THE TENDER OFFER Section 1 Terms of the Tender Offer and Expiration Date

The following text is hereby added after the second paragraph on page 17:

The Auction

The preferred shares (including preferred shares represented by ADSs) tendered in the tender offer will be purchased through an Auction on the BOVESPA, subject to proration under certain circumstances described in this offer to purchase. Under Brazilian regulations, the Auction is required to be conducted under the rules prescribed by the BOVESPA. These rules require that:

we submit to the BOVESPA for its review, comment and approval:

a form of the *Edital* (Notice of Tender Offer) relating to the tender offer; and

a *laudo de avaliação* (valuation report) prepared by the intermediary institution engaged with respect to the tender offer, a brokerage company, a distributor of securities, a financial institution with an investment portfolio and experience in preparing valuation reports, or a specialized company with experience in preparing valuation reports; and

we submit to the BOVESPA a list of all registered holders of the shares issued by Brasil Telecom as of a date within 10 days prior to the date on which the Notice of Tender Offer is published.

As part of the authorization process, we were permitted to request that the Auction be scheduled on a specific date. As part of the BOVESPA's authorization of the Auction, the BOVESPA specified:

the time and date on which brokers that wish to participate in the Auction must qualify to participate;

the time on the Auction Date by which sell orders for the preferred shares must be submitted through the Megabolsa, the electronic trading system of the BOVESPA;

the code to be used on the Megabolsa for submitting sell orders in the Auction; and

the time on the Auction Date at which the Auction will take place.

In connection with the Auction, we were required to engage an intermediary institution, which pursuant to Brazilian regulations must be a brokerage company, a distributor of securities, or a financial institution with an investment portfolio, to place buy orders on our behalf in the Auction and to guarantee our purchase of the preferred shares for which we place these buy orders.

Edgar Filing: BRASIL TELECOM SA - Form SC TO-T/A

On June 5, 2008, Telemar submitted the Form of Notice of Tender Offer relating to the tender offer to the BOVESPA. On June 10, 2008, the BOVESPA provided comments regarding the Form of Notice of Tender Offer to us. We discussed these comments with the BOVESPA on June 10, 2008 and submitted a revised Form of Notice of Tender Offer to the BOVESPA on June 11, 2008. On June 13, 2008, the BOVESPA authorized the Auction and the auction for the preferred shares of Brasil Telecom to be held on its trading system. On June 18, 2008, Telemar submitted the valuation report and the shareholder list related to the tender offer to the BOVESPA. On June 19, 2008, we published the Notice of Tender Offer in Valor Econômico (*edição nacional*), Diário Oficial da União (DF) and Jornal de Brasília (DF) as required by Brazilian regulations. Under Brazilian regulations, the Auction must occur no later than the 45th day following the publication of the Notice of Tender Offer (or the following Brazilian business day if the 45th day is not a Brazilian business day).

The authorization granted by the BOVESPA provided that the Auction would occur at 3:00 p.m., Brasília time (2:00 p.m., New York City time) on the Auction Date. Under the rules of the BOVESPA, the Auction will take place through the Megabolsa. The Auction must follow the rules established by the BOVESPA, and each shareholder tendering its preferred shares in the Auction (including the custodian under the Deposit Agreement that holds preferred shares that are represented by ADRs) is required to comply with the requirements of the BOVESPA for trading shares on the BOVESPA.

In order to participate in the Auction, prior to 5:00 p.m. (Brasília Time) on the business day immediately preceding the Auction Date, shareholders who wish to participate in the Auction (including the custodian under the Deposit Agreement that holds preferred shares that are represented by ADRs) must qualify to do so, indicating to Credit Suisse (Brasil) S.A. Corretora de Títulos e Valores Mobiliários, the Brazilian intermediary institution, or any other brokerage company authorized to represent such holder the BOVESPA (including the ADS Broker), the number of preferred shares such holder intends to tender in the tender offer. To qualify for the Auction, shareholders (including the custodian under the Deposit Agreement that holds preferred shares that are represented by ADRs) must observe the procedures required by the brokerage company for such registration.

