retain and terminate any compensation consultant used to assist in the evaluation of officer compensation, including to approve the consultant's fees and other retention terms; and

produce a report of the Compensation Committee to be included in the Company's annual proxy statement.

Our Chief Executive Officer and Chairman of the Board recommends to the Compensation Committee salary, annual bonus, equity-based awards and long-term compensation levels for other executives, including the other Named Officers (as defined under "Compensation Discussion and Analysis" below). Our other executives, including the other Named Officers, do not currently have any role in determining or recommending the form or amount of compensation paid to our Named Officers and our other executives. While the Compensation Committee reviews and makes recommendations regarding compensation paid to the Non-Employee Directors, the compensation for these directors is determined by the Board.

Equity awards to all officers subject to Section 16 of the Exchange Act are made by the Compensation Committee. The Compensation Committee was formed in December 2007, after the Acquisition, but did not meet in 2007. As indicated above, pursuant to its Charter, the Compensation Committee is authorized to retain and terminate any compensation consultant engaged to assist in the evaluation of the compensation of our officers (including all of the Named Officers). From time to time, the Compensation Committee may engage compensation consultants to perform compensation reviews and assist in making recommendations to the Compensation Committee regarding compensation programs and levels.

COMPENSATION OF DIRECTORS

Compensation for Non-Employee Directors will consist of annual stock grants and Board and Committee meeting fees, as described below. Employees who are also directors will receive no additional compensation for their Board service.

Director Compensation Fiscal 2007

During 2007, the sole cash compensation to our Non-Employee Directors consisted of a \$1,000 Board meeting fee paid to each of Messrs. Greene, Klein, Mayer, Miller, Samson, Singer and Thornton for their participation in the December 12, 2007 Board meeting subsequent to the approval of the Acquisition by the stockholders. Prior to the Acquisition, no directors received compensation for their Board service.

Pursuant to the 2007 Performance Equity Plan approved by stockholders in conjunction with the Acquisition, our Non-Employee Directors will each receive an annual stock grant (of fully vested shares) as of the closing of the Acquisition (December 12, 2007), and on each anniversary of service thereafter, equal to that number of shares of our Common Stock having an aggregate market value of \$75,000 at the time of grant. The initial stock grants, due as of the closing of the Acquisition, were approved by the Board of Directors on February 6, 2008, subject to the filing and effectiveness of a registration statement on Form S-8, which was filed on April 17, 2008. Pursuant to the Board authorization for the initial stock grant, however, the number of shares awarded to each Non-Employee Director was to be determined using the highest closing price per share of Common Stock as of December 12, 2007, February 6, 2008 or April 17, 2008. Consequently, each Non-Employee Director will receive 4,808 shares of Common Stock, based upon the December 12, 2007 closing price per share of \$15.60. The expense associated with the share awards will be reflected in the Company's 2008 financial statements upon issuance of the shares, and will be based upon the closing price per share of Common Stock on such date.

COMPENSATION DISCUSSION AND ANALYSIS

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to the principal executive officer and principal financial officer of the Company and our three other most highly compensated individuals who were serving as executive officers as of December 31, 2007.

Edgar Filing: AMERICAN APPAREL, INC - Form 10-K/A

Prior to the Acquisition, Eric J. Watson served as the Company's Chairman and Treasurer and Jonathan J. Ledecy served as the Company's President and Secretary.

Table of Contents

After the Acquisition was consummated on December 12, 2007 and for the remainder of 2007, Dov Charney served as the Company's Chairman of the Board, President and Chief Executive Officer, Ken Cieply served as Chief Financial Officer and Treasurer, and our three other most highly compensated individuals were Joyce Crucillo, Martin Bailey and Adrian Kowalewski. These individuals are referred to as the Named Officers herein. Prior to the Acquisition, the executive officers of Old American Apparel were: Dov Charney, Chairman of the Board, President and Chief Executive Officer; Ken Cieply, Chief Financial Officer and Treasurer; Sang Ho Lim, Secretary; Martin Bailey, President of Manufacturing; Adrian Kowalewski, Director of Corporate Finance and Development; and Joyce Crucillo, General Counsel.

Prior to the date of the Acquisition, the Named Officers were Eric J. Watson, Chairman of the Board and Treasurer, and Jonathan J. Ledecy, President and Secretary. Prior to the date of the Acquisition, no executive officers received compensation for services rendered to the pre-Acquisition Company. During 2006, the Company paid \$7,500 per month to Ironbound Partners Fund, LLC, an affiliate of Mr. Ledecy, for general and administrative services. This arrangement ceased as of January 1, 2007.

