Exchange Act of 1934. The Audit Committee oversees our corporate accounting and financial reporting processes. Among other functions, the Audit Committee:

discusses with management and the independent registered public accounting firm the results of the annual audit and the results in our quarterly financial statements; and

reviews and approves all related party transactions on an ongoing basis.

The Audit Committee has the authority to retain special legal, accounting or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Audit Committee is composed of Ms. Clague

(Chair), Mr. Hunter and Admiral Smith. At the beginning of fiscal 2007, Mr. Hunter, Admiral Smith and David J. Carter were members of the Audit Committee, and Mr. Hunter served as Chair. Mr. Carter resigned from the Board and all standing committees in February 2007, and Ms. Clague was appointed to the Audit Committee to fill the vacancy created by his resignation. Ms. Clague was also appointed as Chair of the Audit Committee. The Audit Committee met twelve times during fiscal 2007.

The Board of Directors annually reviews the NASDAQ listing standards definition of independence for audit committee members and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A) of the NASDAQ listing standards). Our Board of Directors has determined that each member of the Audit Committee is able to read and understand fundamental financial statements, including our company's balance sheet, income statement and cash flow statement. Our Board of Directors has also determined that Mr. Hunter and Ms. Clague each qualify as an audit committee financial expert, as defined in applicable SEC rules. In making such determinations, the Board made a qualitative assessment of Mr. Hunter's, and Ms. Clague's level of knowledge and experience based on a number of factors, including each individual's formal education and experience. See Report of the Audit Committee.

Compensation Committee

The Compensation Committee assists in the implementation of, and provides recommendations with respect to, our general and specific compensation policies and practices for our company's executives. The Compensation Committee also administers our 2002 Stock Option Plan and our 2005 Equity Incentive Plan. Among other functions, the Compensation Committee:

reviews and approves the performance goals and objectives for executive officers, including our Chief Executive Officer;

evaluates the CEO's performances in light of those goals and objectives and recommends to the Board the CEO's compensation levels;

recommends to the Board the compensation of executive officers other than the CEO;

reports on executive compensation for inclusion in our company's proxy statements;

reviews annually the Board compensation and makes related recommendations to the Board; and

reviews annually the Compensation Committee's written charter and the committee's performance and reports the same to the Board. The Compensation Committee has the authority to retain special legal or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Compensation Committee is composed of Mr. Hunter (Chair), Admiral Smith and Ms. Clague. At the beginning of fiscal 2007, Mr. Hunter, Admiral Smith and David J. Carter were members of the Compensation Committee, and Mr. Hunter served as Chair. Mr. Carter resigned from the Board and all standing committees in February 2007, and Ms. Clague was appointed to the Compensation Committee to fill the vacancy created by his resignation. The Compensation Committee held seven meetings during fiscal 2007. See Report of the Compensation Committee.

Each member of the Compensation Committee is independent (as independence is currently defined in Rule 4200(a)(15) of the NASDAQ listing standards), an outside director as defined in Section 162(m) of the Internal Revenue Code and a non-employee director as defined in Rule 16b-3 under the Securities Exchange Act of 1934.

Nominating and Governance Committee

Our Board of Directors established a Nominating and Governance Committee in April 2004. The Nominating and Governance Committee identifies and recommends to the Board individuals qualified to become

Board members, reviews and advises the Board with respect to corporate governance principals and policies, and oversees the annual evaluation of the Board's effectiveness. Among other functions, the Nominating and Governance Committee:

identifies, reviews and evaluates candidates to serve on our Board of Directors;

makes recommendations to the Board regarding the membership of the committees of our Board;

reviews annually the Nominating and Governance Committee's written charter and the committee's performance;

oversees an annual self-evaluation of our Board;

reviews with the Board the requisite skills and criteria for new Board members and the composition of the Board as a whole;

oversees a policy for considering shareholder nominees for directors and develops the procedures that must be followed by shareholders in submitting recommendations;

evaluates director candidates recommended by the shareholders using the criteria and the principles for director selection;

oversees a procedure for shareholders to communicate with the Board;

considers conflicts of interest of Board members and senior management, and, to the extent a conflict constitutes a related party transaction, refers the approval of such matter to the Audit Committee;

oversees director orientation, continuing education programs, director retirement policies and resignation of directors from the Board; and

is responsible for corporate governance principles for our company.

