At the annual meeting, the Company will ask its stockholders to approve an amendment to the Company's 1996 Stock Option Plan to permit a voluntary option exchange program (the Option Exchange Program). The Proxy Statement includes a description of the Option Exchange Program, which will only be commenced, if at all, following approval of the amendment to the 1996 Stock Option Plan by the Company's stockholders. The Proxy Materials do not constitute an offer to holders of our outstanding stock options to exchange those options.

**The tender offer described in the Proxy Statement has not yet commenced. Persons who are eligible to participate in the Option Exchange Program should read these written materials carefully when they become available because they will contain important information about the Option Exchange Program. The Company will also file these written materials with the Securities and Exchange Commission as part of a tender offer statement upon the commencement of the Option Exchange Program. The Company's stockholders and option holders will be able to obtain these written materials and other documents filed by the Company with the Securities and Exchange Commission free of charge from the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov).**