Since the Acquisition, the Company's current executive compensation programs are determined and approved by the Compensation Committee of the Board. None of the Named Officers are members of the Compensation Committee. Our Chief Executive Officer and Chairman of the Board recommends to the Compensation Committee salary, cash incentive awards, equity-based awards and long-term compensation levels for executives, including the other Named Officers. Our other executives, including the other Named Officers, do not currently have any role in determining or recommending the form or amount of compensation paid to our Named Officers and our other executives.

Executive Compensation Program Objectives and Overview

It is the Company's intent that its executive compensation programs achieve three fundamental objectives: (1) attract, motivate and retain qualified executives; (2) hold executives accountable for performance; and (3) align executives' interests with the interests of our stockholders. In structuring the Company's executive compensation programs, we intend to be guided by the following basic philosophies:

Competition. The Company should provide competitive compensation opportunities so that it can attract, motivate and retain qualified executives.

Pay for Performance. A substantial portion of compensation should be tied to Company (and/or particular department or segment) and individual performance.

Alignment with Stockholder Interests. A substantial portion of compensation should be contingent on the Company's performance. As an executive officer's level of responsibility increases, a greater portion of the officer's total compensation should be dependent on the Company's performance.

As described in more detail below, the material elements of our executive compensation program will include some or a mix of the following, at the discretion of the Compensation Committee: a base salary, an annual cash incentive bonus opportunity, and a performance equity plan component. We believe that these elements of our executive compensation program will help us to achieve one or more of our compensation objectives. The executive compensation program is intended to attract, motivate and retain qualified executives. The base salary is the element of our current executive compensation program where the value of the benefit in any given year is generally not variable. We anticipate that any bonus awarded in any given year will depend on the performance of the individual and the performance of the Company. We believe that in order to attract, motivate and retain top-caliber executives, we need to provide executives with predictable benefit amounts that reward the executive's continued service. The base salaries are paid out on a short-term or current basis. Any bonuses would generally be paid out on a short-term basis, such as at year end or upon completion of significant projects. Performance equity awards would generally be made on a longer-term basis. We believe that a mix of longer-term and short-term elements will allow us to achieve our dual goals of attracting and retaining executives (with the longer-term benefits geared toward retention and the short-term awards focused on recruitment).

Table of Contents

Our cash incentive bonus opportunity would be primarily intended to hold executives accountable for performance, although we also believe it would align our executives' interests with those of our stockholders and help us attract, motivate and retain executives. Our performance equity incentives would also be primarily intended to align our executives' interests with those of our stockholders, although we believe they would help hold executives accountable for performance and help us motivate and retain executives.

These compensation elements are intended to create a total compensation package for each executive that we believe will achieve our compensation objectives and provide competitive compensation opportunities.

The Company has an employment agreement with Dov Charney, Chairman of the Board, Chief Executive Officer and President. The Company also has an employment agreement with Joyce Crucillo, General Counsel and Corporate Secretary.

Current Executive Compensation Program Elements

Base Salaries

As discussed above, the Compensation Committee was established in conjunction with the December 12, 2007 Acquisition. Accordingly, compensation for Named Officers in 2007 was determined by arrangements in effect between Old American Apparel and such Named Officers prior to the Acquisition, as determined by Dov Charney, President and Chief Executive Officer, or, in the case of Joyce Crucillo, by her employment agreement. Dov Charney did not receive a salary prior to the Acquisition, but the employment agreement entered into between the Company and Dov Charney as of December 12, 2007 provides for a minimum base salary. For a more complete description of current employment agreements with Dov Charney and Ms. Crucillo, see *Description of Employment Agreements* below. The amount of base salary paid to each Named Officer for the year ended December 31, 2007 is reported in Column (c) of the *Summary Compensation Table* below.

On a going-forward basis, the Compensation Committee plans to review and approve base salaries for executives, including Named Officers, annually and in connection with promotions or other changes in responsibilities. The Compensation Committee will generally review the base salaries for each executive in the first quarter of each year to set salaries, and intends to consider market data, individual compensation history, pay in relation to other executives at the Company, tax deductibility, individual job performance and future potential, as well as evaluations and recommendations by senior management in determining base salary. The weight given to each of these factors may differ from individual to individual, as the Compensation Committee deems appropriate.

Annual Bonus Awards

There were no annual or other bonuses awarded to Named Officers for the year ended December 31, 2007, other than a discretionary performance bonus awarded to Mr. Kowalewski. However, going forward, a portion of compensation for executive officers may be based on the financial performance of the Company. Executives will be eligible for annual cash incentive bonus awards.

Long-Term Equity Incentive Awards

The Compensation Committee has the authority to grant stock options, restricted stock and other awards under the Company's 2007 Performance Equity Plan to executives. Prior to the Acquisition consummated on December 12, 2007, there was no long-term equity incentive award program.