The Nominating and Governance Committee has the authority to retain special legal or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Nominating and Governance Committee is currently composed of Mr. Hunter and Admiral Smith. At the beginning of fiscal 2007, David J. Carter, Admiral Smith and Mr. Hunter were members of the Nominating and Governance Committee, and Mr. Carter served as Chair. Mr. Carter resigned from the Board and all standing committees in February 2007. Mr. Hunter was appointed as Chair to fill the vacancy created by Mr. Carter's resignation in March 2007. The Nominating and Governance Committee held three meetings during fiscal 2007.

All members of the Nominating and Governance Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the NASDAQ listing standards).

Consideration of Director Nominees

Director Qualifications

The Nominating and Governance Committee believes that new candidates for director should have certain minimum qualifications, including having the knowledge, capabilities, experience and contacts that complement those currently existing within our company; ability and

Edgar Filing: AMERICAN TECHNOLOGY CORP /DE/ - Form DEF 14A

qualifications to provide our management with an expanded opportunity to explore ideas, concepts and creative approaches to existing and future issues, and to guide management through the challenges and complexities of building a quality company; ability to meet contemporary public company board standards with respect to general governance; stewardship, depth of review, independence, financial certification, personal integrity and responsibility to stockholders; genuine desire and availability to participate actively in the development of our future; and an orientation toward maximizing stockholder value in realistic time frames. The Committee also intends to consider for new Board members such factors as ability to contribute strategically through relevant industry background and experience, on either the vendor or the end user side; strong current industry contacts; ability and willingness to introduce and open doors to executives of potential customers and partners; current employment as the CEO of an acoustic products, media, advertising, military or government supply company larger than our company; independence from our

company and current board members; and a recognizable name that would add credibility and value to our company and its stockholders. The Committee may modify these qualifications from time to time.

Evaluating Nominees for Director

The Nominating and Governance Committee reviews candidates for director nominees in the context of the current composition of our Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Committee currently considers, among other factors, diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and our company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Governance Committee reviews such directors' overall service to our company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Committee also determines whether the nominee must be independent, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Committee conducts any appropriate and necessary inquiries into the background and qualifications of possible candidates after considering the function and needs of our Board of Directors. The Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to our Board of Directors by majority vote. To date, neither the Nominating and Governance Committee nor any predecessor to the Committee has paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, neither the Nominating and Governance Committee nor any predecessor to the Committee has rejected a timely director nominee from a stockholder or group of stockholders that beneficially owned, in the aggregate, more than 5% of our voting stock.

Stockholder Nominations

The Committee applies the same guidelines (described above) to stockholder nominees as applied to nominees from other sources. Any stockholder who wishes to recommend for the Nominating and Governance Committee's consideration a prospective nominee to serve on the Board of Directors may do so by giving the candidate's name and qualifications in writing to our Chairman of the Board at the following address: 15378 Avenue of Science, Suite 100, San Diego, California 92128.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, a code of ethics that applies to all employees, including our executive officers. A copy of the Code of Business Conduct and Ethics is posted on our Internet site at www.atcsd.com. In the event we make any amendments to, or grant any waivers of, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, or principal accounting officer that requires disclosure under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor on a Form 8-K or on our next periodic report.

PROPOSAL TWO

RATIFICATION OF SELECTION OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2008. Squar, Milner, Peterson, Miranda & Williamson, LLP has served as our independent registered public accounting firm since October 2007 and audited our financial statements for the fiscal year ended September 30, 2007. A representative of Squar, Milner, Peterson, Miranda & Williamson, LLP is expected to be present at the Annual Meeting. If present, the representative will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions. Stockholder ratification of the selection of Squar, Milner, Peterson, Miranda & Williamson, LLP is not required by our bylaws or otherwise. However, we are submitting the selection of Squar, Milner, Peterson, Miranda & Williamson, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will consider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of our company and our stockholders.

The affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, is required to ratify the selection of Squar, Milner, Peterson, Miranda & Williamson, LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders for the purpose of determining a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Dismissal of Independent Registered Public Accounting Firm

Swenson Advisors, LLP (Swenson) served as our independent registered public accounting firm from July 2005 until September 13, 2007, when we dismissed such firm. Swenson 's reports on our consolidated financial statements as of and for each of the fiscal years ended September 30, 2006 and 2005 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. The decision to change accountants was approved by the Audit Committee and our Board of Directors.

