Section 8 Other Events

Item 8.01. Other Events.

On August 14, 2009, PECO Energy Company (PECO) filed a \$650 million plan with the Pennsylvania Public Utility Commission to install more than 1.6 million residential and commercial smart meters and deploy advanced communications networks over ten years. PECO's smart meter plan will seek approval to install the advanced metering infrastructure, backbone communications network and information systems to integrate customer energy usage with utility operations.

In addition, on August 6, 2009, PECO filed an application with the United States Department of Energy seeking \$200 million in matching funds through the federal stimulus grant program. A stimulus grant would allow PECO to install up to 600,000 meters by 2012.

A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