Table of Contents

The Compensation Committee believes that the executives' long-term compensation should be directly linked to the value provided to our stockholders. Consequently, the Compensation Committee will consider establishing in 2008 a performance-based program whereby executives' long-term compensation may be awarded in the form of stock options and/or restricted stock, at the discretion of the Compensation Committee. The number of shares of the Company's Common Stock subject to each award will be intended to create a meaningful opportunity for stock ownership in light of the executive's current position with the Company, the size of comparable awards to comparable executives at our peer group companies, and the individual's personal performance.

Severance and Other Benefits Upon Termination of Employment

American Apparel has not entered into any change in control agreements or other severance arrangements with any of its Named Executive officers other than with Dov Charney and Ms. Crucillo.

Dov Charney's employment agreement provides that in the event that his employment is terminated (i) by the Company without Cause or (ii) by Dov Charney for Good Reason, Dov Charney will be entitled to the following: (1) a pro rata portion of his annual and long term performance bonuses for the year in which he is terminated as if 100% of the performance targets were met, (2) a payment equal to the greater of (x) annual base salary for the remainder of his employment contract or (y) two (2) times the sum of his annual base salary and maximum annual performance bonus, (3) immediate vesting of all equity awards granted to him by the Company and (4) all lock-up restrictions on all of Dov Charney's stock in the Company shall immediately lapse.

Ms. Crucillo's employment agreement provides for the payment of four months of continued compensation, up to a maximum of \$75,000, upon her termination without cause.

In order to support our compensation objective of attracting, retaining and motivating qualified executives, we believe that, in certain cases, we may decide to provide executives with severance protections upon certain types of termination. These severance protections would be negotiated on an individual by individual basis.

Option Grant Practices and Policies

It is intended to be the practice of the Compensation Committee to grant stock options under the 2007 Performance Equity Plan with an exercise price equal to or greater than the closing price of the Company's Common Stock on the date of grant.

Section 162(m) Policy

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation exceeds \$1 million per officer in any year. The limitation applies only to compensation which is not considered to be performance-based. The Compensation Committee intends to consider the anticipated tax treatment to the Company and our executive officers when reviewing executive compensation and our compensation programs.

While the tax impact of any compensation arrangement is one factor to be considered, such impact is evaluated in light of the Compensation Committee's overall compensation philosophy. The Compensation Committee will consider ways to maximize the deductibility of executive compensation, while retaining the discretion it deems necessary to compensate officers in a manner commensurate with performance and the competitive environment for executive talent. From time to time, the Compensation Committee may award compensation to our executive officers which is not fully deductible, if it determines that such award is consistent with its philosophy and is in our and our stockholders' best interests.

Potential Payments Upon Termination or Change of Control

Dov Charney: Potential payments to Dov Charney are governed by his employment agreement with the Company, dated December 12, 2007, which provides that his initial employment term expires December 31, 2010. Upon termination of Dov Charney's employment by the Company with cause or due to Dov Charney's permanent incapacity or death, the Company will pay Dov Charney any unreimbursed expenses then owed by the Company to Dov Charney and all accrued but unpaid wages. Dov Charney will not be entitled to any other consideration or compensation. As of December 31, 2007, Dov Charney's accrued wages amounted to \$39,041.

If Dov Charney's employment is terminated by the Company without cause or by Dov Charney for good reason, Dov Charney is entitled to the following: (1) a lump sum payment of a pro rata portion of his annual and long term performance bonuses for the year in which he is terminated as if 100% of the performance targets were met, (2) a lump sum payment equal to the greater of his annual base salary for the remainder of Dov Charney's employment contract or two (2) times the sum of his annual base salary and maximum annual performance bonus, (3) immediate vesting of all equity awards granted to Dov Charney by the Company and (4) all lock-up restrictions on all of Dov Charney's stock in the Company will immediately lapse.

In the event of a change in control, if any payments due to Dov Charney in connection with the change in control, including payments as a result of termination of his employment, will be subject to excise taxes as defined in his employment agreement, Dov Charney will be entitled to a tax gross-up for all effects of the excise taxes. If a change in control had occurred as of December 31, 2007, and Dov Charney had received the termination lump sum payments described above, he would have been entitled to a tax gross-up payment of \$2.1 million.

Joyce Crucillo: Potential payments to Ms. Crucillo are governed by her employment agreement with the Company, dated October 26, 2006, which provides that her initial employment term expired November 30, 2007 and automatically renews for successive one-year terms until either party provides written notice. If Ms. Crucillo resigns, the Company will pay Ms. Crucillo all accrued and unpaid portions of her annual compensation. If the Company terminates Ms. Crucillo's employment with or without cause, the Company will pay Ms. Crucillo any accrued and unpaid portion of her annual compensation. If the Company terminates Ms. Crucillo's employment without cause, the Company will also continue to pay compensation to Ms. Crucillo for four months, up to a maximum of \$75,000.