During the fiscal years ended September 30, 2005 and 2006 and the subsequent interim period through September 13, 2007, there were no disagreements with Swenson on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Swenson 's satisfaction, would have caused Swenson to make reference in connection with its report on our financial statements to the subject matter of the disagreement, except as set forth immediately below.

During the course of Swenson 's review of our interim financial statements during our fiscal year ended September 30, 2007 and in preparation for Swenson 's audit of our year-end financial statements and our internal control over financial reporting, disagreements arose regarding the appropriate review philosophy and communication between Swenson and our management and the appropriate review and audit scope related to our internal control over financial reporting. When discussed herein, the term review philosophy refers to the manner by which the former auditor and our management approach the former auditor 's audit of our internal control over financial reporting. On August 10, 2007, Swenson delivered to the Audit Committee a letter identifying a number of issues that Swenson suggested had strong indications of a material weakness in our control environment and certain regulatory payroll tax matters and filings. Swenson 's letter identified issues dating to the audit of our 2006 financial statements and throughout fiscal year 2007 that Swenson believed called into question our ability to meet the Tone at the Top requirement promulgated by COSO. We believe that many of the issues identified in Swenson 's August 10, 2007 letter are directly or indirectly related to our response to fees charged, or to be charged, in connection with Swenson 's audit. The Audit Committee discussed

the letter with management and met independently to discuss these issues. Swenson's letter requested a meeting with the Audit Committee to discuss the issues identified. The meeting did not take place prior to Swenson's termination as our independent public accounting firm. Some of the issues outlined in Swenson's letter had been raised previously with the Audit Committee and the Audit Committee had assessed and determined them not to be material matters in our control environment; some of the issues were not raised with the Audit Committee prior to Swenson's letter.

We do not believe that such disagreements, if not resolved to Swenson's satisfaction, would have caused Swenson to make reference in connection with its report on our financial statements to the subject matter of the disagreement. However, as described above, Swenson would also have been engaged to perform an integrated audit pursuant to PCAOB standards to comply with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 that would have included its opinion on the effectiveness of our internal control over financial reporting, and Swenson has advised us that such disagreements may have resulted in an adverse reference in its report on our internal control over financial reporting.

In its letter to the Securities and Exchange Commission previously filed by us as Exhibit 16.1 to our Current Report on Form 8-K dated September 19, 2007, Swenson made statements regarding the review and audit scope in connection with our compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

These statements and the Company's response are provided below:

Swenson Statement: The responsibility for establishing the audit scope is that of the independent registered public accounting firm and not that of the Registrant.

Company Response: The Company does not disagree with Swenson's statement. Management of the Company has not intended to affect the scope of the audit, but rather to align reasonable testing levels, given the size and lack of complexity of the business and to rationalize the fees to be charged for the audit to those testing levels. The Company believes that testing levels had been disproportionate to the level of risk and materiality of the Company's business in the past, resulting in excessive fees being charged.

Swenson Statement: In our opinion, a member of senior management of the Company attempted to influence the scope of Swenson's work at various meetings with the engagement partner present, and at other times with members of the engagement team when the partner was not present.

Company Response: The Company believes that these discussions were more specifically related to assessing the appropriate level of testing based on the nature of the business and potential risk exposure, and the resultant fees charged for the services, which the Company believed were historically excessive (nearly 7% of the Company's 2006 revenues) given the size and lack of complexity of its business operations. The Company does not believe that the discussion attempted to limit the scope of the former auditor's work.

Swenson Statement: On August 8, 2007, a member of senior management attempted to obtain confidential internal audit documents from one of the Swenson auditors. Swenson did not allow this to occur and suspended all field work as of that date.

