**Item 1.01 Entry Into a Material Definitive Agreement.**

**Item 8.01 Other Events**

On August 1, 2008, LightPath Technologies, Inc. ( LightPath or the Company ) executed a Securities Purchase Agreement with twenty-four institutional and private investors with respect to a private placement of 8% Senior Secured Convertible Debentures (the Debentures ). The sale of the Debentures generated gross proceeds of approximately \$2,929,000.

On December 31, 2008, the Company and the Debenture holders executed the First Amendment to the Debentures. The amendment was entered into in connection with a conversion (the Conversion ) by each Debenture holder of 25% of the principal amount of the Debentures held by such holder into the Company s Class A common stock, \$.01 par value (the Common Stock ). The material terms of the amendment are as follows:

- (a) The interest conversion rate for the Debentures was modified;
- (b) Accrued interest on the unconverted and outstanding principal amount of each Debenture for the period from October 1, 2008 through December 31, 2008 (the Accrued Interest ) would be paid as of December 31, 2008, and following the Conversion all interest that would have accrued on the unconverted principal amount of each Debenture from January 1, 2009 through the stated maturity date of the Debenture would be prepaid (the Prepaid Interest );
- (c) The limitation that the market price of the Common Stock be at least \$1.40 before the Company could pay interest in Common Stock was eliminated such that the Company could make all interest payments in Common Stock, including the Accrued Interest and the Prepaid Interest.

Based upon the amendment, each of the Debenture holders consummated the Conversion as of December 31, 2008, at conversion price per common share of \$1.54. The Company issued a total of 475,496 shares of Common Stock in connection with the Conversion. In addition, the Company issued to the Debenture holders 76,079 shares of Common Stock in payment of the Accrued Interest and 589,613 shares of Common Stock in payment of the Prepaid Interest. Finally, in consideration of the Conversion, the Company issued to the Debenture holders warrants to purchase up to 366,699 shares of Common Stock. The warrants are exercisable for a period of five years beginning on December 31, 2008, and are exercisable at a price of \$0.87 per share. If all of the warrants were exercised, the Company would receive additional proceeds in the amount of \$319,028.

Among the investors were Steven Brueck, J. James Gaynor, Louis Leeburg, Robert Ripp and Gary Silverman, all of whom are directors or officers of LightPath.

The First Amendment executed by the Company and the Debenture holders, and the form of warrant issued by the Company to the Debenture holders in connection with the Conversion are filed as exhibits to this Current Report on Form 8-K.