Had Ms. Crucillo separated from the Company as of December 31, 2007 as a result of a termination without cause, she would have been entitled to receive total payments of \$87,000, representing \$12,000 of accrued salary payable upon termination and four months of regular compensation amounting to \$75,000. During the first quarter of 2008, Dov Charney subordinated the loans to Toronto Dominion Bank in connection with the Company's Canadian-dollar denominated line of credit. The loans payable to Dov Charney mature in December 2012 and bear interest at 6% from December 12, 2007. DIRECTOR INDEPENDENCE

The Board is composed of nine directors, seven of whom qualify as independent directors as defined under the applicable listing standards of the Amex. In establishing independence, the Board affirmatively determines that each director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In addition, the Board has determined that the following categories of persons would not be considered independent: (1) a director who is, or during the past three years was, employed by the Company, other than prior employment as an interim executive officer (provided the interim employment did not last longer than one year); (2) a director who accepted or has an immediate family member who accepted any compensation from the company in excess of \$100,000 during any period of twelve consecutive months within the three years preceding the determination of independence (unless such compensation falls under exceptions provided for under the Amex rules); (3) a director who is an immediate family member of an individual who is, or at any time during the past three years was, employed by the company as an executive officer; (4) a director who is an executive officer, partner or a controlling shareholder, or has an immediate family member who is an executive officer, partner or a controlling shareholder, of an organization to which the Company made, or from which the Company received, payments (other than those arising solely from investments in the Company's securities or payments under non-discretionary charitable contribution matching programs) which, in any of the past three fiscal years, exceeds or exceeded the greater of \$200,000, or 5% of the other organization's consolidated gross revenues; (5) a director who is, or has an immediate family member who is, employed as an executive officer of another entity where at any time during the most recent three fiscal years any of the Company's executive officers serve on the compensation committee of such other entity; and (6) a director who is, or has an immediate family member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

Applying these standards, the Board determined that the following directors qualify as independent: Messrs. Greene, Klein, Mayer, Miller, Samson, Singer and Thornton (the Independent Directors). Each of the members of each of the committees of the Board is an Independent Director, and, in the case of members of the Audit Committee (Messrs. Klein, Samson and Thornton, with Mr. Klein as Chairman), each also meets the additional criteria for independence of audit committee members set forth in Rule 10A-3 under the Exchange Act. In addition, the Board has determined that each of the members of the Audit Committee is financially literate and that Mr. Samson meets the definition of an audit committee financial expert, as set forth in Items 407(d)(5)(ii) and 407(d)(5)(iii) of Regulation S-K. A brief description of Mr. Samson's background and experience can be found under Directors and Executive Officers above.

Table of Contents

In addition, applying these standards, the Board has also determined that former directors Messrs. Jay H. Nussbaum, Kerry Kennedy, Robert B. Hersov, Edward J. Mathias and Richard Y. Roberts were independent directors at the time they served prior to the consummation of the Acquisition.

Effective December 21, 2005, Endeavor, the Registrant prior to the Acquisition, established an Audit Committee of the Board of Directors, which consisted of Edward J. Mathias, as chairman, Jay H. Nussbaum and Richard Y. Roberts, each of whom was an independent director under Amex listing standards. In addition, the Board determined that each of such members of the Audit Committee was financially literate, with Edward J. Mathias qualifying as the Audit Committee financial expert, as set forth in Items 407(d)(5)(ii) and 407(d)(5)(iii) of Regulation S-K.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES**Principal Accounting Firm Fees**

- (2) Audit related fees consist of fees for services related to employee benefit plans, due diligence and other procedures performed on behalf of the Company relating to the Acquisition consummated on December 12, 2007 and assurance and similar services that are reasonably related to the performance of the audit or review of the Company's financial statements and internal controls that are not reported under Audit fees.

In accordance with Section 10A(i) of the Exchange Act, before the Company engages its independent accountant to render audit or non-audit services, the engagement will be approved by our Audit Committee.

The Audit Committee considered whether the provision of non-audit services provided by M&K during 2007 was compatible with maintaining M&K's independence. In addition to retaining M&K to audit and review

Table of Contents

our consolidated financial statements for 2007, M&K performed tax services in 2007 and the Company retained other accounting firms to provide advisory services in 2007. M&K did not provide any advisory services to the Company in 2007. The Company understands the need for its independent auditors to maintain objectivity and independence in its audit of the Company's financial statements.

The Audit Committee utilizes a policy pursuant to which the audit, audit-related, and permissible non-audit services to be performed by the independent auditor are pre-approved prior to the engagement to perform such services. Pre-approval is generally provided annually, and any pre-approval is detailed as to the particular service or category of services and is generally limited by a maximum fee amount. The independent auditor and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date.