Company Response: This issue arose in an initial planning meeting with a subcontracted firm hired by Swenson to perform the audit of the information technology element of the Company's internal control over financial reporting, which resulted from Swenson not having the internal expertise in this area. No representative of Swenson was present at the meeting, although an invitation had been extended. In discussing the areas that the subcontractor planned to review/test, the subcontractor indicated that 30% of its time had been allocated to system change management. Although the Company noted that it had not made system changes during the prior year and that the time allocated to system change management should be much less, the subcontractor indicated that it had been engaged on a fixed fee arrangement. The fixed fee arrangement caused concern that Swenson did not have sufficient

knowledge of the information technology environment to provide proper planning guidance to the subcontractor, and appeared to be contradictory to Swenson's commitment to work with the Company to minimize fees for the 2007 fiscal year. As a result of this information, management requested a copy of the subcontractor's engagement letter with Swenson. The subcontractor declined to provide the engagement letter, and management stated that it would be discussed at the next weekly meeting, at which Swenson and the subcontractor were expected to attend. The confidential internal audit documents Swenson references is its engagement letter with the subcontractor. The Company's request to review the engagement letter was the action that caused Swenson to leave the field, notwithstanding the fact that no representative of Swenson was present at the meeting to assess the nature of the discussion.

During the fiscal years ended September 30, 2006 and 2005 and the subsequent interim period through September 13, 2007, there have been no reportable events described under Item 304(a)(1)(v) of Regulation S-K, except as set forth in this paragraph. On August 10, 2007, Swenson notified the Audit Committee of its concerns regarding the effectiveness of our control environment and disagreements with management and requested a meeting with the Audit Committee to discuss these matters.

The Audit Committee discussed the subject matter of some of the disagreements and reportable events described above with Swenson, but did not formally address all of the matters raised in Swenson's correspondence. We authorized Swenson to respond fully to the inquiries of the successor audit firm concerning the subject matter of each disagreement and reportable event described above.

Independent Registered Public Accountants Fees

Audit fees also included the audit of management's report on the effectiveness of our internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002. Additional fees of \$73,700 paid to Swenson Advisors, LLP, related to obtaining their consent for 2005 and 2006, are not included in Audit Fees because they were not the principal auditor at the time they were incurred.

Included in Audit Related Fees are fees and expenses related to reviews of registration statements and SEC filings other than Forms 10-K and 10-Q.

Audit Committee Pre-Approval Policies and Procedures

All audit and non-audit services are pre-approved by the Audit Committee, which considers, among other things, the possible effect of the performance of such services on the registered public accounting firm's independence. The Audit Committee pre-approves the annual engagement of the principal independent registered public accounting firm, including the performance of the annual audit and quarterly reviews for the subsequent fiscal year, and pre-approves specific engagements for tax services performed by such firm. The Audit Committee has also established pre-approval policies and procedures for certain enumerated audit and audit related services performed pursuant to the annual engagement agreement, including such firm's attendance at and participation at Board of Directors and committee meetings; services of such firm associated with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings, such as comfort letters and consents; such firm's assistance in responding to any SEC comments letters; and consultations with such firm as to the accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or proposed rules, standards or interpretations by the SEC, Public Company Accounting Oversight Board (PCAOB), Financial Accounting Standards Board (FASB), or other regulatory or standard-setting bodies. The Audit Committee is informed of each service performed pursuant to its pre-approval policies and procedures.

The Audit Committee has considered the role of Squar, Milner, Peterson, Miranda & Williamson, LLP in providing services to us for the fiscal year ended September 30, 2007 and has concluded that such services are compatible with such firm's independence.

Our Board of Directors recommends a vote IN FAVOR of Proposal Two.

Under the plan, each of our non-employee directors was paid a fee of \$1,000 per month, payable quarterly in arrears. No additional amounts were payable for committee participation. In December 2007, upon recommendation of the Compensation Committee, our Board of Directors approved an amendment to the director compensation plan. Under the amended plan, each of our non-employee directors will be paid a fee of \$5,000 quarterly in arrears.

The Compensation Committee awarded options to Admiral Smith, Mr. Brown and Ms. Clague upon joining the Board of Directors as non-employee directors in March 2006, March 2006 and February 2007, respectively. Such options were vested as to one third of the shares upon grant, and one-twelfth quarterly thereafter until fully vested, subject to continuing service to our company.

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

Our compensation and benefits programs are designed to attract and retain executive officers and key employees necessary to support its business plans and to create and sustain a competitive advantage in the market segment in which it competes. We intend to be competitive with other similarly situated companies in our industry to permit us to attract and retain individuals with the skills necessary to execute our business plan.

In structuring its compensation program for executive officers, including the named executive officers who appear in the compensation tables following this Compensation Discussion and Analysis, our fundamental objectives are to:

Attract and retain talented executive officers who can contribute to the achievement of our goals, most notably, the increase in stockholder value;

Align the interests of our executive officers with our near, medium and long-term goals and those of our stockholders, employees and other stakeholders;

Focus executive officers on achievement of our goals in a manner that fosters team performance and team focus;

Reward superior performance by our company as a whole, and to a lesser extent superior individual performance; and

Accomplish these objectives effectively while managing the total cost of the compensation plan.

