***Forward-Looking Statements***

Certain statements contained in this Current Report on Form 8-K may be construed as forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. The words anticipate, project, expect, plan, intend, believe, estimate, target, forecasting, similar expressions, among others, identify forward-looking statements, which speak only as of the date the statement was made. These statements are based on current expectations and assumptions and involve various risks and uncertainties, which could cause the Company's actual results to differ from those expressed in such forward-looking statements. These risks and uncertainties include, without limitation, variation in demand and the difficulty in predicting the completion of product acceptance and other factors affecting the timing of our license revenue recognition, the level of term license renewals, our ability to develop new products and evolve existing ones, the impact on our business of the recent credit market turmoil and of the ongoing consolidation in the financial services and healthcare markets, our ability to attract and retain key personnel, reliance on key third party relationships and management of the Company's growth. Further information regarding these and other factors which could cause the Company's actual results to differ materially from any forward-looking statements contained in this report is contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2007 and other recent filings with the Securities and Exchange Commission. The forward-looking statements contained in this report represent the Company's views as of October 17, 2008. Investors are cautioned not to place undue reliance on such forward-looking statements and there are no assurances that the matters contained in such statements will be achieved. Although subsequent events may cause the Company's view to change, the Company does not undertake and specifically disclaims any obligation to publicly update or revise these forward-looking statements whether as the result of new information, future events or otherwise. The statements should therefore not be relied upon as representing the Company's view as of any date subsequent to October 17, 2008.