Any shareholder (including the custodian under the Deposit Agreement that holds preferred shares that are represented by ADRs) who intends to tender preferred shares in the Auction must transfer such preferred shares to portfolio No. 7105-6 at the CBLC (which will be opened in the name of each shareholder and held by the CBLC solely for such purpose) through its agent for custody at the CBLC prior to 12:00 noon, Brasília time (11:00 a.m., New York City time), on the Auction Date. Preferred shares held through the Transfer Agent are not registered at CBLC. A Holder of preferred shares held through the Transfer Agent should instruct its broker to request the transfer of its preferred shares to the custody of CBLC in order to enable the broker to tender the preferred shares in the Auction on its behalf. Settlement of transfers of preferred shares to the custody of CBLC occurs three Brazilian business days following the execution of the order to transfer. As a result, a holder must request this transfer no less than three Brazilian business days prior to the Expiration Date.

Sell orders from brokers (including the ADS Broker) tendering preferred shares on behalf of tendering shareholders, must be submitted no later than 12:00 noon, Brasília time (11:00 a.m., New York City time), on the Auction Date through the BOVESPA's Megabolsa electronic trading system using the code BRTO4L. If sell orders are submitted through the BOVESPA's Megabolsa electronic trading system, but the corresponding preferred shares have not been transferred to portfolio No. 7105-6 at the CBLC prior to 12:00 noon, Brasília time (11:00 a.m., New York City time), on the Auction Date, those sell orders will be cancelled. In the case of holders of ADSs who participate in the Auction through the ADS Tender Agent, the ADS Broker will place such sell order.

Under the rules of the BOVESPA, any holder of preferred shares may instruct its broker to withdraw its sell order at any time prior to the commencement of the Auction.

At the time of the Auction, Credit Suisse (Brasil) S.A. Corretora de Títulos e Valores Mobiliários, the Brazilian intermediary institution, will submit a buy order for 13,366,365 preferred shares at the price set forth in this offer to purchase on our behalf through the BOVESPA's Megabolsa electronic trading system using the code BRTO4L. At the time of the Auction, unless a competing bid is made as described in The Tender Offer Section 2 Acceptance for Purchase and Purchase of Preferred Shares and ADSs, the BOVESPA will match the buy order made on our behalf with the sell orders placed on behalf of holders of preferred shares as described above, subject to proration as described below under Proration.

In accordance with CBLC rules, the financial settlement of the Auction through the payment of the purchase price for preferred shares purchased by us in the Auction will occur three business days after the Auction Date and payment of the purchase price in Brazilian *reais* will be made on that date through the CBLC's settlement system to each holder of preferred shares that were purchased in the Auction.

The sixth sentence of the first paragraph on page 17 is hereby amended and restated as follows:

Promptly after receipt of the proceeds, the ADS Tender Agent will distribute such proceeds, net of expenses for converting Brazilian *reais* to U.S. dollars and fees associated with the cancellation of the ADSs, to the holders of ADSs representing preferred shares accepted for purchase in the tender offer.

THE TENDER OFFER Section 2 Acceptance for Purchase and Purchase of Preferred Shares and ADSs

The sixth sentence of the third paragraph on page 19 is hereby amended and restated to read as follows:

Promptly after receipt of the proceeds, the ADS Tender Agent will distribute such proceeds, net of expenses for converting Brazilian *reais* to U.S. dollars and fees associated with the cancellation of the ADSs, to the holders of ADSs representing preferred shares accepted for purchase in the tender offer.

The fifth full paragraph on page 21 is hereby amended and restated to read as follows:

The fourth sentence of the second full paragraph on page 23 is hereby amended and restated as follows:

Before it will accept an order to transfer preferred shares to a broker, the Transfer Agent will generally check the personal information for that holder in its records against the personal information the holder has provided to the broker to make sure they are the same.