Our compensation program includes cash compensation, which it views as a short-term incentive, and equity compensation, which it believes provides incentives over a longer term. Cash compensation for executive officers consists of a base salary commensurate with the individual executive officer's experience and potential contribution to our overall performance and an annual incentive bonus based on our attainment of certain performance goals as a company. Our equity compensation awards are designed to reward executive officers for the financial and operating performance of the company as a whole, as well as the executive's individual contributions to our overall success.

Determination of Compensation Awards

Our executive compensation program is designed and implemented primarily by the Compensation Committee with input from a number of sources, including the full Board of Directors, our President and Chief Executive Officer and such additional compensation information as the Compensation Committee deems appropriate. The Compensation Committee does not delegate, to management or any other parties, its duties to review our executive compensation program, which it reviews annually.

In determining compensation for our executive officers, the Compensation Committee annually reviews information which it deems relevant. The Compensation Committee also evaluates our performance and generally determines whether the compensation elements and levels that it provides to its executive officers are appropriate relative to their counterparts, in light of each executive officer's individual contribution to our overall performance. The Compensation Committee does not believe that it is appropriate to establish compensation levels based solely on compensation provided by other companies. In addition, the Compensation Committee relies upon its judgment in making compensation decisions after carefully evaluating each executive officer's individual performance and our performance during the year.

The Compensation Committee directly determines the compensation package provided to our Chief Executive Officer based on the Chief Executive Officer's individual performance and the performance of our company as a whole, receiving input as it deems appropriate. In addition to being reviewed and approved by the Compensation Committee, the compensation package for our Chief Executive Officer is reviewed and approved

by the full Board of Directors, other than the Chief Executive Officer. For named executive officers other than the Chief Executive Officer, as well as for our other executive officers, the Chief Executive Officer makes recommendations for each individual's compensation package to the Compensation Committee. In making these recommendations, the Chief Executive Officer considers the individual's performance, performance of the company as a whole and the individual's contribution to our performance. The Compensation Committee discusses these recommendations with the Chief Executive Officer. The Compensation Committee further reviews and discusses these recommendations in executive session without any members of management present.

Elements of Executive Compensation

We seek to achieve the objectives of the executive compensation program through a mix of cash and equity compensation, plus appropriate health, welfare and other benefits. The specific elements of executive compensation are described below:

Base Salary. Base salary for executive officers, including the Chief Executive Officer, is determined on the date of hire, and evaluated annually thereafter or on any material change of duties, responsibilities or position. In determining base salary for executive officers, the Compensation Committee considers individual and company performance, potential of the executive officer to contribute to our long-term success, scope of responsibilities, experience and competitive salary practices.

Annual Cash Bonuses. For fiscal year 2008, we have established an executive officer and employee incentive plan designed to motivate its employees to achieve our financial objectives and to reward them for their achievements when those objectives are met. Under the incentive plan, target bonus amounts vary based on a percentage of the participant's base salary, and the amount of bonus actually paid to a participant will be based on the achievement of positive income from operations (including the cost of the incentive plan). All of our employees, including executive officers, are entitled to participate in the incentive plan. The target bonuses under the plan are 50% of base salary for executive officers and sales personnel, 25% of base salary for managers and 10% of base salary for all other employees. Employees are entitled to a bonus of two times the target bonus in the event income from operations exceeds \$1 million for fiscal year 2008, including the cost of the incentive plan. We had a similar incentive plan in place for fiscal 2007, but we did not achieve our financial objectives under the plan in fiscal 2007 and no bonuses were awarded.

Long-Term Incentive Compensation. Long-term incentive compensation generally includes awards granted under our stock option plans. The objective of equity compensation awards is to align executive officers' interests with the longer term interests of stockholders. These awards, which are at risk and dependent on the creation of incremental stockholder value over several years, represent a portion of the total compensation opportunity provided for the executive officers. Award sizes are based on level of responsibility, the individual's potential to make significant contributions to the company, individual performance and award levels at other similar companies.

