MATERIAL FACT

Tele Norte Leste Participações S.A. (TNL), Telemar Norte Leste S.A. (Telemar), Coari Participações S.A. (Coari) and Brasil Telecom S.A. (BrT), pursuant to article 157, paragraph 4 of Law No. 6.404/76 and CVM Instruction No. 358/02, hereby inform their shareholders and the market of the following.

In order to continue the execution of the acts necessary for the implementation of the Corporate Reorganization disclosed in previous Material Facts, which has as one of its objectives the integration of the shareholder base of Brasil Telecom Participações S.A. (which is already integrated into BrT as a result of the merger of Brasil Telecom Participações S.A. into BrT) and BrT into Telemar, the Boards of Directors of TNL and Telemar, at meetings held on November 26, 2009, approved, as the case may be:

I. Creation of a new class of preferred shares of Telemar: The new class of preferred shares will be designated class C preferred shares (TMAR7 shares), and will grant the following rights to its holders: (a) priority in the payment of a dividend of 3% per year, calculated based on the amount resulting from the division of the net equity of Telemar by the total number of its shares; and (b) the right to participate in the distribution of profits under equal conditions with the common shares, after dividends equal to amount of the priority dividend set forth in clause (a) are paid to the common shares. The TMAR7 shares will not be redeemable;

II. Increase of the rights of class A preferred shares of Telemar: Class A preferred shares (TMAR5 shares) will be granted priority dividends under equal conditions to the priority dividends that will be granted to TMAR7 shares, in addition to the rights to which TMAR5 shares are currently entitled;

III. Conversion of TMAR5 and TMAR6 into TMAR7: Holders of TMAR 5 shares and Class B preferred shares (TMAR6 shares) will be entitled to convert their TMAR5 and TMAR6 shares into TMAR7 shares, at their free and exclusive discretion, in the proportion of one TMAR7 share for each TMAR5 or TMAR6 share, as the case may be, during a certain period of time to be timely established;

IV. Conversion of preferred shares of Telemar held by TNL into TMAR7: The Board of Directors of TNL approved the conversion of all the preferred shares of Telemar held by TNL into TMAR7 shares, which conversion will be timely executed; and

V. Registration of Telemar with SEC and listing of its shares with the NYSE: Telemar intends to file with the U.S. Securities and Exchange Commission (SEC) a registration statement to register under the U.S. Securities Act of 1933 (1) common shares of Telemar and the TMAR7 shares that will be issued to shareholders of Coari residing in the United States, and (2) Telemar American Depositary Shares (ADSs), and intends to list the ADSs representing its common shares and TMAR7 shares on the New York Stock Exchange (NYSE). Other classes of preferred shares of Telemar will not be represented by ADSs and will not be listed on the NYSE

Other Information: Holders of preferred shares of BrT (who will receive shares of Coari in the share exchange between Coari and BrT) will hold TMAR7 shares after the conclusion of the Corporate Reorganization. After the conclusion of the Corporate Reorganization and after the end of the period for the conversion of preferred shares into the new class of TMAR7 shares, the managements of TNL and Telemar estimate that the liquidity of the TMAR7 shares will be substantially greater than the liquidity of TMAR5 shares.

The creation of the class of TMAR7 shares and the increase of the rights of TMAR5 shares will be submitted to the approval of the Extraordinary Shareholders Meeting of Telemar that will be summoned in the next days.

The managements of TNL, Telemar and Coari will continue to inform their shareholders and the market with respect to the Corporate Reorganization.
