**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off Balance Sheet Arrangement of a Registrant**

On Wednesday, September 3, 2008, the Company converted \$50 million dollars of the outstanding balance on its \$175,000,000 Revolving Line of Credit with Farm Credit of Southwest Florida to a 10 year term loan bearing a fixed interest rate of 6.79% with equal payments of principle and interest of \$1,712,403.26 per quarter until maturity. Total borrowings from Farm Credit were not increased by the transaction and the Company will retain its Revolving Line of Credit availability in place at the correspondingly reduced amount of \$125,000,000. As of the date of the refinancing the total combined debt owed to Farm Credit under the Term Loan and the RLOC is \$129,318,750.00. The Loan Agreement contains a mark to market prepayment provision in the event the term loan is prepaid before maturity.