Other Benefits Programs. Our executive compensation program also includes what we believe to be competitive benefits plans and programs, including a 401(k) savings plan and health and welfare benefits, such as medical, dental, vision care and life insurance benefits. In addition, from time to time, we provide executive officers with perquisites and other personal benefits that it and the Compensation Committee believe are reasonable and consistent with its overall compensation philosophy. The Compensation Committee periodically reviews the types and levels of perquisites that are provided to executive officers. Mr. Norris is also provided an automobile, on which we make the lease payments.

Severance Benefits. Upon termination of employment, Messrs. Brown and Croft are entitled to receive severance payments under their employment agreements with us. The Compensation Committee reviews and determines the severance benefits provided to executive officers in connection with reviewing employment agreements and offer letters. Information regarding the severance benefits to which Mr. Brown is entitled is provided under the heading "Potential Payments Upon Termination or Change-in-Control" below.

Section 162(m) Treatment Regarding Performance-Based Equity Awards

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, a public company is generally denied deductions for compensation paid to the chief executive officer and the next four most highly compensated executive officers to the extent the compensation for any such individual exceeds one million dollars for the taxable year. Our executive compensation programs are designed to preserve the deductibility of compensation payable to executive officers, although deductibility will be only one among a number of factors considered in determining appropriate levels or types of compensation.

Compensation Committee Report*

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management, and based on such review and discussions, recommended to the Board of Directors that the Compensation Discussion and Analysis be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2007 and in our Proxy Statement for the 2008 Annual Meeting of Stockholders.

Discussion of Summary Compensation and Grants of Plan-Based Awards Tables

Our executive compensation policies and practices, pursuant to which the compensation set forth in the Summary Compensation Table and the Grants of Plan-Based Awards table was paid or awarded, are described above under Compensation Discussion and Analysis. A summary of certain material terms of our compensation plans and arrangements is set forth below.

Employment Arrangements

We have entered into the following employment arrangements with each of the named executive officers reflected in the Summary Compensation Table.

Mr. Elwood G. Norris Effective September 1, 1997, we entered into a three year employment contract with Mr. Norris for his services as Chief Technology Officer. The three-year term expired on August 31, 2000, but the agreement remains in effect until one party gives thirty days advance notice of termination to the other.

Mr. Norris now serves as Chairman under the term of this agreement. The agreement, as amended by the Compensation Committee, provides for a base salary of \$16,667 per month. The agreement provides that Mr. Norris will participate in bonus, benefit and other incentives at the discretion of the Board of Directors. Mr. Norris has agreed not to disclose trade secrets and has agreed to assign certain inventions to us during employment. We also provide Mr. Norris with an automobile, the lease payments for which are currently \$720 per month. We are also obligated to pay Mr. Norris certain royalties. See [Transactions with Related Persons](#) below.

Mr. Thomas R. Brown Effective August 23, 2006, we entered into a letter agreement with Mr. Brown pursuant to which he was appointed as our President and Chief Executive Officer commencing September 5, 2006. Mr. Brown was also appointed as Interim Chief Financial Officer from September 19, 2006, a position he held until September 10, 2007. The terms of Mr. Brown's employment did not change in connection with his appointment as Interim Chief Financial Officer. Mr. Brown was a Director and a member of the Audit and Compensation Committees from March 24, 2006 until he resigned in connection with entering into the letter agreement to facilitate our compliance with NASDAQ corporate governance requirements. He was reappointed to the Board of Directors on September 22, 2006. The letter agreement provides for a base salary of \$250,000 per year. In connection with his employment, Mr. Brown received a non-statutory stock option to purchase 200,000 shares of common stock under our 2005 Equity Incentive Plan with an exercise price of \$3.33 per share, the closing price of our common stock on the start date as reported on the NASDAQ Capital Market. Mr. Brown is eligible for an annual bonus with respect to fiscal years beginning with fiscal 2007 as recommended by the Compensation Committee and approved by the Board of Directors. The bonus is based in part on his achievement of detailed annual goals that are established by the Compensation Committee. Mr. Brown did not receive a bonus for fiscal 2007. Mr. Brown's bonus for fiscal 2008 will be based upon the bonus plan described below under the heading [Executive Officer and Employee Incentive Plan](#). In the event that Mr. Brown's employment is terminated for any reason other than cause, or if he resigns for good reason, he will be entitled to severance equal to one month's salary for each two month period of service, or portion thereof, up to six months' salary. He will also be entitled to continuation of his company-provided health and dental benefits for the same period.

