**PART III NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously disclosed in its Current Report on Form 8-K filed on August 7, 2009 with the Securities and Exchange Commission, on August 6, 2009, The Colonial BancGroup, Inc. (the Company or BancGroup) was informed by the U.S. Department of Justice that it is the target of a federal criminal investigation relating to the Company's mortgage warehouse lending division and related alleged accounting irregularities. The Company has been informed that the alleged accounting irregularities relate to more than one year's audited financial statements and regulatory financial reporting, and the Company's Board of Directors and Audit Committee are making every effort to determine the impact of these alleged accounting irregularities on the Company's financial statements and regulatory financial reporting. The Company intends to cooperate with the investigation. Please refer to the Form 8-K filed on August 7, 2009 for more information.

BancGroup's management and board of directors are assessing the impact of these recent events on the Company's financial position and results of operations, and as a result, BancGroup is unable to file its Quarterly Report on Form 10-Q for the period ended June 30, 2009 within the prescribed time period.

**PART IV OTHER INFORMATION**

**Sarah H. Moore**  
(Name)

**334**  
(Area Code)

**676-5000**  
(Telephone Number)

- (2) Have all other periodic reports required under section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).  Yes  No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No  
If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

BancGroup believes that the consolidated statements of income will reflect a net loss for the three and six months ended June 30, 2009 and as a result of uncertainties associated with BancGroup's ability to increase its capital levels to meet regulatory requirements, management has concluded that there is substantial doubt about its ability to continue as a going concern. The net loss is due primarily to increased credit costs and noncash charges related to a deferred tax asset valuation allowance and goodwill impairment.

Pending completion of the investigation discussed above and determination of any potential impact on BancGroup's financial statements, the Company is not in a position to quantify the financial position as of June 30, 2009 or the results for the three or six months ended June 30, 2009.