Ms. Katherine H. McDermott On September 10, 2007, our Board of Directors approved the appointment of Ms. McDermott as our Chief Financial Officer. Ms. McDermott served as our Chief Accounting Officer and Controller from June 25, 2007 until her appointment as Chief Financial Officer. Ms. McDermott is employed pursuant to the terms of an employment agreement dated June 21, 2007. As Chief Financial Officer, Ms. McDermott receives an annual salary of \$160,000 and participates in bonus, benefit and other incentives at the discretion of the Compensation Committee. In connection with her employment, Ms. McDermott received a non-statutory stock option to purchase 50,000 shares of common stock under our 2005 Equity Incentive Plan with an exercise price of \$3.43 per share, the closing price of our common stock on the date of grant as reported on the NASDAQ Capital Market. In connection with her promotion to Chief Financial Officer, Ms. McDermott received an additional non-statutory stock option to purchase 50,000 shares of common stock under our 2005 Equity Incentive Plan with an exercise price of \$3.16 per share, the closing price of our common stock on the date of board approval of her promotion as reported on the NASDAQ Capital Market. Ms. McDermott's employment is not for a specified period or term of employment and is terminable at-will by us or by Ms. McDermott for any reason, with or without notice.

Mr. James Croft, III On August 17, 2005, our Board of Directors approved the appointment of Mr. Croft as our Chief Technology Officer and Vice President of Advanced Development. Mr. Croft served as our Vice President of Research and Development since February 28, 2000, and, prior to that, as our Vice President of Engineering from September 15, 1997. Mr. Croft was employed pursuant to the terms of an employment agreement dated February 28, 2000. The initial term of the employment agreement dated February 28, 2000 had expired, and as a result, his employment with us was terminable at will by us or by Mr. Croft for any reason. On March 1, 2008, Mr. Croft's employment with us was terminated. Under the terms of the agreement as in effect September 30, 2007, Mr. Croft's annual salary was \$165,000, and he participated in bonus, benefit and other incentives at the discretion of the Compensation Committee.

Ms. Karen Jordan On December 16, 2005, our Board of Directors approved the appointment of Ms. Jordan as our Chief Accounting Officer. Ms. Jordan entered into a letter agreement with our company dated October 26, 2005, and joined us in November 2005, as director of finance. Ms. Jordan's employment was not for a specified period or term of employment and was terminable at-will by us or by Ms. Jordan for any reason, with or without notice. On June 25, 2007, Ms. Jordan resigned effective June 29, 2007. Ms. Jordan's annual salary at the time of resignation was \$140,000, and she was entitled to participate in bonus, benefit and other incentives at the discretion of the Compensation Committee.

Executive Officer and Employee Incentive Plan

On December 19, 2007, the Compensation Committee of our Board of Directors recommended, and the Board of Directors approved, an incentive bonus plan for fiscal year 2008 designed to motivate our employees to achieve our financial objectives and to reward them for their achievements when our objectives are met. Under the incentive plan, target bonus amounts vary based on a percentage of the participant's base salary, and the amount of bonus actually paid to a participant will be based on our achievement of positive income from operations (including the cost of the incentive plan).

All of our employees, including executive officers, are entitled to participate in the incentive plan. The target bonuses under the plan are 50% of base salary for executive officers and sales personnel, 25% of base salary for managers and 10% of base salary for all other employees. Employees are entitled to a bonus of two times the target bonus in the event income from operations exceeds \$1 million for fiscal year 2008, including the cost of the incentive plan.

We do not have any stock appreciation rights plans in effect and we have no long-term incentive plans, as those terms are defined in SEC regulations. During the fiscal year ended September 30, 2007, we did not adjust or amend the exercise price of stock options awarded to the named executive officers, except that the exercise price of an option to purchase 100,000 shares of our common stock granted to Mr. Norris on May 3, 2006 was increased from \$3.90 per share to \$4.29 per share to comply with the terms of the 2005 Equity Incentive Plan under which it was granted. We have no defined benefit or actuarial plans covering any named executive officer.

In addition, from time to time we issue to employees, directors and service providers special stock options, inducement grants and warrants to purchase common shares, and these grants have not been approved by stockholders. The following table sets forth information as of September 30, 2007.
